

KENYA WATER INSTITUTE

ADDENDUM

Reference is made to the Tender Notice placed by Kenya Water Institute, which appeared in the Standard Newspaper on **Tuesday 7th May 2019**.

We inadvertently indicated under Tender No. **KEWI/RFP/04/2018-2019** as for provision of consultancy services for development of master plan only.

The purpose of this addendum is to correct the tender description and the closing date as follows;

NO.	TENDER NO.	ITEM DESCRIPTION
1.	KEWI/RFP/04/2018-2019	Provision of Consultancy Services for Development of Master Plan, Architectural, Civil and Structural drawings for Kenya Water Institute

In light of the above changes, the closing date for this request for proposal has been extended from **21st May, 2019 to 28th May, 2019** while the closing date for the other Tenders remain as earlier advertised

**DIRECTOR
KENYA WATER INSTITUTE**
