Issue No. 21/2024-2025

Serikali kujenga maabara katika shule za upili 2025

Katibu Mkuu wa Elimu ya Msingi, Dkt Belio Kipsang anaonngeza kwamba, serikali itajenga maabara 2,000 za mtandaoni kusaidia STEM wanafunzi wafunzi wa JSS wakjiunga na Darasa la Grade 10

NA **WANGARI MWANGI**, KNA

Serikali imetangaza mipango ya kujenga maabara 2,600 katika shule za sekondari kuanzia Januari 2025 kama sehemu ya maandalizi ya wanafunzi wa kwanza wa Shule za Upili chini ya Mtaala wa (CBC).

KKulingana na Katibu Mkuu wa Idara ya Serikali ya Elimu ya Msingi, Dkt. Belio Kipsang, maabara 1,600 zitajengwa katika shule za upili ambazo kwa sasa hazina vifaa hivyo. Serikali pia inapanga kuanzisha maabara 2,000 za kimtandao ili kusaidia elimu ya Sayansi, Teknolojia, Uhandisi na Hisabati (STEM) wanafunzi watakapojiunga na Darasa la 10 baadaye 2026.

"Tumejitolea kuhakikisha kwamba kundi la kwanza la wanafunzi wa Darasa la 8 litakapoingia Darasa la 10, kila shule itakuwa na angalau maabara moja. Kuanzia Januari mwaka ujao, tutajenga maabara 1,600 katika shule za upili zilizopo, ambazo wanafunzi wataingia 2026," akasema Dkt. Kipsang.

"Tutaanzisha pia maabara 2,000 za mtandaoni, kuwezesha wanafunzi kushiriki masomo kwa vitendo katika maabara halisi huku pia wakinufaika na tekinolojia kupitia maabara za mtandaoni."

Juhudi hizi ni sehemu ya juhudi pana za serikali za kuanzisha mifumo inayohitajika ili kuimarisha na kutekeleza kikamilifu mtaala wa CBC.

AirAsia X sasa yatua Kenya

Kenya yapiga hatua kubwa katika kuimarisha usafiri kati yake nceneo la Asia-Pasifiki baada ya kuwasili kwa ndege ya kwanza ya AirAsia X kutoka Kuala Lumpur, hadi Nairobi. Ndege hiyo ya kwanza ilibeba abiria 377, wakiwemo watalii, wafanyabiashara na wanafunzi, na ilikaribishwa kwa shangwe na maafisa wakuu wa serikali na sekta hiyo. Picha: Kwa Hisani

Wakenya 3,247 zaidi wapata kazi Qatar katika awamu ya pili

BY **CHRIS MAHANDARA,** KNA

Waziri wa Leba Alfred Mutua ametangaza shughuli ya kitaifa ya kusajili Wakenya wanaotaka kufanya kazi nje ya nchi.

Shughuli hiyo, itakayoanza Jumatano (kesho) katika Kaunti ya Machakos, inalenga kaunti zote 47 kufuatia nyingine ya hivi majuzi ambapo Wakenya 3,247 waliajiriwa na kampuni moja ya Qatar.

Dkt Mutua alisema uamuzi wa kuendesha shughuli hiyo katika kila kaunti umetokana na changamoto zilizokabili Wakenya wengi katika kusafiri hadi jumba la KICC na Chuo cha Kitaifa cha Ufundi cha Kabete.

"Tuligundua watu walitoka kila pembe ya nchi. Si haki kusafiri mbali huku baadhi yao wakilala katika vituo vya usajili. Badala yake tutawapelekea kazi hizo katika kaunti zote 47," akasema.

Labour Cabinet Secretary (CS) Alfred Mutua addressing the media in Kisumu.

Kampuni ya Qatar, ambayo awali ilitaka kuajiri watu 8,000, imerudi kuajiri Wakenya wengine 5,000 kwa nafasi zilizosalia. Dkt Mutua amewataka Wakenya watumie fursa hiyo na kujitokeza kufika kwa maeneo ya usajili katika

makao makuu ya kaunti kote nchini.

Aliongeza kuwa matifa mengine pia yameahidi kazi yakiwemo Ujerumani, Saudi Arabia, Australia, Austria, Jamhuri ya Czech, na Umoja wa Falme za Kiarabu (UAE). Maelezo kuhusu kazi hizo yatawekwa kwenye tovuti ya Wizara na tovuti nyingine za serikali.

Alisema nafasi hizo za kazi zitatolewa kwa mpango kuhakikisha kila kaunti imepata mgao wake wa haki.

Usajili katika kaunti utaendeshwa katika vyuo vya Mafunzo ya Ufundi (TVET) katika makao makuu ya kaunti. Hiyo itawezesha wanaotafuta kazi kufanyiwa majaribio ya ujuzi wao kulingana na kazi wanazotaka.

Dkt Mutua alisema maafisa wa Wizara wanaoongoza shughuli hiyo wataandamana na mashirika ya kuajiri yaliyosajiliwa na maafisa kutoka mashirika mengine husika ya serikali, wakiwemo wa Huduma ya Kitaifa ya Polisi (NPS) na Idara ya Uhamiaji. Ushirikiano huo unalenga kuharakisha utoaji wa vyeti vya maadili mema na pasipoti kwa watakaofaulu.

Shughuli hiyo katika kila kaunti, ambayo inalenga kuwapa kazi Wakenya wasiopungua milioni moja itaendeshwa kwa njia huru na wazi, na kutoa fursa sawa kwa Wakenya wote waliohitimu na wenye ujuzi.

Akihutubia wanahabari mjini Kisumu baada ya kuhudhuria kikao cha Kamati ya Idara ya Bunge kuhusu Leba, Dkt Mutua alisema kuwa aliwataka Wakenya wanaotafuta kazi nje ya nchi wajiandae kwa kuhakikisha stakabadhi zao ziko sawa.

"Wakati wa shughuli ya usajili hivi majuzi, wengine walikosa nafasi kwa sababu hati zao hazikuwa sawa. Wengine, kwa sababu ya uchovu na njaa, hawakuweza kufanya vizuri," akasema.

Serikali kujenga maabara 2,600 katika shule zote za sekondari mwaka wa 2025

ENDELEA KUTOKA UK1

Akitoa taarifa ya hali ya utekelezaji wa Mfumo wa Elimu ya Msingi, Dkt. Kipsang alisema Wizara ya Elimu imeyarisha miongozo kuhusu jinsi wanafunzi wakavyojiunga na Darasa la 10.

Baada ya kumaliza mtihani wa Darasa la 9 mwaka ujao, wanafunzi watasajiliwa katika kimojawapo cha vitengo vitatu ya kuendeleza masomo: STEM (kwa watakaofanya vyema katika Hisibati na Sayansi), Sayansi ya Jamii, au Sanaa na Michezo.

Dkt. Kipsang alisema serikali inalenga kuwapa wanafunzi wote fursa ya kuendelea na masomo ya STEM wanajiunga na vyuo vinavyozingatia ujuzi. "Usajili hautakuwa wa moja kwa moja kama hapo awali, ambapo alama pekee ziliamua shule anayojiunga nayo mwanafunzi. Wakati huu itakuwa zaidi ya alama na kuumuisha kitengo ambacho mwanafunzi amechagua," akaelezea.

Wizara pia imetayarisha miongozo ya usimamizi wa Shule za Sekondari, ikiwatambua walimu wakuu wa shule za sekondari kama wadau muhimu katika kutekeleza mtaala wa CBC.

"Tunajiandaa kwa mpito wa mwisho kutoka Darasa la 9 hadi la 10. Huu ni wakati mwafaka wa kujadili jinsi ya kusimamia mpito huu kikamilifu. Punde tu mitihani ya Kidato cha Nne (KCSE) ikimalizika, tutashirikisha wakuu wa shule kukagua na kuboresha miongozo hio," akasema Dkt. Kipsang.

Katika kukabiliana na uhaba wa walimu, Dkt Kipsang alisema wizara inaimarisha uwezo wa walimu na inashirikiana na Tume ya Kuajiri Walimu (TSC) kuajiri walimu wa ziada kwa Shule za Sekondari za Chini (JSS).

Wizara inalenga kuwa na zaidi ya walimu 90,000 katika mfumo wa JSS ifikapo Januari 2025, huku tukilenga kuajiri walimu 120,000.

"Tunafanya kazi kwa karibu na TSC kuajiri walimu zaidi na kutathmini walimu waliopo wa shule za msingi ambao wanaweza kupandishwa hadhi kufundisha katika kiwango cha JSS.

Katika mwaka mmoja ujao, tunalenga kuwa na walimu wote walio na ujuzi unaohitajika," akasema.

Katibu Mkuu alikuwa akizungumza katika Shule ya Msingi ya Giakanja, Kaunti ya Nyeri, baada ya kukagua maendeleo ya ujenzi wa vyumba vya Darasa la 9.

Serikali yatenga Sh2b kwa mbolea ya ruzuku kwa wakulima wa chai

NA **FATMA SAID,** KNA

Serikali imetenga Sh2 bilioni kusambaza tani 97,000 za mbolea ya ruzuku kwa wakulima wa chai. Hatua hiyo inanuiwa kuzidisha mapato yao, kuwapunguzia gharama kwa wakulima na pia kuhakikisha wanapata pembejeo muhimu zinazohitajika ili kuboresha mavuno na ubora wa chai.

Akizungumza katika mkahawa wa Sarova Whitesands wakati wa mkutano wa kuadhimisha miaka 100 ya uuzaji wa chai wa Bodi ya Chai ya Kenya, Naibu Rais Kithure Kindiki, alisema kwamba, katika miaka miwili iliyopita, serikali imesambaza tani 180,000 za mbolea ya ruzuku kwa wakulima kwa Sh2,500 kwa kila mfuko wa kilo 50.

Kuhusu changamoto nyingine katika sekta hiyo, Naibu Rais alisema serikali imepiga hatua kubwa katika kutatua masuala ya uongozi katika Shirika la Ustawi wa Chai Kenya (KTDA) kupitia uchaguzi wa hivo majuzi ambao ulileta uongozi mpya.

Aliongeza kwamba mageuzi ya kisheria na kitaasisi yanaendelea ili kuimarisha utendakazi wa sekta hiyo na kwamba hatua zifaazo zitachukuliwa ili kulinda maslahi ya wakulima.

Kindiki aliongeza kwamba marekebisho ya Sheria ya Chai ya mwaka wa 2020 yanaendelea, huku baadhi ya kanuni za chai zinazotakiwa kutekeleza sheria hiyo zikiendelea kutayarishwa.

"Ili kulinda hadhi na sifa ya Chai ya Kenya na sekta hiyo na kuhakikisha uendelevu, serikali imeendelea kushughulikia changamoto zinazokabili uzalishaji chai, muhimu zaidi zikiwa gharama kubwa ya uzalishaji na utayarishaji, masoko, ukosefu wa thamani. kwa kuongeza, ubora wa chai na changamoto za kila mara kuhusu uongozi," akasema Kindiki.

Alisema kipaumbele cha serikali ya Kenya Kwanza kuhusu kilimo ni kurahisisha uzalishaji badala ya utumiaji. Aliongeza kwamba mpango huo mpana unalenga kuimarisha mapato ya kilimo, kuhakikisha usalama wa chakula, kutoa nafasi za ajira na kuongeza kuongeza mauzo ya nje ya Kenya.

Naibu Rais alisema chai ya Kenya inaaminika kuwa bora zaidi kote duniani kote kutokana na ubora wake, ladha nzuri na inaleta karibu Sh200 bilioni mapato ya kigeni kila mwaka, ambayo inachangia asilimia mbili ya Pato la Taifa (GDP). Inashikilia nafasi ya tatu baada ya mapato kutokana na Wakenya walio ugenini na Utalii.

"Chai ya Kenya ni nguzo kuu ya uendelevu na uhifadhi wa mazingira wa nchi yetu. Pia imesaidia sekta ya elimu na uchumi wa vijijini kama chanzo kikuu cha mapato na ajira," akasema Kindiki. Alitambua nafasi ya wanawake katika Sekta ya Chai, akisema wanachangia zaidi ya asilimia 60 ya uzalishaji wa chai duniani, na hivyo kuchangia kwa kiasi kikubwa katika uendelevu, tija, na maendeleo ya jamii, hasa kwa sababu uzalishaji chai unahitaji kazi nyingi.

Naibu Rais Kithure Kindiki akihutibia alipoanzisha rasmi sherehe za kuadhimisha miaka 100 ya Bodi ya Chai ya Kenya (TBK) jijini Mombasa.

"Ukuzaji cha pia unasaidia kilimo endelevu na uhifadhi wa mazingira, hivyo kusaidia kukabiliana na mabadiliko ya tabianchi kwa sababu mojawapo ya hatari zinazokabili Sekta yetu ya Chai ni mabadiliko ya tabianchi, kuvurugwa kwa misimu na kuwepo kwa hali mbaya ya anga inayoathiri ubora wa chai," akasema.

Naibu Rais alisema kilo 600 milioni za chai huzalishwa Kenya kila mwaka huku akiahidi kuzidisha kiwango hicho kupitia sera zifaazo, ikiwepo utoaji wa mbolea ya kuhakikisha wadau wote, hasa wakulima wanafaidi kutokana na bidii yao.

Waziri wa Kilimo, Andrew Karanja, alisema serikali, kupitia Mpango wa Kubadilisha Uchumi wa Bottom-Up imeweka mbele kilimo cha Chai.

Alisisitiza umuhimu wa kuendelea kutatua changamoto muhimu zinazoikabili sekta ya chai, ili kuhakikisha uendelevu na ushindani wake. Miongoni mwa hayo ni umuhimu wa kuongeza thamani kwa bidhaa za chai, ili kuvutia soko la kimataifa na kuleta faida kubwa kwa wakulima.

Chuo Kikuu cha Taveta chaungana na washikadau kuimarisha ujuzi wa wachimbaji madini wadogo

NA **GEORGE KAIGA**, KNA

Chuo Kikuu cha Taita Taveta (TTU) kimeanzisha mpango wa kuzidisha uwezo wachimbaji madini wadogo kote nchini.

Makamu wa Naibu Chansela anayesimamia Taaluma, Utafiti na Ushirikiano, Profesa Christine Onyango, alisema chuo hicho kimejikita katika kujenga uwezo wachimbaji madini wadogo ili kuboresha ujuzi wao wa kiufundi na usimamizi wa fedha ili kuongeza mapato yao.

Akizungumza katika hafla ya kwanza ya mpango huo mjini Kakamega, Profesa Onyango alisema eneo la Magharibi lina utajiri wa dhahabu, lakini mara nyingi wachimba madini wengi hunyonywa na wafanyabiashara wa kati ambao hununua madini yao ya thamani kwa bei duni.

Alifafanua kwamba, katika kukabiliana na changamoto hiyo, chuo hicho kikuu - kinachojivunia utaalamu katika uchimbaji madini na uhandisi wa utayarishaji - kimeshirikiana na wadau wengine kutoa mafunzo kwa wachimbaji madini wadogo katika masuala ya usimamizi na fedha, ili kuwawezesha kupata mapato bora kutokana na kazi yao kwa kuongeza thamani.

"Mara nyingi wachimbaji madini wadogo huuza dhahabu yao ya thamani kwa wafanyabiashara wa kati kutokana na ukosefu wa maarifa na hawapati thamani ya mapato yao," akasema Profesa Onyango.

"Wachimbaji wengi hawana ujuzi katika usimamizi, hawana ujuzi wa kutosha na wanatumia vifaa duni kuchima madini na kuhatarisha maisha yao," akasema.

Profesa Onyango alisema warsha hiyo pia iliangazia masuala ya usalama ikizingatiwa kwamba uchimbaji wa dhahabu nchini unahatarisha maisha kutokana na matumizi ya zebaki.

Zebaki hutumiwa kutenganisha dhahabu vitu vingine vingine lakini huleta hatari kubwa kwani inaweza kuharibu figo na uwezo wa kuona.

Alisema pia kuna athari mbaya za mazingira kutokana na uchimbaji madini ukiwemo ukataji miti na mabadiliko ya tabia nchi.

Profesa Onyango alisema chuo hicho kinalenga kusaidia jamii kukabiliana na athari mbaya za mazingira na mabadiliko ya hali ya hewa yanayotokana na uchimbaji wa madini.

Akizungumza katika hafla hiyo, Maurice Juma Ogada, Profesa wa Uchumi wa Kilimo na Rasilimali Uchumi wa chuo hicho alisema taasisi hiyo inashirikiana na wafadhili na wadau wengine ili kuwapa wachimbaji madini wadogo ujuzi wa kutosha kuhusu usalama na uongezaji thamani.

Kupitia ufadhili kutoka kwa taasisi ya German Academic Service na kupitia Kituo cha Ubora cha Uhandisi wa Mazingira na Usimamizi wa Rasilimali (CEMERM), chuo hicho kikuu chenye makao yake makuu mjini Pwani kimeshirikiana na vyuo vikuu viwili vya Ujerumani - Chuo Kikuu cha Ufundi cha Madini mjini Freiberg na Chuo Kikuu cha Sayansi mjini Dresden kuboresha ujuzi na maarifa ya wachimbaji madini.

Profesa Ogada alisema TTU kitapeleka mpango huo katika maeneo mengine nchini ili kutoa ujuzi kwa wachimbaji madini wadogo kufuatia kuongezeka kwa visa vya ajali.

"Tunataka kuwafahamisha wachimbaji madini wadogo kuhusu athari ya kazi yao kwa mazingira na jinsi tunavyoweza kupunguza hatari na kukarabati maeneo ambayo uchimbaji madini umekuwa ukifanywa," akaongeza.

Wachimbaji madini wadogo wakiingia katika mgodi kuchimba dhahabu katika eneo la Rosterman, Kakamega. Chuo Kikuu cha Taita Taveta kimeanzisha mpango wa ushirikiano unaolenga kutoa mafunzo kwa wachimbaji madini wadogo sehemu zote nchini. Picha na Moses Wekesa, KNA.

Makamu Naibu Chansela anayesimamia Masomo, Utafiti na Ushirikiano Profesa Christine Onyango akizungumza na Kenya News Agency mjini Kakamega. Picha na Moses Wekesa

Warsha hiyo ya siku tatu ya mafunzo ya kiufundi ambayo mada yake ilikuwa 'Kumaliza maafa na zebaki; kulinda usalama na afya kwa wachimbaji madini wadogo' ilikuwa imeandaliwa kwa wachimbaji madini wadogo kutoka Kaunti za Kakamega na Vihiga.

Mwakilishi wa wachimbaji madini, Moses Klay, aliwaomba wafadhili wasaidie wachimbaji kwa mikopo maalumu ili kuwawezesha kuendesha shughuli za uchimbaji madini.

Alitoa wito kwa serikali ya kitaifa iharakishe vibali kwa wachimbaji madini, mojawapo la mahitaji katika kupata mikopo.

Mbunge Mteule wa Bunge la Kaunti ya Kakamega Victorine Shikutwa alisema kaunti imeshughulikia suala la ajira ya watoto katika uchimbaji wa dhahabu.

Serikali kuangalia upya aina 42 za ushuru zinazoathiri sekta ya chai nchini

NA **FATMA SAID,** KNA

Serikali itachunguza upya ushuru mwingi unaoathiri sekta ya chai, ikibaini kuwa bidhaa za chai kwa sasa zinatozwa aina 42 tofauti za ushuru 42.

Katibu Mkuu wa Kilimo (Dkt. Paul Ronoh amesema kwamba, ili kurahisisha mzigo na kuongeza ushindani katika sekta hiyo, Wizara ya Kilimo inakusudia kutathmini upya kodi hizo na kulainisha mikakati ya uuzaji wa zao hilo michakato nje. Hii ni pamoja na kuboresha mitambo ya kukagua inayotumiwa katika usafirisha chai nje ili kuimarisha utendakazi na kupunguza gharama.

Akizungumza katika hoteli moja mjini Mombasa wakati wa hafla ya kuadhimisha miaka 100 ya uuzaji chai ya Bodi ya Chai Kenya, Ronoh alisisitiza kuwa serikali iko imejitolea kuimarisha sekta ya chai chini ya mpango wake wa ajenda BETA. Mpango huo ni pamoja na mbolea ya ruzuku, maabara mpya ya ubora wa chai, na mkakati wa kutafuta masoko ya kimataifa ili kuzidisha mauzo ya nje ya chai ya Kenya.

Hafla hiyo ilileta pamoja wajumbe kutoka nchi kuu zinazozalisha, kuagiza na kuuza nje chai, pamoja na wahusika wakuu wa sekta ya chai duniani.

Pia ilitoa fursa ya kuwezesha kubadilishana itikadi na taarifa za hivi punde kuhusu chai kimataifa na mustakabali wake.

"Tunapoendelea na kongamano hili la siku tatu za sherehe, tutaweka mikakati ya jinsi tunavyoweza kushughulikia vyema zao hili kwa miaka mingine 100 mingine, na mtazamo wetu na mada yetu ni 'kumfanya mkulima mfalme," akasema.

Katibu Mkuu wa Wizara ya Kilimo, Dkt. Paul Ronoh (Kulia) alipozuru vibanda vya maonyesho wakati wa sherehe za kuadhimisha miaka 100 ya Bodi ya Chai ya Kenya (TBK) jijini Mombasa. Picha na Andrew Hinga.

Katibu alisisitiza umuhimu wa kuongeza mapato ya wakulima kwa kufanya chai kuwa na faida, akibainisha kuwa tathmini ya kodi ni muhimu kwa sababu inaambatana na mipango ya serikali ya sasa.

"Katika mjadala wetu, tumeangalia wakulima 834,000 ambao ni wachangiaji wakubwa katika sekta hii na ambao pia wanaathiri familia karibu 6.5 milioni. Kwa kuzingatia takwimu hizo, ni wazi kwamba hili ni zao muhimu la kuleta mabadiliko katika uchumi wetu na maisha ya Wakenya, " akaongeza.

Alisisitiza hamu ya kuzingatia zaidi kilimo cha chau ili iwe zao muhimu kwa mabadiliko yetu ya kiuchumi.

Ronoh aliongeza kuwa mbinu nyingine muhimu ni kuongeza thamani, inayozingatia kuuza nje chai iliyosafishwa zaidi badala ya wingi.

Alisema serikali inajenga viwanda vya kutayarisha zao hilo vitakachotumiwa kwa pamoja na wakulima, na kwamba ujenzi huo unaendelea katika kwa sasa maeneo matatu.

Katibu Mkuu alisema viwanda hivyo vitawezesha utayarishaji na upakiaji, kuhakikisha kwamba chai haitauzwa kwa jumla, hali ambayo imesababisha thamani duni katika siku za awali.

Alisema uuzaji wa chai iliyotayarishwa unalenga kuongeza kwa kiasi kikubwa faida na kuvutia masoko ya kimataifa.

Aliongeza kuwa utafutaji wa masoko pia ni mbinu nzuri akibainisha kuwa ili kupanua soko, wauzaji wanahitaji kukumbatia mpango wa mauzo ya kimkakati ya chai badala ya kutegemea minada ya jumla pekee.

Owalo azuru Mombasa na Lamu kukagua miradi ya inayoendelea

NA **MOHAMED HASSAN,** KNA

Naibu Mkuu wa Itifaki, Usimamizi wa Utendakaji na Utekelezaji katika Ofisi Kuu ya Rais, Eliud Owalo, ameanza ziara ya kukagua miradi ya miundomsingi inayoendelea katika kaunti za pwani za Mombasa na Lamu.

Owalo aliambia wanahabari kwamba lengo la ziara hiyo ya maendeleo ni kukusanya taarifa za moja kwa moja, kutathmini maendeleo ya kazi za ujenzi kufikia sasa, na kutathmini hali ya miradi iliyopo.

Naibu Mkuu wa Itifaki katika Ofisi Kuu ya Rais, Usimamizi wa Utendaji na Utekelezaji Eliud Owalo akihutubia wanahabari jijini Mombasa.

Owalo alifichua kwamba ziara pia itatoa fursa ya kuingilia kati kutatua changamoto zinazokabili wanakandarasi na jamii zilizoathiriwa na miradi hiyo.

"Tuko hapa katika eneo la pwani kukagua miradi mbalimbali ya ujenzi inayotekelezwa na serikali ya kitaifa katika kaunti za Mombasa na Lamu," akasema na kuongeza kwamba serikali imechukua hatua za kupunguza hali ngumu ya kiuchumi nchini na itaendelea kutoa miundomsingi muhimu kwa wananchi.

Owalo aliandamana na Katibu Mkuu wa Jinsia na Ushirikiano, Anne Wang'ombe, Kamishna wa Mkoa wa Pwani, Rhoda Onyancha, Kamishna wa Kaunti ya Mombasa, Mohamed Noor, na Sherry Ariko, anayesimamia Utekelezaji wa Huduma za Serikali (GDS) katika eneo la pwani.

Owalo alisema ukaguzi wa eneo la mradi ni muhimu kutokana na mamlaka ya afisi yake ambayo inasimamia kazi ya usimamizi wa utekelezaji wa serikali ya kitaifa.

"Serikali imejitolea kuhakikisha utekelezaji wa miradi ya miundomsingi ya hali ya juu," akasema.

ANNOUNCEMENT OF THE 1ST GRADUATION CEREMONY

FRIDAY, 29TH NOVEMBER, 2024

The Open University of Kenya (OUK) wishes to inform ALL students who qualified for the award of Postgraduate Diplomas in the 2023/2024 Academic Year, that the 1st Graduation Ceremony will be held on Friday, 29th November, 2024 commencing at 9.00am at the Konza Technopolis Grounds in Machakos / Makueni Counties.

1. **GRADUATION REGISTRATION**

   All graduands are expected to register for the Graduation with their respective Schools after confirming that they have met all requirements including payment of fees. They are also required to confirm the accuracy and order of their names by **Thursday, 21st November, 2024.**

2. **CONVOCATION FEES AND GRADUATION ATTIRE**

   Graduands are required to pay convocation, alumni registration and hire of graduation attire fees. The attires will be available for collection from their respective Schools starting from Monday, 25th November, 2024. The fees are as follows:

Category	Convocation Fee (Kshs)	Alumni Registration Fee (Kshs)	Graduation Attire Fee (Kshs)	Total (Ksh)
Postgraduate Diploma	2,500.00	1,000.00	1,500.00	5,000.00

Note: Graduands are required to return the graduation attires by Monday, 9th December, 2024 thereafter a daily fee of Kshs 1,000 will be charged, including weekends and public holidays.

3. **PAYMENT PROCEDURE**

   All payments should be made through e-Citizen system via the student's portal **https://my.ouk.ac.ke**

4. **INVITATION CARDS**

   Graduands will be provided with electronic invitation cards for their guests. University invited guests will also be provided with electronic invitation cards.

5. **PUNCTUALITY**

   Graduands and guests are requested to be seated by 8:30 a.m. on the Graduation Day.

6. **REHEARSAL**

   Graduands are expected to attend the rehearsal on **Thursday, 28th November, 2024 commencing at 10:00 a.m.** in full graduation attire at the Konza Technopolis Grounds.

GDC Geothermal Development Company — Geothermal, Green Energy for Kenya

TENDER NOTICE

The Geothermal Development Company Limited (GDC) invites sealed tenders from eligible candidates for the following:

TENDER NO.	TENDER DESCRIPTION	TARGET GROUP	TENDER SECURITY AMOUNT	CLOSING DATE
GDC/INFRA/OT/021/2024:2025	Tender for Supply and Delivery of Welding Generator	Open to All	Ksh 200,000.00	09.12.2024 at 11.00am
GDC/INFRA/OT/022/2024:2025	Tender for Supply and Delivery of High lift Multi Stage Centrifugal Pump	Open to All	Ksh 100,000.00	10.12.2024 at 11.00am
GDC/EM/OT/023/2024:2025	Tender for Provision of Service and Supply of Breakdown Parts for Sullair Compressor, Booster & Swivel	Open to All	Ksh 300,000.00	11.12.2024 at 11.00am
GDC/SC/OT/024/2024:2025	Tender for Provision of Air Ticketing Services for a Period of two (2) Years Through Framework Contract	AGPO	Tender Securing Declaration Form	13.12.2024 at 11.00am
GDC/EM/OT/027/2024:2025	Tender for Supply and delivery of ZJ70D Rig Breakdown Parts	Open to All	Ksh 200,000.00	16.12.2024 at 11.00am
GDC/GRM/OT/030/2024-2025	Tender for Supply and Delivery of Valves, Equipment and Accessories for Menengai Steam Gathering System	Open to All	Ksh 500,000.00	17.12.2024 at 11.00am

Interested eligible bidders may obtain further information and inspect the tender document from the office of Manager, Supply Chain at Kawi House, South C off Mombasa Road, Red Cross Road between 9.00am and 4.00pm during week days. A complete set of the tender documents may be obtained by interested firms upon payment of a non-refundable fee of Kshs.1000 payable to our accounts office in cash or by banker's cheque. The documents can also be viewed and downloaded from the website **www.gdc.co.ke** or PPIP Portal **www.tenders.go.ke** ***free of charge***. Bidders who download the tender document from the website **MUST** forward their particulars immediately to **procurement@gdc.co.ke** for records and any further tender clarifications and addenda.

The completed tenders in plain sealed envelopes clearly marked with **Tender No.** and **Tender reference name;** shall be addressed to:

Managing Director & CEO,
Geothermal Development Company
P.O Box 100746-00101
NAIROBI, KENYA

and deposited in the tender box at Ground Floor GDC office Kawi House, South C Off Mombasa Road, Red Cross Road on or before the dates specified above.

Tenders will be opened immediately thereafter in the presence of the tenderers or their representatives who choose to attend at Kawi House, South C GDC Board Room Ground Floor.

Late tenders will not be accepted.

PPB yaapa kukabiliana na biashara haramu ya dawa

NA **ANNE MWALE AND MEGG NJOKI,** KNA

Bodi ya Dawa na Sumu (PPB), kwa ushirikiano na Huduma ya Kitaifa ya Polisi (NPS), imeanzisha operesheni ya kuondoa usambazaji, uuzaji wa jumla na usafirishaji wa dawa ambao haujaidhinishwa katika juhudi mpya za kuimarisha udhibiti wa dawa kote nchini Kenya.

Bodi imeelezea wasiwasi wasiwasi wake kuhusu usafirishaji wa dawa kwa magari maalumu ya usafirishaji, pikipiki na hata magari ya usafiri wa umma bidha leseni na idhini inayohitajika.

Mkuu wa Usambazaji Bora katika PPB, Julius Kaluai, amesema bodi hiyo inashirikiana na Huduma ya Kitaifa ya Polisi (NPS) kuhakikisha kwamba wauzaji wa jumla, wasambazaji na wasafirishaji wasio na leseni ni lazima watimize masharti na viwango vya kitaifa vilivyowekwa la sivyo wachukuliwe hatua za kinidhamu.

“Uamuzi wetu wa kushirikiana na wakuu wa polisi kutoka kaunti zote 47 unafuatia ukaguzi wa hivi majuzi nchini kote wa vituo vya afya uliolenga kubaini na kushughulikia makosa katika sekta ya dawa,” akasema.

Akizungumza mjini Nakuru, Kaluai aliongeza kuwa data iliyokusanywa wakati wa ufuatiliaji itasaidia kutambua mwelekeo katika shughuli za dawa haramu, na hivyo kuwezesha utekelezaji wa kijasusi kukabiliana kikamilifu na masuala hayo.

Pia alisisitiza haja ya ushirikiano wa karibu kati ya PPB na mashirika mengine ya serikali katika maeneo ya mpaka ili kuzuia kuingia kwa dawa ambazo hayajasajiliwa, kuimarisha zaidi ulinzi kwa afya ya umma.

Kaluai alitahadharisha maduka ya reja reja yanayoendesha biashara ya dawa ya mtandaoni ambayo haijaidhinishwa akiwataka wenyewe wasajili majengo yao kulingana na huduma wanazotoa.

Alionya kuwa maduka yote yasiyofuata sheria yatakabiliwa na hatua kali za utekelezaji ili kulinda uadilifu katika usambazaji wa dawa.

Alidokeza kuwa Bodi imependekeza sheria na kanuni kadhaa zitakazosimamia huduma za maduka ya dawa mtandaoni.

Kaluai alisema sheria za awali hazizingatii huduma za afya zinazotolewa mtandaoni na kwamba wanataka kuinua viwango vya sheria zao ili kuwiana na viwango vya kimataifa.

Alisema kuwa maduka ya dawa ya mtandaoni yanakua kwa kasi sana, na kwamba watu wengi wameanza kutumia huduma za mtandaoni.

Aliongeza kwamba ushauri, uuzaji wa dawa, maagizo, na usimamizi wa tiba ni miongoni mwa huduma zinazotolewa kwa njia ya mtandao na wataalamu.

Kaluai alieleza kuwa kuna dawa zinazofaa kuuzwa moja kwa moja katika maduka na nyingine ambazo zinatokana na maagizo ya madaktari pekee. Dawa za maagizo ya madaktari zina sheria kali zinazolinda matumizi yake ili zisitumike vibaya.

Alisema kwamba iwapo matangazo yaspotayarishwa kwa ustadi yanaweza kusababisha matumizi mabaya ya dawa hizo kwa wananchi.

Bodi hiyo ilionya wasambazaji wa dawa dhidi ya kuuza dawa kwa maduka yasiyo na leseni. Iliagiza wasambazaji wazingatie kanuni bora za usambazaji bidhaa ili kuhakikisha usalama wa Wakenya baada ya ukaguzi kufichua utovu wa nidhamu katika shughuli hiyo.

Kulingana na Bw Kaluai, maduka kadhaa ya jumla yametambuliwa kuwa vyanzo vya usambazaji kwa wauzaji rejareja wasio na leseni.

“Baadhi ya wafanyabiashara wa jumla wamesajili maduka yao lakini wanabadilisha maeneo yao bila kufahamisha bodi, na hivyo kufanya ukaguzi kuwa mgumu,” akasema na kuongeza kwamba ukosefu huo wa mawasiliano unachangia hatari kubwa ya bidhaa haramu kuwafikia wananchi.

Bw Kaluai aliongeza kwamba magari yanayotumiwa kusafirisha dawa, mara nyingi matatu na malori, mengi hayana leseni, hali inayokiuka mwongozo wa uliowekwa wa uchukuzi.

Mkuu wa Bodi ya Dawa na Sumu eneo la Mashariki ya Chini, Dkt. Onesmus Kilonzo alisema wafanyakazi wengi wanaoshughulikia dawa si wafamasia waliosajiliwa. Katika hali hiyo, wafamasia waliohitimu huchukua dawa lakini baadaye kuziacha mikononi mwa watu wasio na ujuzi, na hivyo kuibua wasiwasi mkubwa kuhusu usalama wa dawa zinazosambazwa, akasema.

PPB ikishirikiana na polisi wameanzisha operesheni ya kukabiliana na usafirishaji dawa ambao haujaidhinishwa.

National Environment Management Authority

NOTICE TO THE PUBLIC TO SUBMIT COMMENTS ON AN ENVIRONMENTAL AND SOCIAL IMPACT ASSESSMENT STUDY REPORT FOR THE PROPOSED CONSTRUCTION OF FEACAL SLUDGE MANAGEMENT FACILITY IN N'GOMBENI WAA WARD, N'GOMBENI LOCATION, MATUGA SUB-COUNTY, KWALE COUNTY

Pursuant to Section 59 of the Environmental Management and Coordination Act 1999, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, **Coast Water Works Development Agency,** proposes the construction of a feacal sludge management facility, which will comprise the following components for treatment process: pre-treatment units, solid/liquid separation unit, liquid fraction treatment units, solid fraction dewatering units, ancillary units, associated amenities and facilities in N'ombeni Waa Ward, N'gombeni Locarion, Matuga Sub-County, Kwale County.

The following are the anticipated impacts and proposed mitigation measures.

Impact	MITIGATION MEASURES
Water Pollution	• Institution of spill prevention and control measures • Conservative use of water in construction works • Implement a construction waste management plan • Implement soil erosion control measures • Install and regularly empty sediment traps in surface drains around construction works
Dust and Air Pollution	• Proper equipment and vehicle maintenance; • Use of low Sulphur fuels • Regulation of construction vehicle speeds; • Sprinkling of dust accesses and other dust prone areas to lay dust • Provision of PPEs such as dust masks to workers • Minimise the period for machinery idling • Rehabilitation of disturbed areas once completed
Noise Pollution	• Use of noise abatement equipment for machinery • Limit construction activities to daytime only • 21ss2q1 BV • Provide PPEs such as earmuffs to workers at the site • Locate noisy equipment away from receptors • Sensitise drivers/operators against hooting
Biodiversity Disruption	• Development of a Reinstatement Plan and a landscaping/revegetation plan • Ensure minimal stripping of vegetation at work areas; • Establishment of sediment traps and silt fences; • Institution of containment measures for hazardous substances • Institution of waste management plan • Only clear vegetation necessary for the construction activities • Ensure that all personnel are informed and aware of the importance to protect fauna and flora • Reinstatement of disturbed site • Avoid removal of mature trees that have visual focal points • Replacement of removed trees where possible; • Proper housekeeping at construction site to reduce visual nuisance
Soil Pollution	• Avoid offsite disposal of spoil • Salvage, stockpile and ensure re-use of native topsoil • Implementation of a site-specific reinstatement plan • Institution of spill prevention and control measures • Hazardous material to be stored a per MSDS's • Stabilize and maintain access roads created to access project sites • Stabilize construction site and camp(s) entrances/exists
Increased Energy Use	• Minimise idling of machinery • Avoid overloading of trucks and machinery • Regular service of vehicles, plant and machinery • Use environmentally friendly fuels such as low-sulphur diesel • Specify and procure the most energy efficient plant options fit for purpose and avoid use of plant with unnecessary and excess capacity

Impact	MITIGATION MEASURES
Solid Waste Generation	• Modification of construction activities and methods to reduce potential adverse impacts • Segregate wastes into inert fill materials, recyclable/reusable materials and hazardous wastes for appropriate disposal • Composite organic waste • Provide sanitary facilities at construction camps and sites • Adopt best practices in concrete waste management • Isolate woody vegetation cleared and facilitate collection by neighbouring residents
Occupational Health and safety	• Implement a health and safety management plan • Designate a health and safety officer • Comply with the OSHA 2007 and all other relevant regulations governing health and safety • Restrict access to construction site • Provide appropriate signage and warnings in work areas • Provide First-Aid kits/boxes • Provide adequate sanitary facilities • Fire extinguishers should be provided and placed in areas that have potential fire threat • Set of clear plans for workers to avoid overworking them • Enforce and monitor road safety through traffic management at work sites and routes • Ensure all dangerous construction sites are fenced off • Implement a community safety management plan

The full report of the proposed project is available for inspection during working hours at

Serikali kutumia Sh1.2 bilioni kuboresha mitaa saba duni Kaunti ya Kilifi

NA **EMMANUEL MASHA**, KNA

Serikali imeanza uboreshaji wa mitaa saba duni katika Kaunti ya Kilifi chini ya Mradi wa Pili wa Uboreshaji wa Mitaa Duni (KISIP 2) kwa gharama ya Sh1.2 bilioni.

Miradi hiyo ambayo imedhaminiwa na ya Benki ya Dunia, na ambayo inatekelezwa kwa ushirikiano na Serikali ya Kaunti ya Kilifi, itahusisha ujenzi wa kilomita 13 za barabara za lami, njia za miguu, mitaro ya kupitisha maji ya mvua, taa za barabarani, na vyoo 250, miongoni mwa vitu vingine.

Afisa Mkuu wa Nyumba na Maendeleo ya Mijini Kilifi, Ali Abubakar, alisema miradi hiyo inaendelea katika mitaa ya Kibaoni, Baya Magonzi, Kalolo, Mtaani, na Kisumu Ndogo katika mji wa Kilifi, pamoja na Muyeye na Kibokoni M17 katika mji wa Malindi.

Akizungumza wakati wa ziara kukagua kazi zinazoendelea katika miji ya Kilifi na Malindi, Bw Abubakar alisema mradi huo unajumuisha sehemu ya umiliki wa ardhi, ambapo umiliki wa ardhi katika maeneo yaliyolengwa utaratibiwa kupitia utoaji wa hatimiliki sehemu za Mazeras na Kibokoni.

Alisema sehemu ya mradi huo pia ni ujenzi wa majengo ya biashara kwa kutumia kontena 16 za mizigo yenye vibanda 96 vilivyowekwa katika makazi mawili ndani ya mji wa Kilifi, huku eneo la Muyeye mjini Malindi, wakazi wakinufaika na ujenzi wa vyoo 250.

"Kaunti ya Kilifi imenufaika kwa jumla ya Sh1.2 bilioni kutokana na ujenzo wa barabara zilizokamilika na mitaro ya maji na taa za barabarani katika miji ya Kilifi na Malindi na ujenzi wa vyoo 250 vya umma katika eneo la Muyeye mjini Malindi miongoni mwa miradi mingine," akasema.

Meneja wa mradi huo, Mhandisi Julius Kiplimo, alisema miradi hiyo iko katika viwango tofauti vya kukamilika, akibainisha kuwa kiwango cha utekelezaji ni karibu asilimia 50 na kwamba kazi hizo zinatarajiwa kukamilika mwishoni mwa Februari 2025.

Baadhi ya wakazi waliozungumza na wanahabari wakati wa ziara ya ukaguzi ya maafisa wa KISIP, walisema barabara, taa za barabarani na miradi ya usafi wa mazingira inayofanywa itaboresha sana maisha yao na kuimarisha usalama.

Miradi hiyo imekamilika kwa karibu asilimia 50, kulingana na maafisa. Katika mji wa Kilifi, wakaazi walisema thamani ya ardhi katika mitaa ya mabanda makazi inayolengwa imeanza kupanda, huku bei ya baadhi ya ploti ikipanda hadi Sh4 milioni kutoka Sh600,000.

Bw Jackson Haro alisema miradi ya barabara na taa za barabarani itaimarisha sana mawasiliano na usalama katika mitaa hiyo, hisia ambazo ziliungwa mkono na Lilian Senti, Hamisi Katambo, Zena Mwadena, na Lawrence Ndegwa.

Bw Julius Ndegwa, ambaye ni kijana, alipongeza serikali ya kaunti na ile ya kitaifa kwa miradi hiyo akisema pia imebuni nafasi za kazi kwa vijana.

Katika mtaa wa mabanda wa Muyeye mjini Malindi, wakaazi walisema wamefurahia uamuzi wa kujenga vyoo katika eneo hilo, ambapo wengi huenda haja vichakani.

"Tulizoea kwenda haja kwenye kichaka karibu na shule ya upili ya Muyeye. Kilipofyekwa ili kupisha nyumba, tulianza kutumia kilicho karibu na Shule ya Upili ya Malindi, ambacho pia kinatoweka polepole," akasema Mariam Salim Makokha, akiongeza kwamba miradi hiyo itanufaisha wakazi zaidi ya 1,000.

Alisema kuwa, mbali na kupata magonjwa kwa sababu ya kwenda haja kubwa sehemu wazi, wanawake wengi wamekuwa wakinyanyaswa kijinsia wakienda haja vichakani. Alisema ana matumaini ujenzi wa vyoo ndani ya mitaa hiyo utapunguza matukio hayo.

Naibu mwenyekiti wa kamati ya usimamizi wa mradi huo, Bi Judith Fadhili alisema vyoo 125 kati ya 250 tayari vimekamilika huku wakazi ambao hawajanufaika wakiitaka KISIP 2 kufikisha huduma hiyo katika maeneo mengine.

Moja ya barabara zinazojengwa katika mtaa wa mabanda wa Baya Magonzi mjini Kilifi. Serikali ya kitaifa, kupitia KISIP, inatumia Sh1.2 bilioni kuboresha mitaa saba ya mabanda katika miji ya Kilifi na Malindi, Kaunti ya Kilifi.

COMMISSION SECRETARY/ CHIEF EXECUTIVE

KENYA VISION 2030

Mamlaka ya Kitaifa ya Usalama wa Viumbe yahakikishia Wakenya mfumo thabiti wa kudhibiti GMO

NA **JOSEPH NG'ANG'A,** KNA

Kaimu Afisa Mkuu Mtendaji wa Mamlaka ya Kitaifa ya Ualama wa Viumbe (NBA) Nehemiah Ngetich.

Mamlaka ya Kitaifa ya Usalama wa Viumbe (NBA) imehakikishia Wakenya mfumo mzuri wa udhibiti uliowekwa kwa wanaoshughulikia Viumbe Vilivyobadilishwa Kinasaba (GMOs) na bidhaa zake nchini.

Kaimu Afisa Mkuu Mtendaji (CEO) wa NBA Nehemiah Ng'etich alisema mfumo huo unafafanua mahitaji mahususi ya utumiaji, taratibu za tathmini ya usalama, na mifumo ya ufuatiliaji, ambayo yote yanawiana na dhamira ya Kenya ya usalama wa chakula, ulinzi wa mazingira, na ustawi wa kijamii na kiuchumi wa raia wake.

Wiki iliyopita, Mahakama Kuu ilitupilia mbali kesi ya kupinga kuondolewa kwa marufuku ya GMO na bidhaa zake, ikithibitisha tena uamuzi wa Baraza la Mawaziri wa kuondoa marufuku hiyo mnamo Oktoba 3, 2022. Uamuzi huo unapendekeza kwamba Kenya ina mfumo thabiti wa kisheria na kitaasisi wa kudhibiti GMO.

Bw. Ngetich alisema kuwa Mamlaka ina jukumu la kusimamia na kudhibiti kwa jumla uhamishaji, utunzaji na matumizi ya GMO ili kuhakikisha usalama wa afya ya binadamu na wanyama na kutoa kiwango cha kutosha cha ulinzi kwa mazingira.

"Tayari Mamlaka imeidhinisha uuzaji wa kibiashara wa Pamba ya Bt, ambayo imekuwa ikikuzwa tangu 2020 na hakuna madhara yoyote ambayo yameonekana au kuripotiwa kupitia mfumo wa ufuatiliaji wa Mamlaka. Mazao mengine kama vile mahindi ya BT na muhogo unaostahimili virusi yako katika hatua za mwisho za majaribio ya aina mbalimbali ili kupitishwa kuuzwa kibiashara," akaongeza Ng'etich.

Kenya ni mwanachama wa jumuiya ya kimataifa na ilitia saini Itifaki ya Cartagena Kuhusu Usalama wa Viumbe ambayo ni makubaliano ya kimataifa ya mazingira ni kuhakikisha kiwango cha kutosha cha ulinzi katika uhamishaji salama, utunzaji na matumizi ya GMO.

Magical Kenya

KENYA Tourism Board

EXPRESSION OF INTEREST FOR KENYA TOURISM BOARD MARKETPLACE

CANCELLED

Kenya Tourism Board (KTB) is a state corporation established and regulated under the Tourism Act 2011. Our mandate is to develop, implement, and coordinate a National Tourism Marketing Strategy. Our mission is to market Kenya as the home of human origin and as an all-year-round diverse, sustainable, and authentic tourism destination.

Magical Kenya is the flagship tourism brand created and managed by the KTB. It captures the essence of Kenya's diverse offerings and promotes the country as a must-visit destination for local, regional, and international travelers.

KTB seeks to develop a comprehensive digital tourism platform (marketplace) to showcase and market Kenya as a premier travel destination. This one-stop-shop platform will enable users to book holidays, learn about Kenya's diverse tourism offerings, and refer others to visit the country, all while providing a seamless payment experience. The marketplace will simplify the entire travel experience, making it the ultimate platform for discovering and planning a trip to Kenya.

KTB requests an expression of interest (EOI) for a marketplace platform that should include:

- Company Profile
- Brief of similar projects executed inclusive of client contact details (name, telephone number and email address)

Scope of work

- Undertake the development and deployment of a simple and intuitive marketplace platform inclusive of the ability for affiliates to register.
- A mechanism to showcase available third-party offers in the platform and update the same.
- PCIDSS compliant payment gateway supporting multiple payments options, currencies and split payments to various merchants simultaneously
- Management of the platform
- Compliant with Data protection and other applicable laws.

Eligibility Criteria

The Tenderer must provide copies of below documents:

- Certificate of Incorporation/Registration
- CR12
- Tax compliance certificate (where applicable)

KENYA VISION 2030

Tume za Utumishi wa Umma Afrika kutumia IT kwa huduma bora

NA **KIZITO MARUTI**, KNA

Tume za Utumishi wa Umma barani Afrika zimekubaliana kukumbatia Teknolojia ya Habari na Mawasiliano (ICT) katika shughuli zake na kuimarisha utafiti katika utungaji sera, pamoja na kusimamia taaluma ili kuimarisha utoaji huduma.

Maazimio hayo yalitolewa na wajumbe kutoka tume 13 wanachama wa Muungano wa Tume za Utumishi wa Umma barani Afrika, zinazowakilisha kanda tatu za bara hilo - Magharibi, Mashariki na Kusini mwa Afrika - waliokutana jijini Nairobi kupanga mikakati ya kuongeza ufanisi katika utoaji huduma.

Balozi Anthony Muchiri, Mwenyekiti wa Tume ya Utumishi wa Umma Kenya.

Katika taarifa ya pamoja, Muungano huo ulisema taasisi za Utumishi wa Umma barani Afrika zinalazimika kutafuta masuluhisho ya kibunifu ili kushughulikia changamoto katika sehemu za kazi.

Muungano huo ulisisitiza umuhimu wa kujenga utumishi wa umma wa kisasa, unaozingatia raia katika bara zima kwa kutumia suluhu za kiteknolojia na kujumuisha kanuni mpya katika usimamizi wa sekta ya umma.

Wanachama walitoa wito kwa serikali za Afrika kuweka mazingira yanayofaa kwa kutenga rasilimali ili kutekeleza mipango ya ICT, na hivyo kuendeleza utekelezaji wa serikali za mtandao.

Waliongeza kuwa ICT itasaidia kuimarisha utoaji wa huduma.

Taarifa hiyo pia ilitoa wito wa kutoa maafunzo kwa maafisa wa serikali kuhusu ICT na wakati huo huo kuongeza viwango vya uaminifu na kuondoa hali ya wafanyakazi kupendа teknolojia.

Kenya kuongeza pato la ngozi kwa upanuzi wa kiwanda cha Ewaso Ngiro

Picha ikinyesha mitambo ndani ya kiwanda.

NA **JOHN KALEKE**, KNA

Serikali imetangaza mpango wa kuongeza pato la ngozi katika kiwanda cha ngozi cha Ewaso kutoka tani 1,200 hadi tani 2,400, kwa mwaka na hivyo kuongeza maradufu uwezo wake wa kutoa ngozi.

Ongezeko hilo ni sawa na futi 4.8 milioni mraba za ngozi, na kuifanya Kenya kuwa nchi maarufu katika sekta ya ngozi ya eneo hili.

Wakati wa ziara ya kiwanda cha ngozi cha Ewaso Ngiro, Ngala Oloitiptip, Mkurugenzi Mkuu wa Mamlaka ya Maendeleo ya Ewaso Ngiro Kusini (ENSDA), alitangaza hatua zilizofikiwa katika upanuzi wa mradi huo.

Oloitiptip alisema upanuzi unaendelea, huku mitambo mipya iliyowekwa ikitarajiwa kufanyiwa majaribio Desemba 2024.

Aliwahimiza wauzaji ngozi wa sehemu hiyo wajiandae kwa ongezeko la mahitaji ya ngozi ya kiwanda, akisisitiza umuhimu wa kupatikana kwa ngozi ya kutosha ili kudumisha shughuli kamili za kiwanda hicho.

"Lengo letu ni kuongeza maradufu uwezo wa kuzalisha, sio tu kwa kuongeza pato bali pia kwa kuimarisha ubora na aina mbalimbali za bidhaa zilizopo," akasema Oloitiptip.

Alisisitiza kuwa mradi huo una uwezo wa kujiendeleza kifedha, na kuungwa mkono na serikali ili kuhakikisha utekelezaji wake umefaulu.

Oloitiptip alitoa wito kwa wadau waunge mkono mradi huo. Aliitaka serikali ya kaunti kusaidia kufuatilia na kuhakikisha ubora wa ngozi na akahimiza taasisi za mafunzo kutoa mafunzo kwa wafanyakazi wa baadaye wa kiwanda hicho.

"Upanuzi huu utaunda nafasi mpya za kazi na kukuza uchumi, na tunahitaji mchango wa kila mtu," akaongeza.

Mhandisi Anderson Korir, kutoka Kitengo cha Utekelezaji cha Rais, na pia Katibu wa Kamati ya Utekelezaji na Uratibu wa Kaunti (CICMC) alithibitisha kujitolea kwa serikali kushughulikia changamoto katika utengenezaji bidhaa.

"Tunafanya kazi kwa karibu na ENSDA ili kuondoa vikwazo kama vile ubora wa ngozi, na tunawahimiza wenyeji watumie mbinu za hali ya juu za kuweka alama mifugo wao kama vile alama ya kutumia hidrojeni ili kuhifadhi ubora wa ngozi," akaeleza Korir.

Alipongeza wasimamizi wa ENSDA kwa kujitolea kwao kendeleza sekta ya ngozi, akitambua kiwanda hicho kuwa rasilimali muhimu kwa uchumi wa eneo hilo.

Kamishna wa Kaunti ya Narok Kipketch Lotiatia alisisitiza umuhimu wa kutumia mbinu za kisasa ili kudumisha ubora wa ngozi.

"Kuweka alama ya kitamaduni kama vile utumiaji wa chuma moto kumeathiri ubora wa ngozi. Ni muhimu kukumbatia teknolojia mpya ili kuzalisha ndoa zinazofikia viwango vya kiwanda na kukidhi mahitaji ya kimataifa," akasema.

REPUBLIC OF KENYA

Kenya Power

Serikali yatenga Sh6.8b kwa madarasa 7,000 ya Darasa la 9

NA **DICKSON MWITI,**KNA

Katibu Mkuu wa Elimu ya Msingi, Belio Kipsang, amehakikishia wazazi na Wakenya serikali itahakikisha vyumba vya Darasa la 9 vimekamilika kabla ya shule kufunguliwa Januari ijayo.

Akizungumza katika makao makuu ya Kaunti ya Meru baada ya kusimamia ufunguzi wa kontena la mtihani wa KCSE, Dkt Kipsang alisema tayari serikali imejenga madarasa 3,500 katika awamu ya kwanza, huku madarasa mengine 7,500 ambayo yamekamilika kwa kati ya asilimia 40 na 90 katika awamu ya pili yakitarajiwa kukamilika ifikapo Desemba 15. Hii itafanya jumla ya madarasa kufikia 11,000.

Mbali na madarasa hayo 11,000, Katibu Mkuu aliongeza kwamba wabunge wana jumla ya Sh6.8 bilioni zilizotengwa kwa ujenzi wa madarasa 7,000 ya ziada na kufanya jumla ya madarasa 18,000 kwa wanafunzi wa darasa la 9.

"Wenzetu wa upande wa kisiasa, wabunge, walipewa ruzuku ya masharti ya Sh3.4 bilioni na Serikali na walitakiwa kuongeza kiasi Sh3.4 bilioni nyingine kutoka Hazina ya Kitaifa ya Serikali ya Maendeleo ya Maeneobunge (NGCDF) ili kujenga madarasa 7,000 ya ziada na kufikisha jumla ya madarasa 18,000," akasema Dkt Kipsang.

Aliongeza kuwa serikali ya kitaifa pia imepokea Sh2 bilioni zitakazotumiwa kujenga madarasa mengine 2,000, akiwaambia wazazi kwamba hakuna haja ya kuwa na wasiwasi kwa sababu mipango yote inaendelea ilivyopangwa.

Dkt Kipsang aliongeza kwamba serikali pia imeshirikisha baadhi ya washirika wake na kupata Sh2 bilioni ambazo zitatumiwa kujenga madarasa mengine 2,000.

"Tunajua kwamba Januari kunaweza kuwa na shule moja au mbili ambazo zitakosa madarasa kwa sababu moja au nyingine na madarasa haya 2,000 yatashughulikia hali kama hizo zinazoweza kutokea wakati huo.

"Hatujasahau pia wakati mwingine watu huhama na wazazi hubadilisha shule na kwa hivyo shule inaweza kupokea wanafunzi zaidi wa Darasa la 9 ambao hawakuwa hapo Darasa la 8, kwa hivyo haya ni mambo ambayo tutashughulikia tunapoelekea Januari," akasema Dkt Kipsang.

Serikali yaanzisha mpango wa amani kukabiliana na itikadi kali za kivita Afrika Mashariki

Katibu Mkuu wa Idara ya Usalama wa Ndani na Utawala wa Kitaifa Dkt. Raymond Omollo Akizungumza wakati wa uzinduzi wa mpango wa kieneo kuhusu ujenga Amani na Kuzuia Itikadi katika Afrika Mashariki wakati wa mkutano uliofanywa jijini Nairobi.

NA **SHARON ATIENO,** KNA

Wizara ya Usalama wa Ndani na Utawala wa Kitaifa imezindua mpango wa amani na kuzuia itikadi kali za kivita zinazolenga kushughulikia kiini cha itikadi kali za kivita katika Afrika Mashariki.

Mpango huo unatoa fursa muhimu ya kutathmini mafanikio, kushughulikia changamoto, na kuchukua hatua zinazoambatana na mfumo mpya wa kujenga amani.

Akizungumza katika hafla hiyo, Katibu Mkuu wa Idara ya Usalama wa Ndani na Utawala wa Kitaifa, Dkt Raymond Omollo, alisema kuwa mpango huo unaashiria hatua muhimu katika ushirikiano wa amani na maendeleo ya kudumu, pamoja na kujitolea kushughulikia changamoto muhimu zinazotokana na itikadi kali za kivita.

Alipongeza wadau katika sekta hiyo kwa uwajibikaji wao na azimio la pamoja la kukabiliana na matishio makubwa ya kiusalama yanayokabili bara la Afrika.

Katibu Mkuu alisema kuwa Kenya imekuwa mtetezi mkubwa wa amani, mara kwa mara ikitanguliza maendeleo kuliko migogoro, na imeweza kudumisha amani na utulivu, na kuwa mwanga wa matumaini katika eneo la Mashariki na Pembe ya Afrika.

Aliongeza kwamba baadhi ya maeneo ya nchi yameshuhudia matukio ya hapa na pale ya itikadi kali yakiwemo yale ya Westgate, Mpeketoni, Chuo Kikuu cha Garissa, Dusit, na mkasa wa Shakahola, ambayo yanadhihirisha tishio linaloendelea la maafa yanayochochewa na dini nchini.

“Matukio hayo yamesababisha hasara kubwa na pia yametuacha na wasiwasi kuhusu usalama wetu,” akasema na kuongeza kwamba ushindaniaji maliasili na migogoro ya mipaka, hasa katika mikoa kame, vile vile imekuwa chanzo cha itikadi kali.

Omollo alisema malalamiko ya tangu zamani mara nyingi hutumiwa na makundi yenye itikadi kali ili kuendeleza ajenda zake na kutokana na uzoefu, mafunzo yamepatikana ambayo yanaonyesha kuwa jamii, hasa katika maeneo yaliyo hatarini, mara nyingi ndizo hulengwa kwa matishio hayo.

“Uwiano wa kijamii na amani si mambo ya kutekelezwa tu, ni lazima yakumbatiwe kwa hiari na raia ili yaweze kudumu,” akasema. Aliongeza kwamba mpango wa Kenya katika kuleta amani ya ndani umepiga hatua kubwa katika miaka miwili iliyopita.

Katibu Mkuu alitangaza kwamba mnamo Machi 2023, Rais William Ruto alianzisha tathmini ya kina ya kuleta amani inayoonyesha kujitolea kukabiliana na changamoto zinazohusu amani, usalama na utangamano wa jamii. Alishikilia kwamba wizara yake ina timu ya mashujaa 13 Wakenya mashuhuri wa kuleta amani, ambao jukumu lao hasa ni kuongoza mazungumzo ya kitaifa na kuunda Ajenda ya Amani nchini Kenya.

“Mbali na kutambua mchango muhimu wa mifumo iliyopo ya amani, mfumo mpya unabainisha vichochezi vinavyoendelea vya migogoro na shinikizo zinazoibuka, kama vile itikadi kali za kivita,” akasema.

Omollo aliongeza kwamba mfumo mpya unaangazia hatari tofauti katika kanda mbalimbali zinazochangia kuleta itikadi kali na kuongezeka kwa vitendo vya vurugu. Alisema mpango huo wa amani unaangazia hatari mahususi za itikadi kali ikiwemo migogoro inayohusiana na na siasa, mafunzo kuhusu itikadi kali, habari potofu kupitia vyombo vya habari na mitandao na nafasi chache za kiuchumi zinazosukuma watu kuwa wenye msimamo mkali.

“Nchi yetu inatambua umuhimu wa kuimarisha mifumo ya kitaifa ya kisheria na kitaasisi, kuimarisha udhibiti wa mipaka, na kukuza ushirikiano wa kikanda,” akasema, akiongeza kwamba utekelezaji mzuri wa hatua hizo hauhitaji juhudi za ndani pekee bali pia nia ya kisiasa, rasilimali za kutosha na msaada wa kutosha wa kimataifa.

Katibu Mkuu alisema uzoefu umeonyesha kwamba hatari zilizopo si kwa Kenya pekee, bali ni za kawaida duniani kote, hivyo basi haja ya kutumia mfumo wa pamoja wa usalama ulioainishwa katika mkataba wa Umoja wa Mataifa kushughulikia vitisho kikamilifu.

Omollo alisema kuwepo kwa mtandao wa kamati za amani zinazoendeshwa na jamii zaidi ya 500, ambazo zinaunganisha taratibu za jadi za kutatua migogoro zinazohusisha wazee, wanawake, na vijana na viongozi wa dini mbalimbali.

KENYA INDUSTRIAL ESTATES

INVITATION TO TENDER

Kenya Industrial Estates (KIE) is a State Corporation established with a major role of promoting Industrialization through development of Small and Medium Enterprises. The Institution is seeking qualified bidders to provide the following services: -

NO	DESCRIPTION OF SERVICES	TENDER NO	CLOSURE/ OPENING DATE
1.	Provision for Credit life Services	KIE/TNO.02/2024-2025	Monday, 2.12.2024 at11.00 am

Interested eligible bidders may obtain the detailed tender adverts and respective tender document by visiting our website **www.kie.go.ke** or PPIP Portal **www.tenders.go.ke** *free of charge.*

Duly completed bid documents shall be submitted in plain sealed envelopes clearly marked with the **“Tender Number”** and **“Tender Description”** and addressed to:

MANAGING DIRECTOR

KENYA VISION 2030

Mageuzi ya serikali ya ushuru kuboresha uchumi bila kuumiza wananchi

Msemaji wa serikali Isaac Mwaura akizungumza wakati wa mkutano na wanahabari katika jumba la KICC, Nairobi.

NA **SHARON ATIENO**, KNA

Sheria mpya za ushuru zilizopendekezwa zinalenga kukuza uchumi, kulinda usawa wa kijamii, na kuboresha maisha ya Wakenya bila kuwaongeza mzigo.

Msemaji wa Serikali, Dkt Isaac Mwaura, alisema kuwa katika muda wa miaka miwili iliyopita, ajenda ya serikali imetanguliza uundaji wa nafasi za kazi, usambazaji wa mapato, na uthabiti wa kiuchumi, ambayo yote yanalenga kusaidia unga ahadi yake ya kuunda mazingira ya kiuchumi ambapo Wakenya wote wanaweza kustawi.

"Serikali imejitolea kutekeleza sera ambazo zinashughulikia mahitaji ya sasa ya kifedha na pia kuimarisha msingi wa uchumi wa taifa kwa siku zijazo," akasema Mwaura.

"Kutokana na kuongezeka kwa deni la serikali, ni lazima tutekeleze hatua za usawa ili kudumisha hali nzuri ya deni la serikali. Lengo letu ni kukuza uchumi ambao unategemea zaidi uzalishaji thabiti wa mapato ya ndani kuliko deni la nje," akaongeza Mwaura.

Akihutubia wanahabari, Mwaura alisema kuwa serikali itatenga rasilimali zaidi kwa miradi muhimu inayonufaisha wananchi, na ndiyo sababu marekebisho ya ushuru ni muhimu. Marekebisho hayo yanalenga kuweka sera ya haki ya ushuru, ikijumuisha hatua za msamaha wa ushuru.

"Hazina ya Kitaifa na mashirika ya serikali yanayohusiana nayo yamefanyia marekebisho sheria zilizopo, kulingana na katiba ili kuhakikisha mfumo wa ushuru ulio sawa. Mabadiliko haya yameundwa ili kusaidia usimamizi bora wa ushuru na uzingatiaji, kuhakikisha kuwa kila mwananchi analipa ushuru wa haki," akasema.

Mwaura alisema marekebisho kadhaa ya sheria ukiwemo Mswada wa Sheria za Ushuru (Marekebisho) wa 2024, Mswada wa Taratibu za Ushuru (Marekebisho) ya 2024, na miswada mingine inayohusiana nayo, imetayarishwa kushughulikia mahitaji yanayoongdezeka ya fedha na kuhakikisha ukusanyaji wa mapato unafaa.

Aliaelezea manufaa ya Marekebisho ya Sheria ya Ushuru kuwemo kuimarisha ufadhili wa serikali za kaunti ili kuepusha changamoto zinazoweza kujitokeza katika utoaji wa huduma. Mengine ni pamoja na kuimarisha ustawi wa kijamii na kiuchumi ili kuboresha ustawi wa kiuchumi wa Wakenya wote, na usawa katika vipengee vya msamaha wa ushuru unaokubalika na marekebisho ya matumizi ya ushuru na uzingatiaji bora wa ushuru ambao unakabiliana na ukwepaji ushuru kwa ukuaji wa taifa.

Dkt Mwaura aliongeza kwamba ukuaji wa uchumi wa kidijitali utaongeza ushuru wa kidijitali.

Mwaura alisisitiza manufaa kwa wafanyakazi na biashara Kenya kukiwemo kuboreshwa kwa marupurupu ya wafanyakazi, msaada wa fedha za uzeeni na kustaafu, kwa sababu makato ya michango ya pensheni iliyosajiliwa au ya kustaafu itanufaisha watu binafsi na waajiri.

Manufaa mengine kwa wafanyabiashara na mazingira ya haki na ushindani wa kibiashara kupitia marekebisho ya sheria ya biashara kupitia Wizara ya Biashara, Uwekezaji na Viwanda ambayo imeleta marekebisho ili kuongeza urahisi wa kufanya biashara, kuvutia uwekezaji na kuboresha mauzo ya nje, viwanda na manunuzi ya ndani yanayosisitiza kwamba angalau asilimia 40 ya bidhaa na huduma zinazonunuliwa na serikali zitoke kwa watengenezaji wa ndani, hivyo kuchochea ukuaji wa uchumi na kuongeza ajira.

"Marekebisho haya ni sehemu ya mpango mkubwa zaidi wa kuleta uthabiti wa uchumi wa Kenya. Deni letu kwa sasa linafikia asilimia 68 ya Pato la Taifa (GDP), tunalenga kupunguza utegemezi wa deni la nje, kuambatana na kanuni bora za kimataifa, na kupata uthabiti wa kifedha kwa vizazi vijavyo," akasema.

Kenya- Malaysia inaugural flight commences

Group photo of Kenyans and Malaysians in Kuala Lumpur during the launch of the inaugural direct flight between Nairobi and the Malaysian capital city. Photo/ courtesy

BY **FATUMA NGEWNA**(PCO)

Kenya and Malaysia have launched the inaugural direct flight between Nairobi and Kuala Lumpar.

This, is in a bid to strengthen bilateral relations between the two countries.

The AirAsia flight launch was in Kuala Lumpur and was witnessed by Kenya' High Commissioner to Malaysia, Amb. Ekitela Moru, on 15th November, 2024.

He joined the Deputy Minister of Transport of Malaysia, YB Datuk Hasbi bin Haji and the Chief Executive Officer of AirAsia Airlines, Mr. Benjamin Ismail at the historic flight ceremony.

The occasion ushered in a new chapter in the strong bond of friendship between the two countries, signifying a journey that goes beyond distance not only connecting cities but also providing linkages to cultures and great future between the two peoples.

Earlier in the week, the High Commissioner of Malaysia to Kenya, Ambassador Ruzaimi Mohamad, paid a courtesy call on Amb. Jane Makori, the Deputy Director General in-charge of the Asia and Pacific Directorate at the Ministry of Foreign and Diaspora Affairs.

The two representatives also discussed issues pertaining to the mutual interests between Kenya and Malaysia.

AirAsia is a Malaysian long-haul, low-cost airline headquartered in Kuala Lumpur.

It provides flight connections to 136 cities across 23 countries and the direct flights between Kuala Lumpur and Nairobi are expected to promote both trade and tourism between Kenya, Malaysia, and the wider Asean region, thereby increasing market access for Kenyan products among Asean member states.

Vita vya Benard Kemboi dhidi ya ulevi na juhudi zake za kuleta mabadiliko katika jamii

Bernard Kemboi, mraibu aliyepona akizungumza kuhusu utumiaji wa dawa za kulevya wakati wa warsha ya hivi majuzi ya kuadhimisha Siku ya Uhamasishaji wa Afya ya Akili Duniani Eldama Ravine, Baringo.

NA **MAUREEN CHESANG AND CHRISTOPHER KIPROP**

Benard Kemboi ameshinda uraibu wa dawa za kulevya, akaibuka mshindi, na sasa ananuia kutumia masaibu yake kuhamasisha wengine kuepuka tabia hiyo ambayo ilikaribia kumuangamiza.

Mwanamume huyo mwenye umri wa miaka 40 kutoka Kaunti Ndogo ya Eldama Ravine alielezea jinsi alivyokuwa mmoja wa Wakenya milioni tano wanaotumia angalau aina moja ya dawa, kulingana na ripoti ya NACADA ya 2022.

Huku kampeni ya serikali ya kupinga matumizi mabaya ya dawa ikisema watu wengi huanza kutumia dawa wakiwa na umri mdogo – kuanzia miaka saba hadi 20 kwa aina tofauti za dawa – Kemboi alitumbukia katika mtego huo katika mwaka wa mwisho wa ujana wake na akaendelea kwa karibu miaka ishirini.

Katika ulimwengu ambapo mvuto wa kukubalika na matukio mara nyingi hufunika hatari za matumizi mabaya ya dawa za kulevya, hadithi ya Kemboi ni kumbukumbu ya kuhuzunisha ya mstari hafifu kati ya ujana na kukata tamaa. Kemboi, ambaye wakati mmoja alikuwa mwanafunzi mwenye matumaini na mustakabali mzuri, hatimaye alijipata katika makucha ya uraibu akiwa mwaka wa kwanza katika chuo kikuu.

"Nilikuwa mvulana mzuri hadi nilipojiunga na chuo kikuu," Kemboi anakumbuka, macho yake yakionyesha maumivu na ustahimilivu. Alianza bila kukusudia katika sherehe ya wanafunzi wapya, ambapo msimko wa urafiki mpya ulipamba moto haraka na kugeuka kuwa maangamizi.

Akichochewa na wenzake, alianza kutumia dawa za kulevya, akiamini kwamba zingeinua hadhi yake na kujiamini. "Waliniambia kwamba kadiri nilivyotumia ndivyo ningekuwa kama simba," akaeleza, huku tabasamu la uchungu likipita usoni mwake.

> "Nilihisi nilikuwa ninapoteza kila kitu na singeweza kujisaidia," – Kemboi

Kilichoanza kama matumizi ya kawaida hivi karibuni kilibadilika kuwa utegemezi uliochukua maisha yake. Pole pole, Kemboi alijikuta amenaswa katika pingu za uraibu, akipanda hadhi kutoka kwa pombe hadi bangi na hatimaye kokeni.

"Singeweza kufanya lolote bila dawa za kulevya," anakiri. Uhusiano wake na dawa ulizidi kuwa mbaya sana hivi kwamba madaktari walianza kutilia shaka afya yake kwa maneno ya kutisha. "Kila nilipokuwa mgonjwa, hawakuuliza kuhusu kileo kilicho katika damu yangu; waliuliza kuhusu kiwango cha damu katika pombe hiyo," anasema.

Matokeo yalikuwa mabaya sana. Mizani yake ilishuka hadi kilo 36 tu katika kiwango chake cha chini kabisa. Alipoteza kazi yake ya kufundisha, na kibaya zaidi akapoteza kitu cha mwisho ambacho angeweza kushikamana nacho – familia yake.

"Nilihisi kama nilikuwa nikipoteza kila kitu kwani sikuweza kujizuia tena," akaeleza, uzito wa maisha yake ya zamani ukionekana katika sauti yake. Giza lililokuwa limemfunika lilionekana kutoweza kuzuilika, likimuacha na hali ya kustaajabisha kwamba ana bahati kuwa hai.

Ni baada tu ya kugonga mwamba ambapo alitafuta msaada kutoka kwa Katibu Mkuu wa Ardhi Nixon Korir, ambaye alimuunganisha na Wakfu wa Dorcas Rigathi. Alilazwa katika kituo cha kurekebisha tabia Bomet mnamo Januari.

Baada ya siku 100 katika kituo hicho, kutoka mizani ya kilo 36, Kemboi aliibuka sio tu amebadilika bali mtu mpya, mwenye mizani ya kilo 70.

"Hiyo ndiyo ilikuwa hatua yangu ya kubadilika," anasema, akitafakari kuhusu siku 100 zilizopita tangu kuhitimu kutoka kwa mpango huo. "Nashukuru kwa nafasi ya kuanza upya."

Leo, Kemboi anasimama kama kinara wa matumaini na balozi wa wanaopambana na uraibu wa dawa. Anatumia masaibu yake kuhamasisha kuhusu ufahamu wa afya ya akili na kuhimiza wengine kutafuta msaada.

"Nataka kuwaambia walio katika hali kama hiyo kwamba kuna njia ya kutoka. Jiunge na kituo chochote cha kubadilisha tabia kilicho karibu nawe; hatua hiyo inaweza kuokoa maisha yako," anasisitiza.

Bernard Kemboi, mraibu aliyepona akihutubia kuhusu utumizi wa dawa za kulevya wakati wa warsha ya kuadhimisha Siku ya Uhamasishaji wa Afya ya Akili Duniani Eldama Ravine, Baringo.

KENYA VISION 2030

KenGen yafufua kituo cha Umeme kuimarisha huduma magharibi

NA **CHRIS MAHANDARA,** KNA

Kampuni ya kuzalisha umeme ya Kenya Electricity Generating Company (KenGen) imefufua Kiwanda cha Umeme wa Gesi cha Muhoroni ili kuimarisha usambazaji katika eneo la Magharibi. Hii imeongeza megawati 60 za ziada kwenye mfumo wa taifa, na kumaliza shida ya kila mara ya kukatika kwa umeme katika eneo hilo.

Waziri wa Kawi, Opiyo Wandayi, alisema hatua hiyo ni sehemu ya mpango mpana wa serikali wa kuimarisha huduma za umeme katika eneo hili na kuchochea maendeleo ya kiuchumi.

Akizungumza alipozuru Kiwanda cha Umeme cha Sondu-Miriu katika Kaunti ya Kisumu, Waziri alisema serikali inatekeleza miradi mikubwa ya kuongeza uzalishaji na usambazaji wa umeme katika eneo hilo.

Alitaja ujenzi wa njia ya Sondu-Ndhiwa ambayo iko katika hatua za kwanza. Ikikamilika, itaongeza usambazaji katika eneo hilo kwa matumizi ya nyumbani na viwandani. Aliongeza kwamba Njia ya Umeme ya Awendo-Masaba, imekamilika na hivi karibuni itaweza kuhudumia maelfu ya familia katika eneo hilo. Mpango wa kuboresha Kituo cha Umeme cha Gogo katika Kaunti ya Migori kutoka megawati 2 hadi megawati 8.6 uko katika hatua ya mwisho, huku ujenzi wa kituo kidogo cha kisasa eneo Thurdibuoro ukitarajiwa kuhakikisha usambazaji imara wa umeme. "Kufikia sasa tuna uwezo wa megawati 3,200 nchini. Ziara yetu hapa leo ni ya kawaida tukitafuta namna ya kuboresha miundomsingi yetu, kuongeza uzalishaji na kuimarisha usambaza," akasema.

Wandayi pia alitangaza mpango wa kuanzisha mradi wa unyunyizaji maji mashamba katika eneo la chini la Mto Miriu, Kisumu ili kuongeza uzalishaji wa chakula. Waziri alisema mpango huo wa unyunyizaji ni sehemu ya Kiwanda cha Umeme cha Sondu Miriu lakini haujatekelezwa.

REPUBLIC OF KENYA

ICT Authority

THE INFORMATION AND COMMUNICATIONS TECHNOLOGY AUTHORITY

Kenya Digital Economy Acceleration Project (KDEAP)
ICTA-Program Implementation Unit

REQUEST FOR EXPRESSION OF INTEREST
(Consulting Services – Firms Selection)

Country:	**KENYA**
Name of Project:	**Kenya Digital Economy Acceleration Project (KDEAP)**
Project No.:	**P170941**
Credit No:	**7289-KE and 7290-KE**
Assignment Title:	**DESIGN & SUPERVISION OF THE REFURBISHMENT OF FIVE (5) HUDUMA CENTRES IN BORDERLAND AREAS**
Contract No.:	**KE-ICTA-405568-CS-CQS**

1. The Government of Kenya has received financing from the World Bank towards the cost of the Kenya Digital Economy Acceleration Project (KDEAP) and intends to apply part of the proceeds for consulting services.

2. The consulting services (***"the Services"***) include Design & Supervision of the Refurbishment of Five (5) Huduma Centres in Borderland Areas. The assignment is expected to take Eighteen (18) calendar months from the date of contract commencement.

3. The detailed Terms of Reference (TOR) for the assignment can be found at the following websites: **www.icta.go.ke/tenders** and **www.tenders.go.ke** or can be obtained at the address given below.

4. The Information and Communications Technology Authority through the Program Implementation Unit (PIU) now invites eligible consulting firms (***"Consultants"***) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are:
   - **a) Core business and years in business:** The firm shall be registered/incorporated as a consulting engineering firm for a period of at least ten (10) years.
   - **b) Relevant experience:** The firm shall demonstrate as having successfully executed and completed at least two (2) assignments of similar nature both in scope and complexity in similar operating environment in the last ten (10) years. Details of the assignment-Name and address of the client, scope, value, and period shall be provided in the submitted expression of interest(EoI).
   - **c) Technical and managerial capability of the consulting firm:** The firm shall demonstrate as having the requisite technical capacity including relevant equipment, tools, software etc. and managerial capacity to undertake the assignment in the submitted company profile(s).

Key Experts will not be evaluated at the shortlisting stage.

5. The attention of interested Consultants is drawn to Section III, paragraphs, 3.14, 3.16, and 3.17 of the World Bank's "Procurement Regulations for IPF Borrowers" First Published July 2016 and Revised Fifth Edition September 2023 ("Procurement Regulations"), setting forth the World Bank's policy on conflict of interest.

6. Consultants may associate with other firms to enhance their qualifications but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected.

7. A Consulting firm will be selected in accordance with the Consultant Qualification Selection (CQS) method set out in the Procurement Regulations.

KENYA VISION 2030

KenGen yaonyesha uwezo wa nguvu za mvuke kwa wawekezaji

NA **MATHEW CHEPKEWEL** (MYGOV)

Watu zaidi ya 300 walizuru eneo la nguvu za mvuke la Olkaria wakati wa ziara ya 10 ya ukumbusho ya kila mwaka kwa wenyehisa wa Kampuni ya Kuzalisha Umeme Kenya Electricity Generating Company PLC (KenGen).

Ziara hiyo ilishuhudia mojawapo ya shughuli kubwa zaidi ya uzalishaji wa nishati ya mvuke barani Afrika.

KenGen ilionyesha jinsi inavyotumia maliasili kusambaza nguvu za umeme nchini huku vyanzo vyake vya nishati.

Ziara hiyo ya kila mwaka ya KenGen kwa wenyehisa iliyoanzishwa 2011 inalenga kuhamasisha wawekezaji kuhusu mikakati ya kampuni hiyo ya kuzalisha nishati mbadala na kuangazia jukumu muhimu la wenyehisa katika kuunda mustakabali wa nishati nchini Kenya.

Kituo cha Olkaria, ambacho mara nyingi husifiwa kama "Nyumba ya Nguvu za Mvuke Afrika," huzalisha Megawati 754 za nishati safi, na kutilia nguvu uwezo wa Kenya wa kutumia umeme ya nguvu za mvuke kukuza uchumi wake. Kikiwa na uwezo wa kutoa Megawati 10,000 za umeme nguvu za mvuke, kituo hicho ni nguzo ya mpango waKenGen wa kuzalisha nishati mbadala.

Mwenyekiti wa Bodi ya KenGen Mhandisi Frank Konuche alisisitiza dhamira ya kampuni hiyo kutimiza matarajio ya wenyehisa huku ikichangia mpango wa nishati safi siku za usoni.

"Ziara hii inawapa wenyehisa wetu nafasi ya kuona matunda ya uwekezaji wao," akasema. "Lengo letu kuhusu nguvu za umeme za mvuke, maji, upepo na miale ya jua linaonyesha dhamira yrtu thabiti ya uendelevu na ustawi wa muda mrefu kwa wawekezaji wetu na jamii tunazohudumia," akaongeza Konuche.

Mbali na ziara hiyo, wenyehisa walifahamishwa kuhusu mambo muhimu ya kifedha ya KenGen na miradi inayonuiwa kuleta faida na kuweka kampuni hiyo mbele katika sekta hiyo.

Mkurugenzi Mkuu na Afisa Mkuu Mtendaji wa KenGen, Mhandisi Peter Njenga (kulia) aanzisha safari ya gari lililobeba wawekezaji kwa ziara.

Kampuni hiyo hivi majuzi Hivi majuzi ilitangaza ongezeko la faida la asilimia 35, lililotokana na mapato thabiti kutokana na viwanda vyake vya nishati ya mvuke na umeme wa maji.

"Katika mazingira ya hali ya ngumu ya kiuchumi, ufanisi wetu wa utendakazi na mbinu ya nidhamu ya usimamizi wa gharama imedumisha mwelekeo wetu wa ukuaji," akasema Mkurugenzi Mkuu na Afisa Mkuu Mtendaji wa KenGen, Mhandisi Peter Njenga.

Serikali yatoa mbegu kwa wakulima wa pamba Machakos bila ya malipo

NA **MUOKI CHARLES,** KNA

Wakulima wa pamba eneo la Yatta, Kaunti ya Machakos, wamepokea tani tano za mbegu bila malipo kutoka kwa serikali, na kuwaondolea hofu ya kutopanda zao hilo msimu huu wa mvua.

Wakulima hao zaidi ya 500 kutoka Kaunti Ndogo za Yatta na Masinga, ambao wamekuwa wakipata faida nzuri kutokana na kilimo cha pamba kwa miaka minne iliyopita, walisema mmoja wa wawekezaji wa kibinafsi waliokuwa wakiwasaidia kwa mbegu alijiondoa, na kuwafanya kupoteza matumaini ya kupata mbegu.

Wakiongozwa na Mwenyekiti wao, Francis Kilango, walisema msaada huo wa mbegu umekuja kwa wakati unaofaa, ambapo mvua imeanza kunyesha.

Kilango, ambaye pia ni Mwenyekiti wa Umoja wa Wakulima wa Pamba Mashariki ya Chini, alitaja usambazaji wa mbegu hiyo kuwa hatua kubwa ya kufufua sekta ya pamba. "Kwa miaka minne iliyopita, wakulima wamekuwa wakitegemea Thika Cloth Mills, ambacho ni kiwanda cha nguo mjini Thika, kupata mbegu na dawa za kuua wadudu bila malipo. Msimu huu kampuni hiyo haikuweza kutusaidia kwa sababu zake, na serikali ilmeingilia kati haraka, "akasema. Aliongeza kwamba mbegu iliyoagizwa na serikali kutoka Cuba ni tofauti na mbegu ya pamba ya BT ambayo walikuwa wamezoea na ambayo ililetwa na serikali iliyopita.

Tofauti mbegu ya aina ya BT ambayo wakulima wamekuwa wakipanda, Kilango alisema aina mpya ya Hart inashambuliwa na wadudu, hukomaa baada ya miezi sita ikilinganishwa na miezi mitatu ya BT na haitoi mazao mengi kama ya BT. Hata hivyo, mbegu hiyo mpya inafaa zaidi kwa maeneo kame na nusu kame kama Yatta tofauti na BT.

Wakulima wa pamba wa eneo la Ndalani, Yatta, Kaunti ya Machakos, wakipokea mbegu kutoka serikali msimu huu wa mvua.

THE 9TH GRADUATION CEREMONY ANNOUNCEMENT

The 9th Graduation Ceremony of The Co-operative University of Kenya (CUK) will be held at the Graduation Square on Friday, 6th December 2024 starting at 8:00 a.m. All students who have fulfilled the requirements for the award of various Certificates, Diplomas, and the conferment of Degrees during the 2023/2024 Academic Year are invited to participate.

GRADUATION STATUS

Students who completed their studies in the 20223/2024 Academic Year and those from previous Academic Years who have not graduated are advised to confirm their appearance on the graduation list by Friday, 22nd November 2024.

APPLICATION FOR GRADUATION

Graduands who have not yet applied are reminded to apply for the 2024 Graduation online through their Students Portal https://studentportal.cuk.ac.ke as per the instructions and guidelines that have been availed on the University website www.cuk.ac.ke/graduation/ before Wednesday, 20th November 2024.

CLEARING OF FEES BALANCES

Graduands must clear all applicable fees including graduation fees before applying for graduation. Anyone with fees arrears will therefore be excluded from the graduation list.

GRADUATION FEES

The graduation fees are as indicated in the table below:

S/N	AWARD	GRADUATION FEES (KES)
1.	Certificates	4,000.00
2.	Diplomas	5,000.00
3.	Bachelors	6,000.00
4.	Masters	7,000.00

All graduation fee payments must be made before **Friday, 22nd November 2024** through Co-operative Bank, Account Number: 01129062663600 Karen Branch or Equity Bank Account Number: 1250277107862 Karen Branch. Failure to pay the graduation fees on time will lead to exclusion from the graduation list.

COLLECTION AND RETURN OF ACADEMIC ATTIRE

Graduation gowns will be available for hire upon presentation of an original National Identity card and of duly filled gown hiring form printed from the Students Portal upon successful application for graduation. Gowns shall be collected from respective Schools/Directorates at the Main Campus (Karen, Nairobi) from Thursday, 28th November 2024 to Wednesday, 4th December 2024, and should be returned at the same venue by Friday, 13th December 2024. Failure to return the gown by the stated date will attract a penalty of KES. 500 per day.

REHEARSAL

All Graduands are expected to attend the rehearsals on Thursday, 5th December 2024 at 10.00 a.m. at the Graduation Square, Main Campus, Karen, Nairobi

INVITATION CARDS

At the time of collecting the graduation gown, each graduand will be issued two (2) invitation cards for their guests. Persons without graduation invitation cards shall **NOT** be allowed into the Graduation Square.

PUNCTUALITY

Graduands and their guests are required to be seated by 8.00 a.m. Those who arrive late shall NOT be allowed into the Graduation Square.

COLLECTION OF CERTIFICATES

Graduates are required to collect their Certificates within Six (6) months after graduation. Any uncollected Certificate will attract an annual penalty as specified in the University Policy.

For further information contact the Office of the Registrar Academic, Co-operative Development, Research and Innovation (ACDRI) via Telephone: 0724 311 606; e-mail: **registraraa@cuk.ac.ke**. For more information visit the graduation page on the university website: **www.cuk.ac.ke/graduation/**

A detailed job description is found on **www.ngeckenya.org**

Wakulima wanawake wanufaika kupitia kilimo cha mashine cha Egerton

NA **ESTHER MWANGI**, KNA

Chuo Kikuu cha Egerton kinasaidia wakulima wanawake kutoka kaunti tisa kwa ujuzi wa kilimo cha kutumia mashine ili kuboresha uzalishaji wa chakula na kuimarisha usalama wa chakula nchini.

Chuo hicho kilitangaza kuwa kinaendeleza ushirikiano kati ya sekta ya umma na sekta binafsi ili kuhimiza kuanzishwa kwa vituo vya kilimo cha mashine, ambavyo vitaunganisha watoaji huduma za kilimo cha mashine na wakulima wadogo wanawake ambao hawana mashine za kilimo.

Makamu wa Naibu Chansela wa chuo hicho anayesimamia Masomo, Utafiti na Ugani, Profesa Bernard Aduda, alisema wameanza kutoa mafunzo kuhusu kilimo cha mashine kwa wanawake zaidi ya 200 kutoka Kaunti za Kisumu, Bomet, Nakuru, Kericho, Kisii, Nyamira, Laikipia, Uasin Gishu, na Elgeyo Marakwet.

Mafunzo hayo yanalenga kuwasaidia kupata ujuzi muhimu ili kuhakikisha usalama wa chakula na kuondoa vikwazo vya kuboresha mifumo ya chakula.

Profesa Aduda alisema mpango huo umeanzishwa ili kuwapa wakulima wanawake nafasi ya kutumia mikakati bora ya uzalishaji wa chakula kwa kutumia mashine, kuongeza mavuno, na kufanya kilimo kuvutia zaidi kwa vijana.

Aliongeza kwamba lengo la chuo hicho ni kujenga mazingira ya wakulima wadogo wanawake kupata mitambo ya ruzuku, na hivyo kupunguza utegemezi mkubwa wa wafanyakazi. Alisema chuo hicho kinasaidia Ajenda ya Serikali ya Mabadiliko ya Kiuchumi (BETA) kwa kuzindua kikundi cha saba cha Mpango wa Mafunzo ya Waendeshaji Trekta za Kilimo, ambao inalenga kuwezesha wanawake kupitia kilimo cha kutumia mashine.

"Mpango huu unaambatana na dhamira ya BETA katika kuongeza mapato ya kilimo na kupanua nafasi za kiuchumi kwa jamii mashinani," akaongeza Profesa Aduda.

Alisema kwamba, kwa kuwawezesha wanawake katika kilimo kidogo kupitia na mbinu za kilimo cha mashine, Chuo Kikuu cha Egerton kinajitahidi kuimarisha usalama wa chakula nchini Kenya na kuchochea uchumi wa vijijini kwa kukuza ujuzi.

Alisema mpango huo wa mafunzo unasaidiwa na na mashirika mbalimbali yakiwemo Hello Tractors, One Acre Fund, Kenya Investment Mechanism (KIM), John Deere, CFAO Kenya, Kubota, Massey Ferguson, Heifer International Kenya, CIWaB, na Kitivo cha Uhandisi na Teknolojia cha Chuo Kikuu cha Egerton.

Alitaja kuongeza mavuno ya mazao ili kulisha Wakenya kama kipaumbele, akiongeza kwamba maendeleo ya teknolojia yamewezesha utengenezaji wa mashine nyepesi na za bei nafuu ambazo zinaweza kusaidia wakulima wadogo wanawake kuleta mabadiliko katika kilimo.

"Chuo kinatafuta njia za kuimarisha usalama wa chakula kupitia kilimo cha mashine, unyunyizaji maji mashamba, na matumizi ya mbegu bora na mbolea inayofaa," akasema.

Aliongeza kwamba kilimo cha mashine kinachangia katika kuandaa ardhi kwa wakati, matumizi bora ya ardhi na kuongeza mazao pamoja na kupunguza gharama za uzalishaji na kutoa nafasi nyingi za ajira hasa miongoni mwa vijana na wanawake.

Profesa Aduda alisisitiza haja ya wafanyabiashara na wauzaji wa mashine za kilimo kuwapa wakulima wadogo ujuzi wa kiufundi wa kuendesha na kutunza mashine kupitia siku za shambani, warsha, ziara za mashambani na semina ili kuwawezesha kujiendesha kibiashara.

Alisema Egerton inahimiza wafanyabiashara na watengenezaji wa mashine za kuhakikisha bidhaa zao zinazolenga wakulima wadogo zimejengwa kwa usanifu na mahitaji madogo ya kuzitengeneza.

Baadhi ya wanawake wakulima wakipokea mafunzo kuhusu kilimo cha kutumia mashine.

National Government Affirmative Action Fund is a Semi-Autonomous Government Agency (SAGA) under the Ministry of Public Service, Youth and Gender Affairs. The Fund was enacted through Legal Notice No. 24 of the Public Finance Management Act, 2012 and published on 13th February 2015. The fund is one of government initiatives anchored on the vision 2030 development blue print under the social pillar to address the plight of vulnerable groups by reducing poverty and inequality through enhanced access to financial facilities for social economic empowerment among women, youth, persons with disabilities, needy children and elderly persons in the country.

In order to effectively and efficiently deliver its mandate, the Fund invites eligible and competent service providers for the following tenders:

NO	CATEGORY REFERENCE	DESCRIPTION	ELEGIBILITY	DEADLINE
1.	NGAAF/NRB/TND/001/ 2024 - 2025	SUPPLY AND DELIVERY OF 100 - SEATER RECTANGULAR TENTS (38 PIECES) AND HEAVY-DUTY ARMLESS PLASTIC CHAIRS (3800 PIECES)	OPEN TENDER	3rd December,2024 AT 10.00 AM
2.	NGAAF/NRB/TND/001/ 2024 - 2025	SUPPLY AND DELIVERY OF 50 LITRES VEHICLE PAINT SPRAY MACHINES (51 PIECES)	OPEN TENDER	3rd December,2024 AT 10.00 AM

Tender documents with detailed specifications and conditions can be downloaded **FREE OF CHARGE** from NGAAF'S website **www.ngaaf.go.ke** OR PPRA website

Completed tender documents in plain sealed envelopes should be deposited in tender box situated at Nyayo house 8th floor Door 14 Northern wing of the main building. So as to be received on or before **3rd December, 2024 AT 10.00 AM.** Opening of the bidding documents will be conducted immediately in the presence of bidders or their representatives who wish to attend.

KENYA VISION 2030

Sekta ya kilimo yapigwa jeki kutokana na ushirikiano wake na Denmark

DR **DENNIS ONKUNDI NA KAWIRA GITHINJI**

Kenya Denmark zimeafikiana kupanua ushirikiano katika sekta ya kilimo, kwa kuzingatia zaidi usalama wa chakula na malisho, uvumbuzi, na upatikanaji wa soko.

Ushirikiano huo, kulingana na Waziri la Kilimo Dkt Andrew Karanja, unaendeshwa chini ya Mfumo wa Ushirikiano wa Kimkakati wa Sekta (SSC) (2016-2026). Unalenga kuimarisha uzalishaji wa kilimo, kuboresha viwango vya usalama wa chakula, na kudumisha uendelevu katika sekta ya kilimo.

Dkt Karanja alisema kwamba kilimo, chini ya Ruwaza ya 2030, Ajenda ya Mabadiliko ya Kiuchumi ya Bottom-UP (BETA), na Mkakati wa Mabadiliko na Ukuaji wa Sekta ya Kilimo (ASTGS), ni nguzo muhimu ya uchumi wa Kenya na mabadiliko yake, ikichangia asilimia tatu ya Pato la Taifa na kuajiri zaidi ya asilimia 80 ya watu mashambani.

"Kuambatana na mpango huu, serikali ya Kenya imeungana na washirika wa kimataifa kuimarisha usalama wa chakula, kukuza mbinu za kilimo zinazostahimili, kukabiliana na mabadiliko ya tabianchi, na kuhakikisha mustakabali thabiti wa sekta hiyo," akasema.

Mpango wa SSC, uliozinduliwa mnamo 2016, unaangazia kuboresha viwango vya usalama katika viwanda muhimu kama vile kilimo cha mboga matunda na maziwa. Dkt Karanja alisema kuwa ushirikiano huo pia unalenga kukuza na kupanua uwezo wa mauzo ya bidhaa za kilimo nchini Kenya katika masoko ya kimataifa.

Dr. Andrew Karanja, CS Agriculture with Niels Christensen,from Denmark.

Wakaazi Kericho wahimizwa wajisajili na bima ya SHA ili kupata huduma zote za afya

NA **OMINIC CHERES NA KIBE MBURU,** KNA

Naibu Msemaji wa Serikali, Mwanaisha Chidzuga,, Gavana wa Kericho, Dkt Eric Mutai na Kamishna wa Kaunti ya Kericho, Gilbert Kitiyo, wakati wa uzinduzi wa SHA/SHIF katika Kaunti ya Kericho.

Wakazi iwa Kaunti ya Kericho wamehimizwa waendelee kujisajili kwa Mamlaka ya Afya ya Kijamii (SHA) ili wapate huduma kamili na bora za afya.

Akizungumza wakati wa uzinduzi rasmi wa SHA/SHIF katika Kaunti ya Kericho, Naibu Msemaji wa Serikali Mwanaisha Chidzuga alipongeza wakazi kwa kuitikia wito wa kujiandikisha kwa bima ya afya. Alisisitiza kwamba watanufaika kwa huduma za afya za kinga, tiba, urekebishaji, na shufaa zinazopatikana katika vituo vya afya vya Ngazi ya 4, 5 na 6 chini ya Hazina hiyo.

Chidzuga aliongeza kwamba faida za SHA ni pamoja na huduma za dharura na matibabu ya udhibiti wa magonjwa sugu.

"Kila mtu anaweza kutuma maombi ya kusajiliwa na Mamlaka kama mwanachama wa Mamlaka ya Afya ya Jamii. Ni rahisi - piga tu *147# na ufuate maagizo ya kujisajili," akasema Chidzuga.

Alisema pia kwamba habari potovu na propaganda zimezuia usajili wa Wakenya zaidi katika mpango wa SHA na akawataka wananchi wapuuze habari potovu na propaganda mbaya na kujiandikisha kwa bima hiyo mpya ya afya.

Chidzuga, ambaye aliandamana na Gavana wa Kericho, Dkt Erick Mutai na Kamishna wa Kaunti hiyo, Bw Gilbert Kitiyo, walisema Mamlaka mpya ya Afya ya Jamii itashughulikia changamoto nyingi zinazokabili wananchi wanapopata huduma za afya kwa bei nafuu na za hakika katika vituo vya afya vya serikali na baadhi ya hospitali za kibinafsi ambazo zimesajiliwa na SHA.

Wakati huo huo, Gavana wa Kericho, ambaye alikuwa mgeni wa heshima katika hafla hiyo iliyofanywa katika Uhuru Gardens, alisema Kericho inalenga kusajili watu zaidi ya 900,000 kwa SHA.

Dkt Mutai alifichua kwamba vituo vyote 164 vya kaunti, hospitali sita (6) za kidini na vituo 12 vya kibinafsi vimesajiliwa na SHA na tayari zinatoa huduma za afya kwa wagonjwa katika kaunti hiyo.

Hospitali ya Rufaa ya Kaunti ya Kericho imepokea Sh18 milioni, huku Hospitali ya Kapkatet ikipokea Sh14 milioni kutoka kwa SHA, akasema na kuongeza kwamba SHA inafanya kazi katika vituo vya Kericho, na kuwataka wakazi waendelee kujiandikisha ili kufaidika.

Gavana hpia aliwahakikishia wakazi kuwa serikali yake inaendelea na shughuli ya kuweka wahudumu wa afya chini ya utumishi wa utumishi kudumu na wenye pensheni itaanza kuajiri wahudumu 210 wa afya wakiwemo wauguzi na madaktari watakaohudumu katika zahanati hizo. Hatua hiyo itapunguza msongamano katika hospitali za kaunti ndogo na hospitali ya Level 5.

"Serikali ya kaunti tayari ina Sh35 milioni za kulipa malimbikizo yote ya Wahamasishaji wa Afya ya Jamii (CHPs) ili waendelee na kazi yao nzuri na tunaamini pia watasaidia sana katika ufanisi wa SHA," akaongeza Dkt Mutai.

Kamishna wa Kaunti ya Kericho, Gilbert Kitiyo aliwataka Machifu na Machifu Wasaidizi wawe mstari wa mbele katika kutoa taarifa sahihi kwa wakazi kuhusu SHA na SHIF na kuhimiza watu kujisajili.

Bw Kitiyo alielezea kutoridhishwa na habari potovu zinazosambazwa na baadhi ya watu katika mitandao ya kijamii kwamba serikali haijafanya lolote la maana kuhusu maendeleo nchini.

Aliorodhesha miradi tofauti ya mabilioni ya pesa katika kaunti hiyo inayotekelezwa na serikali ya kitaifa.

Bw Kitiyo alisema masoko manne makuu chini ya Mradi wa Kuchochea Uchumi (ESP), ambayo ni Kapkatet, Sosiot, Chesinende na Lelu Kipkelion Magharibi yako hatua tofauti za kukamilika.

Alisema chini ya Mradi wa Nyumba za Bei Nafuu, (AHP) serikali ya kitaifa inajenga nyumba zaidi ya 1,000 katika Majengo Tallai mjini Kericho, na mradi wa barabara ya lami ya Kapsuser-Sosiot-Sondu kwa gharama ya Sh905 milioni.

An ISO 9001:2015 Certified Hospital

MOI TEACHING AND REFERRAL HOSPITAL

Moi Teaching and Referral Hospital (MTRH) is a Multi-Specialty International Teaching and Referral Hospital serving residents of Kenya, parts of Eastern Uganda, South Sudan, Tanzania and the Democratic Republic of Congo (DRC) with a population of over 25 million.

MTRH has centres of excellence for specialized Healthcare, Training, Research and participates in National Health Planning with its vision statement ***"To be a Global Leader in the provision of Exceptional Multi-Specialty Healthcare, Training and Research".***

This is a full time three (3) years FCS Residential Course in General Surgery, Orthopaedics Surgery, Pediatrics Surgery and four (4) years in Neurosurgery all under **COSECSA program.** Four (4) years Residential Course in Anesthesiology under **CANECSA program.** Proof of full financial support from the respective employer for the full duration of the course is mandatory. There shall be no salary or compensation attached to these positions.

COLLEGE OF SURGEONS OF EAST, CENTRAL AND SOUTHERN AFRICA (COSECSA) FELLOWSHIP OF THE COLLEGE OF SURGEONS (FCS)

S/NO	SPECIALITY	NO OF POSITIONS AVAILABLE
1	General Surgery	2
2	Orthopaedic Surgery	3
3	Paediatric Surgery	2
4	Neurosurgery	1

COLLEGE OF ANAESTHESIOLOGISTS OF EAST, CENTRAL AND SOUTHERN AFRICA (CANECSA)

S/NO	SPECIALITY	NO OF POSITIONS AVAILABLE
1	Anaesthesiology	2

Candidates must meet the following requirements:

1. Letter of application
2. Certificate of completion of Member of College of Surgeon (MCS), Paper II examination or a letter / mail from COSECSA Secretariat indicating your completion. (For COSECSA FCS Applicants Only)
3. Bachelor of Medicine and Bachelor of Surgery (M.B.Ch.B) degree from an institution recognized by Medical Practitioners and Dentists Council or its equivalent;
4. Both Certificate of Registration and Retention from Kenya Medical Practitioners and Dentists Council;
5. Be able to sponsor and finance themselves;
6. Those in employment must produce a letter of release / sponsorship from employer;
7. Two letters of recommendation, one from the immediate supervisor and another one from the Hospital Clinical in-charge e.g. Medical Superintendent;
8. A valid Professional Indemnity Cover and Medical Cover
9. Candidates will be required to pay a non-refundable application fee of **Ksh.5,000/=** to the following account number, and attach the payment slip to the application:

Account Name: **Moi Teaching & Referral Hospital**
Account No: **103464329**
Bank: **Kenya Commercial Bank**
Bank Branch: **Eldoret West**

Details of the training positions are available in the MTRH ERP Portal: https://careers.mtrh.go.ke/ Visit the link to make your application.

The deadline for submitting applications is on 9th **December 2024 by 5pm.** Only shortlisted candidates will be invited for interviews.

KENYA VISION 2030

Juhudi za Kenya za kuhifadhi kifaru zaimarishwa kupitia tekinolojia ya kufuatilia mienendo ya wanyama hao

NA **ARNOLD LINGA MASILA**, KNA

Waziri wa Utalii na Wanyamapori Rebecca Miano (Kushoto) na Mkurugenzi Mkuu wa KWS Erastus Kanga (Kulia) wakati wa uzinduzi wa kuweka alama kifaru weusi walio hatarini katika Ngulia Lodge, Mbuga ya Kitaifa ya Wanyama ya Tsavo Magharibi.

Serikali imetekeleza mfumo wa hali ya juu wa kufuatilia vifaru weusi katika Hifadhi ya Vifaru ya Ngulia, kwa lengo la kuimarisha juhudi za uhifadhi wa wanyama hao walio hatarini kuangamia. Mpango huo ulizinduliwa na Waziri wa Utalii na Wanyamapori Rebecca Miano.

Mpango huo unahusisha kuweka kifaa sikioni kinachowezesha mtu kujua alipo mnyama huyo wakati wowote ili kupunguza uwindaji haramu na kuhakikisha usalama wa vifaru hao walio hatarini.

Mradi huo unaosimamiwa na Shirika la Huduma ya Wanyamapori Kenya (KWS), utatumia vifaa vya hali ya juu kufuatilia mienendo na afya ya vifaru weusi 178 katima Hifadhi ya Tsavo Magharibi.

Hifadhi ya Wanyamapori ya Ngulia ndiyo makao ya asilimia 90 ya vifaru weusi wa Kusini waliosalia ulimwenguni. Miano alisisitiza umuhimu wa juhudi hizo, akisema kwamba hifadhi hiyo imeongeza idadi ya vifaru kutoka watatu hadi zaidi ya 100 katika miongo minne iliyopita, hatua inayoonyesha Kenya kuwa kiongozi wa kimataifa katika uhifadhi wa wanyamapori.

“Kenya ndiyo mlinzi wa asilimia 90 ya vifaru weusi wa Kusini; Asilimia 90 ya vifaru hao duniani wanapatikana nchini Kenya. Kwa hivyo, tunahitaji Wakenya kuelewa urithi tulionao, na kwamba uhifadhi ni mpango ambao hakuna anayefaa kuachwa nyuma. Wakenya wanaweza kushiriki tu ikiwa tutawapa habari na kuonyesha kile tunachofanya,” akasema Waziri.

Vifaa vya kufuatilia, ambavyo ni pamoja na vya masikio na visambaza sauti vya VHF, huruhusu maafisa wa KWS kufuatilia harakati za kila faru kila saa, kukusanya data muhimu ili kuimarisha juhudi za kupambana na uwindaji haramu na kuboresha utunzaji wa wanyama.

Kwa upande mwingine, Mkurugenzi Mkuu wa Huduma za Wanyamapori Kenya, Erastus Kanga, alisisitiza kwamba teknolojia inayotumiwa, kikiwemo kifaa cha mtandao wa masafa marefu, itatoa taarifa ya kina ya ufuatiliaji wa mwaka mzima, kuruhusu ufuatiliaji wa wakati halisi kutoka kwa doria za angani na ardhini.

“Tumeweka alama kwa wanyama kwa njia tatu. Tuliweka alama za masikioni na kuweka nambari hapo. Nafikiri nambari hiyo ilikuwa 130. Na pia tumeweka kisambaza sauti cha VHF ambacho unaweza kwenda kutafuta mahali alipo mnyama huyo ukiwa kupitia angani. Cha tatu ni kifaa cha mtandao cha masafa marefu ambacho kinaweza kutupa ishara kila saa kuhusu mahali alipo mnyama, na tunaweza kukusanya taarifa nyingine kwa kutumia vifaa hivyo,” akaeleza Kanga.

Hata hivyo, kulingana na Kanga, shughuli nzima kwa wanyama walio katika hatari kubwa ya kuangamia, haswa vifaru, hugharimu karibu Sh4 milioni, ambazo ni pesa za serikali, na kusaidiwa na washirika wa KWS. Kwa ishara, kifaru aliyewekwa alama wakati wa uzinduzi alipewa jina “Waziri Madam Miano” kwa heshima ya Waziri.

Hatua hiyo inaangazia kujitolea kwa serikali katika uhifadhi na kutoa wito kwa sekta za umma na za kibinafsi kuchukua vifaru kama sehemu ya kampeni ya kitaifa ya “Tunza Mali Yako”, kuhimiza Wakenya wote kuunga mkono ulinzi wa wanyamapori.

“Wito wetu ni kwamba tunawaomba viongozi wetu katika sekta ya kibinafsi na ya umma kujitokeza na kuchukua wanyama wengine wengi, haswa walio hatarini ya kuangamia ambao tunawahifadhi ili sote tujifunze kwa pamoja na kuhifadhi urithi wetu,” akasema Kanga na kuwataka Wakenya wajiunge na mpango wa ‘Tunza Mali Yako’ akiongeza kwamba urithi ambao serikali imetoa kwa KWS ni urithi wa watu na kwamba kazi ya KWS ni kulinda na hifadhi.

Miano aliangazia dhamira ya serikali ya kufidia jamii zilizoathiriwa na wanyamapori, akitambua mgogoro unaoendelea kati ya binadamu na wanyamapori.

KENYA VISION 2030

Kenya yaangazia ufanisi wake kidijitali katika mkutano wa mawaziri kuhusu maendeleo ya ICT

Waziri wa Habari, Mawasiliano na Uchumi wa Dijitali Dkt. Margaret Ndung'u, (wa pili kushoto) pamoja na Mawaziri na Maafisa Waandamizi wakitia saini taarifa ya pamoja ya kuleta maendeleo jumuishi na endelevu katika Afrika Kusini mwa Jangwa la Sahara.

Dkt Margaret Ndung'u, Waziri wa Habari, Mawasiliano na Uchumi Dijitali

Katibu Mkuu wa Muungano wa Mawasiliano Afrika (ATU) Bw. John Omo

NA JOSEPH NG'ANG'A, KNA

Mawaziri, wawakilishi wa mawasiliano, na maafisa wa teknolojia ya kidijitali kutoka Uganda, Afrika Kusini, na Kenya wametia saini taarifa ya pamoja na Muungano wa Mawasiliano wa Afrika (ATU) ili kuthibitisha ahadi yao ya kukuza maendeleo jumuishi na endelevu katika Afrika Kusini mwa Jangwa la Sahara.

Taarifa hiyo iliytolewa nchini Afrika Kusini, ambapo ATU na Idara ya Mawasiliano na Teknolojia ya Kidijitali ya Afrika Kusini (DCDT) walikuwa wenyeji wa kongamano la mawaziri (kuanzia Novemba 12-14) lililolenga kujenga Afrika yenye mafanikio, jumuishi na endelevu kupitia maendeleo ya teknolojia ya ICT.

Dkt Margaret Ndung'u, Waziri wa Habari, Mawasiliano, na Uchumi Dijitali nchini Kenya alielezea mambo ambayo Kenya imejifunza katika juhudi za kuweka mfumo wa digitali kote nchini.

"Tumechukua hatua kamili ili kuhakikisha kwamba tunatengeneza teknolojia, kujenga miundomsingi, kuboresha ufikiaji, kujenga uwezo, na kuhamasisha watu - sio tu wanaofanya kazi katika sekta ya umma bali kwa wananchi wote," akasema.

Taarifa kwa vyumba vya habari inaonyesha kwamba mawaziri wa mawasiliano walikubaliana kuanza na teknolojia ya ICT, ikiwemo maendeleo ya miundombinu ya kitaifa ya ili kukidhi mahitaji ya kijasusi na kukushirikisha AI, uundaji wa mifumo midogo ya umeme wa miala ya jua ili kuongeza kasi ya ufikiaji wa umeme kote Kusini mwa Jangwa la Sahara Afrika, kupanua uunganisho wa mtandao katika maeneo ya vijijini, na kuendeleza elimu bora ili kuziba pengo kati ya miji na vijiji.

Wakati wa hotuba kuu za kongamano hilo, mijadala ya wajumbe, na vikao vya kufahamishana, wazungumzaji waalikwa walitoa maarifa kuhusu jinsi ya kushughulikia changamoto zinazokabili Afrika Kusini mwa Jangwa la Sahara kwa kutumia teknolojia ya kidijitali.

Bw John Omo, Katibu Mkuu wa ATU, alielezea dharura wa kushughulikia vikwazo vya miundomsingi, kama vile vinavyohusiana na nyuzi za mitandao na huduma katika nchi nyingi za Afrika Kusini mwa Jangwa la Sahara.

"Eneo zima Afrika Kusini mwa Jangwa la Sahara ina nafasi ndogo ya mtandao kuliko Uswizi. Na nadhani serikali zetu zinahitaji kuanzisha viwanda kuendeleza huduma za teknolojia hiyo katika nchi zetu," akasema Bw Omo.

> Tumechukua hatua kamili ili kuhakikisha kwamba tunatengeneza teknolojia, kujenga miundomsingi, kuboresha ufikiaji, kujenga uwezo, na kuhamasisha watu - sio tu wanaofanya kazi katika sekta ya umma bali kwa wananchi wote." - Ndung'u

Waziri wa Mawasiliano na Teknolojia ya Kidijitali wa Jamhuri ya Afrika Kusini, Solly Malatsi, alisisitiza umuhimu wa ushirikiano kati ya maendeleo ya teknolojia ya ICT na nishati mbadala kama vile nishati ya jua.

Alisema, "Mustakabali wa kidijitali wa nchi yetu na bara unategemea uwezo wetu wa kuunganisha nishati mbadala na miundomsingi ya kidijitali. Tunapoanza safari hii, ni muhimu tukumbuke kuwa mabadiliko ya kidijitali sio tu kuhusu teknolojia.

"Ni kuhusu kuwezesha watu binafsi, jumuiya na mataifa kutambua uwezo wao kamili. Kwa hivyo, ni jukumu letu kama viongozi serikalini, sekta ya kibinafsi na mashirika yasiyo ya kiserikali kufanya kazi bega kwa bega na kuhakikisha mapinduzi ya kidijitali yanajumuisha kila mtu na kunufaisha watu wote."

Waziri wa Serikali wa Mwongozo wa Kitaifa wa Jamhuri ya Uganda, Kabbyanga Godfrey Baluku, alielezea mpango wa Uganda wa kujumuisha wananchi katika mpango wa kidijitali kupitia uundaji wa sera za kiwango cha juu na utekelezaji.

Alisema: "Maono ya Uganda ni kubadilisha jamii kutoka kwa wakulima hadi nchi ya kisasa na yenye ustawi. Kwa hili kufanyika, tunahitaji kushughulikia baadhi ya masuala ya kimsingi na mojawapo ni umeme kisha ICT. Na pia tulitayarisha Ruwaza ya Dijitali ya Uganda 2040, ambayo tulifikiri ingekuwa lengo la kuleta mabadiliko,".

Baluku alieleza kuwa hivi majuzi walitayarisha mpango wa Mabadiliko ya Kidijitali kutoka 2023, ambayo walidhani yangetumika kuwa nyenzo ya kufikia kile wanachotaka kufikia ifikapo 2027 katika masuala ya ICT.

"Kuhusu data, tunahitaji kwanza kushughulikia miundomsingi ya kidijitali, ambayo ni muhimu. Kwa sasa tunafanya kazi ya kupanua mtandao wa kitaifa, na Huawei ndiyo kampuni kuu tunayoshirikiana nayo," akasema.

Mwenyekiti wa Chama cha Mtandao Duniani, Dk Li Zhengmao, alielezea mambo iliyojifunza China katika kuweka huduma za kidigitali, akisema kwa kujenga miundomsingi ya kidijitali yenye ubora wa juu, China imeweka msingi imara wa uchumi wa kidijitali, jamii na serikali.

Jinsi Serikali inavyotimiza mipango ya maendeleo kupitia utekelezaji bora

NA ELIUD OWALO, FIHRM, FESK, E.G.H.

Serikali za kisasa zinakabiliwa na shinikizo kubwa kutimiza matarajio na ahadi zilizoziweka mamlakani. Wakati huo huo, zinakumbana na changamoto zingine ambazo haziambatani na mipango yake na zinazoweza kukinzana na ajenda za maendeleo ya taifa. Masuala haya yasiyotazamiwa mara nyingi yanahitaji uangalizi wa haraka, na kulazimisha serikali kubadili mwelekeo na uwezekano wa kusahau ahadi zake za awali.

Dharura ya matukio ya sasa mara kwa mara hutumia muda na nguvu za watoaji maamuzi wakuu, ikiweka kando vipaumbele vilivyowekwa. Rasilimali na uwezo mdogo unatatiza zaidi juhudi za kushughulikia changamoto zinazojitokeza na ahadi za awali. Ili kukabiliana na utata huu, serikali nyingi zimepitisha mifumo ya usimamizi wa utekelezaji ili kuboresha utendakazi wake. Nchini Kenya, mbinu hii imechukua sura kupitia kuanzishwa kwa Kitengo cha Utekelezaji wa Serikali (GDU) katika ya Ofisi ya Naibu Mkuu wa Usimamizi wa Utendaji na Usimamizi wa Utekelezaji.

Jukumu la usimamizi wa utekeleza katika Serikali

Usimamizi wa utekelezaji unahusu kufuatilia kwa makini miradi muhimu ya serikali. Majukumu sawa yanapatikana kote ulimwenguni katika nchi kama vile Uingereza, Malaysia, India, Indonesia na Brazili. Nchini Kenya, GDU inasisitiza utekelezaji wa ahadi zilizoainishwa katika Mpango wa Mabadiliko ya Kiuchumi wa Bottom-Up (BETA) na maagizo yaliyotolewa na Rais.

Kazi kuu za GDU ni pamoja na:

1. Kufuatilia Maendeleo: Kufuatilia hali ya miradi muhimu ili kuhakikisha wahusika wote wanazingatia ajenda ya maendeleo.
2. Kuondoa Urasimu: Kushirikisha idara zote za serikali katika kutatua changamoto za utekelezaji.
3. Kuimarisha Mawasiliano: Kukuza hali ya utekelezaji kupitia ushirikishwaji wa wadau na mawasiliano yenye ufanisi.

Naibu Mkuu wa Itifaki, Ofisi Kuu ya Rais Eliud Owalo.

GDU ina wafanyakazi wenye ujuzi walio na vifaa vya utekelezaji, mbinu, na mawazo yanayolenga matokeo. Dhamira yake ya msingi ni kuhakikisha kuwa ajenda ya maendeleo ya serikali inatekelezwa kwa ufanisi, kwanza kwa kuonyesha wadau mchakato wa utekelezaji.

Kufuatilia miradi na mipango ya serikali

Nguzo ya kazi ya GDU ni kuthibitisha ama "kukagua ukweli," wa miradi muhimu katika ngazi za kaunti na kikanda. Hii inahakikisha usahihi wa data iliyoripotiwa na hutoa maarifa muhimu kwa watoa maamuzi ili kushughulikia changamoto za ndani na kuboresha mikakati ya utekelezaji. Kwa kufahamu kinachoendelea mashinani, GDU hulinganisha mipango ya serikali na mahitaji na matarajio ya raia, kukuza uwazi na uwajibikaji kupitia ushiriki wa mara kwa mara wa umma na njia mbalimbali za vyombo vya habari.

Utatuzi wa shida na ufuatiliaji wa muda halisi

Ufuatiliaji wa muda halisi huwapa wadau – wakiwemo wananchi na watunga sera – picha sahihi ya maendeleo ya serikali. Vikwazo vinapotambuliwa, GDU huwaita wahusika mara moja ili kuzishughulikia. Huku miradi ya kitaifa ikihusisha maeneo mbalimbali, mchakato huu wa utatuzi wa shida unafanya kazi katika ngazi za kaunti, kanda na kitaifa, kuhakikisha mbinu kamili ya kukabiliana na changamoto za utekelezaji.

Ushirikiano na ushirikiano wa wadau

Hatua za haraka na zinazoonekana ni muhimu kwa mbinu ya usimamizi wa utekelezaji Kenya, kudumisha kasi licha ya vikwazo vya urasimu. Ushirikishwaji wa wadau uliopangwa hukuza mazingira ya ushirika ambapo maoni kutoka kwa jumuiya za mitaa na maarifa ya moja kwa moja huongoza utekelezaji wa mradi. Kwa kuunganisha mitazamo ya kikanda, GDU inashughulikia changamoto za ndani huku ikilinganisha juhudi na malengo ya kitaifa, kuhakikisha maendeleo thabiti kuelekea kufikia vipaumbele vya Mpango wa BETA.

Sayansi ya Utekelezaji

"Utekelezaji," neno linaloelezea sanaa na sayansi ya utekelezaji, linasisitiza mtazamo wa GDU. Mbinu hii maalumu inahusisha kubuni, kusimamia na kufuatilia mipango ya serikali ili kuongeza athari zake. Utekelezaji unasisitiza utatuzi makini wa matatizo, ufanyaji maamuzi unaoendeshwa na data, na ushirikishwaji bora wa wadau ili kuharakisha kutimia kwa ahadi za serikali.

Kutangaza matokeo na kujenga uaminifu

Imani ya umma kwa serikali inategemea kutoa ahadi. GDU ina jukumu muhimu katika kurejesha na kudumisha uaminifu huu kwa kuhakikisha kutimia kwa matarajio ya Mpango wa BETA. Kupitia taarifa za kila mara kuhusu hatua muhimu zilizofikiwa, kusikiliza maoni ya raia, na mawasiliano ya uwazi, GDU inaonyesha dhamira ya serikali ya kuwahudumia watu.

Kwa kuimarisha uwajibikaji na kuoanisha mipango ya maendeleo na matarajio ya umma, kazi ya usimamizi wa utekelezaji huimarisha nia njema na imani katika utawala.

Mwandishi ni Naibu Mkuu wa Itifaki Usimamizi wa Utendaji na Utekelezaji katika Ofisi ya Rais.

Uzalishaji wa mafuta ya mbarika waimarika kupitia serikali na sekta binafsi

NA **HUSSEIN ABDULLAHI**, KNA

Serikali ya Kitaifa imejitolea kuimarisha uzalishaji wa mafuta ya mbarika nchini.

Waziri wa Uwekezaji, Biashara na Viwanda, Salim Mvurya, amesema serikali itasaidia sekta ya kibinafsi katika kuchangia maendeleo ya mafuta ya mbarika nchini Kenya.

Mvurya alitangaza mpango huo wakati wa mazungumzo na Gavana wa Kwale, Fatuma Achani na Mkurugenzi Mkuu wa kampuni ya Eni Kenya B.V., Enrico Tavolini, kuhusiana na mipango ya Eni ya kupanua uzalishaji na usambazaji wa mafuta ya mimea katika eneo la Bonje, Kaunti ya Kwale.

Kampuni hiyo ya mafuta kutoka Italia, Eni Kenya B.V., inataka kuanzisha mfumo mkubwa wa biashara ya kilimo ambayo itazingatia kilimo na utayarishaji wa mafuta ya mbarika, kuwezesha wakulima wa eneo hilo kupitia mbinu endelevu za kilimo na kusafirisha bidhaa iliyosafishwa katika masoko ya Ulaya.

Waziri Mvurya alisema mpango huo mpya unaakisi mpango wa mafuta ya mimea uliotekelezwa katika Kaunti ya Makueni, ambapo Eni imetoa zaidi ya nafasi 160,000 za ajira za moja kwa moja na zisizo za moja kwa moja na kuwezesha wakulima wa zao la mbarika.

Mradi huo umewezesha wakulima kutayarisha mazao kwa ajili ya kuuza nje ya nchi, huku wakinufaika kutokana na zao hilo kuongezwa thamani kwa kutayarishwa.

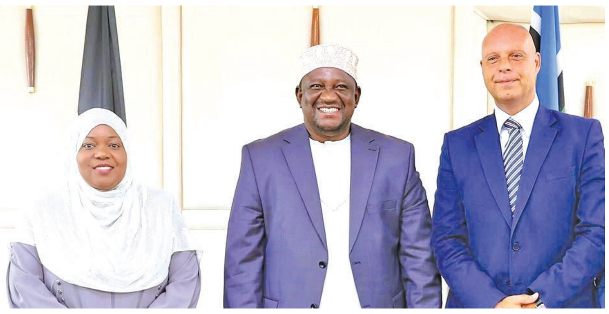
Mmea wa mbarika unaaminika mmoja wa mimea yenye faida kubwa duniani ukiwa na mafuta mengi kutokana na mbegu zake.

Mvurya alisema kwamba duniani kote, mashamba ya mafuta ya mbarika yanazidi kutajwa kuwa nishati bora ikilinganishwa na mafuta ya kuchimba.

"Mafuta ya mbarika, malighafi muhimu katika uzalishaji wa nishati ya mimea, yana uwezo mkubwa, hasa katika nchi kame na nusu kame ya Kenya," akasema Mvurya.

Kwa kuanzisha mfumo huu wa kilimo biashra, akasema Mvurya, kampuni ya Eni inapanga kusaidia wakulima Kwale kutayarisha mashamba, kuwapa mbegu bora, na kuwasaidia katika shughuli nzima ya kilimo kutoka kupanda hadi kuvuna.

Mvurya alisema kwa kuanzisha mtindo huu wa biashara ya kilimo, Eni inalenga kuwasaidia wakulima wa Kwale kuandaa ardhi yao, kuwapa mbegu bora, na kusaidia mchakato mzima wa kilimo kuanzia kupanda hadi kuvuna.



Kutoka kushoto, Gavana wa Kwale, Fatuma Achani, Waziri wa Uwekezaji, Biashara na Viwanda, Salim Mvurya na Enrico Tavolini, Mkurugenzi Mkuu wa kampuni ya Eni Kenya B.V.

Alifichua kwamba Eni itanunua mafuta ya mbarika na kuyasafirisha hadi Italia kuboreshwa kabla ya kuyauza katika masoko ya kimataifa ambapo mahitaji ya nishati ya mimea yanaendelea kuongezeka.

Waziri alisema upanuzi wa kilimo cha mafuta ya mbarika kwa ajili ya uzalishaji wa nishati ya mimea unatoa suluhisho endelevu kwa changamoto za kimataifa za nishati, huku ukinufaisha moja kwa moja wakulima wadogo nchini Kenya.

"Kwa kuanzisha mpango huo hapa Kwale, wakulima wa sehemu hii watapata masoko ya kimataifa, kuongezea mapato na kuboresha maisha yao," akasema na kuongeza kwamba mahitaji ya mafuta ya mbarika yanaongezeka katika soko la kimataifa.

Mvurya alisema uzalishaji wa mafuta ya mbarika unaopendekezwa na kiwanda cha kutayarisha mafuta hayo eneo la Bonje kitatumika kama kitovu muhimu cha mafuta ya mbarika na kuifanya kaunti ya Kwale kuwa mshirika mkuu katika sekta ya nishati ya mimea na kuchangia mabadiliko ya kimataifa kukumbatia vyanzo safi vya nishati mbadala.

Gavana Achani alisema mkutano huo ulilenga mipango ya Eni ya kupanua usambazaji wa nishati ya mimea eneo la Bonje, Kwale, kwa lengo la kuanzisha mfumo wa kilimo biashara cha mafuta ya mbarika.

Achani aliunga mkono hatua hiyo ya kampuni ya mafuta ya Italia, akisema uwekezaji wake utasaidia juhudi za kupata usalama wa chakula na kujitosheleza na pia kuboresha maisha ya wakulima wa mbarika.

Wakazi zaidi ya 2,000 Rongai kupata hati miliki za mashamba baada ya kusubiri kwa miaka 31

CATHERINE MUINDI (PCO) NA ANNE MWALE
(KNA)

Serikali imejitolea kusuluhisha mzozo wa muda mrefu wa ardhi ya Banita eneo la Rongai, Kaunti ya Nakuru, ndani ya siku 21.

Kwa ushirikiano na Serikali ya Kaunti ya Nakuru, Wizara ya Ardhi itawapa hati miliki wakazi zaidi ya 2,000 wa Kaunti Ndogo ya Rongai baada ya kusubiri kwa miaka 31, ikilenga kumaliza mizozo ya ardhi katika sehemu hiyo.

Akizungumza na wakazi wa Rongai, Katibu Mkuu wa Ardhi, Nixon Korir, alikiri kuwepo kwa mzozo huo kwa muda mrefu.

Korir alisisitiza haja ya wamiliki wa ardhi ndani ya Mpango wa Makazi wa Banita katika Wadi ya Soin, ambayo inajumuisha vijiji vya Kapsaga, Kongo Machine, Kiito, Kokwomoi, na Kimamoi A na B, kupata hati zao za umiliki wa ardhi.

"Hii ni hatua nzuri na hatua katika kuinua uchumi wa Kaunti ya Nakuru na kutambua thamani ya ardhi yetu," akasema.

Aliongeza kuwa Wizara ya Ardhi na serikali ya kaunti wanashughulikia kukamilisha shughuli ya kuweka mipaka ardhi katika kaunti hiyo ndogo.

"Tumejitolea kumaliza suala hili mara moja na kwa wote. Tumefanya mikutano mingi kutafuta suluhu ya kudumu kwa Banita, na sasa tuko hapa kutatua suala hili kwa uhakika," akasema.

Aliagiza Kamishna wa Kaunti ya Nakuru Loyford Kibaara kuongoza timu ya mashirika mbalimbali ya maafisa wa ardhi na wanachama wa kamati, akiwapa jukumu la kuunda timu 17 katika vijiji 17 vya mpango huo ili kutekeleza uorodheshaji wa kina na uhakiki wa wakazi.

Pia aliwataka wakazi wahakikishe kuwa watu wasio wakaaji hawaingilii shughuli hiyo, huku akisisitiza umuhimu wa ushirikiano katika kufikia suluhu ya haki na ya kudumu. Aliwashukuru viongozi wa eneo hilo akiwemo gavana, mbunge wa eneo hilo, Wajumbe wa Bunge la Kaunti na Kamishna wa Kaunti, kwa msaada wao.

Akizungumzia dhamira pana ya serikali ya kuboresha uchumi na kupanua upatikanaji wa huduma za afya, Katibu Mkuu aliangazia huduma za afya ambazo ni nafuu kwa Wakenya wote.

"Ninawaomba wakazi wa Banita wajiandikishe kwa Hazina ya Bima ya Afya ya Jamii (SHIF) kwa kupiga *147# ili uweze kupata manufaa ya afya yanayotokana na huduma hii," akasema Korir.

Mbunge wa Rongai, Paul Chebor, alielezea kuridhishwa na utatuzi wa mzozo wa muda mrefu wa ardhi, ambao umedumu kwa miaka mingi.

"Napenda kumshukuru Katibu Mkuu wa Ardhi kwa juhudi zake za dhati katika kutatua suala hili. Azimio hili litatuunganisha kama jamii na kuweka njia ya maendeleo na uanzishaji wa huduma za umma kwa watu wa Rongai," Chebor akasema.

Kimunai Ole Kimeywa, almaarufu Santore, mkazi wa Rongai, alielezea kufarijika kwake kutokana na azimio hilo linalokuja akisema, "Leo, hatimaye naweza kulala kwa amani. Tangu 2005, kumekuwa na vita vya mara kwa mara na kesi mahakamani, lakini kilio chetu kimesikilizwa. Asante, PS, kwa kuja kutatua suala la Banita."

Mkutano huo ulihudhuriwa na viongozi wa eneo hilo ambao walisisitiza dhamira ya umoja ya kushughulikia changamoto ndani ya Mpango wa Makazi wa Banita na kurejesha amani kwa wakazi wake.

Viongozi wengine waliohudhuria ni Mwakilishi wa Wanawake wa Kaunti ya Nakuru, Liza Chelule, Mbunge wa Eldama Ravine, Musa Sirma, Mbunge wa Kuresoi Kaskazini Alfred Mutai, Mkurugenzi Irine Jebichi, na CEC wa Nakuru wa Ardhi John Kihagi.

Mpango huo wa makazi, unaojumuisha karibu ekari 15,115, ulichukuliwa na serikali kupitia Wadhamini wa Hazina ya Makazi (SFT) kati ya 1999 na 2001 kutoka kwa Kundi la Makampuni ya Majani Mingi.

Awali ardhi hiyo ilikuwa ya mkonge, iliyonunuliwa kwa ajili ya kuhamishia makundi mbalimbali, wakiwemo waliokuwa wafanyakazi wa mashamba, wafanyabiashara na wafugaji.

Ugawaji wa ardhi wa awali ulifanyika mnamo Desemba 18, 2002, wakati barua za ofa zilitolewa kwa walowezi.

Hata hivyo, kufuatia malalamiko ya watu binafsi waliodai kutengwa, mgawo huo ulitenguliwa na aliyekuwa Waziri wa Ardhi.

Tangu wakati huo, Banita amekabiliwa na changamoto nyingi, ikiwa ni pamoja na kesi zinazoendelea mahakamani, migogoro kati ya wafugaji na wakulima, na uvamizi usioidhinishwa na wasionufaika.

Katibu Mkuu wa Wizara ya Ardhi na Mipango Bw Nixon Korir amethibitisha kwamba wakaazi wa Mpango wa Makazi wa Banita katika Wadi ya Soin wanatazamiwa kupata hati za umiliki wa ardhi hiyo baada ya kusubiri kwa miaka 31.

Joho ashinikiza mafunzo ya kazini kuongeza ujuzi wa mabaharia chipukizi

Graduates of the Standards of Training, Certification, and Watch-keeping for Seafarers (STCW) of Bandari Maritime Academy, Mombasa. Photos by Fatma Said

NA **NURU SOUD NA FATMA SAID,**
KNA

Waziri wa Uchumi Samawati na Masuala ya Bahari, Hassan Ali Joho amesistiza umuhimu wa kutoa mafunzo kwa mabaharia mara baada ya kuhitimu ili kuwapa ujuzi wa kufanya kazi baharini.

Joho alikariri kuwa mafunzo hayo yataziba pengo kati ya mafunzo ya darasani na kazi yenyewe na pia kutimarisha usalama wa mabaharia, umahiri, na kubadilika katika kazi zao za baadaye.

Akizungumza katika Chuo cha Bandari Maritime mjini Mombasa, ambapo aliongoza hafla ya kufuzu kwa vijana 100 waliopokea cheti cha viwango vyao vya Mafunzo, Cheti na Utunzaji wa Wasafiri wa Baharini (STCW), Waziri alisisitiza haja ya kubuni mbinu, ukiwemo mpango wa mafunzo. ambao utawapa ujuzi unaohitajika, hasa kwa kazi za kimataifa.

Alitoa wito kwa Mwenyekiti wa Mamlaka ya Bahari ya Kenya, Khamis Mwaguya na Mkurugenzi wa Bandari Maritime Academy, Lewa Katana kutoa usaidizi wa kutosha kupitia ujumuishaji wa mipango ya Maritime katika vyuo mbalimbali vya kiufundi ili kutoa nafasi kwa kila mwanafunzi anayevutiwa na sekta hiyo.

Alisisitiza kwamba, kwa kukuza wafanyakazi waliojitayarisha vyema, wenye uzoefu, Kenya inaweza kujiweka vyema zaidi kama mshiriki wa ushindani katika sekta ya bahari duniani na kuimarisha kujitolea kwake kwa viwango vya juu katika elimu ya baharini na ajira.

"Hatuna wakati wa kupoteza, na kila taasisi inapaswa kuwa na uwezo wa kufundisha idadi ndogo ya mabaharia, kwa hivyo inabidi kupanua nafasi ili tuweze kutayarisha vijana wetu wengi kwa soko la ajira," akasema Joho.

Ili kuhakikisha wanafunzi wa STCW hawabaki nyuma katika masuala ya ajira, Joho alisema anashirikiana kwa karibu na idara husika ili kuhakikisha kwamba wanafunzi wanaweza kupokea Kitambulisho cha Baharini (SID) wanapohitimu.

"SCTW inakuwezesha kupata kazi lakini ili kufika sehemu fulani lazima uwe na SID kwa hivyo aina ya mazungumzo tunayopaswa kuwa nayo kama mamlaka ya bahari ni jinsi tunavyoweza kusaidia wanafunzi kupata cheti hicho ili kuhakikisha hawaachwi nyuma nafasi za kazi zinapotokea, " akasema.

Aliongeza kwamba serikali imepunguza ada zinazotozwa kwa mafunzo ya STCW kutoka Sh35,000 hadi Sh15,000.

Mbunge wa Mvita, Mohamed Soud Machele, ambaye NG-CDF ya eneobunge lake ilifadhili mpango huo alisema uwekezaji katika mpango wa STCW unaonyesha dhamira yao ya kufungua milango kwa vijana katika sekta ya kimataifa ya bahari.

"Kupitia mafunzo bora, wahitimu hawa sasa wamewezeshwa kuchangia uchumi samawati, ambao ni muhimu kwa Mombasa na ukuaji wa uchumi wa nchi," akasema Machele.

Kwa upande wake, Gavana wa Kaunti ya Mombasa, Abdulswamad Shariff Nassir, aliangazia usajili ujao wa watu wengi kwa Mamlaka ya Afya ya Kijamii (SHA) katika kaunti hiyo.

"Baada ya siku sita, tutafanya usajili wa watu wengi wa nyumba kwa nyumba kwa mfumo wa bima ya SHA na kwa wasiobahatika, serikali ya kaunti bado itagharamia ada zao ili kuhakikisha wanapata huduma za afya za kutosha," akasema Nassir.

Alitangaza upanuzi wa mpango wa "Skills Mtaani" katika maeneo mengine ya Kaunti ya Mombasa yakiwemo Likoni na Changamwe miongoni mwa mengine.

KAA Staff Pension Scheme

KENYA AIRPORTS AUTHORITY STAFF SUPERANNUATION (DBS) & PENSION SCHEME (DCS)

NOTICE OF ANNUAL GENERAL MEETING

NOTICE is hereby given that the Annual General Meeting (AGM) of the Kenya Airports Authority Staff Superannuation (DBS) and Pension Schemes (DCS) for the year ended 30th June 2024 will be held on **Friday 29th November 2024 at 9.00 a.m.**, at the **Kenya Airports Authority Head Office.** All Members of the Schemes are invited to attend to transact the following business:

1. To read the Notice convening the meeting
2. To receive and confirm Minutes of the last AGM held on 17th November 2023
3. To receive the Chairman's report
4. To receive the report from the Sponsor
5. To receive the report from Kenya Airports Retirees and Pensioners Association (KARPA)
6. To receive the Audited Financial Statements
7. To receive the report of the Fund Manager
8. To receive the report of the Property Manager
9. To receive the report of the Custodian
10. To receive the report of the Administrator
11. To receive the report of the Retirement Benefits Authority
12. To consider and approve Trustees' Remuneration Policy
13. Question & Answers session
14. Any Other Business

Note: A meeting link will be shared with Members who would wish to attend the AGM virtually.

MINISTRY OF AGRICULTURE & LIVESTOCK DEVELOPMENT
STATE DEPARTMENT FOR LIVESTOCK DEVELOPMENT
KENYA LIVESTOCK COMMERCIALIZATION PROJECT (KeLCoP)

REQUEST FOR EXPRESSIONS OF INTEREST
(Firms)

COUNTRY:	**Kenya**
PROJECT:	**Kenya Livestock Commercialization Project (KeLCoP**
ASSIGNMENT TITLE:	**Call for expressions of interest for Partnership through Memorandum of Understanding (MoU) in various thematic areas**
Date:	**19th November 2024**

The Government of Kenya (GoK) has received financing from the International Fund for Agricultural Development (IFAD) towards the cost of Kenya Livestock Commercialization Project (KeLCoP) and intends to apply part of the proceeds for the recruitment of Partners through Memorandum of Understanding (MoU) in the following thematic areas:

No.	Thematic area	Reference number
1.	Organizational and Enterprise Development	MOALD/SDLD/KELCOP/REOI/01/2024-2025
2.	Climate Resilient Production Systems	MOALD/SDLD/KELCOP/REOI/02/2024-2025
3.	Targeted Research areas	MOALD/SDLD/KELCOP/REOI/03/2024-2025
4.	Breed Improvement	MOALD/SDLD/KELCOP/REOI/04/2024-2025
5.	Livestock Feed Improvement	MOALD/SDLD/KELCOP/REOI/05/2024-2025
6.	Apiculture Improvement	MOALD/SDLD/KELCOP/REOI/06/2024-2025
7.	Livestock and Livestock Products Off taking	MOALD/SDLD/KELCOP/REOI/07/2024-2025
8.	Support to Management and Governance of Livestock Markets	MOALD/SDLD/KELCOP/REOI/08/2024-2025
9.	Grants Oversight	MOALD/SDLD/KELCOP/REOI/09/2024-2025
10.	Provision of Financial Services	MOALD/SDLD/KELCOP/REOI/010/2024-2025

The use of any IFAD financing shall be subject to IFAD's approval, pursuant to the terms and conditions of the financing agreement, as well as IFAD's rules, policies and procedures. IFAD and its officials, agents and employees shall be held harmless from and against all suits, proceedings, claims, demands, losses and liability of any kind or nature brought by any party in connection with Kenya Livestock Commercialization Project (KeLCoP).

The objective of the partnerships is to complement the KeLCoP in achieving its development objective of increasing the incomes of 110,000 poor livestock and pastoralist households, especially youth and women, in an environmentally friendly manner in selected project areas of the ten participating counties through collaboration and co-founding in the ten thematic areas. KeLCoP is seeking partners from Government agencies, Non-Governmental Organizations (NGOs), private sector partners, research institutions, and farmer organizations, with strong presence and experience working with similar beneficiaries, value chains and Counties. The partners must have comparative advantages and complementary resources (technical, financial and human) to achieve the intended project outcomes.

The State Department for Livestock Development through the Kenya Livestock Commercialization Project (KeLCoP) ("the client") now invites Government agencies, Non-Governmental Organizations (NGOs), private sector partners, research institutions, and farmer organizations to indicate their interest in providing the services in the above listed thematic areas. Entering into a partnership will be based on the specific comparative advantages of the partners concerned. The partners shall implement the agreed activities in the Memorandum of Understanding without requiring financial resources from the Project. Interested consultants should provide information demonstrating that they have the required comparative advantages and complementary resources (technical, financial and human) to achieve the intended objectives outlined in the thematic areas. Interested firms should fill the template for expressions of interest and submit found at the **www.kilimo.go.ke /www.tenders.go.ke/www.kelcop.or.ke** and send it to the address indicated below.

The attention of interested firms is drawn to IFAD's Anti-Money Laundering and Countering the Financing of Terrorism Policy and the Revised IFAD Policy on Preventing Fraud and Corruption its Activities and Operations . The latter sets forth IFAD's provisions on prohibited practices. IFAD further strives to ensure a safe working environment free of harassment, including sexual harassment, and free of sexual exploitation and abuse (SEA) in its activities and operations as detailed in its IFAD Policy to Preventing and Responding to Sexual Harassment, Sexual Exploitation and Abuse.

The firm shall not have any actual, potential or reasonably perceived conflict of interest. A firm with an actual, potential or reasonably perceived conflict of interest shall be disqualified unless otherwise explicitly approved by the Fund. A firm including their respective personnel and affiliates are considered to have a conflict of interest if they

a) **have a relationship that provides them with undue or undisclosed information about or influence over the selection process and the execution of the contract,**
b) **participate in more than one EOI under this procurement action,**
c) **have a business or family relationship with a member of the Purchaser's board of directors or its personnel, the Fund or its personnel, or any other individual that was, has been or might reasonably be directly or indirectly involved in any part of**
   (i) **the preparation of this REOI,**
   (ii) **the shortlisting or selection process for this procurement, or**
   (iii) **execution of the contract.**

The firm has an ongoing obligation to disclose any situation of actual, potential or reasonably perceived conflict of interest during preparation of the EOI, the selection process or the contract execution. Failure to properly disclose any of said situations may lead to appropriate actions, including the disqualification of the firm, the termination of the contract and any other as appropriate under the IFAD Policy on Preventing Fraud and Corruption in its Projects and Operations.

The shortlisting/qualification and evaluation criteria are provided in each of the Terms of reference for the various thematic areas. Any request for clarification on this REOI should be sent via e-mail to the address below no later than **5.00p.m, 26th November 2024 East African Time.** The client will provide responses to all clarification requests by **5.00p.m, 28th November 2024 East African Time.**
Expressions of interest must be delivered in written form indicating the thematic area and reference number using the forms provided for this purpose. EOIs shall be submitted to the address below no later than **11.00 a.m, 4th December 2024 East African Time.**

Kaunti ya Kajiado sasa yatwaa usimamizi wa Mbuga ya Amboseli

NA **ROP JANET,** KNA

Mbugaya Kitaifa ya Wanyama ya Amboseli sasa iko chini ya usimamizi wa serikali ya Kaunti ya Kajiado.

Lango la kuingia katika Mbuga ya Kitaifa ya Wanyamapori ya Amboseli, Kajiado Kusini.

Hatua hii inafuatia idhini ya Baraza la Mawaziri kuhamisha usimamizi kutoka kwa serikali ya kitaifa hadi serikali ya kaunti.

Kulingana na ujumbe kutoka kwa Baraza la Mawaziri, uamuzi huo utaruhusu utawala wa eneo hilo na jamii kufaidika zaidi kutokana na juhudi zao za uhifadhi.

Kaunti hiyo itatarajiwa kubuni sera na mikakati ya kusimamia na kuboresha mapato yatokanayo na hifadhi hiyo.

Gavana wa Kaunti ya Kajiado Joseph Ole Lenku alikaribisha hatua hiyo, na kuongeza kuwa kuhamisha mbuga hiyo hadi kitengo cha ugatuzi kutawezesha jamii zinazoishi katika eneo hilo kuendeleza kuishi kwa amani na wanyamapori.

Gavana huyo alisema kuwa imekuwa safari ndefu, iliyojaa vikwazo vya kisheria, lakini kwa nia njema sio tu kutoka kwa Wamasai bali pia kutoka kwa watu wa Kenya kwa ujumla, kama inavyoonyeshwa na uungwaji mkono mkubwa wakati wa kongamano la ushiriki wa umma lililofanyika kote nchini. nchi.

Lenku alimshukuru Rais William Ruto, akibainisha kwamba alikuwa ametimiza ahadi yake kuhusu kurekebisha dhuluma zinazotekelezwa kwa jamii za eneo hilo.

"Uidhinishaji wa Baraza la Mawaziri leo wa kuhamisha kwa Mbuga ya Kitaifa ya Amboseli kwa Serikali ya Kaunti ya Kajiado, ni dhihirisho jingine la kujitolea kwako kutimiza ahadi yako kwamba Amboseli lazima iwarudie wamiliki wake halali – watu wa Maa," Lenku alisema.

Mnamo Agosti 2023, Rais Ruto alitangaza mpango ya serikali kupeleka asilimia 50 ya mapato kutoka kwa mbuga za kitaifa kwa kaunti ambazo hifadhi hizo ziko.

Akizungumza katika Kaunti ya Narok wakati wa Tamasha la Utamaduni wa Maa, Rais alisema serikali ya kitaifa na ile ya ugatuzi itagawana mapato kwa usawa, kwa kuwa kaunti mwenyeji zina jukumu muhimu katika kuhakikisha mafanikio ya uhifadhi.

"Tukishafanya hivyo, tawala za kaunti zinapaswa kutumia vizuri pesa hizi ili ziweze kuinua hali ya maisha ya watu ambao wana jukumu kubwa katika kuhifadhi mazingira na wanyamapori," alisema.

Zoezi la ushirikishwaji wa umma juu ya unyakuzi huo lilifanyika kati ya Juni 24, 2024, na Julai 10, 2024.

Vikao hivyo vilifanyika katika Taasisi ya Mafunzo ya Kiufundi ya Maasai katika Ukumbi wa Kimana Kajiado, Ukumbi wa Mkuu wa Mkoa wa Kisumu (mkoa wa Nyanza), na Ukumbi wa CDF wa Mji wa Nyeri (Kanda ya Kati).

Sera mpya kuhakikisha usalama wa kazi kwa wafanyakazi wa uchumi wa dijitali

NA **GLORY MUKHWANA NA MANU MUMBA,** KNA

Serikali, kupitia Mpango wa Ajira Digital kwa kushirikiana na wadau wengine, imezindua mwongozo wa sera utakaotambulisha mikakati mipya ya kupanua upatikanaji wa rasilimali za kidijitali na kukuza ukuaji endelevu wa uchumi wa kidijitali.

Akizungumza wakati wa uzinduzi huo jijini Nairobi, Katibu wa ICT na Uchumi wa Kidijitali, Mary Kerema, alisema kuwa sera hiyo itahakikisha haki za wafanyakazi zinalindwa kwa kuweka mfumo unaokuza usalama wa kazi. msingi wa kuanzisha sera na miongozo ya kuhakikisha malipo ya haki na malipo kwa wakati kwa wafanyakazi, na kuhakikisha kuwa hawanyonywi," aliongeza.

Katibu wa ICT na Uchumi Digitali Mary Kerema akihutubia wageni wakati wa uzinduzi wa mwongozo wa sera ya maendeleo ya uchumi wa kidijitali.

Kerema pia alitaja sera hiyo, iliyoandaliwa kwa ushirikiano na eMobilis, Africa Practice, na Mastercard Foundation, itaimarisha ulinzi wa mfanyakazi kwa kutoa upatikanaji wa haki za msingi za kazi, bima ya afya, na akiba ya kustaafu.

"Mwongozo huu wa sera unalenga kujumuisha ulinzi huu katika uchumi kwa njia ambayo ni ya vitendo na endelevu," alisisitiza. Katibu huyo alibainisha kuwa miongozo hiyo inahimiza mafunzo na uboreshaji wa ujuzi, kwani sera hiyo itawapa wafanyakazi fursa ya kupata mafunzo na kupata sifa za kuwawezesha kuendelea katika uchumi wa kidijitali.Aidha alisema sera hiyo itakuza ubunifu na kwamba Wizara itaendelea kuendeleza majukwaa ambayo yanawawezesha wafanyakazi wa kujitegemea na biashara ndogo ndogo.

"Kupitia miongozo hii iliyoandikwa, tunataka kuchunguza fursa hizi ili kukuza ukuaji shirikishi," Katibu alisema.

Dkt Wanjiru Kariuki, anayewakilisha Wizara ya Leba na Ulinzi wa Jamii, alisema Idara ya Leba na Ukuzaji Ujuzi iko mstari wa mbele katika kutekeleza sera, ili vijana wapate soko.

Wizara yaelezea hofu kuhusu mimba za watahiniwa KCSE

Wizara ya Elimu imelalamika kuhusu ongezeko la visa vya watahiniwa wajawazito waliofanya Mtihani wa KCSE mwaka huu.

Katibu Mkuu wa Elimu ya Msingi Belio Kipsang alieleza kuwa mwaka huu, wizara hiyo imeshuhudia ongezeko la visa vya wasichana kufanya mitihani kutoka hospitalini baada ya kujifungua.

Alisema huu ni mwelekeo unaotia wasiwasi ambao unaweza kuwa na athari mbaya kwa elimu ya wanawake katika siku zijazo iwapo hautashughulikiwa kwa wakati.

Akizungumza katika Jimbo la Manyatta, Embu, wakati wa ziara ya usimamizi wa ujenzi wa madarasa ya darasa la 9, PS alibainisha kuwa mimba za utotoni ni suala la kijamii, sio tu la wahasiriwa.

Aliongeza kuwa changamoto iliyopo ni kushindwa kwa watu wazima kuwalinda wasichana wadogo dhidi ya kujamiiana mapema huku baadhi ya watu wazima wenyewe wakiwa ndio wahusika.

"Tatizo letu kubwa ni sisi watu wazima, na ikiwa tutaamua kumlinda mtoto wa kike, basi hatutakuwa na shida hii," alisema.

PS aliendelea, "kesi nyingi kati ya hizi hazifanywi na wavulana, lakini watu wazima kama ilivyo kwa udanganyifu katika mitihani."

Alisema kesi nyingi za udanganyifu hufanywa na watu wazima kwa kuwa wao ndio huwapa watahiniwa simu, kugawana picha za karatasi za mitihani au kujaribu kuficha majibu kwa watahiniwa.

Wakati huo huo, PS Kipsang alisema serikali iko mbioni kuwa na miundo msingi ya kutosha kwa ajili ya kuanza kwa elimu ya darasa la 9 Januari.

Alisema Wizara kupitia msaada kutoka kwa wadau wa maendeleo tayari iko mbioni kujenga 11,000 kwa ajili ya watoto wanaoendelea na darasa la 9.

PS Kipsang aliongeza kuwa Bunge la Kitaifa kupitia NG-CDF litawasilisha madarasa 7,000 ya ziada baada ya serikali ya kitaifa kutoa ruzuku ya masharti ya Sh3.4 bilioni kwa CDF.

Mbunge wa Manyatta Gitonga Mukunji alisema Wabunge wamefaulu kulinganisha ujenzi wa madarasa na Wizara moja hadi moja ili kuhakikisha mabadiliko ya daraja la 9 yanafanyika kwa urahisi.

Serikali kuunda kamati kuzuia kazi za watoto kaunti zote 47

Serikali imeahidi kuunda kamati za kuajiriwa kwa watoto katika kaunti zote 47 ili kutetea haki za watoto na kushughulikia visa vinavyoongezeka vya utumikishwaji wa watoto na unyonyaji.

Tayari, kamati kumi na moja zimeundwa kushughulikia kesi zinazowahusu watoto wanaohusika katika utumishi, ambao kwa kiasi kikubwa wanasukumwa na matatizo ya kiuchumi yanayokabili familia.

Kulingana na Shadrack Mwadime, Katibu Mkuu wa Wizara ya Kazi na Maendeleo ya Ujuzi, Kenya imejitolea kukomesha vitendo vya uajiri wa watoto ndani ya mipaka yake kwa kushirikiana na washikadau wakuu.

Mwadime alitangaza mipango ya kuunda kamati za kuajiriwa kwa watoto katika kaunti zote 47 ikiwa ni sehemu ya juhudi za makusudi kukomesha vitendo vya uajiri wa watoto.

Aliomba radhi kwa maafisa wa Uganda, ambao waliibua wasiwasi kuhusu ulanguzi wa watoto kutoka eneo la Karamoja nchini Uganda kufanya kazi za nyumbani nchini Kenya.

Maafisa hao wa Uganda walisema watoto hao kwa miaka mingi wamenyonywa na walanguzi wa binadamu, ambao wanawinda umaskini wao na ukosefu wa elimu.

Akizungumza wakati wa hafla ya kufunga, kuashiria kumalizika kwa Mradi wa Masharti ya Kazi Iliyokubaliwa na Shirika la Kazi Duniani (ILO) katika Afrika Kusini mwa Jangwa la Sahara (CAPSA), Waziri Mkuu alipongeza juhudi zinazoendelea za kutaka kukomesha ajira ya watoto.

Mradi wa miaka mitano wa CAPSA ulianza mwaka wa 2020 na ulianza kutekelezwa nchini Kenya na Uganda, ukilenga kuimarisha utekelezwaji wa mifumo ya kisheria.
