**Uk 21**

## Serikali yaanza tathmini ya utendaji wa wizara mwaka uliopo wa kifedha

Shughuli hiyo, ambayo ilianza Desemba 9, 2024, inaongozwa na Ofisi ya Naibu Mkuu wa Utumishi wa Umma Kuhusu Usimamizi wa Utendaji na Uwasilishaji

**NA ELIUD OWALO**

Serikali imezindua tathmini ya kina ya utendaji kazi wa wizara zake kwa mwaka wa kifedha wa 2023/24.

Mpango huu, ulioanza Desemba 9, 2024, unaongozwa na Ofisi ya Naibu Mkuu wa Utumishi wa Umma Kuhusu Usimamizi wa Utendaji na Uwasilishaji. Ni sehemu muhimu ya Mfumo wa Usimamizi wa Utendaji wa serikali, unaolenga kuhakikisha uwajibikaji na upatanishi na malengo ya maendeleo ya kitaifa ya Kenya.

Tathmini hiyo inazingatia ahadi, viashiria vya utendaji na shabaha

zilizoelezwa kwa kina katika mikataba ya utendaji ya wizara kwa mwaka uliopo wa kifedha. Malengo haya yalitolewa kutoka kwa mwongozo wa sera kuu za serikali, ikiwemo Ruwaza ya na ya Kenya 2030, Mpango wa Nne wa Muda wa Kati (2023-2027), na Ajenda ya Mabadiliko ya Kiuchumi ya Bottom-Up (BETA).

Katika mwaka uliopita, wizara, mashirika ya serikali na taasisi za elimu ya juu ziliwasilisha ripoti za utendaji kazi za kila robo ya mwaka kupitia Mfumo wa Taarifa za Ukandarasii wa Utendaji wa Serikali (GPCIS).

## Wakazi 45,000 katika Msitu wa Mau hatimaye kupata hatimiliki za ardhi

**NA ESTHER MWANGI, KNA**

Watu zaidi 45,000 wanaoishi pembezoni mwa Msitu wa Mau wana-tazamiwa kupokea hatimiliki za ardhi baada ya Mahakama Kuu kuondoa pingamizi iliyokuwepo kwa zaidi ya miaka 25.

Katibu Mkuu wa Ardhi na Mipango, Nixon Korir, alisema kuwa, kufuatia uamuzi wa mahakama, Serikali ya Kitaifa inashirikiana na Serikali ya Kaunti ya Na-

kuru kuweka ramani ya ardhi iliyoathiriwa na kutoa hatimiliki katika maeneo ambayo pingamizi hiyo iliondolewa.

Akiongea wakati wa mkutano na maafisa wa serikali na wakaazi katika eneo la Kapsinendet, Wadi ya Mariashoni, Kaunti Ndogo ya Molo, Katibu Mkuu aliangazia juhudi za kuweka upya mipaka na kuwezesha utoaji wa hatimiliki, kama ilivyoelekezwa na mahakama. Alielezea matumaini kuwa wenyeji sasa watapata fursa

ya kustawisha ardhi yao baada ya miaka mingi ya kudumaa.

Katibu Mkuu pia alibaini kuwa Wizara ya Ardhi na utawala wa Kaunti ya Nakuru wanashirikiana ili kukamilisha uamuzi wa ardhi katika kaunti hiyo ndogo. Aliongeza kuwa kikao hicho kiliazimia kuunda kamati za kusimamia utekelezaji wa maagizo ya mahakama.

Korir alikaribisha kuondolewa

**ENDELEA UK 2**

## Wakazi 45,000 katika Msitu wa Mau hatimaye kupokea hatimiliki

ENDELEA KUTOKA UK 1

kwa pingamizi hizo, akisisitiza kuwa kutawawezesha wamiliki wa ardhi katika maeneo mbalimbali ya Mau Mashariki kupata mikopo na misaada mingine ya kifedha ili kuchochea maendeleo.

Aliwataka wakazi watumie hatimiliki zao kujikwamua kiuchumi, huku akibainisha kuwa urasimishaji wa umiliki wa ardhi utasababisha ongezeko la thamani ya ardhi na kuchangia ukuaji wa uchumi wa eneo hilo.

Katibu Mkuu alisema kupatikana kwa hati halali za kumiliki ardhi kutawawezesha wakazi kutumia ardhi yao kikamilifu kwa madhumuni ya uzalishaji mali, kama vile kilimo na shughuli nyingine za kuzalisha kipato, hivyo basi, kuchochea ukuaji wa uchumi na kuboresha maisha ya jamii zilizoathirika.

“Hatimiliki si thibitisho la umiliki tu, bali pia ni kichocheo cha uwezesaji wa kiuchumi kwani inaweza kutumika kupata mikopo,” akasema.

Korir, hata hivyo, aliwawonya wakaazi dhidi ya

**Katibu Mkuu wa Ardhi Nixon Korir akihutubia wakazi wa mipango ya makao ya Neissuit, Mariashoni, Sururu, Likia, Sigotik, na Terit settlement schemes, ambako Serikali ya Kitaifa ilitangaza kwamba wakazi zaidi ya 45,000 watakata hatimiliki za ardhi.**

kuuza sehemu zao kubwa za ardhi kwa bei ya kutupa na baadaye kusalia bila ardhi baada ya kufuja pesa zote zilizopatikana kutokana na uuzaji wa ardhi.

Alitoa changamoto kwa wenyeji kutumia sehemu kubwa ya ardhi yao kwa uangalifu ili kupanda mazao ya alizeti, pareto, viazi, mahindi, maharagwe na mbaazi ambayo hufanya vizuri katika eneo hilo.

“Unapozalisha chakula cha kutosha kwa ajili ya familia yako na kuuza kilichobaki ili kupata pesa, hutakuwa na wakati

wa kuchochewa vita na wanasiasa wenye ubinafsi ambao wanastawi kupitia matatizo,” akasema.

Pingamizi hiyo iliwekwa kwa sehemu mbalimbali za eneo la Kusini mwa Bonde la Ufa kutokana na migogoro ya ardhi ya muda mrefu, na kama njia ya kukomesha shughuli haramu za ardhi inayozunguka Msitu wa Mau.

Maeneo yatakayonufaika kutokana na kuondolewa kwa pingamizi hiyo ni pamoja na miradi sita ya makazi ya Neissuit, Mariashoni, Sururu, Likia, Sigotik, na Terit.

## Serika yaanza kutathmini utendaji wa wizara katika mwaka uliopo wa kifedha

ENDELEA KUTOKA UK 1

Pia walifanya tathmini binafsi na kuwasilisha matokeo yao mwisihoni mwa mwaka wa kifedha.

Zoezishughuli inaloendelea, ambayo inongozwa na Kitengo cha Usimamizi wa Utendaji wa Utumishi wa Umma (PSPMU), linahusisha mchakato wa uhakiki wa kina ili kutathmini usahihi wa mafanikio yaliyoripotiwa.

Itafanikishwa kupitia mseto wa uhakiki rasmi wa nyaraka na uthibitishaji. Naibu Mkuu wa Utumishi wa Umma na Usimamizi wa Utendaji na Uwasilishaji tayari amezindua mchakato wa tathmini katika wizara muhimu zikiwemo Utalii na Wanyamapori Desemba 9, Ardhi, Kazi za Umma, Nyumba na Maendeleo ya Miji Desemba 10 na Afya Desemba 11.

Tathmini hiyo inazingatia mbinu iliyo-

pangwa na kuainishwa katika Miongozo ya Utendakazi wa Mikatiba inayotolewa mwanzoni mwa kila mwaka wa kifedha. Inatathmini wizara katika vitengo sita vikuu: usimamizi wa fedha, utoaji huduma, mamlaka ya msingi, utekelezaji wa maagizo ya rais, hatua za kukubalika katika ununuzi, na masuala tambuka. Kila kitengo kinajumuisha viashirio maalumu na shabaha ambazo hutathminiwa kwa kina dhidi ya matokeo yaliyopatikana.

Shughuli hiyo wazi na shirikishi inazipa wizara nafasi ya kutafakari utendaji wao, kuchanganua mambo yaliyoathiri matokeo, na kutambua maeneo yenye nguvu na udhaifu.

Idara, tarafa na vitengo ndani ya wizara pia hukagua changamoto zilizojitokeza katika mwaka huo, na kuimarisha uelewa wao

wa mfumo wa utendaji kazi na kukuza utamaduni wa kuboresha kila mara.

Shughuli hiyo inatarajiwa kukamilika ndani ya wiki mbili, na baada ya hapo ripoti ya kina ya tathmini ya utendaji itatayarishwa. Ripoti hiyo pia itatoa maoni kuhusu maeneo ya utendakazi yanayohitaji uboreshaji. Pia itatumika kama msingi wa kutoa zawadi na adhabu, ikiimari-sha zaidi uwajibikaji na ufanisi katika wizara zote za serikali.

Kwa kuoanisha utendakazi wa kitaasisi na vipaumbele vya kimkakati vya Kenya, tathmini hiyo inasisitiza dhamira ya serikali ya uwazi, utoaji huduma bora, na kuafikiwa kwa malengo yake ya maendeleo ya kitaifa.

Mwandishi ni Naibu Mkuu wa Utumishi wa Umma wa Usimamizi wa Utendaji na Uwasilishaji Ofisi ya Rais

### MINISTRY OF MINING, BLUE ECONOMY AND MARITIME AFFAIRS

#### STATE DEPARTMENT FOR MINING

#### OFFICE OF THE CABINET SECRETARY

### (PUBLIC NOTICE)

### USE OF FIREWORKS DURING NEW YEAR CELEBRATIONS

This is to inform the general public that use of fireworks during New Year celebrations has been authorized. Fireworks displays will only be conducted on venues authorized by the State Department for Mining.

Consequently, the public is requested to ensure that fireworks displays are carried out within the requirements of the Explosives Act Cap 115 Laws of Kenya. Fireworks displays should be carried out in an orderly manner so that the general public are not inconvenienced. In this regard, the parties carrying out displays shall ensure that:

- The necessary permits to hold fireworks are obtained from State Department for Mining offices in **Nairobi, Mombasa, Wundanyi, Kisumu, Eldoret, Nakuru, Nyeri and Embu.**
- Fireworks are used only at the authorized venues such as clubs, hotels, churches, sports grounds, school compounds or any other venue as may be authorized by an Inspector of Explosives.
- All fireworks are sourced from licensed fireworks dealers.
- The displays are held between **0000hrs and 0030hrs on 31<sup>st</sup> December 2024.**
- Display shells are limited to a maximum of four-inch caliber in all venues in urban and built-up areas except as may be exempted by an Inspector of Explosives.
- Only qualified, experienced and sober persons shall be allowed to fire aerial shells and other aerial display fireworks.

Firework Dealers shall ensure that:-

- Fireworks are **not** sold to any child who is below age Thirteen (13) years as doing so is an offence under Explosives Act, Cap 115.
- Aerial display fireworks (Shells, Rockets, Roman Candles and Cakes) are sold to holders of permits to display fireworks duly signed by an Inspector of Explosives

We take this opportunity to wish everyone a Prosperous New year.

**Hon. Hassan Ali Joho, EHG  
CABINET SECRETARY**

# Serikali yajitahidi kuunganisha watu 8.5 milioni kwa mtandao

NA MOSES WEKESA, KNA

Serikali imezitaka sekta binafsi kupanua mtandao wa intaneti hadi kufikia nyumba na biashara 8.5 milioni. Kufikia sasa, sekta ya kibinafsi imefanikiwa kuunganisha biashara na nyumba 1.2 milioni kote nchini na mtandao.

Mpango huu utaongeza upatikanaji wa huduma za intaneti pamoja na juhudi zinazoendelea za kuunganishwa kwa zaidi ya taasisi 74,000 za umma zikiwemo shule za sekondari, shule za msingi, ofisi za makamishna wa kaunti, ofisi za machifu na hospitali, miongoni mwa zingine.

Katika juhudi hizi, serikali tayari imeweka kilomita 14,000 za nyuzi, lengo likiwa ni kutandaza kebo zenye urefu wa kilomita 100,000 ili kuongeza mawasiliano.

Akizungumza mjini Kakamega wakati wa uzinduzi wa Mikutano ya Jitume Digital Hubs, Mkutano Ukumbi wa Mji, na Kongamano la Uchumi wa Dijitali, Waziri wa Mawasiliano, Habari na Uchumi Dijitali, Dkt. Margaret Ndung'u, alisisitiza dhamira ya serikali ya kuunganisha mfumo mkuu wa kidijitali hadi vijijini ili kuhakikisha Wakenya wanapata mtandao kwa bei nafuu katika

IC OF KENYA

Waziri wa Habari, Mawasiliano na Uchumi Dijitali Dkt. Margaret Ndung'u akizungumza mjini Kakamega wakati wa uzinduzi wa vituo vya kidijitali vya Jitume Digital Hubs. Picha na Moses Wekesa.

ngazi ya familia.

“Serikali inalenga kuhakikisha huduma za kidijitali zinapatikana katika maeneo yote, ikiwemo nyumbani, shuleni, hospitalini na kambi za machifu, kuwezesha upatikanaji wa hati kwa urahisi,” akasema Waziri.

Alisisitiza kwamba, kwa kuongezeka upatikanaji wa mtandao, serikali inalenga kukuza usalama wa mtandao katika ngazi ya familia ili kulinda watoto wakati wa kutumia mtandao. “Acheni kuwapa watoto vifaa vya kidijitali na kutarajia watumie maudhui wao wenyewe,” akaongeza.

Waziri alidokeza kuwa uun-

ganisho wa mtandao vijijini, nyumbani, na katika biashara utapunguza gharama ya upatikanaji wa mtandao na kufungua fursa katika jukwaa la kidijitali.

Katibu Mkuu Idara ya ICT na Uchumi Dijitali Mhandisi John Tanui alisema kuwa serikali imejitolea kutekeleza mfumo mkuu wa kidijitali na uchumi bunifu kuhakikisha hakuna anayeachwa nyuma.

“Tunataka kuhakikisha kuna kituo cha kidijitali katika kila wadi, na tunawashukuru wabunge wetu. Marekebisho ya Sheria ya NG-CDF yamefanywa ili kuwezesha matumizi ya pesa kusaidia vituo vya kidijitali,” akasema.

# Mpango mpya walenga kuharakisha huduma za maji kote nchini

NA CHRIS MAHANDARA, KNA

Serikali imeandaa Mpango wa Kitaifa wa Maji na Usafi wa Mazingira (NAWASIP) ili kuharakisha upatikanaji wa maji nchini kote.

Mpango huo, ambao umejumuishia Mipango Jumuishi ya Kaunti 47 (CIDP's) unatarajiwa kuongoza maendeleo ya miradi ya miundomsingi ya thamani ya Sh995 bilioni kufikia mwaka wa 2030.

Waziri wa Maji Mhandisi Eric Mugaa alisema ili kufikia lengo la kupatikana kwa maji kwa asilimia 100 nchini ifikapo 2030, serikali imefungua sekta hiyo kwa wawekezaji binafsi.

“Kwa sababu ya kiasi kikubwa cha pesa zinazohitajika kufanikisha mpango huu, serikali imefungua sekta hii kwa ushirika kati ya Sekta ya Umma na Sekta Binafsi (PPPs) ili kutekeleza miradi hiyo,” akasema.

Mswada wa Marekebisho ya Sheria ya Maji, ambao uliidhinishwa na rais hivi majuzi, umetoa mwongozo wazi kwa PPPs

kutumika katika sekta hiyo, akasema.

Akihutubia wanahabari mjini Kisumu wakati wa uzinduzi Mpango Mkakati wa Maendeleo ya Maji ya Ziwa Victoria Kusini (LVSWWDA), Waziri alisema wawekezaji kadhaa tayari wameonyesha nia ya kuchukua miradi katika sekta ndogo ya maji.

Wizara yake, aliongeza, iko tayari kushughulikia hati za PPP za Sabaki Water Carrier Malindi, Advanced Desalination Lamu, Bwawa la Londiani Kericho na Bomba la Mzima II TaitaTaveta ambalo linatarajiwa kuhudumia Jiji la Mombasa.

Alisema Bwawa la Koru-Soin mjini Kisumu ambalo linatajwa kuwa suluhu ya muda mrefu ya mafuriko Nyando ni mjawapo ya miradi inayowekeza kupitia PPP.

“Koru-Soin ni mradi wa Sh19.9 bilioni na kama serikali, hatuna pesa hizo. Kwa hivyo, tunatafuta mwekezaji anayeweza kuhakikisha kuwa unatekelezwa kama ilivyo-pangwa,” akasema.

**KENYA NUCLEAR REGULATORY AUTHORITY**

## Invitation for Comments on The Northern White Rhino (*Ceratotherium simum cottoni*) Recovery Efforts Using Novel Assisted Reproduction Techniques Undertaken by an International collaboration of Scientists through The BioRescue Consortium

Kenya Wildlife Service (KWS) is a state corporation established by an Act of Parliament (Cap 376), now repealed by Wildlife Conservation and Management Act (WCMA), Cap 376, Laws of Kenya, with the mandate to conserve and manage wildlife in Kenya, and to enforce related laws and regulations. KWS is the designated government agency and national authority responsible for wildlife matters

and

The Wildlife Research and Training Institute (WRTI) is a State Corporation established under Section 50 of the Wildlife Conservation and Management Act No. 47 of 2013 (Revised 2018). Its mandate under Section 51 of the Act is to undertake and coordinate all forms of wildlife research and training and to grant wildlife research permits under Section 59(1) in liaison with NACOSTI, KWS and other relevant lead agencies and stakeholders.

### BioRescue Consortium:

The main purpose of the BioRescue consortium is to develop and apply highly advanced novel technologies of assisted reproduction techniques (ART) through development of embryos in the laboratory and stem cell associated techniques (SCAT) from ancient material to enhance genetic diversity in an attempt to save the critically endangered northern white rhinoceros from extinction.

### Request for comments:

If deliberate action is not undertaken to facilitate the recovery efforts, the species will become extinct in the very near future as there are only 2 females remaining in the world with no male to support natural breeding. The females are aged 34 and 24 years with the average life expectancy of rhinos in the wild estimated to be 35-40 years.

Kenya Wildlife Service (KWS) and The Wildlife Research and Training Institute (WRTI) seeks comments from the public on the scientific procedures being undertaken by the BioRescue consortium to save the northern white rhino from extinction.

We kindly request that you submit your comments to KWS ([veter@kws.go.ke](mailto:veter@kws.go.ke)) and WRTI ([rhino@wrti.go.ke](mailto:rhino@wrti.go.ke)) by **December 31, 2024.**

P.O. Box 40241 – 00100 NAIROBI, KENYA.  
Website : [www.kws.go.ke](http://www.kws.go.ke)

# Hazina ya Biashara kwa Vijana sasa kubadilishwa kuwa Hazina ya Vijana kuhusu ubunifu na riziki

**NA ERICK KYALO (KNA)**  
Hazina mpya ili-yopendekezwa ya Vijana itachukua nafasi ya Hazina ya Maendeleo ya Biashara ya Vijana ikiwa mswada mpya utapitishwa kuwa sheria.

Hazina hiyo mpya ya Vijana, ambayo itapata mali, madeni, haki, wajibu, na shughuli za Hazina ya Maendeleo ya Biashara ya Vijana, inalenga kutoa rasilimali za kifedha zinazoweza kufikiwa kwa vijana kwa ajili ya ujasiriamali, uvumbuzi, na miradi ya kujikimu ki-maisha.

Hazina hiyo pia inatarajiwa kutoa misaada, mikopo, na aina nyingine za usaidizi wa kifedha kwa biashara zinazooongozwa na vijana na mipango ya maendeleo inayolenga vijana. Zaidi ya

hayo, itasaidia programu za mafunzo na kujenga uwezo ili kuimarisha ujuzi wa kifedha, ujuzi wa usimamizi wa biashara, na ujuzi wa kiufundi miongoni mwa vijana.

Ili kukabiliana na ukosefu wa ajira miongoni mwa vijana wa Kenya wenye umri wa miaka 15 hadi 34—ambayo kwa sasa inafikia asilimia 67—Mswada wa Vijana wa 2024, ambao uko katika hatua ya ushirikishwaji wa umma, unalenga kuimarisha nafasi za ajira kwa vijana wasio na ajira kupitia mafunzo ya kazi, ukuzaji ujuzi, na programu za mwongozo wa taaluma.

Kulingana na Taasisi ya Kenya ya Utafiti na Uchambuzi wa Sera za Umma (KIPPRA), vijana kati ya 500,000 na

800,000 huingia katika soko la ajira kila mwaka. Hata hivyo, uchumi haujaweza kutoa fursa za kutosha za ajira.

Serikali pia itatakiwa kuimarisha uhusiano kati ya soko la ajira, elimu, na mifumo ya mafunzo kwa vijana ili kuwaepusha na umaskini.

George Mbugua, Mkurugenzi wa Vijana anayesimamia Ujasiriamali na Ukuzaji Ujuzi katika Idara ya Masuala ya Vijana na Uchumi Bunifu, alisema mswada huo utatoa nafasi ya Msajili wa Vijana kurahisisha shughuli za vijana.

“Hazina ya Vijana imeimarishwa zaidi na sasa inaangazia biashara za vijana, lakini hazina iliyopendekezwa itaruhusu vijana kuwasilisha mapendekezo na kupata usaidizi katika suala la

**George Mbugua, Mkurugenzi wa Vijana kuhusu Biashara na Ustawishaji Ujuzi katika idara ya Mashauri ya Vijana na Uchumi Bunifu akizungumza na wanahabari baada ya shughuli ya kushirikisha umma katika Mswada Unaopendekezwa wa Vijana 2024 katika Garissa Jamhuri Club. Mswada huo unapendekeza Hazina Mpya ya Vijana na Msajili wa Vijana miongoni mwa mambo mengine.**

kujenga uwezo na rasilmali,” akasema Mbugua.

“Mswada huo pia unapendekeza kuundwa kwa nafasi ya msajili wa vijana. Hivi sasa, karibu kila mtu anadai kuhusika katika kazi ya vijana, ambayo imesababisha mgawanyiko mkubwa katika sekta hiyo. Mswada huu utatuwezesha kurahisisha, kuandaa, na kuratibu shughuli za vijana,” akao-ngeza.

Mbugua alisisitiza haja ya kumaliza uvivu miongoni mwa vijana kwa kukuza nafasi katika sekta ya ubunifu, kuwawezesha kupata pesa kupitia burudani na kuunda maudhui ya mtandaoni. “Vijana wetu wengi hawana kazi. Wanatakiwa kujihusisha na shughuli zinazowaletea mapato ili kuboresha maisha yao,” akasema.

## COAST WATER WORKS DEVELOPMENT AGENCY (CWWDA)

### VACANCY IN THE OFFICE OF THE CHIEF EXECUTIVE OFFICER

The Coast Water Works Development Agency (CWWDA) is a State Corporation created under the Ministry of Water, Sanitation and Irrigation pursuant to the Water Act, 2016 and one of the Nine (9) Water Works Development Agencies in Kenya.

Under the Water Act of 2016, the mandate of CWWDA is to develop and maintain sustainable water and sanitation infrastructure within the Coast region.

The Agency wishes to recruit a self-driven and result oriented Kenyan to fill a vacancy in the Office of the Chief Executive Officer at its Headquarters in Mombasa to facilitate delivery of its mandate.

#### Mode of application

- For the detailed job description and specifications of the Chief Executive Officer's position, kindly visit our website at [www.cwwda.go.ke](http://www.cwwda.go.ke).
- Interested and qualified individuals should download the CWWDA Application for Employment Form and Curriculum Vitae (CV) template on the Website, fill and forward the same, enclosing CERTIFIED copies of Academic and Professional certificates as well as National Identity Card, by close of business on **Tuesday 7<sup>th</sup> January, 2025**.

All applications should be clearly marked **'Application for the position of Chief Executive Officer'** and submitted in any **ONE** of the following ways:

- Manual application should be hand delivered to **Coast Water Works Development Agency, Mikindani Street, Off Nkrumah Road, Mombasa during working hours between 8.00 a.m. and 5 p.m.**
- Online applications should be emailed in **PDF** format to **chairman@cwwda.go.ke**
- Postal applications should be addressed to:

**The Chairman,  
Coast Water Works Development Agency,  
Mikindani Street, Off Nkrumah Road,  
P.O Box 90417-80100  
Mombasa**

**NOTE:** All Applicants must be accompanied with **Clearance** from the following institutions:

- Kenya Revenue Authority (tax compliance certificates)**
- Higher Education Loans Board**
- Ethics and Anti – Corruption Commission**
- Directorate of Criminal Investigation (Certificate of Good Conduct)**
- A registered Credit Reference Bureau**

Original clearance documents as well as Academic and Professional certificates will be required at the time of the interview.

**WOMEN, PERSONS WITH DISABILITIES, THE MARGINALIZED AND MINORITIES ARE ENCOURAGED TO APPLY.**

Incomplete applications will not be considered and any form of canvassing will lead to automatic disqualification. Only shortlisted candidates will be contacted.

## COAST WATER WORKS DEVELOPMENT AGENCY (CWWDA)

### INVITATION FOR BIDS (IFB)

#### SUPPLY & DELIVERY CALCIUM HYPOCHLORITE (65%) AND PROVISION OF SECURITY GUARDING SERVICES

- Coast Water Works Development Agency invites sealed tenders for the supply of & Delivery Calcium Hypochlorite (65%) and Provision of Security Guarding Services as shown on the table below:

Ref.	Tender Number	Tender Name	Tender Security (Kshs)	Submission Date	Target Group
1.	CWWDA/T/G/03/2024-2025	Supply & Delivery of Calcium Hypochlorite (65%)	400,000.00	7th January, 2025 12.00Pm	Open to All
2	CWWDA/T/S/02/2024-2025	Provision of Security Guarding Services	300,000.00	7th January, 2025 11.30Am	Open to All

- Tendering will be conducted under National open competitive method using a standardized tender document. Tendering is open to all qualified and interested Tenderers.
- Qualified and interested tenderers may obtain further information and inspect the Tender Documents during office hours i.e. 0900 to 1500 hours at the address given below.
- A complete set of tender documents may be purchased or obtained by interested tenders upon payment of a non-refundable fees of Kshs.10000 in cash or Banker's Cheque and payable to the address given below. Tender documents may be obtained electronically from the Website [www.cwwda.go.ke](http://www.cwwda.go.ke) Tender documents obtained electronically will be free of charge.
- Tender documents may be viewed and downloaded for free from the website [www.cwwda.go.ke](http://www.cwwda.go.ke) Tenderers who download the tender document must forward their particulars immediately to (insert email, telephone and postal address) to facilitate any further clarification or addendum.
- All Tenders must be accompanied by a tender Security as specified in the table and insert amount and currency
- The Tenderer shall chronologically serialize all pages of the tender documents submitted.
- Completed tenders must be delivered to the address below on or before as specified in the table above and Electronic Tenders will not be permitted.
- Tenders will be opened immediately after the deadline date and time specified above or any dead line date and time specified later. Tenders will be publicly opened in the presence of the Tenderers' designated representatives who choose to attend at the address below.
- Late tenders will be rejected.

# Wetang’ula ataka mpango kuongeza thamani ya bidhaa za mifugo maeneo kame

**NA HAMDIBUTHUL, KNA**  
Spika wa Bunge la Kitaifa Moses Wetang’ula amewataka viongozi kutoka jamii za wafugaji wazingatie mageuzi muhimu katika kufungua uwezo wa kiu-chumi wa maeneo hayo. Akizungumza wakati wa ufunguzi rasmi wa Mkutano wa Viongozi wa Jamii za Wafugaji (PLS) mjini Wajir, Wetang’ula alisisitiza haja ya kuweka mbele uzalishaji wa mifugo, ukosefu wa usalama, biashara, usimamizi wa ardhi na miundomsingi katika ajenda ya maendeleo ya maeneo hayo. Akihutubia viongozi na wadau kutoka kaunti 15 za wafugaji, Wetang’ula

alihimiza eneo hilo ku-songa mbele zaidi ya changamoto za kihistoria na kuwa na mtazamo wa kufikiria mbele. “Tunapokusanyika katika mkutano huu, nataka kuwahimiza mzingatie masuala haya muhimu. Kwa wabunge wangu kutoka eneo hili la ASAL na jamii ya wafugaji, **Hakuna haja ya kuuza nje malighafi kama vile ngozi kisha tunanunua kuto-ka huko bidhaa zilizotengenezwa vikiwemo viatu**

nawaomba mjione kama sehemu ya familia kubwa iitwayo Kenya,” akasema. Wetang’ula aliangazia jukumu kubwa la uzalishaji wa mifugo, akisema kaunti za wafugaji hu-changia zaidi ya asilimia 80 ya mifugo ya Kenya. Alipendekeza hatua za kimkakati zichuliwe ili kuongeza uwezo huu, ikiwemo kuongeza ubora wa mifugo, kuimarisha udhibiti wa magonjwa, kuendeleza juhudi za masoko, na kukuza uongezaji wa thamani. “Hakuna haja ya kuuza malighafi kama vile ngozi na kuagiza tu bidhaa zilizotengenezwa kama viatu na mifuko ya ngozi. Ni lazima tuongeze tham-

Spika wa Bunge la Kitaifa, Moses Wetang’ula, akihutubia alipofungua Kongamano la 4 la Viongozi wa Jamii za Wafugaji.

ani ya mazao yetu ya mifugo na kufikia masoko ya kimataifa,” akasema. Pia alitoa changamoto kwa viongozi ku-unda mpango wa kina ili kuboresha mawasiliano katika maeneo hayo. Wetang’ula alihakikishia viongozi hao kwamba Bunge la Kitaifa, likishirikiana na Seneti na mashirika husika, lita-

maendeleo katika maeneo hayo. Aliwahimiza viongozi watenge rasilimali kugharamia ujenzi wa vituo vya polisi na kuimarisha miundomsingi ya usalama huku wakishirikiana na serikali ya kitaifa kuhakikisha usalama. Aliwahakikishia wadau kuwa Bunge la Kitaifa na Seneti zitafanya kazi ku-geuza maamuzi ya sera kuwa sheria ili kudhibiti mizozo ya ardhi. Mbunge wa Eldas Aden Keynan, ambaye pia ni Mwenyekiti wa Kundi la Wabunge wa Kaskazini mwa Kenya, alikariri umuhimu wa mkutano huo kama jukwaa la ushirikiano na suluhu zinazoweza kutekelezeka. “Mkutano huu unaleta pamoja wadau wakuu kupanga njia ya kuleta mabadilikona kutoa nafasi ya kukosoa, kutafakari, na kuandaa mikakati ya kukabiliana na changamoto zinazokumba kaunti za wafugaji,” akasema Keynan.

## KENYA MEDICAL TRAINING COLLEGE (KMTc)

*KMTc is an ISO 9001:2015 Certified Institution*  
**CERTIFICATION BODY: Kenya Bureau of Standards (KEBS)**

### SUPPLIERS REGISTRATION/PRE-QUALIFICATION NOTICE

**PRE-QUALIFICATION/ REGISTRATION OF SUPPLIERS FOR GOODS, WORKS AND SERVICES FOR THE PERIOD 2024 – 2025 AND 2025 – 2025 FINANCIAL YEARS**

Kenya Medical Training College (KMTc) invites eligible firms for registration/ pre -qualification of suppliers as described in the table below for provision of goods, works and services for the financial years 2024 – 2025 and 2025 – 2026.

Interested and eligible firms specializing in the provision of goods, works & services mentioned hereunder are invited to apply:

#### 1. REGISTRATION OF SUPPLIERS.

TENDER NUMBER	DESCRIPTION OF GOODS, WORKS & SERVICES	TARGETED CATEGORY
KMTc/REG/1/2024- 2025	Supply of Staff Uniforms	Youth, PWD & Women

**Chief Executive Officer**

Quality health training towards realization of Vision 2030

# Kenya yalenga wageni 5m kila mwaka kufikia 2027 katika mpango wa utalii

NA AHMED ELMAWI NA  
ALICE GWORO

Waziri wa Utalii na Wanyamapori inalenga wageni milioni tano kila mwaka ifikapo 2027 katika Mpango Mkakati unaolenga kufanya Kenya kivutio kikuu cha utalii duniani huku ikilinda urithi wake wa asili.

Waziri wa Utalii na Wanyamapori, Rebecca Miano, alisema Mpango Mkakati huo unatumika kama mwongozo wa mafanikio ya pamoja, unaoongoza uwasilishaji mzuri wa ahadi na kupata mustakabali wa sekta ya utalii na wanyamapori nchini Kenya.

Katibu Mkuu wa Idara

ya Wanyamapori, Silvia Museiya, alisisitiza jumla muhimu la ushirikiano wa jamii katika kufikia malengo hayo.

“Idara ya Wanyamapori inategemea sana jamii kulinda urithi wetu wa asili. Mafanikio ya Mpango Mkakati wetu wa 2023-2027 yanategemea ushirikiano wa karibu kati ya serikali na jamii kwa uhifadhi endelevu,” akasema.

Kwa niaba ya sekta

Idara ya Wanyamapori inategemea zaidi jamii katika kulin-da urithi wetu asili

ya utalii, Katibu Mkuu wa Idara ya Utalii, John Ololtuaa, alitoa wito hatua zichukuliwe kufanikisha utekelezaji wa Mpango Mkakati huo.

“Mpango Mkakati wa 2023-2027 ni matokeo ya maendeleo ya kina na ushirikiano. Sasa ni wakati wa kuondoka kutoka kwa kupanga na kwenda kwa hatua. Mafanikio yanatokana na dhamira yetu ya pamoja ya kutekeleza mikakati yake na kufikia ukuaji endelevu wa utalii na wanyamapori,” akasema.

Mpango Mkakati huo unaelezea mipango muhimu kama vile kuimarisha maendeleo ya ujuzi, kuboresha miundomsingi na kuzindua Kamati

Waziri wa Utalii na Wanyamapori, Rebecca Miano (katikati), Katibu Mkuu wa Idara ya Utalii, John Ololtuaa (kushoto), na Katibu Mkuu wa Idara ya Wanyamapori, Silvia Museiya (kulia), wakisoma Mpango Mkakati wa utalii unaolenga wageni 5 milioni kwa mwaka kufikia 2027.

ya Kitaifa ya Uongozi ya Utalii ili kuandaa Mkakati wa Kitaifa wa Utalii.

Mpango huo pia unaangazia utendakazi wa Chuo cha Ronald Ngala Utalii na unatarajia kubadilisha Chuo cha Utalii cha Kenya kuwa kituo cha kimataifa cha ubora ili kuwapa wafanyikazi ujuzi wa hali ya juu wa kuhudumu ka-

tika sekta hiyo. Juhudi hizi zinalenga kuimarisha uwekezaji, utoaji nafasi za kazi na kukuza uchumi.

Waziri Miano pia alizindua ‘Mpango wa Vijana katika Utalii na Uhifadhi’ ambao unalenga kuwezesha vijana wa Kenya kupitia ubunifu na desturi za utalii endelevu.

“Vijana wa Kenya, am-

bao ni asilimia 70 ya idadi ya watu wetu, ni muhimu kwa juhudi zetu. Ushiriki wao ni muhimu kwa mustakabali wa utalii na uhi-fadhi,” akasisitiza.

Mpango huo utazingatia maeneo muhimu kama vile uvumbuzi na teknolojia, desturi za utalii endelevu, na utalii wa kitamaduni.

# Serikali yahakikishia wakulima mbegu za kutosha, yatahadharisha kuhusu ghushi

NA ISIAH NAYIKA NA SHEILA KIRUI, KNA

Mkuu wa Utumishi wa Umma, Felix Koskei, amewahakikishia wakulima kuwa nchi ina mbegu za kutosha za mahindi kwa msimu ujao wa kupanda.

Ametoa hakikisho hilo huku wakulima waki-jiandaa kwa mvua inayotarajiwa kunyesha kwa muda mrefu.

Akizungumza alipotembelea maghala ya kampuni ya Kenya Seed mjini Kitale, Koskei alithibitisha kuwa kampuni hiyo ina mbegu zilizodhinishwa za kutosha kukidhi mahitaji ya kilimo nchini, na akaonya kuwa serikali imetekeleza mikakati ya kuzuia usambazaji wa mbegu ghushi kwa wakulima.

“Kampuni ya Kenya

Seed iko tayari kuhakikisha kwamba mahitaji ya mbegu nchini yamefikwa na kwamba wakulima wanapokea mbegu za ubora wa juu kwa wakati. Serikali imejitolea kusaidia katika juhudi za kuhakikisha usalama wa chakula,” akasisitiza.

Kulingana na Koskei, kampuni hiyo tayari imezalisha kilo milioni 15 za mbegu za mahindi zilizo-

dhinishwa, ambazo ziko tayari kusambazwa.

Aliongeza kuwa kilo nyingine milioni 13 bado zinaendelea na matibabu na hivi karibuni zitakuwa tayari.

Wakati huo huo, alifichua kuwa nchi ime-shuhudia ongezeko la uzalishaji wa mahindi mwaka huu, kutokana na wakulima kuzingatia kanuni bora za kilimo

Mkuu wa Utumishi wa Umma Felix Koskei aki-hutubia wanahabari mjini Kitale baada ya kuzuru maghala ya Kenya Seed Company.

na ruzuku ya serikali ya mbolea.

“Mwaka huu nchi ime-shuhudia kuongezeka kwa uzalishaji wa chakula ambao unaweza kuhusishwa na mifumo ya serikali ya kuingilia kati kama ruzuku ya mbolea. Kwa mfano, tumepata kilo milioni 36 za mahindi, kilo milioni nane zaidi ya kiasi kilichopatikana jana,” akasema.

Aliwashauri wakulima wabadilishe shughuli zao za kilimo kwa kuacha kutegemea mahindi kupita kiasi.

## EMPLOYMENT OPPORTUNITY

The Retirement Benefits Authority (RBA) is established under the Retirement Benefits Act of 1997 as a body corporate with the core statutory mandate to: regulate and supervise the establishment and management of retirement benefits schemes; protect the interests of members and sponsors of retirement benefits sector; promote the development of the retirement benefits sector; and to advise the Cabinet Secretary on the national policy to be followed with regard to retirement benefits schemes and to implement all Government policies relating thereto.

### Note

- Those who had earlier applied for Advert 1 to 4 of 2024 which run from **12<sup>th</sup> to 18<sup>th</sup> November, 2024** are encouraged to apply.
- Successful candidates shall be posted to schools where vacancies are available.
- Manual applications shall not be considered.
- Teachers Service Commission is an equal opportunity employer and persons with disabilities are encouraged to apply.

**SECRETARY/CHIEF EXECUTIVE**

# Kenya yaoanisha mafunzo na viwango vya dunia ili watu zaidi wapate kazi nje

**NA HUSSEIN ABDULLAHI, KNA**

**H**adhi ya wafanyikazi ya Kenya iko katika kiwango kizuri kimataifa, hali ambayo imefanya nchi nyingi kutafuta wafanyakazi wa Kenya kwa ujuzi na umahiri wao.

Kwa sababu hiyo, Kenya imekuwa nchi ya kupeleka wafanyakazi nje, kulingana na Katibu Mkuu wa Uchukuzi wa Meli na Masuala ya Baharini, Geoffrey Kaituko.

“Tuna vijana wengi ambao baadhi yao wana hamu ya kupata ajira katika soko la ajira duniani. Kama nchi, tunalenga kujipanga ipasavyo,” akasema Kaituko.

“Hapo awali, nikitumikia Wizara ya Leba, niliwezesha makubaliano ya kazi na nchi 19. Hii ilitokana na kutambua ukweli kwamba, tunapokabiliwa na changamoto za ukosefu wa ajira, kuna nchi nyingine zinazohitaji wafanyakazi wenye ujuzi kutoka Kenya,” akaongeza.

Kaituko alikuwa akizungumza wakati wa hafla ya 11 ya kufuzu ya Chuo Kikuu cha Kiufundi cha Mombasa, ambapo zaidi ya wanafunzi 4,000 walihitimu.

Katibu Mkuu alibainisha kuwa wahitimu wanaingia kazini kwa wakati

mwfaka, kwani Kenya inaangazia kuunda nafasi za kazi ndani na nje ya nchi, haswa katika sekta ya uchumi samawati.

“Kwa hivyo, ni muhimu kwamba programu za elimu na mafunzo ziwiane na sera za kitaifa na mikataba ya kimataifa, kama vile Viwango vya Shirika la Kimataifa la Udhidhi wa Usafiri wa Baharini vya Mafunzo, Udhidhi wa Utunzaji wa Maangalizi (STCW) kwa mabaharia,” akasisitiza.

“Kwa kuzingatia viwango hivi, tunahakikisha kuwa wahitimu wetu wanashindana kimataifa na wana uwezo wa kupata ajira katika bahari za kimataifa,” akasema Kaituko.

Alisema kuwa tangu 2011, Kenya imekuwa katika orodha iliyodhinishwa ya IMO, kumaanisha kwamba wanaofanya programu za elimu ya baharini nchini Kenya wana sifa za kufanya kazi kwenye meli kutoka mataifa mengine.

“Hicho ni kiwango tunachotaka kudumisha,” akasema Kaituko.

Ukiwa sehemu muhimu ya sekta ya uchumi wa nchi, Uchumi wa Samawati unajumuisha shughuli mbalimbali kama vile madini, uvuvi, ufugaji wa samaki, mafuta na gesi, nishati mbadala ya bahari, utalii na usafiri wa baharini, miongoni mwa mambo mengine.

Alisema serikali imejipanga kuweka mazingira yanayohitajika ili sekta ya bahari iweze kustawi, na kuongeza kuwa kuimari-sha utawala wa baharini ndio msingi wa dhamira hiyo.

Kaituko alitaja sekta ya bahari kuwa nguzo muhimu ya biashara na maendeleo ya kiuchumi duniani, akisema zaidi ya asilimia 90 ya bidhaa zote duniani husafirishwa kupitia baharini.

“Kwa sababu hiyo tunahitaji wataalamu wa baharini wenye ujuzi na uwezo. Kenya inajitokeza kama mhusika mkuu kwa kuhakikisha kuwa taasisi zetu za elimu ya juu, na haswa vyuo vikuu, zimeandaliwa kutoa elimu na mafunzo ambayo yanakidhi viwango vya kitaifa na kimataifa,” akasema.

Katibu Mkuu alisema haja ya kuwekeza katika kujenga uwezo ili kupata umahiri sahihi wakati wa kutoa ujuzi inabakia kuwa kipaumbele cha kwanza, mbali na kuwekeza kwenye vifaa na mashine za kisasa ili kutoa mafunzo ya kinadharia katika mazingira ya kuigiza.

Alisema jukumu la kuoanisha mafunzo si la serikali pekee bali linahitaji juhudi za pamoja kutoka kwa wadau wote.

Alisema TUM kinakua haraka kama chuo kikuu cha elimu ya baharini katika eneo la pwani.

Naibu Chansela wa TUM (VC) Profesa Leila Abubakar alisema zaidi ya wahitimu 4,000 wako tayari kuingia katika soko la ajira.

“Sasa unaingia kwa ujasisiri katika ulimwengu ulio na vifaa vya kukabiliana na changamoto na nafasi zilizo mbele,” akasema.

Profesa Abubakar alisema kuwa TUM kinaeendelea kukua kama kitovu cha maarifa, uvumbuzi na fursa.

Alisema kuwa mada ya sherehe hiyo ya kuhitimu: “Mabadiliko ya Kiteknolojia kwa Fursa Endelevu katika Uchumi Samawati” inaonyesha jukumu la pamoja katika kulinda mustakabali wa sayari.

**Katibu Mkuu wa Uchukuzi wa Meli na Shughuli za Baharini, Geoffrey Kaituko, akihutubu wakati wa Sherehe ya 11 ya Kufuzu ya Chuo Kikuu cha Mafunzo ya Ufundi cha Mombasa (TUM) katika uwanja wa kufuzu wa chuo hicho, Kaunti Ndogo ya Mvita, Mombasa.**

# KMTC yaanza kutoa mafunzo ya vyeti vya diploma kuhusu usimamizi wa bima ya afya

NA MARCELLAHONSOMU (PCO)

**C**huo cha Mafunzo ya Matibabu cha Kenya (KMTC) kimezindua Diploma ya miaka mitatu katika Usimamizi wa Bima ya Afya ili kujaza mapengo katika sekta ya bima ya afya nchini Kenya.

Mpango huo unalenga kuwapa wahitimu ujuzi maalumu katika kuta-yarisha madai ya malipo, kutambua ulaghai na matumizi ya zana za afya za kidijitali.

Hayo yalitangazwa katika kongamano kuhusu uimarishaji wa bima ya afya ili kuendeleza upatikanaji wa huduma za afya. Kongamano hilo lilileta pamoja wadau kutoka Mamlaka ya Afya ya Kijamii (SHA), Baraza la Madaktari na Madaktari wa Meno la Kenya, Mamlaka ya Kitaifa ya Ujuzi Kenya, serikali za kaunti, sekta ya kibinafsi, mashirika ya kiraia na vyombo vingine muhimu.

Washiriki walijadili mikakati ya kuimarisha mfumo wa bima ya afya nchini Kenya, yakiwemo mageuzi ya sera, kujenga

**Kaimu Mkurugenzi wa Afya na Usafi wa Umma Dkt. Grace Ikahu, Afisa Mkuu Mtendaji wa KMTC, Dkt. Kelly Oluoch na Bwenyekiti wa Bodi Bw. Joseah Cheruiyot wakiwa katika ofisi za KMTC.**

uwezo, na ubunifu wa kidijitali.

Katibu Mkuu wa Afya Mary Muriuki alisifu uongozi wa KMTC katika kuandaa wataalamu wenye ujuzi ili kuendeleza hali ya bima ya afya nchini Kenya. Aliangazia maendeleo ya haraka ya SHA, ambayo imeandikisha zaidi ya Wakenya 15.3 milioni katika miezi miwili na kuwezesha mabadiliko ya haraka ya wanachama milioni 5.9 kutoka Hazina ya Kitaifa ya Bima ya Hospitali (NHIF).

Katika hotuba ili-

yotolewa kwa niaba yake na Kaimu Mkurugenzi wa Afya ya Umma na Usafi wa Mazingira Dk Grace Ikahu, Katibu Mkuu alisisitiza dhamira ya serikali ya kupunguza gharama ya huduma ya afya kupitia Hazina ya Bima ya Afya ya Jamii (SHIF).

Alipongeza mpango wa KMTC, akibainisha kuwa programu ya diploma ni muhimu kwa wahudumu wa ili kukidhi mahitaji ya jamii ambazo hazijahudumiwa na kuimarisha mfumo wa afya nchini Kenya.

## PUBLIC SECTOR ACCOUNTING STANDARDS BOARD (PSASB)

### CAREER OPPORTUNITIES

The Public Sector Accounting Standards Board (PSASB) is a Semi-Autonomous Government Agency under the Ministry of National Treasury and Economic Planning, established by the Public Finance Management (PFM) Act No. 18 of 2012. The Board is mandated to provide frameworks and set standards for the development and management of accounting, financial, and internal audit systems for all state organs and public entities.

To enhance institutional capacity to deliver on its mandate, the Board is seeking to recruit qualified and competent individuals to fill the following vacant positions:

S/No.	Job Ref. No.	Designation	Job Grade	No. of Posts
1.	PSASB/1/2024	Chief Executive Officer	ASB 1	1
2.	PSASB/2/2024	Board Secretary/Manager Legal Services	ASB 3	1

#### HOW TO APPLY

Detailed job descriptions and specifications for the above positions are available at [www.pasb.go.ke](http://www.pasb.go.ke) under careers.

Qualified and interested applicants who meet the specified criteria should submit their job application, curriculum vitae, copies of academic and professional certificates, and relevant testimonials to the following address: [chairman@pasb.go.ke](mailto:chairman@pasb.go.ke) indicating the reference number in the subject line of the email or submit a hard copy at the PSASB offices quoting the Title and Reference Number of the position on the envelope clearly marked to:

**The Chairman  
Public Sector Accounting Standards Board  
CPA Centre 8th Floor  
P O Box 38831-00100 NAIROBI**

**All applications should be received on or before Tuesday, 7<sup>th</sup> January 2025, at 5.00 pm.**

#### IMPORTANT NOTICE:

- PSASB is an equal opportunity employer and **DOES NOT** charge any fee in the recruitment process. Canvassing will lead to automatic **DISQUALIFICATION**.
- Women, Youth, and Persons with Disabilities are encouraged to apply.
- Only shortlisted candidates will be contacted.
- Shortlisted candidates shall be required to meet the requirements of Chapter 6 of the Constitution

#### THE CHAIRMAN

**PUBLIC SECTOR ACCOUNTING STANDARDS BOARD**

**Promoting Sound Financial Reporting and Internal Audit Standards in the Public Sector**

## JOB ADVERTISEMENT

Our esteemed client, a State Corporation operating within the Water Sector under the Ministry of Water and Sanitation, is committed to enhancing efficiency and service delivery. To achieve this mission, we are looking for dynamic, innovative, and experienced individuals to join the team.

### DIRECTOR INFRASTRUCTURE DEVELOPMENT (JOB GRADE 2)

#### OVERALL RESPONSIBILITY

The incumbent will lead the infrastructure development, ensuring quality standards, efficient service delivery, risk management, and stakeholder coordination for water, sewerage, and sanitation projects.

#### JOB REQUIREMENTS

- Master's Degree in Water Engineering, Civil Engineering, Structural Engineering or its equivalent qualification from a recognized institution
- Bachelor's Degree in Water Engineering, Civil Engineering, Structural Engineering or its equivalent qualification from a recognized institution
- Must be registered by the Engineers Board of Kenya (EBK) as a Professional Engineer
- Must have Leadership course lasting not less than four (4) weeks from a recognized institution
- Must have served as an Engineer for a minimum period of twelve (12) years, six (6) of which must be in senior management position in the Public Service or in large Private Sector Organizations;
- Demonstrated experience in Donor Funded Projects Management is a must
- Demonstrated experience in Development and Management of Large infrastructure is desired
- Comply with Chapter Six of the Kenya Constitution
- Water Sector experience will be an added advantage

### ASSISTANT DIRECTOR ENVIRONMENTAL SAFEGUARDS (JOB GRADE 4)

#### OVERALL RESPONSIBILITY

The incumbent will oversee environmental strategies, compliance, and impact studies, ensuring sustainable road development while monitoring projects and coordinating stakeholders to address environmental concerns effectively.

#### JOB REQUIREMENTS

- Master's Degree in any of the following disciplines: Environmental Studies, Physical or Biological Sciences, Natural Resources Management, or related field from a recognized institution;
- Bachelor's Degree in any of the following disciplines: Environmental Studies, Physical or Biological Sciences, Natural Resources Management, or related field from a recognized institution;
- Registered with NEMA as a Lead Expert;
- Must have a Valid Annual Practicing License from NEMA;
- Must have Certificate in Management Course lasting not less than four (4) weeks from a recognized institution
- Must have Leadership course lasting not less than four (4) weeks from a recognized institution
- Must Have Minimum of eight (8) years' experience in relevant work and at least three (3) years in a Senior management role in the Public Service or in large Private Sector Organizations;
- Demonstrated experience in Donor Funded Projects Management is a must
- Comply with Chapter Six of the Kenya Constitution
- Water Sector experience will be an added advantage

### DEPUTY DIRECTOR INTERNAL AUDIT (JOB GRADE 3)

#### OVERALL RESPONSIBILITY

The incumbent will lead the development of audit policies, risk frameworks, and internal controls, oversee fraud investigations, and ensure quality audit practices while preparing and reporting audit findings to the Board Audit Committee.

#### JOB REQUIREMENTS

- Master's degree in any of the following disciplines: - Business Administration (Finance); Business Administration (Accounting); Master of Science in Finance or equivalent qualification from a recognized institution
- Bachelor's degree in any of the following disciplines: - Commerce (Accounting option); Commerce (Finance option); Business Administration (Accounting option) or equivalent qualification from a recognized institution
- Must have passed Part III of Certified Public Accountants of Kenya examination and a CPA(K) or equivalent accounting qualification from a recognized institution.
- Must be a Registered member with the Institute of Certified Public Accountants of Kenya (ICPAK) with Good Standing
- Registration with ISACA and or Institute of Internal Auditors will be an added advantage
- Must have Leadership course lasting not less than four (4) weeks from a recognized institution
- Ten (10) years relevant working experience, with at least three (3) years at Senior management level in the Public Service or in large Private Sector Organizations;
- Must have demonstrated experience in Financial Reporting
- Demonstrated experience in Donor Funded Projects Management is a must
- Comply with Chapter Six of the Kenya Constitution
- Water Sector experience will be an added advantage

### PRINCIPAL ACCOUNTANT (JOB GRADE 5)

#### OVERALL RESPONSIBILITY

The incumbent will oversee accounting functions, financial reporting, and reconciliations while ensuring compliance with financial regulations, accurate reporting, and sound management of statutory obligations.

#### JOB REQUIREMENTS

- Bachelor's Degree in Commerce (Accounting or Finance option) or its equivalent
- Master's degree in the above disciplines will be an added advantage
- Must have passed Part III of Certified Public Accountants of Kenya examination and a CPA(K) or equivalent accounting qualification from a recognized institution.
- Must be a Registered member with the Institute of Certified Public Accountants of Kenya (ICPAK) with Good Standing
- Be proficient in the usage of recognized computer accounting software and common office applications;
- Must have Leadership course lasting not less than four (4) weeks from a recognized institution
- Experience of six (6) years; with at least three (3) years' experience in a supervisory capacity in the Public Service or in large Private Sector Organizations;
- Demonstrated experience in Donor Funded Projects Finance Reporting
- Must have demonstrated experience in Financial Reporting
- Comply with Chapter Six of the Kenya Constitution
- Water Sector experience will be an added advantage

Interested and qualified individuals are invited to submit their applications to [apply@cdl.fica](mailto:apply@cdl.fica) using the job title as the email subject. Enclose copies of academic and professional certificates, a detailed CV highlighting work experience, and provide the names and addresses of three referees. Include your current and expected salaries, allowances, and benefits. Applications should reach us by **6<sup>th</sup> January, 2025**.

# NATIONAL SLUM UPGRADING AND PREVENTION STRATEGY 2024-2034

## MESSAGE FROM THE CABINET SECRETARY

### The Strategy offers a plan for addressing underlying factors that contribute to slum formation

It gives me great pleasure to introduce this National Slum Upgrading and Prevention Strategy (NSUPS) document, which lays out a responsive framework to address the challenge of slums and informal settlements in Kenya over the next 10-year period.

The existence of slums and informal settlements has been a global phenomenon that has affected millions of people throughout the history of urbanization. Slums and informal settlements frequently result from a complex confluence of elements, such as rapid urbanization, population expansion, poverty, inequality, inefficiencies in planning and non-responsive urban governance. Thus, their creation persists and, in many cases, even grow despite efforts to address the underlying causes.

Continued proliferation of slums and informal settlements within our urban areas in Kenya poses a serious obstacle to the accomplishment of human rights and sustainable urban development. This is because they are characterized by lack of access to clean water and sanitary facilities, crowding, substandard housing, and restricted access to healthcare and education. These difficulties compromise not only the health of individuals and families but also the resiliency and productivity of our cities and urban areas.

A slum or informal settlement means different things to different people and places. The rural migrant moves in search of a more decent life, and the urban poor without secure livelihood chooses survival in the slums. The logical reasoning is that urban areas have their own magnets to target migrants to use as economic areas in search of hope to try their luck at improving their livelihood status. But, in most cases, this rationale is not supported by either requisite skills required

in the job market or, where skills are available, the jobs are not in adequate supply.

Hence, the slum area ends up being the only available location to be used as a residence for migrants and the urban poor because it has a low economic value to facilitate use as a residence.

This underscores the importance of this NSUPS, as it offers a plan for addressing the underlying factors that contribute to slum formation and enhancing the living conditions of slum residents.

Recognizing that upgrading slums alone is insufficient, it adopts a holistic approach that combines upgrading and prevention measures.

Owing to the magnitude of the problem and existence of very low levels of income, the NSUPS aims to complement the Government's **Affordable Housing Program** and specifically, the **Social Housing Component** which targets those in slums and informal settlements.

I note that by addressing the underlying social, economic, and institutional factors that fuel urban poverty and inequality, we will also prevent the emergence of new slums.

The strategy adopts a participatory slum upgrading approach that includes facilitating secure land tenure, in-situ upgrading, social housing, enhancing social inclusion and community involvement, and expanding access to basic services like energy, water, and sanitation.

The strategy also underscores the crucial

**HON. ALICE WAHOME, EGH**  
**MINISTRY OF LANDS, PUBLIC WORKS, HOUSING AND URBAN DEVELOPMENT**

need for the public sector, private sector, civil society, and international development partners to work together. Importantly, this strategy lays the responsibility for slum upgrading with both national and county governments who must work within a collaborative framework to deliver sustained slum upgrading and prevention interventions in all our urban areas.

I urge all stakeholders to collaborate in making sure this Strategy is implemented successfully and to use it as a roadmap for sustained action. Let us create a future where all people can live with dignity and opportunity.

In conclusion, I thank all those who have contributed to the development of this Strategy.

## MESSAGE FROM THE PRINCIPAL SECRETARY

### Strategy will contribute to creation of inclusive, resilient, and sustainable cities and urban areas

The National Slum Upgrading and Prevention Strategy is a product of the strong dedication of many stakeholders, whose knowledge and expertise helped produce it.

The Strategy is a step in the right direction in alleviating the plight of slums and slum dwellers in all our urban areas across Kenya.

The development of this Strategy was supported by the Government of Kenya through a credit from the World Bank and the International Development Association (IDA) and spearheaded by the Second Kenya Informal Settlements Improvement Project (KISIP2).

The drafting of National Slum upgrading and Prevention Policy was a reaction to the implementation of the National Slum upgrading and Prevention Policy, Session Paper No. 2 of 2016. This intervention at National level is designed to be replicated in all 47 counties through County Specific Strategies.

The process of developing this National strategy was done through a rigorous review of literature both local and international; an assessment of international best practices in the global south; County based stakeholder engagements; and interviews with local and international experts. This has ensured that it is a strategy that meets international scrutiny, while sufficiently contextual to local circumstances.

Special appreciation goes to the national government agencies for their involvement in supporting the process of preparation of this Strategy, county government technical teams and county officials who contributed to providing recommendations for practical slum upgrading and prevention interventions.

Similarly, key specialists within and without the government scope who shared their knowledge, experience, and perspectives and offered insightful

**MR. CHARLES M. HINGA, CBS, CA (SA)**

**THE PRINCIPAL SECRETARY, STATE DEPARTMENT FOR HOUSING AND URBAN DEVELOPMENT, MINISTRY OF LANDS, PUBLIC WORKS, HOUSING AND URBAN DEVELOPMENT**

comments have our sincere gratitude. We would like to express our gratitude to the international development partners who have backed this initiative and offered technical, advisory and knowledge support.

We also acknowledge the participation of the slum residents themselves, whose contribution and engagement were crucial to the preparation of this Strategy. They shared their experiences, aspirations, and solutions for a responsive upgrading and prevention of slums and informal settlements in Kenya.

Finally, we thank everyone who put in so much effort to make this Strategy a reality. Your commitment, hard work, and dedication have made it possible to create a comprehensive document that considers the needs of informal settlements and slums while fostering sustainable urban development.

Together, we can improve the lives of slum residents and contribute to the creation of more inclusive, resilient, and sustainable cities and urban areas.

## MESSAGE FROM THE HOUSING SECRETARY

### Cascading this Strategy to Counties will accelerate sustainable growth of urban slums

Following the successful stakeholder validation and approval of the National Slum Upgrading and Prevention Strategy, the State Department for Housing and Urban Development, through the Second Kenya Informal Settlements Improvement Project (KISIP2) has also embarked on a roll-out of County Specific Slum Upgrading and Prevention Strategies in at least 20 devolved units.

Consulting firms that will undertake development of these strategies with the key objective of aligning them with the provisions set in the National Slum Upgrading and Prevention Policy (Sessional Paper No. 2 of 2016) are already undertaking this venture.

The State Department and KISIP2 are conducting this to ensure that slum upgrading is adopted by the county governments. We want to mainstream this activity in the counties to improve informal settlements and this assignment will be critical for counties since it will ensure slum upgrading strategies

**MR. SAID ATHMAN**  
**STATE DEPARTMENT FOR HOUSING AND URBAN DEVELOPMENT.**

are adopted by the devolved units.

The essence of developing these strategies will assist in giving a glimpse of what can be referred to as a "slum or informal settlement" since they will play a key role in development of County Integrated Development Plans (CIDPs) in

order to attract funding for upgrading informal settlements.

Our aim is to create comprehensive, practical, and contextually relevant strategies that address the unique challenges faced by different Counties in Kenya regarding slum upgrading and prevention. The need for these County Specific Slum Upgrading and Prevention Strategies arises from the recognition that the challenges posed by slums and informal settlements are multifaceted and often require localized interventions.

The documents once developed by the firms, will subsequently be forwarded to the County Assemblies for discussion and possible adoption and implementation.

The exercise is being spearheaded by KISIP2 Institutional Capacity Development for Slum Upgrading Component, which also finances institutional and policy development at national and county levels as well as financing development

of county-specific slum upgrading and prevention strategies.

The firms to undertake the exercise showcase a pool of different experts ranging from legal, environmental, land surveyors, land economists, urban planners, sociologists and physical planners.

In recent years, rapid urbanization has brought about significant challenges related to slums and informal settlements in Kenya. The growth of these settlements has been accompanied by issues such as inadequate housing, poor infrastructure, lack of basic services, and a plethora of social and environmental concerns.

While the National Slum Upgrading and Prevention Policy provides a broad framework, it is essential to tailor strategies to the specific circumstances of each county. This involves a comprehensive assessment of the existing policy landscape, institutional frameworks, resource availability, and local stakeholders' perspectives.

**Upgrading of Upper Kariakor-Aseko-Mlekenyi road to bitumen standards in Taita Taveta County by KISIP2**

# NATIONAL SLUM UPGRADING AND PREVENTION STRATEGY 2024-2034

## ABOUT SECOND KENYA INFORMAL SETTLEMENTS IMPROVEMENT PROJECT (KISIP2)

The Second Kenya Informal Settlements Improvement Project (KISIP 2) is a State project being implemented by the Government of Kenya (GOK) through the State Department for Housing and Urban Development, in collaboration with county governments through funding by the World Bank, the Agence Française de Développement (AFD) and the European Union (EU).

It is a key Vision 2030 enabler project anchored in the Government's agenda of enabling residents in participating urban informal settlements within selected counties benefit by having access to basic infrastructure services and land tenure security.

The project development objective is "to improve access to basic services and land tenure security of residents in participating urban informal settlements and strengthen institutional capacity for slum upgrading in Kenya". KISIP2 is anchored in the Government's agenda of enabling residents benefit by having access to basic infrastructure services and land tenure security. KISIP not only supports the achievement of the country's urban development agenda, but also international goals such as some Sustainable Development Goals and contributes to the goals of Kenya Vision 2030, whose objective for urban areas is to achieve "a well housed population living in environmentally secure urban environment".

### THE COMPONENTS

#### Component 1: Integrated Settlement Upgrading

This component has two sub-components namely;

**Sub-Component 1.1:** Land Tenure Regularization; Core objective is to coordinate regularization of tenure for people living on uncontested public lands. This is achieved through preparation of Local Physical and Land Use Development Plans (LP&LUDP) for the settlements which lays out land parcels and wayleaves for infrastructure like roads, drainage, walkways; Surveying with physical placement of beacons to demarcate the parcels as per the plan; preparation of lists of beneficiaries and letters of allotment based on the survey plans; and Preparation of titles.

**Sub-Component 1.2:** Infrastructure Upgrading. Activities include overseeing investments in services and infrastructure works such as roads, bicycle paths, pedestrian walkways, street and security lighting, vending platforms, solid waste collection and sorting, storm water drainage, water and sanitation systems, public parks and green spaces.

#### Component 2: Socio-Economic Inclusion Planning:

This component constitutes carrying out socio-economic surveys to identify community needs and developing community led plans to address such needs; identification and prioritization of vulnerable populations in the community to existing World Bank and GOK safety net programs; raising awareness on utilization of green zones and public spaces; exploring community level Solid Waste Management (SWM) mechanisms aimed at raising awareness on a settlement level solid waste management including refuse collection. The component also undertakes activities such as crime and violence prevention through participatory crime and violence mapping to identify hotspots, investments in infrastructure to make these hotspots safer and investments in facilities such as community centers where projects for youth skills and conflict resolution can be undertaken.

#### Component 3: Institutional Capacity Development for Slum Upgrading:

This component undertakes activities designed to strengthen the capacity of counties and national government institutions carry out slum upgrading and prevention. It assists national government institutions and counties review existing slum upgrading policies and strategies, supporting the development of county-specific slum upgrading and prevention policy and strategies; developing and carrying out activities to build capacities of national and county teams to implement such policies and strategies through trainings, workshops.

#### Component 4: Program Management and Coordination:

This component's work entails carrying out activities to support project management and coordination activities of both national and county governments implementing agencies, such as the National Project Coordination Team (NPCT) and the County Project Coordination Teams (CPCTs)

A tarmacked road by KISIP2 in Nakuru's Kiamurogi Informal Settlement

KISIP2 undertaking Slum Upgrading Works in Nakuru's London - Hilton informal settlement

## MESSAGE FROM KISIP 2 NATIONAL COORDINATOR

### The National Slum Upgrading and Prevention Strategy will propel Affordable Housing Program

Even as the Affordable Housing Plan is being rolled-out in the country, Land is indeed central to achieving adequate housing. Access to land is the first step towards obtaining a home for every Kenyan.

However, several conditions still affect access to well-located, serviced land, and therefore the availability of affordable housing. In many cities in Africa and globally, the ability to buy and own housing or land has become the dominant factor in perpetuating inequality.

This why the State Department for Housing and Urban Development, through Second Kenya Informal Settlements Improvement Project (KISIP2), have developed a comprehensive National Slum Upgrading and Prevention Strategy which will be a boost and a game-changer in the National Affordable Housing Debate and Urban Settlement in the country.

This strategy will be a conduit upon which the National and County Governments, stakeholders and the agencies involved in land ownership, shall provide sustainable settlements as provided by Section 134 of the Land Act 2012.

Access to land is the first step towards obtaining a home for every Kenyan.

However, several conditions still affect access to well-located, serviced land, and therefore the availability of affordable housing.

Affordable Houses can never be adequate if there's no guaranteed physical safety or adequate space. Affordable Houses can never be sufficient if the specific needs of disadvantaged and marginalized groups residing in our informal settlements are not considered by provision of adequate land through titles.

Acknowledging the need to directly tackle the problem of poor living conditions in slums, the government started working on a national slum-upgrading program in 2005 - the Kenya Slum Upgrading Program (KENSUP).

This included participatory planning and development, strengthening of tenure security for residents, and provision of housing and infrastructure services.

In 2011, through the support of the World Bank, the government further rolled out the Kenya Informal Settlements Improvement Project (KISIP 1) to complement KENSUP.

KISIP 1 built on KENSUP experiences, scaling up its most-successful interventions and lessons learnt. The key focus for KISIP 1 was on tenure regularization, infrastructure investments, urban and land institutions capacity building and planning for urban growth. Although KISIP 1 made tremendous progress in improving living conditions in Kenya's informal settlements, the State saw it wise to continue with the interventions through another entity.

Towards this end, the Government of Kenya requested support from the World Bank and other development partners to facilitate systematic scale up of informal settlements and slum upgrading by financing a second phase of KISIP hereby referred to as KISIP2.

This second phase was established to scale up the work of KISIP 1 to reach more settlements and populations. KISIP 2 also supports the national and county governments to develop long-term slum upgrading strategies, aimed at improving living conditions in most informal settlements in Kenya by 2025. It also supports activities to strengthen the Ministry and Counties' slum upgrading departments, with the key aim of developing and implementing slum upgrading strategies and policies.

The activities in KISIP2 directly contributes to the government's Affordable Housing program - one of the **Bottom-Up Economic Transformation Agenda (BETA)** priorities under the Kenya Kwanza administration.

KISIP2 is already contributing to the goals of **Kenya Vision 2030**, whose goal for urban areas is to achieve "a well housed population living in environmentally secure urban environment". This will be achieved by ensuring installation of basic infrastructure and provision of services that include - settlement access roads, high mast security lighting, water and sanitation facilities, storm water drainage, footpaths and others in the informal settlements and slums in the country.

MR. GEORGE ARWA, SECOND KENYA INFORMAL SETTLEMENTS IMPROVEMENT PROJECT (KISIP2)

Implementation of several infrastructure upgrading projects (roads, drainage, street lights, high mast flood lights) in Twenty-Three (23) participating counties is ongoing. These interventions will spur economic and social development to the residents of the informal settlements and champion Government's Affordable/Social Housing Agenda as pillared under the state's Bottom-Up Economic Transformation Agenda (BETA).

KISIP2 is undertaking activities (tenure regularization and infrastructure upgrading) in 38 counties including Mombasa, Kwale, Kilifi, Tana River, Lamu, Taita Taveta, Wajir, Meru, Tharaka Nithi, Machakos, Makueni, Nyandarua, Nyeri, Kisumu, Kirinyaga, Kiambu, Turkana, West Pokot, Trans Nzoia, Uasin Gishu, Elgeyo Marakwet, Nandi, Baringo, Nakuru, Kajiado, Kakamega, Bungoma, Homa Bay, Migori, Nyamira, Nairobi, Embu, Marsabit, Laikipia, Kisii, Mandera, Bomet, Samburu

Already, tenure regularization intervention is ongoing in 33 Counties and more than 120 informal settlements.

Infrastructure improvement works for Phase 1 and 2 Counties are also ongoing and implementation of Community Development Plans in progress with linkage of more than 2000 vulnerable persons to the Government's social safety net programmes.

Ongoing Slum Upgrading Works in Kilifi County

Ongoing development of modern vendor platforms in Mosoriot, Nandi County

Ongoing roads improvement works in Manyatta A informal settlement in Kisumu County

# NATIONAL SLUM UPGRADING AND PREVENTION STRATEGY 2024-2034

## THE STRATEGY OVERVIEW

The National Slum Upgrading and Prevention Strategy is a comprehensive framework developed by the Kenyan government to address the challenges posed by slums in the country. Slums are characterized by inadequate housing, poor sanitation, and limited access to basic services, affecting the lives of millions of Kenyan citizens. The strategy is built upon various policy and legislative frameworks, including the Constitution of Kenya 2010, which guarantees the right to adequate housing and reasonable standards of sanitation for all citizens. Other relevant policies include the National Land Policy and the National Housing Policy, which provide guidelines for land management, security of tenure, and the improvement of housing conditions. The Strategy builds upon the National Slum Upgrading and Prevention Policy 2016 and directly responds to the slum challenge in Kenya. It outlines a vision, objectives, and principles to guide slum upgrading and prevention efforts. It encompasses strategic interventions, institutional frameworks, partnership requirements, capacity building, financing mechanisms, and monitoring and evaluation processes.

### VISION, OBJECTIVES & PRINCIPLES

This Strategy is envisioned to guide slum upgrading and prevention in Kenya. It outlines the vision, objectives, and the principles to be adopted, the strategic interventions necessary for the achievement of the slum upgrading and prevention objectives, institutional framework and partnership requirements, capacity building, financing, and monitoring and evaluation processes. The strategy adopts a two-pronged approach by providing specific measures for slum upgrading and those for slum prevention.

### VISION

*Secure and Dignified Human Settlements*

## THE STRATEGY OBJECTIVES

- o Inculcate a culture of land use and development planning
- o Provide appropriate security of tenure
- o Provide improved infrastructure and social amenities
- o Facilitate provision of adequate social housing
- o Mainstream climate change and environmental stewardship
- o Promote participatory and collaborative approaches/practices
- o Promote sustainable livelihoods for persons living in slums
- o Establish an effective multi-stakeholder institutional framework for slum upgrading and prevention.

## THE STRATEGY PURPOSE

The National Slum Upgrading and Prevention Strategy provides a comprehensive framework for addressing slum challenges in Kenya for the next 10 years. It aims to promote equity, inclusivity, sustainability, and resilience while fostering transparency, accountability, and active participation. The government has also committed to the 2030 Agenda for Sustainable Development and the New Urban Agenda, emphasizing inclusive and sustainable urban growth. The Strategy focuses on improving slums through resettlement, In-Situ upgrading, and participatory approaches. It also addresses infrastructure, basic services, and financing through partnerships with the private and public sectors. Slum prevention is another crucial aspect, targeting urban planning, affordable land provision, social housing, and socio-economic inclusion. It emphasizes the need for sustainable income-generating activities, microfinance systems and social inclusion measures. The efficacy of this strategy in slum upgrading and prevention will depend on a commitment to implementation by not only national and county governments, but also other stakeholders and development partners including the slum communities.

	Level of Government	Expected Commitments
1	National	<ul style="list-style-type: none"><li>o The national government to contribute 0.05% of annual national budget.</li><li>o 50% of Housing Levy to contribute towards Social Housing</li><li>o Formulate the grant framework regulating the transfer of upgrading funds from the National to county level.</li><li>o Prepare a countrywide inventory of slums</li><li>o Carry out a capacity needs assessment and support capacity building for county governments</li><li>o Support county governments develop county slum upgrading strategies and toolkits</li><li>o Facilitate coordination of slum upgrading and prevention approaches, guidelines and knowledge sharing across counties</li></ul>
2	County	<ul style="list-style-type: none"><li>o County government to contribute 0.05% of own source revenue</li><li>o Develop county specific upgrading and prevention toolkits</li><li>o Build capacity of communities</li><li>o Build capacity of county governments</li><li>o Settlement identification, categorization, and prioritization for upgrading</li><li>o Prepare, approve and implement county slum upgrading plans</li><li>o Coordinate community-based, participatory mapping, profiling, and planning of informal settlements</li></ul>

## WHAT THE STRATEGY ENTAILS

The National Slum Upgrading and Prevention Policy 2016 is a direct policy response on the slum challenge in Kenya. It identifies land tenure and administration in slums as the greatest challenge in tackling the slums problem. The policy further recommends the strengthening of the capacity of urban community groups to enable them meaningfully to participate in upgrading processes. It also roots for the enactment of comprehensive slum upgrading and prevention legislation to deal with all the key areas of slum upgrading and prevention. In addition, the government has committed itself to the 2030 Agenda for Sustainable Development (SDGs) and the New Urban Agenda, both of which emphasize the link between urbanization and development and the crucial need for inclusive and sustainable urban growth, with a primary commitment to "leaving no-one behind".

Upgrading strategies will focus on improving the current state of slums through resettlement/relocation and in-situ upgrading, depending on the typology. These approaches will be based on a participatory slum upgrading framework and will include aspects such as providing secure tenure, basic services, and housing access. The government's efforts to provide affordable housing mainly to those in wage employment will be supplemented by concerted measures for slum prevention and in-situ slum upgrading for majority of those in very low income, informal employment, and self-employment. The strategy will focus on incremental in-situ housing improvement through use of locally produced or available but appropriate and affordable building materials and technologies; providing access to housing finance; supporting self-help building activities and co-operative development; and engaging the private sector to invest in housing development.

The strategy underscores that the continued proliferation of slums is a clear indicator of inadequate and ineffective application of preventive measures. Current slum upgrading initiatives taken without measures to address the wider development of urban areas, including housing development programs, are not likely to succeed in solving the problem and deter the future development of other slums. Thus, the strategy provides measures that will see slum prevention focusing on four sectors including urban planning and development control, provision of affordable land, provision of social housing and socio-economic inclusion.

### STRATEGY RATIONALE

Slum upgrading as a concept is aimed at improving the lives of Kenyan citizens. It is predicated on the Bill of Rights Under the Constitution and commitments under international human rights instruments to which Kenya is a party. The Bill of Rights seeks to ensure that every person's dignity is protected and that there is equal treatment and benefits of the law. All Kenyans are guaranteed a set of rights that they are to enjoy and for which the state has a responsibility to respect, protect and fulfil. The foundational right is that of life and which links to all other rights. The basis of slum upgrading is the linkages between the right to life and the related rights to property and socio-economic rights. The key right that underpins addressing the challenge of slums is that of housing. Article 43 of the Kenyan Constitution guarantees everybody the right to accessible and adequate housing. The obligation to ensure that the living conditions of those in slums meet this constitutional standard is vested in the state and has been reaffirmed by several court decisions. The Constitution protects the right to property, prevents its arbitrary deprivation and provides for compensation to landowners in instances when the right is interfered with.

### STRATEGY FORMULATION PROCESS

This Strategy was developed through a participatory and co-production approach that sought to involve all relevant stakeholders. This approach was supported by review and analysis of available literature. The output from the review of literature formed the basis for stakeholder engagement which occurred at the settlement, county, and national levels. Different stakeholder engagement approaches used included conducting joint reconnaissance visits with county government teams in sampled settlements, undertaking focus group discussions, conducting household survey in the sampled settlements, key informant interviews, and conducting regional and national stakeholder forums. Figure 1 presents the phases and steps of the strategy formulation process.

The Principal Secretary, State Department for Housing and Urban Development, Mr. Charles Hinga, issuing a Title Deed to an elderly lady in Muhoroni town, Kisumu County.

The State Department, through KISIP with assistance from development partners has ensured that land tenure regularization has succeeded enabling thousands of residents across participating counties own land.

# Mpango wa Sh48 bilioni kuboresha huduma za maji katika eneo la ziwa

NA CHRIS MAHANDARA, KNA

Kaunti nane na eneo la ziwa zimetengwa kwa ajili ya uboreshaji wa maji na usafi wa mazingira kufuatia kuzinduliwa kwa mpango mkakati wa miaka mitano wa Sh48 bilioni.

Mpango huo uliozinduliwa na Mamlaka ya Maendeleo ya Maji ya Ziwa Victoria Kusini (LVSWWDA) unalenga kuongeza uunganishaji maji katika Kaunti za Kisumu, Siaya, Migori, Homa Bay, Kisii, Nyamira, Kericho na Bomet kutoka asilimia 58 hadi 70 ifikapo mwaka 2027.

Mpango huo pia unalenga kuboresha na kuongeza kiwango cha upitishaji wa majitaka katika eneo hilo kutoka asilimia 27 ya sasa hadi asilimia 40 katika kipindi hicho.

Waziri wa Maji, Mhandisi Eric Mugaa alisema mpango mkakati ulioandaliwa kwa ushirikishwaji wa kina utatoka mwongozo wa maendeleo ya miradi ya maji na usafi wa mazingira katika kaunti hizo nane.

Akizungumza wakati wa uzinduzi wa mpango mkakati huo mjini Kisumu, Waziri alitoa wito wa kuimarishwa kwa ushirikiano kati ya ngazi mbili za serikali na washirika wa maendeleo ili kufanikisha mpango huo.

Alisema makadirio ya mgao wa rasilimali kwa

**Waziri wa Maji, Usafi wa Mazingira na Unyunyizaji, Eric Mugaa, akihutubia wanahabari mjini Kisumu wakati wa uzinduzi wa Mpango Mkakati wa Maendeleo ya Huduma za Maji katika Ziwa Victoria Kusini (LVSWWDA) mnamo Ijumaa, Desemba 6, 2024.**

sekta hiyo katika kipindi cha miaka mitano ni Sh28 bilioni na kuacha nakisi ya Sh19 bilioni kutekeleza mpango mkakati huo.

Alisema mpango huo wa uendelezaji wa miundomsingi ya sekta hiyo katika eneo hilo umelele baada ya utekelezaji wa mpango mkakati wa 2019-2022 ambao uliifanya serikali kukusanya Sh36 bilioni kwa ajili

**Hakuna mtoaji huduma kati-ka eneo hili ambaye amefikia Kiasi cha Maji Yasiyo ya Mapato kwa kiwango kinachokubalika**

ya miradi mbalimbali katika eneo hilo.

Miongoni mwa miradi hiyo ni Usambazaji wa Maji Kericho, Usambazaji wa Maji Oyugis na Usambazaji wa maji Bondo-Siaya ambayo inahudumia watu zaidi ya 845,000.

Miradi mingine ambayo inaendelea katika eneo hilo ni pamoja na Mpango wa Maji na Usafi wa Mazingira wa Ziwa Victoria mjini Kisumu unaozidi Sh7.8 bilioni, Mradi wa Majisafi na Usafi wa Mazingira wa Kendu Bay, Sh600 milioni, Mradi wa Kusimamia Majitaka Sh2.5 bilioni, Usambazaji maji wa Maji wa Ogumbo Sh137 milioni, Ugunja-Mradi wa Usambazaji Maji wa Ukwala Sh1.1 bilioni,

Bomet-Longisa Sh1.5 bilioni na Mradi wa Maji wa Kabianga wa Sh147 milioni.

Waziri alisema Wizarara pia inalenga kuunganishwa kwa maili ya mwisho kwa Mradi wa Usambazaji Maji wa Oyugis na Kendu Bay, Mradi wa Maji wa Homa Bay-Mbita-Sindo na Mradi wa Maji wa Ugunja-Ukwala-Sega.

Aliitaka Mamlaka ya Maendeleo ya Maji ya Ziwa Victoria Kusini kuhakikisha miradi hiyo inakamilika kama ilivyopangwa ili kuhakikisha kuwa lengo la upatikanaji wa maji kwa asilimia 100 katika eneo hilo linafikiwa ifikapo mwaka 2030.

Alisema Maji Yasiyo ya Mapato (NRW) katika eneo hilo, ambayo yanafikia asilimia 60, yako juu sana na hali hiyo inaathiri ukuaji endelevu wa sekta hiyo.

“Hakuna mtoa huduma katika eneo hili aliyefikia hadhi cha Maji Yasiyo ya Mapato kwa kiwango kinachokubalika cha chini ya asilimia 25. Hiki ni kiashiria tosha kwamba bado kuna mengi yanayohitajika kufanywa ili kuongeza ufanisi wa utendaji kazi,” akasema.

Katibu Mkuu wa Idara ya Maji Julius Korir alionba serikali za kaunti zitenge rasilimali kuboresha huduma za maji.

Alisema serikali ya kitaifa imewekeza mabilioni ya pesa katika miundomsingi ya maji.

# Wakazi wahimizwa wakabiliane na HIV na mimba za watoto

NA GEOFFREY MAKOKHA, KNA

Waziri wa Nishati na Petroli, Opiyo Wandayi, amewataka wakazi wa Nyanza wajiunge na vita dhidi ya vitishio vitatu vya maambukizi mapya ya HIV, unyanyasaji wa kijinsia, na mimba za vijana, ambavyo vinaendelea kuathiri Eneo la Ziwa.

Wandayi, akizungumza wakati wa hafla ya Umoja wa Kupambana na Vitishio Vitatu katika Uwanja wa Migori Green, iliyoleta pamoja viongozi wa kisiasa, viongozi wa maoni na wanawake kutoka Nyanza, aliwataka wakazi kutatua changamoto za maambukizi ya Ukimwi na ndoa na mimba za utotoni.

Kisumu, Homa Bay, Siaya, Migori, na Kisii ni miongoni mwa kaunti kumi zinazoongoza kwa visa vya maambukizi ya virusi vya Ukimwi nchini, jambo linaloakisi mzigo wa Eneo la Ziwa.

Wandayi alisema mpango wa kuleta pamoja viongozi wa Nyanza kushughulikia suala hilo unaonyesha jinsi tishio la Ukimwi lilivyothiri eneo hilo.

“Tumekuwa tukipata mafanikio makubwa ya kukabiliana na maambukizi mapya ya Ukimwi katika miaka ya hivi karibuni, lakini kuongezeka kwa tishio hilo kunaweza

kuturudisha nyuma,” akasema Wandayi.

Alisema maambukizi mapya ya Ukimwi yanatisha na yanahitaji kushughulikiwa haraka ili kuokoa kizazi kijacho eneo la Nyanza.

“Tunahitaji mikakati inayoweza kutekelezeka kama ile tuliyo nayo leo ili kukabiliana na athari za vitisho hivyo vitatu ili kuokoa kizazi chetu kijacho,” akasema Wandayi.

Kuhusu suala la dhuluma ya kijinsia (GBV), Waziri aliwataka wanaume wa Nyanza waelekeze nguvu zao katika kazi za uzalishaji mali badala ya kuwapiga wake zao.

“Tunahitaji kufanya kazi kwa bidii, kujitolea na nidhamu ili kufikia maendeleo ya maana, na wanaume wanaweza kutusaidia kuendesha ajenda hiyo. Katika enzi hii hakuna sababu ya wanaume kutumia nguvu zao kupiga wanawake wao,” akasema Wandayi.

Alimsifu Rais William Ruto kwa kuunda serikali pana ili kuleta maendeleo ya kijamii na kiuchumi nchini.

“Kama watu wa eneo la Nyanza, bado tunaweza kupigania haki za watu wetu serikalini na wanaosema tumeacha vita vyetu na watu wetu wanadanganya,” akasema Wandayi.

**KITALE NATIONAL POLYTECHNIC**

## KITALE NATIONAL POLYTECHNIC 5<sup>TH</sup> GRADUATION CEREMONY

Kitale National Polytechnic will be holding its **5<sup>th</sup> Graduation Ceremony**, on **20<sup>th</sup> December 2024** at the Kitale National Polytechnic Grounds starting **10:00am**. The event will be presided over by **Mr. Julius Migos Ogamba, EBS, Cabinet Secretary, Ministry of Education as the Chief Guest**.

Graduands are required to clear a mandatory graduation fee of **Ksh. 2,500** by **18<sup>th</sup> December 2024**. Rehearsal shall be done on **19<sup>th</sup> December 2024 as from 2pm**.

The Polytechnic Governing Council, Management and Staff warmly welcome all graduands, their families, friends, and stakeholders to join us for this grand occasion.

The theme of this year's graduation is: **“TukoSet na TVET”**  
For inquiries and further details, please contact us through:

- **Phone: 0721379304**
- **Email: kitalenationalpolytechnic@gmail.com**

We look forward to celebrating this special day with you.

**Congratulations to the Class of 2024!**

## INVITATION TO TENDER

Kenya Power invites tenders from interested bidders for provision of the following:-

NO.	TENDER NO.	ITEM DESCRIPTION	TENDER COMMENCEMENT DATE	TENDER CLOSING DATE
1.	KP8/9A/OT/NR/TPT/001/24-25	Three (3) Year Contract for Third Party Garages for Supply of Fleet Repairs and Maintenance Services in North Rift Region	Wednesday 18.12.2024	Tuesday 07.01.2025 at 10.00 a.m.
2.	KP1/9A.2/OT/010 ICT/24-25	Procurement of Desktops, Laptops and Mobile Phones	Thursday 19.12.2024	Thursday 09.01.2025 at 10.00 a.m.

Tender documents detailing the requirements of the above tender may be obtained from the Kenya Power website ([www.kplc.co.ke](http://www.kplc.co.ke)) from the dates shown above.

# Idara yazindua Mpango Mkakati wa kwanza kuimarisha uhusiano wa kikazi kati ya Bunge na Serikali

**NA EMANUEL OMOLO (PCO)**

Idara ya Serikali ya Shughuli za Bunge imezindua mpango mkakati wake wa kwanza, kuweka mazingira ya kuimarishwa kwa uratibu wa ajenda ya serikali ya kutunga sheria na kuimarisha uhusiano kati ya Serikali na Bunge.

Akizungumza wakati wa uzinduzi katika Chuo cha Mafunzo ya Serikali Kenya, eneo la Lower Kabete, Mkuu wa Mawaziri na Waziri wa Mashauri ya Kigeni, Musalia Mudavadi, alipongeza idara hiyo kwa juhudi zake za kuleta mabadiliko tangu kuanzishwa kwake Januari 2023.

Bw Mudavadi alisema mpango mkakati huo un-aambatana na maono ya Rais William Ruto ya mtazamo wa kitaasisi wa sera na sheria, kuhakikisha uwasilishaji wa mi-

pango yenye matokeo na kwa wakati unaofaa.

“Mbinu ya kitaasisi inaipa serikali mtazamo kamili kuhusu sera na sheria yake, kuwezesha kufanya maamuzi kwa msingi wa ushahidi na suluhu zilizopangwa,” akasema Mudavadi.

Mkuu wa Mawaziri aliangazia jukumu la idara hiyo katika kusimamia michakato tata ya sera na sheria ya Kenya, akisisitiza umuhimu wa kuoanisha juhudi katika wizara, idara na mashirika ili kushughulikia ipasavyo vipaumbele vya kitaifa.

Alipongeza juhudi za ushirikiano alizosema zimefanikisha kupitishwa kwa miswada 32, kupitishwa kwa sera 19 za kitaifa, na kupitishwa kwa hati 60 za kisheria wakati wa utawala wa sasa.

Katibu Mkuu wa Masuala ya Bunge, Aurelia Rono, alitaja mpango mkakati huo kuwa msingi wa kufikia mamlaka ya idara.

Alisisitiza hatua iliyofikiwa katika kuanzisha zana za uratibu kama vile ratiba ya ajenda ya sheria ya serikali, ambayo imeimarisha ufuatiliaji na utekelezaji wa sera na mipango ya kisheria katika sekta zote.

“Misingi yetu imejikita katika malengo ya kimkakati na maeneo muhimu ya matokeo ya mpango huu. Kuitekeleza kutahakikisha utekelezwaji wa shughuli za serikali bila vikwazo Bungeni na kuongeza kuridhishwa kwa wananchi na mipango ya serikali,” akasema Rono.

Rono alionyesha imani kuwa mpango mkakati huo utaimarisha mifumo ya uratibu kati ya Serikali na Bunge.

REPUBLIC OF KENYA

TEACHERS SERVICE COMMISSION  
KENYA  
EFFECTIVE SERVICE FOR QUALITY TEACHING

TEACHERS SERVICE COMMISSION

INVITATION TO TENDER

The Teachers Service Commission invites interested and eligible bidders/tenderers to bid for the tenders listed below:

S/ NO	TENDER NO.	TENDER DESCRIPTION	BID / TENDER SECURITY	CATE-GORY	PRE-BID/ SITE VISIT	CLOSING / OPENING DATE
1.	TSC/T/020/2024-2025	Supply and Delivery of various Computer Equipment	Tender Security Declaration Form	Reserved for Women	N/A	Monday, 30 <sup>th</sup> December, 2024 at 9.00 a.m.
2.	TSC/T/028/2024-2025	Supply, Delivery and installation of Local Area Network at TSC HQ (HR Section)	Tender Security Declaration Form	Reserved for Women	Monday	Monday, 30 <sup>th</sup> December, 2024 at 9.00 a.m.

4.	TSC/T/038/2024-2025	Supply, Delivery and Installation of Kodak Capture Pro Software/Licences	100,000	Open Tender	Monday 23 <sup>rd</sup> December, 2024	Monday, 30 <sup>th</sup> December, 2024 at 9.00 a.m.
5.	TSC/RFP/04/2024-2025	Provision of legal services	N/A	Open Tender	N/A	Monday, 30 <sup>th</sup> December, 2024 at 9.00 a.m.

Detailed Tender documents may be obtained from Supply Chain Management Services Division, at the TSC House 2<sup>nd</sup> floor Podium Wing, Kilimanjaro Road, Upper Hill during normal working hours. Interested bidders may also access the tender documents from TSC website: [www.tsc.go.ke](http://www.tsc.go.ke) or the Public Procurement Information Portal (PPIP) [www.tenders.go.ke](http://www.tenders.go.ke) free of charge.

Complete bid documents must be enclosed in plain sealed envelopes and clearly marked with the Tender Number and tender description should be addressed to: **The Secretary, Teachers Service Commission, TSC House, Upper Hill, Kilimanjaro Road, Private Bag, 00100, NAIROBI** and deposited in the **Tender Box located at TSC Headquarters, TSC House, Podium Wing, ground floor to be received on or before Monday, 30<sup>th</sup> December, 2024 at 9.00 a.m.**

All inquiries and clarifications should be sent via email to: [ddprocurement@tsc.go.ke](mailto:ddprocurement@tsc.go.ke)

COMMISSION SECRETARY/ CHIEF EXECUTIVE

TEACHERS SERVICE COMMISSION

REPLACEMENT OF TEACHERS WHO EXITED SERVICE IN PUBLIC PRIMARY, JUNIOR AND SECONDARY SCHOOLS – DECEMBER, 2024

The Teachers Service Commission is declaring **8,707** vacancies to replace teachers who exited service through natural attrition i.e. **5,862 posts for primary schools, 21 posts for junior schools and 2,824 posts for secondary schools**. The teachers recruited will serve on Permanent and Pensionable terms of service.

**Eligibility**

To qualify for recruitment, a candidate should meet the following minimum requirements:

i) Be a Kenyan citizen;

ii) Must be a holder of a P1 certificate in the case of primary schools

**OR**

a diploma in education in the case of junior and secondary schools;

iii) Must be a registered teacher with Teachers Service Commission.

**Mode of Application**

Interested and qualified candidates should submit their applications online through the Teachers Service Commission's website, [www.tsc.go.ke](http://www.tsc.go.ke) under 'Careers' or [teachersonline.tsc.go.ke](http://teachersonline.tsc.go.ke) from **Tuesday 31<sup>st</sup> December, 2024** and not later than **13<sup>th</sup> January 2025**.

Details on available vacancies per county/or schools is in the Teachers Service Commission's website: [www.tsc.go.ke](http://www.tsc.go.ke)

**General Information**

**Please note that:**

i) The Teachers Service Commission Recruitment Guidelines 2024/2025 Financial Year shall apply.

ii) Shortlisted candidates will be required to present original academic and professional certificates.

Successful candidates must not fill more than one Application for Employment Form. Filling of two or more

iii) Application for Employment Forms will lead to disqualification.

iv) Manual applications will not be considered.

v) Applicants who have not previously been employed by the Teachers Service Commission will be given preference

vi) The application portal will be opened on **31<sup>st</sup> December, 2024** and closed on **13<sup>th</sup> January, 2025** Midnight.

**The Teachers Service Commission is an equal opportunity employer as per the constitutional provisions and law and persons with disabilities (PWDs) are encouraged to apply.**

**CAUTION:**

The recruitment exercise is free of charge. The Teachers Service Commission forewarns applicants against fraudsters who might extort money from unsuspecting persons purporting to assist in recruitment.

**REPORTING OF FRAUD**

Any fraudulent activity should be reported to the nearest TSC office or Teachers Service Commission headquarters through the following telephone lines: **Director Staffing (0202892193)** and **Deputy Director- Staffing (0202892131)** or write to the Commission through the email address [dirstaffing@tsc.go.ke](mailto:dirstaffing@tsc.go.ke)

In addition, any such fraudulent activity should be reported to the nearest police station.

Details on available vacancies per county/school is in the Teachers Service Commission's website: [www.tsc.go.ke](http://www.tsc.go.ke)

TEACHERS SERVICE COMMISSION

# Nafuu kwa Vyuuo Vikuu vya Umma kutokana na mfumo mpya wa ufadhili

NA ANN SALATON, KNA  
Waziri wa Elimu Julius Migos Ogamba amekariri kuwa mtindo mpya wa ufadhili wa vyuo vikuu unaendelea vyema, na hivyo kupunguza changamoto za kifedha katika taasisi za elimu ya juu.

Ogamba alisema kuwa kufikia sasa, zaidi ya Sh41 bilioni zimetolewa kuanzishwa kwa mtindo huo mwaka wa 2023.

Waziri pia alisisitiza dhamira ya serikali ya kushughulikia mzozi wa kifedha unaokumba vyuo vikuu katika miaka ya hivi karibuni, akisema kwamba taasisi za elimu ya juu zina deni la Sh60 bilioni la mwaka wa 2023.

“Vyuo vikuu vyetu vya umma vilikuwa na deni la Sh60 bilioni mwaka wa 2023, huku taasisi 23 kati ya 40 zikitangazwa kuwa hazifai kitaalamu,” akasema.

Aliongeza kuwa mfumo mpya wa ufadhili wanafunzi wa vyuo vikuu ulianzishwa ili kushughulikia changamoto hiyo na kurudisha vyuo vikuu katika njia ya ukuaji na uendeleu.

Waziri alikuwa akizungumza katika Chuo Kikuu cha Maasai Mara, Kaunti ya Narok, wakati wa hafla ya 12 ya kufuzu chini ya

Sherehe ya 12 ya Kufuzu ya Chuo Kikuu cha Maasai Mara iliyohudhuriwa na Waziri wa Elimu Julius Ogamba miongoni mwa wengine.

mada: “Ubunifu Kuhusu Usimamizi wa Rasilimali za Mazingira na Kuka-biliana na Mabadiliko ya Tabianchi kwa Usimamizi Endelevu”.

Waziri alisema kufikia sasa, wasimamizi wa vyuo vikuu wameripoti kuwa mfumo mpya wa ufadhili unaendelea vizuri, unpunguza changamoto za kifedha, na kuwaweka katika nafasi nzuri ya kulipa madeni yao.

Waziri alithibitisha kwamba mara tu changamoto za awali zitakaposhughulikiwa, mtindo wa ufadhili utakuwa suluhisho la kudumu kwa changamoto za kifedha ambazo vyuo vikuu vya umma vinakabiliana nazo.

“Ni kwa sababu hii kwamba tuko tayari kuen-

delea kuboresha mfumo wa ufadhili, kwani utahakikisha uendeleu wa taasisi zetu na kuhakikisha hakuna mwanafunzi anayefungiwa nje ya elimu ya juu,” akasisitiza.

Ogamba alitoa wito kwa vyuo vikuu viwe na subira na kupokea wanafunzi hao huku serikali ikifanya kazi ya kutatua changamoto mbalimbali zina-zokabili utekelezaji wa mtindo huo wa ufadhili.

Alishikilia kuwa majawapo la majukumu muhimu ya chuo kikuu ni utafiti, na uvumbuzi, akisema serikali imejitolea kukuza uvumbuzi kupitia mipango kama vile Ajira Digital na KonzaTech-nopolis, kwa nia ya kuwawezesha vijana kustawi katika kazi za kidijitali.

## MINISTRY OF YOUTH AFFAIRS, CREATIVE ECONOMY AND SPORTS

### REQUEST FOR EXPRESSION OF INTEREST (CONSULTING SERVICES - FIRMS SELECTION)

Country:	KENYA
Name of Project:	National Youth Opportunities Towards Advancement (NYOTA) Project
Credit No. IDA-7355-KE/Grant No. E210-KE	
Assignment Title:	Consultancy services for Provision of Social Emotional Skills Development(Soft, Core Business and Digital Skills Training)

The Government of Kenya has received financing from the World Bank towards the cost of the National Youth Opportunities Towards Advancement (NYOTA) Project, and intends to apply part of the proceeds for consulting services.

The consulting services (“the Services”) include **Soft, Core Business and Digital Skills Development** whose main objective is to equip youth beneficiaries with skills that will help them successfully adapt to the workplace, manage themselves, relate well with others; start, operate and manage a business enterprise; and unlock their potential for innovation and empowerment for digital opportunities.

The trainings will be provided in a non-residential settings, using different learning methods in venues convenient to youth countrywide including Gazetted Refugee Camps.

The Services are grouped in Eight (8) lots and staggered over a period of Three (3) years.

As part of the Expression of Interest, Service Providers will be required to indicate lot(s) that they are interested in, which are as tabulated below:

Lot	Reference No:	Counties	Estimated Trainee No.
Lot 1	KE-SDYA-453074-CS-FBS	Nakuru, Narok, Bomet, Kericho, Nyamira, Homabay, Kisii	14,110
Lot 2	KE-SDYA-450602-CS-FBS	Kisumu, Migori, Kakamega, Bungoma, Vihiga, Busia, Siaya	15,480
Lot 3	KE-SDYA-453023-CS-FBS	Machakos, Kitui, Makueni, Taita Taveta, Kwale	8,600
Lot 4	KE-SDYA-453028-CS-FBS	Kirinyaga, Embu, Nyeri, Meru, Tharaka Nithi, Nyandarua, Murang'a	10,995
Lot 5	KE-SDYA-453034-CS-FBS	Isiolo, Samburu, Marsabit, Turkana, Laikipia	8,480
Lot 6	KE-SDYA-453037-CS-FBS	Nandi, Uasin Gishu, Baringo, West Pokot, Elgeyo Marakwet, Trans Nzoia	9,020
Lot 7	KE-SDYA-453045-CS-FBS	Mombasa, Kilifi, Wajir, Mandera, Garissa, Tana River, Lamu,	13,575
Lot 8	KE-SDYA-453053-CS-FBS	Nairobi, Kiambu, Kajiado	9,740

It is anticipated that there will be a minimum of three (3) training cycles in each County. Each cycle will last Twenty (20) working days.

The Ministry of Youth Affairs, Creative Economy and Sports (State Department for Youth Affairs and Creative Economy) now invites eligible consulting firms (“Consultants”) to submit Expression of Interest (EOI) to provide the Services. Interested consultants should provide information and testimonials demonstrating that they have the required qualifications and relevant experience to perform the Services.

The detailed Terms of Reference (TOR) for the assignment can be downloaded from <https://youth.go.ke/tenders-and-awards/> and [www.nyotaproject.go.ke](http://www.nyotaproject.go.ke)

The shortlisting criteria are:

- The firm shall be registered/incorporated as a consulting firm in the field of soft, core business and digital skills training or related fields for a minimum of three (3) years.
- Minimum of Three (3) years' relevant experience and technical capacity to provide Soft, Core Business and Digital Skills training;
- The Firm shall demonstrate as having successfully executed and completed at least 2 assignments of similar nature and complexity. Details of the assignments (name and address of client, scope and period) should be provided and submitted;
- Demonstrated experience working in youth – related projects in developing countries; and
- Demonstrated technical and managerial capacity to undertake the assignment in the submitted company profile (s).

#### Key Experts will not be evaluated at the shortlisting stage.

The attention of interested Consultants is drawn to Section III, paragraphs, 3.14, 3.16, and 3.17 of the World Bank's “Procurement Regulations for IPF Borrowers” dated July 2016 and revised in September 2023 (5th Edition) (“**Procurement Regulations**”), setting forth the World Bank's policy on conflict of interest. In addition, please refer to the following specific information on conflict of interest related to this assignment: “**Consultants shall not be hired for any assignment that would be in conflict with their prior or current obligations to other clients, or that may place them in a position of being unable to carry out the assignment in the best interests of the Borrower**”.

Consultants may submit their REOI as an individual firm or in association in the form of a joint venture or sub-consultancy. All the members of the joint venture shall be jointly and severally liable for the entire assignment. However, the experience of sub-consultant will not be considered while short-listing.

A Consultant will be selected in accordance with Fixed - Budget Selection Method set out in the World Bank Regulations.

Interested firms may obtain further information from the Project Supply Chain Management Office at NYOTA offices, Bruce House, Standard Street, 3rd Floor Northern wing Room No. 321 during official working hours (8.00 a.m-5.00 p.m.) and days. Complete REOI document (paginated and stamped/signed on each page) and enclosed in plain sealed envelope marked with the tender reference number and addressed to the Principal Secretary, State Department of Youth Affairs and Creative Economy, P. O. Box 34303 – 00100, Nairobi, Kenya and should be deposited in the Tender Box at Bruce House 3<sup>rd</sup> Floor to be received on or before **Friday 3<sup>rd</sup> January, 2025, at 10.00 hours**.

The REOIs will be closed/opened immediately thereafter at the **NYOTA Boardroom, Bruce House, 3<sup>rd</sup> Floor Standard Street Nairobi**.

## TEACHERS SERVICE COMMISSION

### CAREER OPPORTUNITY – RE-ADVERTISEMENT

The Teachers Service Commission (TSC) is an independent Commission established under Article 237 of the Constitution of Kenya, 2010.

The Teachers Service Commission is an equal opportunity employer as per the Constitutional provisions and law. Persons with disabilities (PWDs) are encouraged to apply.

Please note that only shortlisted candidates will be contacted.

# Serikali yazindua mipango ya kuimarisha sekta ya kahawa na kuwezesha wakulima

NA MICHAEL OMONDI, KNA

Serikali imesisitiza dhamira yake ya kufufua sekta ya kahawa ili kufaidi wakulima na kupata nafasi ya Kenya kama kiongozi wa kimataifa katika uzalishaji wa kahawa.

Kwa kutambua changamoto ambazo zimezuia ukauji wa sekta hiyo, serikali imeanzisha hatua za mageuzi ili kushughulikia

masuala ya muda mrefu, kuwezesha wakulima na kujenga msingi wa maendeleo endelevu.

Kiini cha mageuzi haya, kulingana na Msemaji wa Serikali Dkt. Isaac Mwaura, ni kuhakikisha kwamba wakulima wanapokea thamani kubwa zaidi kutokana na juhudi zao.

Ili kufanikisha hili, Dkt. Mwaura alifichua

kwamba malipo ya moja kwa moja yameanzishwa, na kuhakikisha wakulima wanalipwa haraka na kwa uwazi kupitia akaunti zao za kibinafsi za benki au pochi za simu, kuondoa ucheleweshaji ambao ume-walemea siku za awali.

Dkt. Mwaura pia alifichua kwamba serikali imepunguza tozo za vyama vya ushirika hadi kufikia

asilimia 20 ya mapato ya kahawa kwa huduma kama vile utayarishaji na usafirishaji, na hivyo kupunguza gharama za uzalishaji kwa wakulima.

“Ili kuimarisha uwazi, vyama vya ushirika vinatakiwa kudumisha rekodi za wazi za madeni ya wakulima na kuweka shughuli zao kwenye dijitali,” akasema.

Msemaji wa Serikali Dkt. Isaac Mwaura akihutubia wanaahabari wakati wa kufahamisha taifa kuhusu mpango wa Maonyesho ya Kitaifa Kuhusu Ajira katika jumba la KICC jijini Nairobi.

# Wakulima 156,000 Makueni kupokea mafunzo ya jinsi ya kukuza thamani ya kilimo

NA PATRICK NYAKUNDI, KNA

**W**akulima ka-ribu 156,000 katika Kaunti ya Makueni watafunzwa chini ya Mradi wa Kitaifa wa Kukuza Thamani ya Kilimo (NAVCDP) katika mifumo mbalimbali ya thamani. Mpango huu unalenga kubadilisha kilimo kuwa sekta inayobadilika, Gavana Mutula Kilonzo Junior alisema.

Mutula alisema wakulima watakapewa mafunzo hayo ni wanaojihusisha na mifumo muhimu ya thamani ya kilimo kama vile maembe, ufugaji nyuki, nyanya, kuku na maziwa. Lengo ni kuongeza ushiriki wao, kuongeza thamani, na kuunda fursa endelevu za ujasiriamali.

Gavana pia alifichua kwamba, chini ya mradi huo, vyama 30 vya Ushirika vimeundwa ili kuendesha kilimo na kuwezesha wakulima kupata mikopo na pembejeo za

kilimo kwa urahisi, hivyo kukuza shughuli za kilimo katika kaunti hiyo.

“Serikali yangu itawawezesha wakulima kwa ujuzi na rasilimali katika mifumo muhimu ya thamani, kuhakikisha ushiriki wao katika soko, na kuboresha kilimo,” akasema Mutula alisema katika Uwanja wa Michezo wa Unoa, wakati wa sherehe za Jamhuri Dei.

Wakati wa hafla hiyo, Gavana alitoa hundi ya Sh6 milioni kwa vyama sita vya ushirika ili kukuza uwezo wao wa kusaidia wakulima ipasavyo na kuunda

**Serikali yangu itawezesha wakulima kwa ujuzi na rasilimali katika kukuza thamani ya kilimo**

ajira, haswa kwa vijana wasio na ajira.

“Kufikia sasa vyama vya ushirika 13 vimefuzu kupata ruzuku ili kusaidia kuboresha shughuli zao. Mnamo Novemba, nilitoa Sh9 milioni kwa vyama vya ushirika tisa na leo vingine sita vimenufaika, hii itaimarisha vyama ili viweze kusaidia wakulima ipasavyo,” akaongeza.

Mutula alisema kaunti hiyo inajivunia kuwa mwenyeji wa kampuni ya Eni Kenya katika eneo la Kwa Kathoka, ambalo ni kituo cha kwanza cha kilimo cha aina yake nchini, ambacho huzalisha nishati ya mimea na bidhaa zinazohusiana, akisema imetoa nafasi za kazi kwa mamia ya wakazi mbali na kuboresha shughuli za kilimo katika eneo hilo.

“Kiwanda hiki pia kinaleta mapato kwa maelfu ya wakulima mbali na kutoa nafasi za kazi, kituo cha kilimo kinatumika kama jukwaa la uvumbuzi na

Gavana Mutula (katikati), Duncan Darusi (kulia) na Naibu Gavana Lucy Mulili (kushoto) wakati wa Shere za Jamhuri Dei mjini Wote.

maendeleo ya ujuzi,” akasema.

Kuhusu maji, gavana alisema kupitia usaidizi wa washirika kama USAID- Sustainable Transformational, and Accessible Water Interventions (STAWI), Water Mission-Kenya na World Vision, miongoni mwa mengine, serikali yake inajitahidi kuhakikisha Makueni inapata maji ya kutosha kwa angalau asilimia 70 ifikapo 2027.

Alifichua kuwa serikali ya kaunti inajitahidi kupunguza mahitaji ya maji ya kila siku ya mita 4,500 kwa mji wa Wote kwa kukamilisha Bwawa la Kaiti II na kuweka nishati ya jua kwenye Kisima cha Mwaani na kuongeza

uwezo wa kupiga maji wa Bwawa la Kamunyolo mtawalia.

Mutula alisema wakazi 10,000 katika vijiji 10, shule 10 na masoko saba na shirika moja la kijamii wanalengwa kufaidika na usambazaji wa maji kutoka Bwawa la Ndukuma katika eneo hilo.

Akizungumza katika hafla hiyo, Kamishna wa Kaunti ya Makueni, Duncan Darusi, alionya wakazi dhidi ya kuharibu miradi ya serikali hasa ile ya sekta ya maji katika kaunti hiyo.

Aliwataka wakazi wasaidie serikali kwa kutoa taarifa za kuwezesha kukamatwa kwa wahalifu ili kukomesha uovu huo.

“Tumeshuhudia uhar-

ibifu mkubwa, serikali ya kitaifa na kaunti imeweka miundomsingi ili kuwalitea huduma wananchi lakini kuna adui wa maendeleo wanaoharibu miradi ya maji, transfoma na reli. Nyinyi kama raia, lazima mshirikiane na serikali na kuwafichua wanaohusika,” akasema Darusi, baada ya kusoma hotuba ya Rais wakati wa maadhimisho ya sherehe za Jamhuri Dei.

Kwenye sherehe hiyo, aliwaonya madereva dhidi ya kuendesha magari wakiwa walevi, akisema watakapatikana watahakiwa. Kamishna aliwahakikishia wakazi kuwa serikali itawapa usalama wakati wa msimu huu wa sherehe.

Halmashauri ya Utalii Kenya yalenga Amerika katika hafla ya USTOA

NA MICHAEL OMONDI, KNA

Bodi ya Utalii ya Kenya (KTB) itatumia Kongamano la Kila Mwaka la Muungano wa Wafanyabiashara wa Utalii wa Amerika (USTOA) la mwaka huu, ili kuimarisha juhudi zake za kuongeza wageni wanaowasili nchini kutoka Amerika.

Soko la Amerika limeerekodi wageni 307,032 waliotembelea Kenya, ongezeko la asilimia 17 ikilinganishwa na mwaka jana, kuonyesha uwezekano wa ukuaji zaidi.

Mtazamo mpya wa kuhusisha biashara ya usafiri unakuja wakati Kenya inapatafuta kufungua mipaka mpya na kukuza matoleo yake mbalimbali kwa wasafiri wa Amerika wanaotafuta uzoefu wa mabadiliko katika enzi ya baada ya janga.

Akizungumza kabla ya Kongamano la USTOA la mwaka huu, Mkurugenzi Mtendaji wa KTB, June Chepkemei, alisema Kenya inalenga kufaidika na mahitaji ya ziada ya usafiri nchini Amerika kwa mbinu ya masoko ya kina zaidi.

Chepkemei alisisitiza haja ya kuendeleza pen-dekezo la Kenya katika mawazo ya wasafiri wa Amerika kwa kutumia maarifa kutoka kwa Wa-

June Chepkemei

fanyabiashara ya Watalii mashinani. kwa wasafiri wa Amerika wanaofurahia madhari yetu, kubarizi katika fuo za bahari na na uhusiano wa kitamaduni,” akasema katika taarifa yake kwa vyombo vya habari.

“Utaalamu wa pamoja wa wafanyabiashara wa utalii wa Amerika na washauri wa usafiri unawakilisha mali muhimu ambayo tunalenga sio tu kuingia, lakini pia kuimarisha kupitia mazungumzo ya wazi na ushirikiano wa ushirikiano,” akaongeza.

Onyesho hilo la barabara inakuja karibu wiki mbili tu baada ya Kongamano la Black Travel Summit kwa mara ya kwanza, ambalo lilifanyika Fort Lauderdale, Florida ku-

toka Novemba 21 hadi 24, 2024.

Chepkemei alikumbusha kuwa mnamo 2019, wasafiri wa burudani wa Amerika Weusi walitumia karibu dola 109.4 bilioni kwa usafiri, ambayo ni asilimia 13.1 ya soko la burudani la U.S.

Alibainisha kuwa Mkutano huo ulitoa nafasi ya kutangamana na zaidi ya jumuiya 400 za wasafiri weusi ambao ni pamoja na mawakala wa usafiri, washawishi, vyombo vya habari, wasafiri na wataalamu wengine mbalimbali.

Alisema kuwa uchunguzi wa wafanyabiashara wengi wa utalii Amerika unaonyesha kuwa wasafiri wa leo wa Amerika wana tafuta thamani ya uzoefu zaidi kuliko awali.

“Kwa kuzingatia mitazamo ya moja kwa moja na msukumo wa soko, tunataka kuboresha toleo letu ili tuweze kuongeza faida,” akasema Chepkemei.

Alitangaza kuwa Mkutano wa USTOA ulikuwa unafanyika kati ya Desemba 9 na 13 jijini Florida. Kongamano la mwaka huu, alisisitiza, lilitarajiwa kuteka safu mbalimbali za wajumbe wa sekta hiyo na kuweka mazingira ya ushirikiano ambao utazaa matunda.

INVITATION TO TENDER

TENDER FOR PROVISION OF MEDICAL INSURANCE COVER FOR BOARD MEMBERS AND STAFF (FRAMEWORK CONTRACT)

Executive Director/CEO

# EBK kufungua vituo mahasusi kwa ubora wa mafunzo

Mwenyekiti wa Bodi ya Wahandisi Kenya, Mhandisi Erastus Mwongera.

NA YOBESH ONWONG'A (MYGOV)

Bodi ya Wahan-disi Kenya (EBK) imependekeza mipango ya kuanzisha vituo viwili vya ubora wa mafunzo na uvumbuzi ili kujenga uwezo wa mazoezi ya uhandisi nchini, Mwenyekiti wa EBK Mhandisi Erastus Mwongera amesema.

Vituo hivyo, Chuo cha Kenya cha Teknolojia ya Uhandisi na Shule ya Uhandisi ya Kenya, vitatoa mafunzo yaliyoundwa ili kuoanisha viwango vya uhandisi vya nchi na viwango vya kimataifa.

“Nia ya kimkakati ya EBK inalenga ukuaji wa mabadiliko na maendeleo, kwa lengo la kuongeza idadi ya wahandisi wali-

**Katika mwaka mmoja uliopita, tumepiga hatua muhimu kuimarisha utendakazi na uwazi**

osajiliwa kutoka 4,000 wa sasa hadi 10,000, kuhakikisha nguvu kazi imara na yenye uwezo,” akasema Mhandisi Mwongera.

Akiizungumza wakati wa sherehe za Miaka 60 ya Uhandisi jijini Nairobi, Mwongera alibainisha kuwa, katika juhudi za kuimarisha uzingatiaji wa Sheria ya Wahan-disi ya 2011, Bodi inaeendelea na kutekeleza viwango vya uhandisi katika ngazi ya kitaifa na kaunti.

“Katika mwaka ul-

lopita, tumechukua hatua muhimu ili kuimarisha ufanisi na uwajibikaji katika shughuli zetu. Kwa hakika, muda unaohitajika kwa usajili wa wahandisi wa kitaaluma umepunguzwa kutoka miezi sita hadi miezi mitatu. Mageuzi haya bora yameruhusu wahandisi waliohitimu kujiunga na wafanyakazi kwa haraka zaidi, na kuimarisha uwezo wetu ili kukidhi mahitaji yanayokua ya sekta,” akasema.

Mhandisi Mwongera alifichua kuwa Programu ya Graduate Engineers Internship Programme (GEIP) pia imesaidia sana katika kuziba pengo kati ya ujuzi wa kimasomo na ujuzi wa kikazi.

Akiizungumzia utendaji kazi kuambatana na maadili, Mwongera alisema pamoja na kwamba miradi ya miundomisingi ya umma kwa jumla ina viwango vikali, kazi nyingi za watu binafsi zinaweza kukwepa ushirikishwaji wa wahandisi wenye leseni na wakandarasi wenye uwezo, hivyo kusababisha miundomisingi isiyo salama na kuhatarisha maisha.

Alionya EBK itaeendelea kukagua kwa kina uzingatiaji ili kuboresha usalama na ubora wa miradi na kuimarisha imani ya umma kwa taaluma ya uhandisi.

Waziri wa Barabara na Uchukuzi Davis Chirchir, alisisitiza mchango utaalumu wa wahandisi na kujitolea kwao katika kuweka miundomisingi thabiti Kenya.

REPUBLIC OF KENYA

**STATE DEPARTMENT FOR THE BLUE ECONOMY AND FISHERIES**

*Kenya Marine Fisheries Socioeconomic Development Project (KEMFSED)*

P.O. Box 58187-00200 NAIROBI

**Kenya Marine Fisheries Socio-Economic Development Project (KEMFSED)**

**Request for Expression of Interest**

**(Consulting Services – Firm Selection)**

Country:	Kenya		
Name of project:	Kenya Marine Fisheries and Socio-Economic Development Project (KEMFSED)		
Project No.:	P163980	Credit No:	65400-KE
Assignment Title:	Consulting Services to Undertake Beneficiary Satisfaction Survey for Kenya Marine Fisheries Socio-Economic Development (KEMFSED) Project		
Contract No.:	KE-MOMBEMA-C2-2024-037-CS-CQS/MMBEMA/SDBE&F/04/2024-2025		

1. This Request for Expression of Interest follows the General Procurement Notice for this project that appeared in Development Business; of 10th August 2020.

2. The Government of Kenya has received a Credit from International Development Agency (IDA) towards the cost of the **Kenya Marine Fisheries and Socio-Economic Development Project (KEMFSED)** and intends to apply part of the proceeds of this Credit to payments under this contract: Consultancy Services to Undertake Beneficiary Satisfaction Survey for Kenya Marine Fisheries Socio-Economic Development (KEMFSED) Project. **Contract No.KE-MOMBEMA-C2-2024-037-CS-CQS/ MMBEMA/SDBE&F/04/2024-2025.**

3. The overall objective of this assignment is to ascertain the beneficiaries’ perception on the effectiveness of the project interventions offered and the bundle of benefits derived from the project and assess their level of satisfaction with the services and products. The assignment is intended to assess one of the performance indicators in the Project Results Framework – ‘share of target beneficiaries with rating satisfied or above on the project interventions.

4. The tasks to be carried out under the assignment includes but not limited to:

**i) Grants provided for CIG/CBO subprojects**

On the grants provided for the subprojects’ implementation, assess the level of satisfaction among the beneficiaries on the following:

- Funding levels
- Subproject preparation and implementation process as guided in the Project Grant Manual (PGM)
- Technical assistance provided during implementation
- Assess the subproject procurement process
- CIG performance
- Subproject categories implemented
- Grievance redress mechanisms
- Handling of environmental and social safeguards
- Guidance provided on sustainability of the subprojects

**ii) Training-related activities undertaken**

In view of the training sessions conducted, the following tasks will be undertaken:

- Assess the content of all training sessions conducted against the capacity needs of the beneficiaries
- Assess the level of understanding of the subject matter among the target beneficiaries against the training content offered;
- Assess the adoption of the different technologies and practices by project beneficiaries
- Assess the level of satisfaction by recipient beneficiaries of the various training sessions conducted and the justification for the same

**iii) Scholarships/Internship Programme**

- Assess the coverage of the scholarships/interns within the project area;
- Assess and determine the degree of involvement of the target beneficiaries in designing the scholarship and internship programme;
- Assess and determine the degree of beneficiaries’ satisfaction with regard to the mechanism of awarding the scholarship and internship grants
- Assess the level of perception and reception of the various categories of scholarships by beneficiaries and degree of satisfaction with the same;
- Interrogate the level of satisfaction rating provided by the respondents reached.
- Reveal deficiencies and consolidate the experience in the course of the survey

Over and above the tasks raised in each of the three areas above, the survey will also establish the following from the respondents:

- What worked well and that which didn’t work well
- Critical success factors
- Recommendations from the respondents, and
- Lessons learnt.

5. The Firm shall have the following qualifications:  
This Assignment will be conducted by a firm with similar experience in;  
**Core business and years in business:** The firm shall be registered/incorporated as a consulting firm with core business in the field survey and with an understanding of beneficiary satisfaction or related fields for a period of a minimum of 10 years.

**Relevant experience:** The firm shall demonstrate as having successfully executed and completed at least 2 No. assignments of similar nature, complexity and in a similar operating environment in the last 5 years. Details of similar assignments- Name and address of the client, scope, value, and period should be provided in the submitted Expression of Interest including enumeration of these similar past assignments.

**Technical and managerial capability of the firm:** The firm shall demonstrate as having the requisite technical capacity and managerial capacity to undertake the assignment in the submitted company profile(s). Key Experts will not be evaluated at the shortlisting stage.

6. The Consulting Services Contract is expected to be for a period of **One Hundred and Twenty (120) Days** from the date of commencement.

7. The State Department of Blue Economy and Fisheries through the **Kenya Marine Fisheries and Socio-Economic Development (KEMFSED) Project** now invites listed firms to express their interest in providing the services. The shortlisted will focus on experience in similar assignments, Similar Environment and Availability of Key Experts among the staff.

8. The Consultant Firm will be selected in accordance with the Consultant Qualification Selection method (CQS) set out in the **World Bank’s Procurement Regulations for IPF Borrowers dated September 2023 fifth Edition (Regulations)**.

9. The listed Firms may obtain further information at the address below from 0900 to 1700 hours East African Time (EAT) from Monday to Friday excluding lunch hour (1300 to 1400hours EAT) and public holidays or download full TORs on Website: **www.kemfsed.org; www.tenders.go.ke; www.mibema.go.ke**

10. Expression of interest shall be delivered by **14<sup>th</sup> January, 2025 at 1100 hours EAT**. - using one of the following modalities: (i) deposit in the tender box located on Mezzanine Floor, Maktaba Kuu Building Opposite NHIF Ngong Road Nairobi, Kenya or (ii) send by email to: **info@kemfsed.org** and quote the Assignment title and Contract No. in the Subject row. For expressions of interest that will be deposited at the tender box, the packages should be clearly marked **Consultancy Services to Undertake Beneficiary Satisfaction Survey for Kenya Marine Fisheries Socio-Economic Development (KEMFSED) Project; Contract No.: KE-MOMBEMA-C2-2024-037-CS-CQS/ MMBEMA/SDBE&F/04/2024-2025.**

# Serikali yazindua mpango wa miaka mitatu wa kupambana na dhuluma za kijinsia nchini

**NA GEORGE KAIGA, KNA**  
Serikali imezindua mpango wa miaka mitatu unaolenga kupunguza visa vya unyanyasaji wa kijinsia (SGBV) kufuatia ongezeko la visa vya mauaji ya wanawake nchini.

Mkuu wa Mawaziri na Waziri wa Mashauri ya Kigeni, MusaliaMuda-

vadi, alisema mpango wa 'Nyumba Salama, Na-fasi Salama' umebuniwa kulinda waathiriwa wa SGBV dhidi ya wanaoendesha uovu huo.

Alieleza kuwa nyumba hizo zitasaidia kuweka mazingira salama kwa Wakenya wote, zikilenga hasa wanawake na watoto.

Akizungumza mjini Kakamega wakati wa uzinduzi huo unaotarajiwa kuigwa katika kaunti zote 47, Bw Mudavadi, ambaye pia ni Kaimu Waziri wa Mashauri ya Ndani, Utamaduni na Jin-sia, alisema mpango huo unalenga kupunguza visa vya unyanyasaji wa kingono na kijinsia kupitia

uhamasishaji. uundaji, utetezi, kampeni za vyombo vya habari, na usaidizi, pamoja na mageuzi yaliyolengwa ya kisheria na kitaasisi.

Mudavadi alisisitiza kuwa nchi ina mfumo thabiti wa kitaifa wa kisheria na kisera wa kuzuia na kukabiliana na unyanyasaji wa kingono na kijinsia, na akawataka waathiriwa wasikubali kusuluhisha uhalifu huo nje ya mahakama.

Aliongeza kuwa sheria hizo sasa zinakwenda zaidi ya makosa ya kimwili na zinajumuisha vifungu vya makosa ya SGBV yanayofanywa mtandaoni. "Sheria ya Matumizi Mabaya ya Kompyuta na Makosa ya Mtandao ya mwaka 2018 ilitungwa ili kuwaadhibu wahalifu wanaotumia teknolojia kama chombo cha unyanyasaji" akasema.

"Wahusika wa mauaji ya wanawake hawawezi kujifanya waathiriwa, lazima wawajibishwe kwa matendo yao na wahusika wa uhalifu lazima watekeleze wajibu wao bila upendeleo, hili haliwezi kujadiliwa," akaonya Mudavadi.

Alisema Utafiti wa Demografia na Afya wa Kenya wa 2023 unaonyesha kuwa zaidi ya wanawake milioni 11 (asilimia 20 ya watu) wamefanyiwa ukatili wa kimwili au kingono kutoka kwa wapenzi wao wa karibu wakati wa maisha yao.

"Kati ya hawa, milioni 2.8 walikumbwa na ukatili

**Mkuu wa Mawaziri na Waziri wa Mashauri ya Kigeni, Musalia Mudavadi (shati jeupe), akiwa na Gavana wa Kakamega Fernandes Barasa (kulia), Mshauri wa Rais Kuhusu Msuala ya Wanawake, Harriet Chiggai, na viongozi wengine wakati wa kuzinduliwa kwa mpango wa miaka mitatu unaolenga kupunguza visa vya Dhuluma za Kijinsia (SGBV) nchini.**

huu katika muda wa miezi 12 iliyopita," akasema na kuongeza: "Takwimu nyengine za Kituo cha Elimu na Uhamasishaji -Ripoti ya Kenya ya 2022 zinaonyesha kuwa kati ya visa 3,762 vya GBV vilivyoripotiwa, wanawake 2,985 walikuwa waathiriwa.

Alisema takwimu hizi zinawakilisha visa vilivyoripotiwa pekee na kwamba idadi halisi ya visa vya GBV inaweza kuwa juu zaidi kutokana na kutoripotiwa, unyan-

yapaa, na hofu ya

**Wahusika wa mauaji ya wanawake hawawezi kujifanya waathiriwa, ni lazima wawajibishwe**

kulipiza kisasi.

Mudavadi alihimiza waathiriwa wote wa unyanyasaji wa kijinsia kuripoti, akitoa mfano wa Sheria ya Kumlinda Mwathiriwa inayoruhusu matumizi ya masanduku ya ulinzi ya mashahidi mahakamani na kuficha utambulisho wa mashahidi walio katika mazingira magumu kama vile watoto na waathiriwa wa unyanyasaji wa kijinsia na kwamba shahidi anaweza kuwekwa chini ya shirika la ulinzi kama anakabiliwa na vitisho.

Mkuu wa Mawaziri alipongeza kaunti zote 47 zilizo na vikundi vya kukabiliana na GBV na ukeketaji wa wanawake (FGM) akisema vina wajibu muhimu katika kuratibu majibu ya kina dhidi ya unyanyasaji wa kijinsia katika kaunti zao.

## NOTICE TO ALL HEALTH FACILITIES

### Requirement for Certification as Data Handlers/Processors

The Kenya Medical Practitioners and Dentists Council is a body corporate established under Section 3 of the Medical Practitioners and Dentists Act (CAP 253, Laws of Kenya). The mandate of the Council is to regulate the training and practice of medicine, dentistry and community oral health. The Council is also mandated by CAP 253 to regulate health facilities within the Republic of Kenya.

KMPDC wishes to inform all health institutions of a new compliance requirement under the **Data Protection Act, 2019**. The Act, implemented through the **Office of the Data Protection Commissioner (ODPC)**, mandates the regulation of personal data processing to protect individuals' privacy and mitigate the risk of data misuse.

Effective **1<sup>st</sup> January 2025**, all new health facility registrations must include a **valid Certificate of Data Handler/Processor** issued by the ODPC. Additionally, existing facilities must obtain this certification within three (3) months, by **31<sup>st</sup> March 2025**.

This requirement underscores the critical importance of safeguarding patient privacy, a fundamental aspect of ethical medical practice. By ensuring the responsible and lawful handling of personal data, health institutions not only adhere to regulatory standards but also strengthen patient trust and enhance safety.

KMPDC remains steadfast in its mission to uphold the highest standards of professionalism, accountability, and respect for individual rights in the healthcare sector.

# KPA yanunua mashua nanga iliyoundwa humu nchini ili kuboresha kazi Bandarini Lamu

NA SADIK HASSAN, KNA

Mamlaka ya Bandari za Kenya (KPA) imenunua mashua nanga iliyoundwa humu nchini katika hatua inayotarajiwa kukuza bidhaa zinazotengenezwa nchini katika sekta ya Uchumi Samawati.

Mashua hiyo iliyoibatizwa jina la KMB-9, ilijengwa na kampuni ya Southern Engineering Company (SECO) na Kenya Shipyards Limited (KSL) katika muda wa miezi tisa pekee kwa gharama ya dola 2.04 milioni (Sh264.18 milioni).

Mashua nanga hiyo ina urefu wa mita 14.5 na inaendeshwa na injini mbili.

"Mashua hii mpya itaimarisha shughuli zetu za baharini na kuinua ufanisi wa jumla wa bandari," akasema Mkurugenzi Mkuu wa KPA Kapteni William Ruto wakati wa kupokewa kwa mashua hiyo.

Aliongeza kwamba ujenzi wa meli hiyo ndani ya nchi unaambatana na sera ya serikali ya 'Nunua Kenya, Ujenge Kenya', ambayo inalenga kukuza

**Mkurugenzi Mkuu wa Mamlaka ya Bandari za Kenya (KPA) Kapteni William Ruto akizindua mashua nanga ya kwanza kuundwa humu nchini katika Eneo la Shughuli za Baharini la KPA katika Bandari ya Mombasa.**

utengenezaji na utumiaji wa bidhaa za humu nchini.

"Kupatikana kwa mashua nanga hii mpya, KMB-9, kunawakilisha mwanzo mpya kwa mabaharia wengi katika nchi yetu, na kutuleta karibu na kutimiza ndoto ya chombo cha baharini cha 'Kimeundwa Kenya,' akasema Kapteni Ruto.

Alieleza kwamba mashua hiyo ya kisasa ya kubeba mizigo ni rahisi kuhimili na ina uwezo wa kustahimili hali mbaya ya hewa baharini. Ilinunuliwa mahususi kwa ajili ya

Bandari ya Lamu ambayo iko katika mazingira kama hayo.

Wakati huo huo, afisa huyo alisema Bandari ya Mombasa imerekodi ukujaji mkubwa wa shehena kwa miaka mingi.

"Mwaka huu tuko katika hatua ya kufikia alama ya TEU milioni mbili (kitengo sawa cha futi ishirini). Njia mpya na zilizopo za meli zinazohudumia eneo hili kupitia Bandari pia zimeleta huduma mpya katika Bandari ya Mombasa," akasema.

## MINISTRY OF INFORMATION COMMUNICATIONS AND THE DIGITAL ECONOMY

### STATE DEPARTMENT FOR ICT AND DIGITAL ECONOMY

## PUBLIC NOTICE: CALL FOR COMMENTS ON THE DRAFT KENYA CLOUD POLICY

The Ministry, through a multi-stakeholder committee **"the Committee"** is in the process of developing the Kenya Cloud Policy. This Policy is aimed at promoting the adoption of cloud-based Information and Communication Technologies (ICTs) to enhance efficiency, innovation, and security in service delivery. Key areas of focus include infrastructure, hardware, software, information security, licensing, data storage, provision, and related services such as security, development, virtualization, and databases.

In accordance with the requirements of the Constitution of Kenya, which mandates public participation in policymaking, the Ministry invites members of the public, stakeholders, and all interested parties to submit their views, comments, and recommendations on the proposed policy, which will inform its review.

The Policy is available on [www.ict.go.ke](http://www.ict.go.ke).

Written submissions should be submitted to the Committee using the provided template below not later than **24<sup>th</sup> December, 2024** through electronic mail: [kenyacloudpolicy@moict.go.ke](mailto:kenyacloudpolicy@moict.go.ke) or to the address:

## LAKE BASIN DEVELOPMENT AUTHORITY

### ADVERTISEMENT FOR THE POSITION OF HEAD OF INTERNAL AUDIT (1 Post)

**Job Grade: LBDA Level 2**

#### About the Authority

The Lake Basin Development Authority (LBDA) is a national government development agency that was established by an Act of Parliament (Cap.442) of the laws of Kenya on the 31st August, 1979 to provide an avenue for a quicker, more meaningful and co-ordinated development in the Kenyan portion of the Lake Victoria basin. The Act empowered the Authority to undertake overall planning, co-ordination, implementation and monitoring and evaluation of development programmes and projects within its area of jurisdiction.

#### About the vacancy

The Authority is seeking to recruit a highly competent, analytical and objective individual to fill the position of Head of Internal Audit. The successful candidate will serve on permanent and pensionable terms of employment.

#### Functions and Responsibilities of the Office holder: -

- Developing, implementing and reviewing internal audit policies, strategies, procedures and plans in accordance with auditing standards;
- Reviewing budgetary performance, financial management, transparency and accountability mechanisms and processes in the Authority;
- Providing assurance on the state of risk management, internal control systems and governance within the Authority;
- Conducting special audits/investigations;
- Reviewing governance mechanisms and processes in the Authority;
- Reviewing the adequacy of the controls established to ensure compliance with internal policies, procedures, statutory and regulatory requirements;
- Evaluating the effectiveness of internal controls on financial and non-financial performance management systems within the Authority;
- Reviewing the effectiveness of the Authority's Enterprise Risk Management (ERM) framework;
- Providing secretariat services to the Audit and Risk Management Committee of the Board;
- Compiling and submit audit reports to the Audit and Risk Committee of the Board;
- Monitoring the implementation of legal requirements, government directives, Mwongozo, and corporate strategies and
- Responsible for performance management of the Internal Audit team.

#### REQUIREMENTS FOR THE POSITION

##### Applicants should possess the following qualifications:

- Must be a Kenyan Citizen;
- Bachelor's degree in any of the following disciplines: Commerce, Economics, Accounting, Finance, Business Administration, Business Management or its equivalent qualification from a recognized institution will be an added advantage
- Master's degree in any of the following disciplines: Commerce, Economics, Accounting, Finance, Business Administration or its equivalent qualification from a recognized institution.

#### Work experience

Relevant working experience of at least five (5) years in accounting, audit or finance at management level .

#### Required Professional Qualifications

- Certified Internal Auditor (CIA),
- Certified Public Accountants (CPA),
- Association of Certified Chartered Accountants (ACCA) or equivalent qualification from a recognized institution.

#### Professional Membership

- Registration with the Institute of Certified Public Accountants of Kenya (ICPAK).
- Registration with the Institute of Internal auditors Kenya.

#### Required Competencies and Skills

- Certificate in Management Course lasting not less than four (4) weeks from a recognized institution.
- Certificate in Leadership Course lasting not less than four (4) weeks from a recognized institution.
- Certificate in computer application skills.

#### Candidates should be able to demonstrate

- Strategic Leadership and Performance Management
- Analytical, Problem Solving and Decision Making
- Adherence to National Values and Principles of governance and
- Risk Management

#### Important information to all Candidates:

- All shortlisted candidates will be required to submit clearance certificates from Ethics and Anti-Corruption Commission (EACC), Kenya Revenue Authority (KRA), Directorate of Criminal Investigations (DCI), Credit Reference Bureau, Higher Education Loans Board (HELB) and must be cleared by relevant professional bodies.
- Only shortlisted candidates will be contacted for the interview.
- Candidates to provide details of three (3) referees.
- Women, People Living with Disability (PWD) and people from marginalized areas are encouraged to apply.
- Canvassing in any form will lead to automatic disqualification.

Interested persons who meet the above minimum criteria are requested to submit applications enclosing a curriculum vitae (CV) and copies of relevant academic and professional certificates addressed to;

**The Managing Director  
Lake Basin Development Authority  
P.O Box 1516- 40100  
KISUMU-KENYA**

OR

Applications should be emailed to the **Managing Director Lake Basin Development Authority** through email: [applications@lbda.go.ke](mailto:applications@lbda.go.ke) **All the documents should be in a Single PDF File.**

OR

Hardcopies of the applications can be physically dropped at the Authority's Head office in Kisumu, Off-Kisumu-Kakamega Road during normal working hours from 8am-5PM Monday-Thursday and or from 8am-4PM on Friday.

**NOTE: Applications to reach on or before 7<sup>th</sup> January 2025 by PM.**

# Tume ya Kitaifa ya Ardhi kutoa Sh50 milioni za fidia kwa waathiriwa wa ujenzi wa barabara kuu ya Sagana-Kenol

**NA SAMUEL MAINA NA WANGARIMWANGI, KNA**  
Serikali imeidhinisha kutolewa kwa Sh50 milioni kama sehemu ya malipo ya fidia kwa watu walioathiriwa na mradi ambao ardhi yao ilichukuliwa kwa ajili ya ujenzi wa barabara kuu ya Sagana-Kenol.

Hiyo ni sehemu ya fidia ya mamilioni ya pesa ambazo zimelipwa kwa familia ambazo ardhi yao ilichukuliwa kwa ujezi wa barabara.

Kamishna wa Tume ya Kitaifa ya Ardhi (NLC) Esther Murugi alisema pesa hizo zinatarajiwa kuwekwa kwenye akaunti za benki za walengwa kufikia wiki ijayo.

Murugi, ambaye awali aliwahi kuwa Mbunge wa Nyeri Mjini, alisema

kucheleweshwa kwa malipo ya fidia kunatokana na mizozo mingi ya kifamilia, ambayo wakati fulani imelazimisha tume kusubiri mizozo hiyo itatuliwe. Murugi alikuwa akizungumza mjini Nyeri wakati wa kusikizwa kwa kesi mbili-kongamano la madai ya dhuluma za kihistoria la siku lililoandaliwa na tume hiyo.

“Tunajua watu walioathirika hawana furaha, lakini pia tunaelewa hali ya kifedha inayokumba nchi, na itakuwa ni matakwa yetu kwamba mradi unapoanzishwa watu walioathirika walipwe. Lakini tunafanya chochote tunachoweza. Tuliweza kuidhinisha Sh50 milioni ambazo watu walioathiriwa wataweza kupata kufikia wiki ijayo.

**Kazi inayoendelea ya ujenzi kwenye makutano ya Marua ambayo ni sehemu ya barabara kuu ya Kenol-Marua. Kucheleweshwa kwa malipo ya fidia kwa watu walioathiriwa na ujenzi huo kunaendelea kutatiza kukamilika kwa mradi huo.**

Itakuwa zawadi ya Kris-masi kwao,” akaambia KNA kando ya kongamano hilo.

Jumla ya Sh4.8 bilioni zilikuwa zimetengwa

kama pesa za fidia kwa jumla ya waathiriwa 2,350 huku 1,014 wakiwa wakazi wa Kaunti ya Kirinyaga na 1,350 wakitoka Nyeri.

Mnamo Septemba mwaka huu, ripoti ya Mamlaka ya Kitaifa ya Barabara Kuu ya Kenya (KeNHA) ilionyesha ni watu 453 pekee (asilimia 34) kutoka Nyeri wali kuwa wamepokea fidia na kuacha madai 897 yakisubiri.

Kirinyaga ilikuwa inaongoza huku angalau asilimia 92 au familia 932 zikiwa tayari zimepokea fidia.

“Kucheleweshwa kwa malipo ya fidia kwa ajili ya ununuzi wa ardhi na mali zilizoathirika kwenye baadhi ya sehemu za barabara kumesababisha wakandarasi kusimamisha kazi katika barabara hii. Sehemu isiyopatikana kwa jumla ni kilomita 7.598 kati ya kilomita 36,” ikasoma sehemu ya

ripoti iliyowasilishwa kwa Kamati ya Uratibu na Usimamizi wa Kaunti ya Nyeri (NGD-CICMC) na Naibu Mhandisi wa KeNHA eneo la Kati Javan Wandiemu.

“Kucheleweshwa kwa malipo ya fidia kulisababisha kuchelewa kuanza kwa ujenzi wa daraja katika eneo hili,” ikaongeza ripoti hiyo.

Wandiemu alisema kamati hiyo imeongeza ucheleweshaji wa malipo ya wadau Hazina ya Taifa, lakini bado hawajapata habari kuhusu wakati pesa zitapatikana kulipa waliobaki.

Kwa kawaida KeNHA, ambao nao huweka fedha hizo kwa Tume ya Kitaifa ya Ardhi (NLC) ambayo ndiyo wakala wa kulipa, hupokea pesa hizo.

REPUBLIC OF KENYA

KENYA DEVELOPMENT CORPORATION  
Financing Progress Prosperity

REGISTRATION OF SUPPLIERS

The Kenya Development Corporation Limited (KDC) is a state Corporation established to facilitate Industrial and Economic Development in Kenya by Initiation, Assistance or Expansion of Industrial, Commercial and other Enterprises

The Corporation invites sealed bids from interested firms to register as suppliers for the provision of various goods, works and services for the period 2025 -2027.

Category Number	Description	Eligibility
CATEGORY A: SUPPLY OF GOODS		
A1	Supply, delivery and maintenance of ICT Equipment (Computers, printers, iPads and related equipment/ accessories).	Open
A2	Supply and delivery of Promotional Materials	Open
A3	Supply and delivery of Newspapers, Magazines, Periodicals, Books, Journals, Publications and Library Material	Open
A4	Supply, delivery and maintenance of office furniture, fittings and Office Equipment	Open
A5	Supply and delivery of tyres, tubes and batteries	Open
A6	Supply and delivery of general stationery and computer consumables.	Disadvantaged Groups
A7	Supply and delivery of Assorted Hardware material	Disadvantaged Groups
CATEGORY B: PROVISION OF SERVICES		
B1	Provision of graphic design and printing services	Open
B2	Provision and maintenance services of networking services, structured cabling, telephone & telecommunication equipment	Open
B3	Provision of maintenance services for firefighting equipment	Open
B4	Provision of archival services, label management & filing systems services	Open
B5	Provision of auctioneering services and court process servers (registered firms with valid practicing certificate)	Open
B6	Provision of Valuation & Estate Agency Services (Attach valid practicing certificate)	Open
B7	Provision of Legal Services	Open
B8	Provision of repair and maintenance services for back up diesel generators	Open
B9	Provision of debt collection services.	Open
B10	Provision of private investigation services.	Open
B11	Provision of repair and maintenance services for Air Conditioning Equipment and mechanical ventilation.	Open

CATEGORY B: PROVISION OF SERVICES		
B12	Provision of Air Travel, Reservations and Ticketing Services (IATA Registered Firms only).	Disadvantaged Groups
B13	Provision of team building facilitation services.	Open
B14	Provision of website design, hosting and maintenance services	Open
B15	Provision of Asset Tagging Services	Open
B16	Provision of Tracking Services	Open
B17	Provision of outside catering services.	Open
B18	Provision of event organizing services, décor, tents and chairs	Disadvantaged Groups
B19	Provision of photography and video recording services	Disadvantaged Groups
CATEGORY C: PROVISION OF CONSULTANCY SERVICES		
C1	Provision of Human Resource Consultancy, Training and Capacity Building Services	Open
C2	Provision of Research and Survey Services	Open
C3	Provision of Consultancy Services for Feasibility Study Development	Open
C4	Provision of Consultancy Services for Business Plan preparation	Open
C5	Provision of Consultancy Services for Transaction Advisory Services	Open
C4	Provision of training services on drug abuse and HIV/AIDS	Disadvantaged Groups
C6	Provision of Consultancy Services for ICT, ICT Risk and ICT Security Audit Services	Open
C7	Provision of Consultancy Services for Project Management Audit Services	Open
C8	Provision of Consultancy Services for Legal and Corporate Governance Audit Services	Open
C9	Provision of Consultancy Services for Mechanical Engineering Services	Open
C10	Provision of Consultancy Services for Electrical Engineering Services	Open
C11	Provision of Consultancy Services for Civil Engineering Services	Open

CATEGORY C: PROVISION OF CONSULTANCY SERVICES		
C12	Provision of Consultancy Services for Soil Testing Engineering Services	Open
C13	Provision of Consultancy Services for Architectural Services	Open
C14	Provision of Consultancy Services for Quantity Surveying Services	Open
C15	Provision of Consultancy Services for Land Surveying Services	Open
C16	Provision of Consultancy Services on Sharia Compliant Financing	Open
CATEGORY D: PROVISION OF WORKS		
D1	Provision of Various Small Works including repair and maintenance of building, carpentry, masonry, electrical and plumbing services (NCA registered firms only)	Open
D2	Repair & maintenance of motor vehicles (Registered garages only)	Open

The disadvantaged groups are Women, Youth and Persons Living with Disabilities who have registered with the Ministry of National Treasury (AGPO Certificate)

Interested firms **MUST** meet all the requirements as stated in the registration documents.

Interested eligible candidates may obtain the registration documents by downloading free of charge from the Corporation's website: [www.kdc.go.ke](http://www.kdc.go.ke) and the Public Procurement Information Portal at <https://tenders.go.ke/>.

Completed registration application shall be sealed in a plain envelope, clearly marked as stated in the particular document showing the reference and title of the preferred category and addressed to:-

**Director General  
Kenya Development Corporation Limited (KDC)  
17th Floor, Uchumi House, Aga Khan Walk  
P.O. Box 12665 - 00100, Nairobi**

Completed documents shall be deposited in the Tender box located at the reception area on 17th Floor, Uchumi House Aga Khan Walk, Nairobi, so as to be received on or before on **17th January 2025 at 10.00 am**

**DIRECTOR GENERAL  
KENYA DEVELOPMENT CORPORATION**

# Serikali yaonya jamii za Maa na Ilchamus dhidi ya kuuza ardhi zao kiholela

NA JACQUELINE ADYANG (PCO)

Serikali imetoa tahadhari kwa jamii ya Maa na walio wachache na waliotengwa wa jamii ya Ilchamus dhidi ya kuuza ovyo ardhi ya mababu zao, ikisisitiza umuhimu wake katika kusaidia kilimo na mifugo.

Josephat Lowoi Lodeya, Mkurugenzi wa Kitengo cha Masuala ya Wachache na Waliotengwa, alihimiza jamii hizo ziline urithi wake wa kitamaduni kutoka kwa uharibifu zaidi, akiwataka wachukua hatua madhubuti kusitisha uuzaji wa ardhi yao.

Akizungumza wakati wa hafla ya kitamaduni ya jumuiya ya Ilchamus, Bw Lowoi alionya kuwa mwelekeo huo una athari kubwa kama hautadhibitiwa na akaelezea wasiwasi wake kuwa uuzaji huo wa ardhi unaweza kuathiri uthabiti wa kiuchumi wa jamii na kuwafanya wakaazi wake kukosa ardhi.

“Watu wa jamii ya Maa wamo hatarini ya kuwa maskwota katika ardhi ya mababu zao kama uuzaji wa urithi utaendelea bila kudhibitiwa,” akaonya.

Alisisitiza uhusiano wa ndani kati ya ardhi, utambulisho, na maendeleo endelevu, akisisitiza haja ya hatua za makusudi kulinda mali hizi muhimu kwa vizazi vijavyo.

Lowoi aliwataka viongozi wa jamii na wadau washirikiane katika ku-

hamasisha watu kuhusu umuhimu wa usimamizi endelevu wa ardhi ili kuhakikisha mali hiyo muhimu inahifadhiwa kwa ajili ya vizazi vijavyo.

“Ardhi ya mababu zetu ndiyo msingi wa utambulisho wetu wa kitamaduni na uwezesaji wa kiuchumi. Ni lazima tuchukue mikakati ya muda mrefu kuzihifadhi kama urithi wa vizazi vijavyo,” akasema.

Akihutubia umati wa zaidi ya washiriki 10,000, wakiwemo maafisa wa serikali, viongozi wa jamii, wazee, wapiganaji 7,000 wanaofuzu kuwa wamorani, na wakazi, Lowoi alithibitisha dhamira thabiti ya serikali ya kuhifadhi uadilifu wa kitamaduni na kiuchumi wa jamii zilizotengwa.

Hafla hiyo ilia dhimishwa na Sherehe ya Lmuget ya muongo mmoja wa jamii ya Ilchamus, hafla muhimu ya kitamaduni iliyosherehekea urithi wa watu wa Maa.

Sherehe ya mwaka huu inajiri baada

**Watu wa jamii ya Maa wamo hatarini ya kuwa maskwota katika ardhi ya mababu zao wakiendelea kuuza ardhi waliyorithi**

ya mahafali ya tohara ya wavulana karibu 7,000 kutoka Ilmeiduriki Age Set, kuashiria mabadiliko yao hadi utu uzima.

Ngoma za kitamaduni, baraka kutoka kwa wazee, na hotuba zenye kuchochea fikira zilikuwa kiini cha sherehe hizo za kitamaduni, zikisisitiza uthabiti wa kudumu na umoja wa jamii.

Mbali na sherehe hizo za kitamaduni, hafla hiyo ilitumika kama jukwaa la kujadili maswala muhimu ya jamii, pamoja na uhi-fadhi wa ardhi, utambulisho wa kitamaduni, na maendeleo ya kijamii na kiuchumi.

Lowoi alisisitiza kuji-tolea kwa serikali kukuza maendeleo ya eneo hilo kwa kulinda jamii za kiasili na rasilimali zake.

Hatua hiyo muhimu ya kitamaduni ilisherehekea urithi wa watu wa Ilchamus na kusisitiza kulinda ardhi ya mababu kama sehemu muhimu ya maendeleo ya kitaifa.

Sherehe ya Lmuget Loo nkweny inatambuliwa kama ushuhuda wa utofauti wa kitamaduni wa Kenya na uwezekano wa mila kama hizo kukuza utangamano wa kitaifa na kuchochea utalii.

Viongozi katika hafla hiyo walihimiza jamii na wadau kutumia utajiri wa kitamaduni wa Kenya kama njia ya kuimarisha maendeleo.

Kupitia juhudi hizi, serikali imejitolea kulinda haki na urithi wa jamii zote nchini.

## Kericho yatia saina mradi wa umeme wa Sh60m na REREC

NA KIBE MBURU, KNA

Shirika la Umeme Vijijini na Nishati Mbadala (REREC) na Serikali ya Kaunti ya Kericho zimetia saina mkataba wa maelewano ili kusaidia upanuzi wa miundomgingi ya umeme katika kaunti zote ndogo sita za Kaunti ya Kericho kwa gharama ya KSh 60 milioni.

Chini ya makubaliano hayo, Serikali ya Kaunti ya Kericho na REREC kila moja itachangia KSh30 milioni ili kuimarisha miundomgingi ya umeme katika kaunti hiyo.

Akizungumza baada ya kutiwa saina kwa mkataba huo katika makao makuu ya serikali ya kaunti, Afisa

Mkuu Mtendaji wa REREC, Dkt Rose Mkalama, alisema kwamba ushirikiano huo unaashiria mwanzo wa safari ya kuleta mabadiliko ya kuharakisha maendeleo ya kijamii na kiuchumi.

“Kuna juhudi za makusudi za serikali ya kitaifa kuhakikisha kwamba maeneo ya mashambani yanapata umeme. Hili ni muhimu kwa sababu maendeleo ya kijamii na kiuchumi yanaanzia katika kitengo kidogo kabisa, ambacho ni jamii. Tumejitolea sana, kama REREC, kufikia kila mtu nchini,” akasema Dk. Mkalama.

Alitaja kuwa mae-

neo mengi nchini bado hayana umeme na akahakikisha kuwa serikali inashirikiana na washikadau wengine kuhakikisha Wakenya wengi wanapata umeme.

“Hazina ya mlinganisho wa fedha inaliganisha shilingi kwa shilingi. Kaunti ikitoa KSh30 milioni, REREC nayo inatoa KSh30 milioni, kiwango cha juu zaidi kwa kila enebunge kikiwa KSh5 milioni. Kwa pamoja, tunatambua miradi na serikali za kaunti, tukihakikisha fedha zime-tengwa ili kuunganisha wananchi wengi iwezekanavyo,” akaeleza Dkt Mkalama.

- Tenderers must register their bid documents at the Procurement Office or via email at [procurement.programs@kemsa.go.ke](mailto:procurement.programs@kemsa.go.ke) (Refer to registration form in the tender document) to facilitate any further clarification or addendum.
- The tenderers shall chronologically serialize and paginate all pages of the tender document submitted.
- The bid documents must be deposited in the **Tender Box No.2 marked Global Fund** at the reception on the Ground floor- Office Block, KEMSA, National Supply Chain Centre, Embakasi Off Airport North Road, Nairobi on or before the dates indicated in the table above.
- Bulky tenders can be handed over to KEMSA Procurement Director's office for registration and safekeeping till the tender opening date.
- Tender documents will be opened immediately after closure of the tender at the KEMSA Tender Opening Hall located at Ground floor- Office Block, KEMSA, National Supply Chain Centre, Embakasi Off Airport North Road, Nairobi in the presence of the bidders or their representatives who may choose to attend.
- Late bids shall be rejected and returned unopened.
- There will be a Pre bid conference at KEMSA's Tender Opening Hall, Office Block -Ground Floor, National Supply Chain Centre, Embakasi Off Airport North Road, Nairobi, Kenya on **Friday 10th Jan 2025 at 10:00am**

**KEMSA: YOUR PARTNER IN HEALTHCARE**

# Serikali kuboresha ufadhili wa elimu ya juu na miundomsingi, kwa mujibu wa Katibu Mkuu

**NA SALOME ALWANDA, KNA**

Serikali imejitahidi kuongeza ufadhili wa elimu ya juu, Katibu Mkuu wa Idara ya Elimu ya Juu na Utafiti, Beatrice Inyangala, amesema. Alisema serikali imejitolea kusaidia taasisi za elimu ya juu kwa kutoa rasilimali muhimu na kukuza mazingira mazuri ambayo yanakuza uvumbuzi, fikra za kina na ustahimilivu. Akizungumza wakati wa hafla ya kufuzu katika Chuo Kikuu cha Alupe Ijumaa iliyopita, Inyangala alibainisha kuwa licha ya changamoto zinazokabili elimu duniani, serikali ya Kenya bado imejitolea kuongeza ufadhili wa elimu ya juu. “Tunatambua kwamba vifaa vya kisasa ni muhimu kwa uzoefu mzuri wa kujifunza, na tunapowekeza katika kupanua vyuo vikuu, tutahakikisha kwamba wanafunzi wanapata madarasa ya kisasa, maabara, na vifaa vya burudani,” akasema. Alitangaza pia kwamba

serikali, kupitia Mradi wa Nyumba za Bei Nafuu, itajenga vyumba 2,000 katika Chuo Kikuu cha Alupe kuanzia Desemba hii. “Zabuni imetolewa na vyumba vitakamilika kwa wakati ili kutoa malazi yanayofaa kwa wanafunzi wote,” akasema. Katibu Mkuu alisema mpango huo utaboresha mazingira ya kusomea kwa wanafunzi na pia kutayarisha chuo kikuu kukidhi mahitaji yanayoongezeka ya elimu nchini. “Sambamba na dhamira yetu ya kuboresha rasilimali za elimu, ujenzi wa maktaba mpya katika taasisi hii unaendelea,” akasema, akiongeza kuwa miundomsingi itatoa kitovu muhimu cha utafiti na masomo. Inyangala alisema kuwa Chuo Kikuu cha Alupe kina jumba la maonyesho lenye uwezo wa kukaa watu 500 kupitia msaada kutoka Hazina ya Kitaifa. “Kituo hiki kinatoa nafasi wazi zaidi kwa utendaji wa mihadhara, sherehe na shughuli mbalimbali za

kijamii na kitamaduni,” akasema. Alikipongeza Chuo Kikuu cha Alupe kwa kupanua programu zake za kitaaluma ili kuwiana na mahitaji ya wafanyakazi nchini kama yalivyoainishwa katika Ajenda ya Mabadiliko ya Kiuchumi ya Bottom-Up. “Nataka kushukuru Chuo Kikuu cha Alupe kwa kuchangia kwa njia mbalimbali katika mipango yetu ya maendeleo kupitia makazi, Kilimo, Biashara Ndogo, mfumo mkuu wa kidijitali na uchumi bunifu,” akasema. Katibu Mkuu alisema kuwa programu zote zinazotolewa katika Chuo Kikuu zinazingatia uwezo wa elimu. “Uwiano huu ni muhimu kwani unalenga kukuza ujuzi na umahiri ambao ni muhimu katika nguvu kazi ya leo,” akasema na kuongeza kuwa kuanzishwa kwa programu mpya kutahakikisha wahitimu wamejitayarisha vyema kukidhi mahitaji ya uchumi yanayoendelea. Inyangala alisema

Mpango Mkakati mpya wa Chuo Kikuu cha Alupe 2024-2028 uliozinduliwa utatoa mwongozo wa kueleza chuo hicho kufikia ubora katika elimu, utafiti na maendeleo ya jamii. “Wizara yetu ya elimu inachukulia mpango huu kuwa hatua muhimu sana katika kujitolea kwenu kuendeleza upatikanaji wa elimu ya chuo kikuu yenye ubora, inayofaa na nafuu,” akasema, akiibainisha kuwa ruwaza ya chuo kikuu hicho imeainishwa wazi katika mpango mkakati. Wakati huo huo Katibu Mkuu alisema kuwa serikali inaongeza ufadhili kwa vyuo vikuu kupitia mfumo mpya wa ufadhili kwa vuo vikuu. “Kupitia mfumo huu, tunalenga kushughulikia mahitaji ya wazazi na wanafunzi kwa kujitolea kikamilifu kwa serikali kusaidia hadi asilimia 95 ya gharama za programu za chuo kikuu ili wanafunzi wanaohitimu kwa programu yoyote wasikataliwa kwa sababu ya gharama,” akasema

Katibu Mkuu wa Elimu ya Juu na Utafiti, Beatrice Inyangala, akihutubia waliofuzu wakati wa sherehe ya tatu ya kufuzu ya Chuo Kikuu cha Alupe.

na kuongeza kuwa rais aliunda Kamati ya Kitaifa ya Utendaji kupata maoni ya umma na wanafunzi ili yaweze kuhudumiwa ipasavyo. Inyangala alionyesha imani kuwa mfumo wa ufadhili wa vyuo vikuu utahudumia

**Uoanishaji huu ni muhimu kwani unalenga kujenga ujuzi na ushindani ambao ni muhimu kwa wafanyakazi wakati huu**

wanafunzi wote kulingana na mahitaji yao. “Kama serikali tumejitahidi pia kuweka mazingira wezeshi kwa vyuo vikuu kubadilisha mahitaji yao ya ufadhili ili viweze kuongeza rasilimali zinazopatikana kutoka kwa Hazina ya Kitaifa,” akasema. Aliwataka wahitimu washirikiane na jamii na kubadilishana ujuzi wao wanapoendelea kutafuta masomo ya maisha. Gavana wa Busia, Paul Otuoma, aliahidi kufanya kazi kwa karibu na Chuo Kikuu hicho na kuhakikisha kuwa taa kuangaza mbali zimewekwa katika taasisi hiyo.

### Public Notice

#### Reminder: Migrated Legacy System Taxpayer Ledger Balances

The Kenya Revenue Authority (KRA) reminds taxpayers that they have up to **31<sup>st</sup> December, 2024** to raise any concerns on the VAT and Income Tax migrated legacy system ledger balances for resolution.

The migrated balances have been communicated to the respective taxpayers through their iTax registered email addresses. These balances can be accessed through the taxpayer's iTax profile under the General Ledger, 'Account Type – Taxpayer Legacy Account' menu. Detailed statements of the migrated balances are also available for download under the taxpayer's iTax profile, 'Debt & Enforcement' Menu.

Taxpayers with debit balances should arrange to pay the outstanding taxes. The credit balances that qualify as tax overpayments will be available for utilization in offsetting tax liabilities in accordance with the provisions of Section 47(1)(a) of the Tax Procedures Act.

For any clarification on the migrated balances, taxpayers can access the guidelines on the KRA website through <https://www.kra.go.ke/individual/legacy-system-ledger-reconciliation/migrated-ledger-balances/background-of-the-legacy-tax-system>; or reach out to the nearest KRA Office or contact us through the email address: [dtdlegacysupport@kra.go.ke](mailto:dtdlegacysupport@kra.go.ke)

# Chuo cha Ufundi cha Taita Taveta chazidisha ubora kwa vifaa kuhusu taaluma ya madini

NA ARNOLD LINGAMASILA, KNA

Serikali ya Kitaifa imeidhinisha vifaa vya kisasa vya thamani ya Sh47 milioni vya madini ya vito katika Chuo cha Kitaifa cha Ufundi cha Taita Taveta (TTNP), ambacho ni cha kwanza cha aina yake nchini Kenya. Hatua hiyo inalenga kuziba pengo la ujuzi katika utambuzi wa vito, ubora wake na uongezaji thamani.

Akizungumza wakati wa hafla hiyo, Mkurugenzi wa Elimu na Mafunzo ya Ufundi (TVET) Dkt. Esther Muoria alisifia mpango huo kama uthibitisho wa dhamira thabiti ya serikali ya kuwezesha vijana na wachimbaji madini.

Vifaa hivyo, vinavyoungwa mkono na Young Africa Works na kufadhiliwa na Wakfu wa Mastercard kupitia Vyuo na Taasisi za Canada (CICan), vimegeuza chuo hicho kuwa taasisi ya mafunzo bora kuhusu taaluma ya madini.

“Kwa vifaa hivi vipya, Chuo cha Kitaifa cha Ufundi cha Taita Taveta sasa kimetayarishwa kutoa wahitimu ambao wanaweza kufikia viwango vya kimataifa ka-

Katibu Mkuu wa Elimu na Mafunzo ya Ufundi (TVET) Dkt. Esther Muoria, akizungumza na mwanafunzi katika maabara ya taaluma kuhusu madini iliyofunguliwa hivi majuzi katika Chuo cha Kitaifa cha Ufundi cha Taita Taveta mjini Voi.

tika sekta ya madini ya vito. Hii ni hatua ya kusimua kwa sekta ya TVET nchini Kenya, kitendo cha kutia moyo. Kumbuka, hata kama tuna chuo kikuu kinachohusika katika hili au nyingine yoyote, ujuzi halisi, watu ambao wanapaswa kufanya, watatoka kwa taasisi hii. Kwa hivyo, ni muhimu sana tuchukulie mpango huu kwa uzito unaostahili,” akasema Dkt. Mu-

oria.

Alifichua kwamba chuo hicho sasa kinatoa mafunzo kuhusu madini katika ngazi ya 4, 5, na 6, na wanafunzi 34 wamejiandikisha kwa sasa.

Hata hivyo alitoa changamoto kwa taasisi hiyo kuongeza idadi hiyo kwa kiasi kikubwa ili chuo hicho kitumike kikamilifu.

“Tuna wanafunzi 34 pekee, lakini tuna-

paswa kuzungumza kuhusu wanafunzi 200 wanaotumia maabara

**Nataka mtambue kwamba kuwa Chuo cha Kitaifa cha Ufundi ni changamoto kubwa**

hii, na hivyo ndivyo tutakavyoendeleza jamii yetu hapa na nchini kwa jumla. Nambari ni muhimu,” akasema.

Katibu Mkuu alisema serikali ina lengo la kuandikisha wanafunzi milioni mbili katika taasisi za ufundi nchi nzima ifikapo Juni mwaka ujao, na kuitaka chuo hicho kihakikishekinatekeleza wajibu wake wa kuandikisha wanafunzi wengi iwezekanavyo ili kufikia lengo hilo.

Alisisitiza umuhimu wa kuongeza usajili katika chuo hicho cha ufundi, ambacho kwa sasa kina wanafunzi 3,400, na kushangaa ni kwa nini taasisi hiyo kuu inashindwa kufikia uwezo wake.

Katibu Mkuu aliagiza taasisi hiyo na viongozi wa eneo hilo wahakikishe wanafunzi zaidi, haswa kutoka Kaunti ya Taita Taveta, wanatumia fursa za mafunzo.

“Nataka mtambue kuwa kuwa Chuo cha Kitaifa cha Ufundi ni changamoto kubwa. Sio tu kupata jina; ni kuhusu kufanya kile ambacho Chuo cha Kitaifa kinapaswa kufanya,” akasisitiza.

Dkt. Muoria aliangazia manufaa mapana zaidi ya

vifaa hivyo vipya, hasa kwa wachimbaji madini wa eneo hilo, ambao ni uti wa mgongo wa sekta ya madini ya kaunti.

Kaunti ya Taita Taveta ina zaidi ya aina 40 za vito vya thamani ya juu, ikiwemo yakuti, garnet na tourmaline.

Hata hivyo, wachimbaji wadogo wanakabiliwa na changamoto kubwa, kama vile kutumia zana za jadi, ukosefu wa mafunzo, na shida ya kupata soko.

“Kupitia kituo hiki bora cha taaluma ya madini, wenyeji, vijana wa kiume na wa kike, na waku-funzi wote sasa wataweza kupata mafunzo ya kiu-fundi yanayohitajika kuhusu mbinu zinazofaa za uchimbaji madini, kupata mafunzo ya viwango vya afya na usalama katika uchimbaji madini, kupata ujuzi na maarifa kuhusu jinsi ya kupata soko,” akaelezea.

“Nimeambiwa hivi punde kwamba tayari tunapata soko linalohitajika nchini Canada, na hakuna kitu kizuri kama kupata mafunzo ya kazi iliyo tayari. Hii ni hatua ya kuhakikisha kwamba wachimbaji wetu wanapata kile wanachostahili kweli,” akaongeza.

## Mpango wa Talanta Hela kuzingatia zaidi wanaridha wachanga - Murkomen

NA JUDY TOO, KNA

Serikali imejikita katika kukuza vipaji vya vijana katika ngazi za mashinani.

Waziri wa Masuala ya Vijana, Uchumi Bunifu na Michezo, Kipchumba Murkomen, amesema kumustakabali wa michezo nchini ni mzuri, na mapato ni makubwa.

“Serikali ya Kenya ndiyo mfadhili mkuu, na Wizara ya Michezo, kupitia Hazina ya Michezo, imetoa mchango mkubwa kama njia ya hakika ya kukuza vipaji na kuwatuza wanamichezo,” akasema Murkomen.

Murkomen aliongeza kuwa sehemu ya Mpango wa Talanta Hela ni kusaidia michezo kama vile mbio za nyika ambazo zinakuza kizazi kipya.

“Tunafanya kazi na wanariadha wetu kama wizara ya kufadhili michezo,” akaelezea.

Waziri alisisitiza kuwa Mpango wa Talanta Hela unalenga kuwapa kipambele vijana walio na umri wa chini ya miaka 20, hasa walio katika shule za msingi na za upili. “Nimetoa maagizo kwa Chuo cha Michezo Kenya, tunataka kuangazia zaidi suala la vijana wa kizazi kipya ambao wako shuleni, ndiyo maana tunaweka rasilimali katika mashindano ya kitaifa kwa shule za msingi na sekondari na tunafadhili kwa zaidi ya bilioni moja. Tunataka kuweka rasilimali mahali tunapoenda kukuza talanta yetu,” akasema Waziri.

Akizungumza wakati wa Toleo la Pili la Mbio za Nyika za Chepsaita mjini Eldoret, Kaunti ya Uasin Gishu, Murkomen alibainisha kuwa kuna kambi 54 zinazoendeshwa na AK kote nchini na katika kambi hizo, kuna watoto

karibu 3,000 wanaofunzwa riadha na ambao walichaguliwa kutoka katika michezo ya shule za msingi na sekondari.

“Tunataka kufundisha kizazi chetu kichanga na kurudisha mbio zetu za kuruka viunzi na kuwa washindi wa riadha ya ulimwengu kwa mara nyingine,” akasema.

Alisema michezo ya kitaaluma ya Kenya kwa sasa inakaribisha vijana karibu 3,000 walio chini ya miaka 17, ambao wanapitia mafunzo ya soka, raga, voliboli, mpira wa vikapu na michezo mingine yote kulingana

**Tunataka kufunza vijana wetu na kurudia michezo wetu wa kuruka viunzi na kuwa washindi wa dunia tena**

Watoto wakishiriki mbio za nyika za Chepsaita zilizoandaliwa hivi majuzi.

na Talanta Hela.

“Tunataka kuhakikisha kwamba wanariadha wetu wanapomaliza elimu ya sekondari wanapata fursa katika chuo kikuu na ndiyo maana mbio hizo za marathon ni muhimu kwani zinaleta pamoja michezo na elimu na tunataka wanariadha wetu waelimishwe wakikimbia,” akasema Murkomen.

Waziri alitambua kuwepo kwa changamoto

kubwa kutokana na unyanyasaji wa kijinsia (GBV) michezoni, na kuhakikishia kuwa wizara imezindua timu ya kushughulikia suala hilo.

“Hili ni tatizo kubwa, na tunatakiwa kukabiliana nalo, hasa katika maeoneo ambayo wanariadha wanafanya mazoezi. Ni lazima tushutumu GBV, na lazima tufichue wavamizi wanaojifanya kuwa makocha au hata wapenzi wa

wanariadha,” akasema Murkomen.

Alitangaza kuwa wanariadha maarufu na wanariadha waliostaafu watapewa hati za kusafirira za kidiplomasia. “Tumeanza majadiliano na Wizara ya Mashauri ya Ndani ili kuhakikisha mchakato wa kuhakiki unapitishwa na ni wanariadha wa kiwango cha uthabiti watapewa pasipoti ya kidiplomasia,” asema.

# Serikali yazindua vituo vya dijitali kwa vyuo vya Ufundi Kakamega

**NA MOSES WEKESA, KNA**  
Serikali imezindua vituo viwili vya kidijitali katika Shule ya Kaunti ya Kakamega na Shianda Polytechnic katika jitihada za kuimarisha upatikanaji wa teknolojia ya kidijitali na kuwezesha vijana kujifunza, kuunganisha na kuchuma mapato kupitia jukwaa la kidijitali.

Mawasiliano, na Uchumi wa Kidijitali katika vyuo vyote vya mafunzo ya ufundi. Alisema kuwa mpango huo umejikita katika Ajenda ya Mabadiliko ya Bottom-Up (BETA) ya mfumo mkuu wa kidijitali na uchumi bunifu, ambayo inalenga kuanzisha vituo 1,450 vya kidijitali kote nchini ili kuchochea ajira bora na fursa nyengine za kujikimu kimai-sha kwa vijana. Mudavadi alisisitiza kwamba vituo hivyo ni watumiaji wakuu wa mtandao wa fiber optic ambao serikali imeweke kote nchini na ni viingilio muhimu kwa

uchumi unaoibuka wa kidijitali ambao unabadilisha maisha ya raia. “Kitovu cha cha kidijitali huhakikisha kuwa kila mtu katika eneo husika wakiwemo wanafunzi, watafiti na wenye biashara ndogo wanapata Wi-Fi ambayo kinatoa pamoja na mtandao wa nyuzi wenyewe. Kuwepo kwa Wi-Fi kwenye kitovu kizima kuhakikisha mtu yeyote wanaweza kuleta kifaa chake ili kuunganisha na kukitumia,” akaeleza. Mkuu wa Mawaziri aliongeza kuwa mtandao wa bure unaotolewa katika vituo vya kidijitali unawezesha vijana ku-

Mkuu wa Mawaziri Musalia Mudavadi akizindua Kitovu cha Dijitali cha Chuo cha Ufundi cha Kakamega. Picha na Moses Wekesa.

pata ujuzi wa kidijitali, na kuunganishwa na mafunzo ya kimataifa ya mtandaoni, na rasilimali za uchumi dijitali, akibainisha kuwa upatikanaji

wa nishati ya hakika, kutoka mfumo wa kitaifa au mfumo wa jua itakuwa muhimu kwa vitovu hivyo katika kuhudumia wenyeweji.

Mudavadi alieleza kuwa kwa kufungua nafasi ya kidijitali, serikali imedhirisha kwa vitendo kuwa kutumia teknolojia ya kidijitali huongeza ufanisi na kuchochea fursa za mabadiliko ya kiuchumi na kijamii. “Tumepata maendeleo makubwa ambayo yamefanya Kenya kiongozi katika uwanja wa teknolojia ya dijitali, kutoka kwa huduma 354 pekee, serikali sasa ina huduma zaidi ya 22,000 kwenye jukwaa la e-citizen. Hii inawakilisha asilimia 85 ya huduma zote zinazopangiwa kuwekwa katika jukwaa hilo,” akasema Mudavadi.

REPUBLIC OF KENYA

## THE NATIONAL TREASURY & ECONOMIC PLANNING

### OPEN NATIONAL TENDER

#### TENDER FOR LEASING ELECTRIC VEHICLES UNDER THE GOVERNMENT MOTOR VEHICLE LEASING PROGRAMME

2	KNBS/ONT/08/2024-2025	Provision of full board accommodation and day conference facilities on "As and When Required"- Basis (FrameworkContract) <b>Re-advertisement</b>	14th January 2024 at 10:00 am	20,000.00	Open

**Nb: Service providers who have already entered a contract with KNBS for the same services based on tender No. KNBS/ONT/03/2024-2025 need not to bid for this tender.**

Eligible Tenderers may obtain further information and download the Tender Document free of charge from the Integrated Financial Management Information System (IFMIS) supplier portal (<https://supplier.treasury.go.ke>) and /or Kenya National Bureau of Statistics (KNBS) website; [www.knbs.or.ke](http://www.knbs.or.ke) under "Tenders" portal. Those who download the document must immediately forward their particulars (i.e. Name & Contacts of Applicant) to email: [procurement@knbs.or.ke](mailto:procurement@knbs.or.ke) for purposes of registration.

Original and Completed Tender document should be enclosed in plain sealed envelopes marked with tender reference number and be deposited in the Tender Box on 13th Floor, Real Towers addressed to:-

**Director General  
Kenya National Bureau of Statistics  
P. O. Box 30266-00100,  
NAIROBI.**

**so as to be received on or before 14th January, 2025 at 10:00am**

Tenders will be opened immediately thereafter in the presence of the Candidates or their representatives who choose to attend at the **KNBS Board Room- Real Towers, 13th Floor.**

**Any canvassing will lead to automatic disqualification. Late tenders will not be accepted**

**DIRECTOR GENERAL  
KENYA NATIONAL BUREAU OF STATISTICS**

## THE NATIONAL TREASURY & ECONOMIC PLANNING

### PUBLIC NOTICE

## THE FISCAL BUDGET FOR THE FINANCIAL YEAR 2025/2026

**WHEREAS** Article 43 of the Constitution confers all persons with economic and social rights to healthcare, housing, water, sanitation, education, adequate food and social security;

**AND WHEREAS** Article 201(a) of the Constitution on the principles of public finance requires that there should be openness and accountability, including public participation, in financial matters;

**FURTHER WHEREAS** Article 232(1)(d) of the Constitution requires involvement of the people in the process of policy making;

**NOTING** section 35(2) of the Public Finance Management Act (Cap. 412A) requires participation by the public in the budget process; and

**RECOGNISING** the burdens and benefits of the use of resources, raising revenue and managing expenditure equitably;

**NOW THEREFORE**, in compliance with Article 201(a) and 232(1)(d) of the Constitution, and section 35(2) of the Public Finance Management Act, (Cap 412A), The National Treasury and Economic Planning hereby invites the members of the public, the national government and county governments, non-governmental organizations, civil societies, professional bodies, private sector players, religious groups and other stakeholders to make submissions for consideration in the preparation of the fiscal budget for the Financial Year 2025/2026.

The submissions may include measures on tax and revenue administration reforms, measures to support the growth of manufacturing sector, measures to enhance macroeconomic stability and implementation of programs and projects under the Government's Bottom-Up Economic Transformation Agenda.

The submissions should be specific on tax laws to be amended supported by a statement on the issue to be addressed and a clear justification for the proposal. The proposals received will guide the reforms to be undertaken to foster inclusive economic growth for the welfare of all Kenyans.

The hard copy of the proposals should be submitted to the undersigned and with a soft copy sent through the email [submissions@treasury.go.ke](mailto:submissions@treasury.go.ke) not later than **Friday, 17th January, 2025.**

**HON. FCPA, JOHN MBADI NGÓNGO, EGH  
CABINET SECRETARY**

## AFFORDABLE HOUSING BOARD

### REQUEST FOR PROPOSAL (RFP)

The Affordable Housing Board (AHB) invites Proposals for the following consultancies that have been uploaded to the State Department of housing website; [www.housingandurban.go.ke](http://www.housingandurban.go.ke) and the Public procurement Information Portal; [www.tenders.go.ke](http://www.tenders.go.ke).

PROPOSAL NUMBER	PROPOSAL NAME	CLOSING/OPENING DATE
AHB/RFP/T/014/2024-2025	Provision of Consultancy Services for the Recruitment and Selection of staff for the Affordable Housing Board.	Monday 13th January 2025 at 10.00AM Kenyan Local time
AHB/RFP/T/015/2024-2025	Provision of Consultancy Services for the Strategic Corporate Communication Expert-Individual for the Affordable Housing Board.	Monday 13th January 2025 at 10.00AM Kenyan Local time
AHB/RFP/T/016/2024-2025	Provision of Legal Services for the Affordable Housing Board.	Monday 13th January 2025 at 10.00AM Kenyan Local time
EXTENSION OF TENDER CLOSING/OPENING DATE		
AHB/RFP/T/009/2024-2025	Request for Proposal for Provision of Property Agent Services Panel for Affordable Housing	The new closing date is Monday, 13th January 2025 at 10.00 AM Local time
CANCELLATION OF TENDER		
AHB/RFP/T/013/2024-2025	Supply, Delivery, Installation and Commissioning of Enterprise Resource Planning System for the Affordable Housing Board	Monday 13th January 2025 at 10.00AM Kenyan Local time

Interested eligible candidates may obtain further information and inspect the proposal document at the Affordable Housing Board (AHB) offices at Prism Towers, 23rd floor, 3rd Ngong Avenue, Nairobi.

Any requests for clarification may be sent to the Ag. Chief Executive Officer, Affordable Housing Board (AHB), or email to: [procurement@affordablehousingboard.go.ke](mailto:procurement@affordablehousingboard.go.ke) so as to be received not more than 5days before the deadline date of submission.

MINISTRY OF AGRICULTURE & LIVESTOCK DEVELOPMENT  
STATE DEPARTMENT FOR LIVESTOCK  
DIRECTORATE OF VETERINARY SERVICES

INTERNATIONAL TENDER NOTICE

EXPRESSION OF INTEREST (EOI)  
FOR  
LEASE OF BACHUMA LIVESTOCK QUARANTINE STATION IN MANAGEMENT, DEVELOPMENT AND  
MAINTENANCE OF LIVESTOCK QUARANTINE FACILITY FOR SCREENING AND SHIPMENT OF LIVESTOCK

TENDER NO. MOALD/SDA/BLQS/IT/02/2024/2025

1.0 Background

Bachuma Quarantine Station was initially conceptualized as a Disease-Free Zone (DFZ) and a flagship Project under the Kenya Vision 2030 blue print. The goal of the DFZ Program was to contribute towards poverty reduction and food security. The overall objective was to improve livelihoods and increase the Livestock Sub-Sector contribution to the national economy by promoting trade in animals and animal products through improved access to international markets.

The expected outputs of Disease-Free Zones included increased supply of quality meat, by 48,000 MT, for sale locally and export; creation of over 100,000 employment opportunities; reduction in human deaths arising from diseases transmissible from animals to humans; increased milk production for sale or household consumption by 5 million litres; increased hides and skins value and rangeland and environment improvement of 2 million hectares per year.

The value of the benefits was estimated at Ksh. 16.2 billion annually. Direct beneficiaries would be livestock owners (pastoralists, agro-pastoralists, ranchers, mixed farmers and dairy farmers), livestock traders, associated operators and chambers of commerce, public and private sector animal health service providers and Community-Based Organizations engaged in the Livestock Sub-Sector. The Disease-Free Zone concept is not entirely feasible in Kenya due to existing land ownership models. Consequently, the concept of Disease-Free Zones was dropped in favour of quarantine stations and disease-free compartments.

The livestock value chain disease risk management concept based on quarantine stations was conceptualized in 2013 and approved for implementation after revision of the previous Kenya Disease Free Zoning program of Vision 2030. The purpose of the quarantine stations is to increase access to Kenya's animals and animal products to local and international markets and realize some of the objectives under the previous DFZ concept. The national livestock finishing system that feeds into the quarantine stations will be at the county level through government and private sector initiatives at the various holding grounds, feed-lots, ranches, and large farms. Strategic holding grounds have been identified within the Counties of Marsabit, Isiolo, Laikipia, Tana River, Lamu, Narok, Baringo, Kajiado, Kwale, Taita Taveta, and West Pokot amongst others for use towards the realization of this concept.

The World Organization for Animal Health (WOAH) and the World Trade Organization (WTO) guidelines require animals destined for export to be quarantined in a standard veterinary-approved facility. For Kenya to fulfill this requirement, the development of a national livestock quarantine facility, Bachuma Livestock Quarantine Station (BLQS), was initiated in Bachuma livestock holding ground in Taita-Taveta County. This quarantine station was fully funded by the Government of Kenya though construction was discontinued at 80% completion due to funding challenges. The current livestock holding infrastructure at BLQS are nine (9) cattle pens each measuring 50m x 80m capable of holding 500-600 heads of cattle, six (6) sheep and goat pens each measuring 35m x 80m capable of holding 1400 heads, and three (3) camel pens each measuring 50m x 80m capable of holding 400 heads. Other installations at various levels of completion include fencing, electricity and water installation and reticulation, Laboratory building, staff houses, office block, emergency slaughterhouse and post mortem building, maintenance workshop, feed store, and wildlife protection trench.

The overall goal of BLQS is to provide a controlled environment for monitoring the health of animals destined either for export or local markets live or as products, and veterinary certification. The Quarantine Station is expected to process 50,000 cattle, 100,000 sheep and goats, and 10,000 camels annually. The facility is to be expanded based on livestock demand. The Director of Veterinary Services will provide the necessary regulatory and sanitary controls.

1.1 Proposed Operational Framework

The proposed operational framework to manage the Bachuma Livestock Quarantine Stations is as follows;

- a) Providing a long-term lease to a private operator through the provision of the Land Act No. 6 of 2012. This act provides for the lease process and activities to be undertaken by the procuring entity while retaining ownership of the land in a Build, Operate, and Transfer (BOT) model.
- b) Under this lease, the private operator will manage the station, and develop all infrastructure, transport, and equipment necessary for handling the livestock during Transportation, housing, feeding, and disease screening under the oversight of the Director of Veterinary Services (DVS). The operator will deploy all manpower necessary to operate the facility.
- c) The partner will charge fees per unit animal processed as the revenue generation model within an approved framework in consultation with the State Department for Livestock.

2.0 Objective of the assignment

The objective of this lease arrangement is to engage an appropriate partner for the lease to undertake the overall management of the Bachuma Livestock Quarantine Station and the associated facilities. The land available for lease in the BLQS project is 15,000 acres inclusive of the developed infrastructure.

2.1 Specific objectives

- a) To complete pending works in Bachuma Livestock Quarantine Phase I and II as per the designs with SDLD
- b) Operationalize Bachuma LQS and Support the livestock screening activities at the station in collaboration with the Director of Veterinary Services (DVS).
- c) To undertake expansion of the remaining phases of the quarantine station as per the recommended master plan

2.2 Scope of Work

To achieve the objectives of Bachuma Livestock Quarantine Station, the successful bidder will complete the pending works at the quarantine station as initiated by the State Department for Livestock. The client will provide detailed designs and bills of quantities for the pending works.

Towards operationalization of the quarantine station, the successful bidder shall develop a comprehensive strategy that outlines the management approach and plans for meeting requirements for target export markets for livestock and livestock products. The bidder will Understand and analyze the import regulations, sanitary and phytosanitary measures, labelling requirements, traceability, sustainability, and other measures applied by target markets. The bidder will participate in creating demand for livestock and livestock products from Kenya assessing their competitiveness and market potential and offering recommendation to traders and livestock producers. The Bidder will work closely with livestock producers at county level to ensure a sustainable supply of livestock and livestock products to identified niche markets.

The bidder will document and advise the DVS on any issues relating to market access for prompt action

2.3 Expected deliverables

The following are the expected deliverables from the successful bidder.

- a) Design an appropriate Livestock quarantine operation management system approved by the DVS
- b) Deploy management team at Bachuma both for the requisite administrative and Livestock handling and screening
- c) Undertake all required development and requirements for housing and feeding of quarantine-based livestock including expansion as per the master plan approved by the SDLD.
- d) Mainstream an appropriate provision for feeding of livestock at the quarantine and during shipment
- e) Provide all the necessary station equipment for both administration and livestock handling operations
- f) Provide appropriate transport for livestock from the counties to the station and for shipment.
- g) Maintain appropriate records including the identification and traceability for livestock processed through the quarantine station.

2.4 Duration of the assignment

The successful bidder shall take possession of, equip, operate, maintain, modernize and expand the Bachuma Livestock Quarantine Station for a concession period of 30 years.

3.0 Eligibility

The preferred firm or organization will be nominated from those that meet the following requirements;

- a) A short but inclusive company profile that includes, an organization chart, contact details, and the firm's physical postal address
- b) Proof of Registration of the business (where relevant) and provide copies of the Registration and VAT
- c) Company Registration Certificates.
- d) Demonstrate a clear understanding of the dynamics involved in the handling, screening, and quarantining of livestock for local and international trade.
- e) Demonstrated clear understanding of the livestock sub-sector, livestock market and livestock value chains in the region and especially Kenya.
- f) Experience in designing and conducting livestock trade and demonstrate a clear understanding of international livestock trade dynamics. The applicants are encouraged to share their designs or suggestions on how the existing master plan can be improved.
- g) Experience in economic models for livestock commodity markets.
- h) Experience with development work related to the livestock sub-sector in

Kenya.

- i) Demonstrated financial capability for investment in the management and development of the requisite infrastructure with verifiable evidence of financial capacity.

3.1 Technical and Team Qualification Requirements

The following professional qualifications will be considered while awarding the lease.

- a) The firm should have at least Ten (10) years' experience in the subject area especially livestock-related food safety, production, processing, and manufacturing environment in Kenya or beyond.
- b) Demonstration by the bidding firm of being actively involved in livestock production and trade to different market destinations by providing details of consignments successfully completed in the last five (5) years (name and address of the Client, scope, value, and period).
- c) The technical and managerial capability of the bidding firm should be supported by detailed company profiles, providing relevant details about staff skills and tools to undertake the assignment. The firm's organogram and any supporting documents that demonstrate the firm's technical and managerial capability should be provided

3.1.1 Qualification and experience requirements of Key staff

The firm will demonstrate the availability of mobilizing a team of qualified personnel and experts to adequately perform the assignment. The minimum qualifications and experience requirements for the Key Experts are as below:

- 1) **Team Leader**  
General qualification: Master's degree in business administration, economics or in any livestock related field  
Relevant experience: At least 15 years' experience in leading investment, market research, export and agribusiness operations for livestock and livestock products.
- 2) **Trade & Logistics Specialist**  
General qualification: Master's or Bachelor's degree in trade and logistics-related fields  
Relevant experience: At least 10 years' experience in organizing logistics and trade support for medium and big-size agribusiness or livestock value chain projects.
- 3) **Animal Health Specialist**  
General qualification: Bachelor's degree in veterinary medicine  
Relevant experience: At least 7 years' experience in the private or public sector. Registered by the Kenya Veterinary Board.
- 4) **Others**  
The bidding firm can involve any other personnel that can optimize the delivery of the assignment. Non-key experts or support staff can be recruited on a part-time and short-term basis. The consulting firm is required to justify their engagement in the technical proposal.

4.0 Stakeholders

The consulting firm team is expected to primarily and closely work with the State Department for Livestock Development (SDLD), Ministry of Agriculture and Livestock Development. The consulting firm should also consider to actively and regularly engage other stakeholders including, among others:

- a) Livestock exporters and any private sector business operators in the livestock industry.
- b) Livestock producers and their associations
- c) Ministry of Trade and Industries
- d) Kenya Export Promotion and Branding Agency (KEPROBA).
- e) Kenya Revenue Authority
- f) Kenya Plant Health Inspectorate Service (KEPHIS)
- g) Network for Livestock Quarantines in the IGAD region
- h) Trade and Investment Attachés within specific countries abroad identified

**NB:** Those who had applied need not to re-apply.

Completed Expression of Interest (EOI) documents should be enclosed in plain sealed envelopes clearly marked **'EXPRESSION OF INTEREST FOR LEASE OF BACHUMA LIVESTOCK QUARANTINE STATION IN MANAGEMENT, DEVELOPMENT AND MAINTENANCE OF LIVESTOCK QUARANTINE FACILITY FOR SCREENING AND SHIPMENT OF LIVESTOCK'**

The completed tender documents should be posted to reach the address shown below on or before **7<sup>th</sup> January 2025 at 11:00 am** or placed in the Tender Box situated at the Main Reception, Kilimo House, Cathedral Road on or before the said date and time. Expressions of Interest can be submitted to:

**The Principal Secretary**  
**Ministry of Agriculture and Livestock Development**  
**State Department for Agriculture**

# Mradi wa usalama wa maji eneo la Pwani kusambaza mita 186,000 za maji kwa siku

NA YOBESH ONWONG'A  
(MYGOV)

**K**aunti za Kwale na Mombasa zitanu-faika kutokana na mpango endelevu na wa kutegemewa wa usambazaji maji kufikia 2027 baada ya kukamilika kwa Bwawa la Mwache na sehemu zake ndogo sita chini ya Mradi wa Usalama wa Maji na Kukabiliana na Hali ya Hewa Eneo la Pwani.

Akizungumza wakati wa ziara ya ukaguzi, Mwenyekiti wa Bodi ya Mamlaka ya Rasilimali za Maji (WRA) Donald Murgor alisema ujenzi wa bwawa hilo la maji ya matumizi mbalimbali, mradi mkuu wa Ruwaza ya 2030, unafadhiliwa na Benki ya Dunia na Serikali ya Kenya.

“Baada ya kukamilika, mradi huu utasambaza wastani wa mita 186,000 za maji kila siku kwa kaunti hizo mbili, na kuboresha kwa kiasi kikubwa upatikanaji wa maji safi kwa matumizi ya nyumbani na viwandani,” akasema Murgor.

Aliongeza kuwa Mamlaka ya Rasilimali za Maji (WRA) ni miongoni mwa watekelezaji wa mradi huo wanaosimamia sehemu ndogo ya Mwache.

Akasema Murgor, “Mradi wa Chemichemi ya Maji ya Mwache ni uwekezaji muhimu katika mustakabali wa usalama wa maji katika eneo la pwani. Ni kielelezo cha usimamizi endelevu wa

Afisa Mkuu Mtendaji wa Mamlaka ya Rasilimali za Maji, Mohamed Shurie (katikati), akipanda mti wakati wa ziara ya kukagua Bwawa la Mwache.

rasilimali za maji, ukijumuisha uhifadhi wa mazingira na maendeleo ya kijamii na kiuchumi.

“Kwa kupunguza mmomonyoko wa udongo kwa kuweka matuta na kufungua njia mbadala za mapato kama vile ufugaji wa kuku, kupanda mazao ya thamani yanayodumu na ufugaji nyuki, miongoni mwa mambo mengine, tunaweka msingi imara wa kustahimili maisha na ustawi wa muda mrefu kwa jamii katika eneo hili.”

Mradi huo ambao ulizinduliwa na Rais William Ruto mnamo Aprili 2023, ulitambuliwa na Mpango

Mkuu wa Ugavi wa Maji Pwani kuwa unaostahili, endelevu na wenye umuhimu wa muda mrefu katika usambazaji wa maji kwa kaunti za Mombasa na Kwale.

Murgor alifichua kuwa mradi wa Bwawa la Mwache unatarajiwa kutumia maji ya mafuriko kutoka Bonde la Mto Mwache katika Kaunti Ndogo ya Kinango na kusaidia kukabiliana na uhaba wa maji katika eneo la Pwani. Kitovu muhimu kwa eneo la Jumuiya ya Afrika Mashariki (EAC), na hivyo kuongeza ufanisi wa shughuli za baharini.

Murgor aliongeza

kwamba, kwa kupunguza gharama za kutibu maji, mradi huo utachangia huduma za maji nafuu zaidi, na hatimaye kuwanufaisha watumiaji wa eneo la Pwani.

Alisema mradi huo pia umeundwa ili kuinua zaidi eneo la Pwani na maendeleo ya taifa.

“Sehemu hii ndogo inalenga kukabiliana na uharibifu mkubwa wa ardhi uliopo katika vyanzo vya maji vya Mto Mwache ambao unatishia kufupisha maisha ya kiuchumi ya bwawa linalopendekezwa la Mwache na unaathiri vibaya maisha na usalama wa chakula wa wakazi wa

eneo hili,” akaelezea.

Afisa Mkuu Mtendaji wa Mamlaka ya Rasilimali za Maji, Mohamed Shurie, alisisitiza kujitolea kwa mamlaka hiyo katika kutatua changamoto hizo. “Tunatambua vikwazo tunavyokumbana navyo katika kutekeleza Mradi wa Chemichemi za Maji za Mwache, hasa katika suala la uharibifu wa mazingira na ushirikishwaji wa jamii.” “Hata hivyo, kupitia juhudi za pamoja na afua za kimkakati, tuna imani kuwa tunaweza kushinda changamoto hizi.

“Lengo letu ni kukuza ushirikiano wa jamii

wenye nguvu, kuongeza uelewa, na kutekeleza hatua za uhifadhi zinazofaa ili kuhakikisha mafanikio ya muda mrefu ya mradi na uendelevu,” akasema.

Bw. Shurie alisisitiza zaidi umuhimu wa mradi, huo akisema, “Mradi huu unaambatana vyema na dhamira yetu ya kuhakikisha usimamizi mzuri na kusaidia maendeleo endelevu na jumuiishi ya rasilimali za maji nchini Kenya.”

Aliongeza kwamba mradi sio tu suluhu la changamoto za uhaba wa maji zinazokabili eneo la pwani lakini pia fursa ya kuwezesha jamii kupitia mbinu endelevu za matumizi ya ardhi na njia mbadala za kuchuma riziki.

Shurie aliwahakikishia wakazi kwamba, kwa ushirikiano na Benki ya Dunia na wadau wengine, WRA imejitolea kuhakikisha mradi huo umekamishwa licha ya changamoto kadhaa, ikiwa ni pamoja na misimu ya mvua isiyotabirika na uharibifu mkubwa wa vyanzo vya maji.

Mradi wa Bwawa la Mwache unatarajiwa kutumia maji ya mafuriko kutoka kwa Mto Mwache unaonea hadi sehemu za Kaunti ya Taita Taveta na sehemu za Kaunti ya Kilifi na utasaidia kukabiliana na uhaba mkubwa wa maji unaoendelea kuhuhudiwa katika eneo la Pwani.

## Wizara ya Afya yajitahidi kushughulikia changamoto kutokana na afya ya akili

NA MUTAI KIPNGETICH,  
KNA

**C**hangamoto za afya ya akili zimekuwa shida isiyozungumziwa na zimezuwa wasiwasi wa afya ya umma, na kuchangia kwa kiasi kikubwa mzigo wa kimataifa wa magonjwa.

Changamoto hiyo kwa bahati mbaya mara nyingi hupuuza, ikiathiri watu binafsi, familia na jamii, alisema Katibu Mkuu Idara ya Afya ya Umma na Viwango vya Kitaalamu, Mary Muthoni.

Waziri Muthoni alisema takwimu za hivi majuzi zinaonyesha kwamba matatizo ya afya ya akili yameenea katika jamii huku ripoti kwamba karibu asilimia 25 ya watu wanaweza kuugua akili

wakati fulani maishani mwao, na karibu mmoja kati ya Wakenya 10 wanaishi na matatizo ya akili.

“Afya ya akili ni sehemu muhimu ya afya na ustawi wetu kwa jumla. Inaathiri nyanja nyingi za maisha yetu ikiwemo uwezo wetu wa kukabiliana na msongo wa mawazo, kutangamana na watu wengine na katika kuchangia kujenga jamii yetu,” akasema.

Akizungumza katika Kanisa Katoliki la Mary Immaculate mjini Kerugoya, Kaunti ya Kirinyaga, katika kitengo cha familia na afya ya akili wakati wa hafla iliyoandaliwa na shirika la Enterprising World Kenya, Muthoni aliwashukuru waandalizi wa hafla hiyo kwa kutoa fursa

kwa watu kujadili mada hiyo ambayo mara nyingi haieleweki katika jamii.

Alieleza kwamba afya ya kiakili ya kaunti ya Kirinyaga imejidihiirisha katika familia kusambaratishwa na pombe haramu, ambayo inaharibu maisha na mahusiano, kuongezeka kwa visa vya unyanyasaji wa kijinsia (GBV), kuwacha waathiriwa na makovu yasiyoonekana, kuongezeka kwa idadi ya watu wanaojua na visa vya mauaji, ambavyo mara nyingi vinayotokana na hali ya afya ya akili isiyotibiwa.

“Afya ya akili sio tu mapambano ya kibinafsi. Ni changamoto ya jamii. Huzuni, wasiwasi, ma-

tumizi mabaya ya dawa za kulevya, na hali nyinginezo si takwimu za kufikirika tena—ni hali halisi inayopatikana katika vijiji, nyumbani, na katika shule zetu,” akasema.

Aliwahakikishia watu wa Kirinyaga kwamba Wizara ya Afya inatambua afya ya akili kama kipaumbele kikuu cha afya ya umma na imeweka mikakati kadhaa kuhakikisha kuwa waathiriwa wanatambuliwa na kusaidiwa.

“Wizara imekubali Huduma ya Afya kwa Wote, nguzo muhimu chini ya Ajenda ya Serikali ya Mabadiliko ya Kiuchumi ya Bottom-Up. Mbinu hii inalenga kuhakikisha ongezeko la

Katibu Mkuu wa Idara ya Afya ya Umma na Viwango vya Kitaalamu Mary Muthoni akizungumza na wanaoahiriwa katika Kanisa Katoliki la Mary Immaculate mjini Kerugoya.

watu walio chini ya bima ya afya na inasisitiza ujumuishaji wa afya ya akili katika Mifumo ya Afya ya Msingi, na kuifanya ipatikane zaidi katika ngazi ya jamii,” akasema.

Ili kuwezesha mpango huu, Wahamasishaji wa wa Afya ya Jamii wanawezeshwa kuchunguza hali za afya ya akili katika jamii zao dani ili

kuhakikisha watu binafsi wanapokea usaidizi kwa wakati na rufaa kwa huduma zinazofaa za afya ya akili, akasema.

Muthoni alisema Hazina ya Bima ya Afya ya Jamii (SHIF) imeundwa kushughulikia huduma mbalimbali za afya ya akili na kupunguza mzigo wa kifedha kwa watu wanaotafuta huduma.

## Mitambo inayotumia jua kukausha kahawa kupunguza muda na gharama

NA SAMUEL MAINA, KNA

**K**aunti ya Nyeri inatumia nishati ya jua kama mkakati wa kukabiliana na athari mbaya za mabadiliko ya tabianchi.

Kupitia mpango huo, unaongozwa na Idara ya Mabadiliko ya Tabianchi na sehemu ya Mpango wa Ufadhili wa Hali ya Hewa (FLLoCA), mitambo miwili ya kukausha kahawa kwa kutumia nishati ya jua imejengwa katika viwanda vya Kahawa vya Chorongi na Thageini. Mitambo hiyo Vinalenga kupunguza muda wa kukausha kahawa kwa nusu huku pia vipunguza gharama za kazi.

Wakati wa hotuba yake ya Hali ya Kaunti kwa Bunge la Kaunti ya Nyeri, Gavana Dkt. Mutahi Kahiga alisisitiza kuwa matumizi ya mitambo hiyo hayatabadilisha tu mbinu za ukaushaji kahawa bali pia utaongeza faida kwa wakulima.

Alieleza kuwa tofauti na siku za nyuma, ambapo viwanda vya kahawa vilitegemea umeme au mwanga wa jua wa asili kukausha kahawa, mitambo hiyo mipya ya itafanya kazi kwa kutumia nishati iliyohifadhiwa kwenye betri maalumu.

“Kupitia Ufadhili wa

**Mkurugenzi wa Mabadiliko ya Tabianchi Kaunti ya Nyeri Yvonne Mathenge (mwenye blauzi ya zambarau) na maafisa wengine wa serikali ya kaunti wakitazama mtambo wa kukausha kahawa kwa kutumia miale ya jua katika Kiwanda cha Kahawa cha Chorongi, Wadi ya Ruring'u, Kaunti Ndogo ya Nyeri ya Kati.**

Kitengo cha Hali ya Hewa (FLLoCA), mitambo miwili ya kukausha kwa kutumia jua imewekwa katika viwanda vya Kahawa vya Chorongi na Thageini. Mitambo hiyo itapunguza muda wa kukausha kahawa kwa asilimia 50 huku ikidumisha ubora, kupunguza gharama za kazi na hatimaye kuongeza kipato cha wakulima,” akasema Gavana.

Akaongeza: “Pia, kupitia FLLoCA, Mradi wa Maji wa Gatei katika Kata ya Magutu ulijengwa ili kuboresha upatikanaji wa maji

kwa wananchi. Visima saba vilikarabatiwa, vikiwemo vile vya Rongai, Kimahuri, na Warazo Jet eneo la Kieni Mashariki, Mahiga, Karera, na Treffos huko Kieni Magharibi, na Ndimaini eneo la Mathira Mashariki. “Mipango hii inatarajiwa kuongeza usambazaji wa maji katika maeneo haya na kusaidia unyunyizaji mdogo,” akaongeza.

FLLoCA ni mpango wa miaka mitano unaofadhiliwa na Serikali ya Kenya, Benki ya Dunia na wafadhili wengine na ambao lengo lake ni kutoa hatua

za kustahimili hali ya hewa zinazoongozwa na nchi na kuimarisha uwezo wa serikali za kaunti na kitaifa kudhibiti hatari za hali ya hewa. Kufikia sasa Nyeri imetumia zaidi ya Sh100 milioni katika miradi inayokidhi hali ya anga na kufanikiwa kuendeleza upanzi wa zaidi ya miche milioni tano ya miti katika juhudi zinazolenga kuinusuru kaunti hiyo dhidi ya athari za mabadiliko ya tabianchi.

Sehemu ya fedha hizo zimeelekezwa katika utoaji wa miche ya matunda kwa wakulima.

## EACC yatwaa ardhi ya umma ya Sh300m iliyonyakuliwa katika Kaunti ya Kisumu

NA CHRIS MAHANDARA, KNA

**T**ume ya Maadili na Kupambana na Ufi-sadi (EACC) imetwaa tena ardhi ya umma ya thamani ya Sh300 milioni iliyokuwa imenyakuliwa katika Kaunti ya Kisumu.

Msemaji wa tume hiyo, Eric Ngumbi, alisema shughuli hiyo, inafuatia kukamilika kwa kesi zilizozanzishwa na tume hiyo kwa niaba ya taasisi za serikali zilizoathirika.

Miongoni mwa vipande vya ardhi vilivyorudishwa ni ekari saba mali ya Shule ya Msingi Victoria, yenye thamani ya Sh100 milioni; viwanja viwili vya Shirika la Reli la Kenya; na hifadhi ya barabara eneo la Milimani, mali ya Wizara ya

**Msemaji wa tume ya EACC Eric Ngumbi akihutubia wanaahabari katika kimojawapo cha vipande vya ardhi iliyonyakuliwa na ambayo tume hiyo ilitwaa tena jijini Kisumu.**

Barabara, yenye thamani ya Sh180 milioni.

Tume hiyo pia ilirudisha nyumba ya serikali katika Mtaa wa Milimani, ambayo ni ya Idara ya Makao ya Serikali na thamani yake ni Sh20 milioni.

Bw. Ngumbi alisema ar-

dhi ya Shule ya Msingi Victoria iliuzwa kwa njia ya udanganyifu na aliyekuwa mwalimu mkuu wa shule hiyo, ambaye alishirikiana na mmoja wa wajumbe wa bodi na kughushi kumbukumbu zilizotumika kuuza ekari 15 za shule hiyo.

Bw. Ngumbi alisema EACC bado iko kortini kurudisha ekari nane zilizosalia huku harakati za kunyakua ardhi na nyumba za serikali Kisumu zikishika kasi.

Aliongeza kuwa shirika hilo linafuatilia ardhi za Shirika la Reli la Kenya, Shirika la Utangazaji la Kenya (KBC), Wizara ya Makao, Wizara ya Barabara, Mamlaka ya Maendeleo ya Bonde la Ziwa (LBDA), Huduma ya Magereza ya Kenya, na kampuni ya Maji na Usafi wa Mazingira Kisumu (KIWASCO). “Kimoja cha vipande vya ardhi ya Magereza, kilichotengewa ujenzi wa makao makuu ya mkoa kilinyakuliwa na kampuni ya mawakili, kikagawanywa na kuuzwa kwa watu binafsi ambao wamejenga nyumba za kifahari,” akasema.

#### Sh103.4m kukamilisha ofisi za EAC Kisumu

**J**umuiya ya Afrika Mashariki (EAC) imetoa Sh103.4 milioni kukamilisha jengo la makao makuu ya Tume ya Eneo la Ziwa Victoria (LVBC) mjini Kisumu. Katibu Mkuu wa Jumuiya ya Afrika Mashariki, Veronica Mueni Nduva, alisema fedha hizo zitakozachangwa na nchi washirika, zitahakikisha jengo la ghorofa mbili linakamilika na kukabidhiwa kwa LVBC Januari 2025. Awamu ya Pili ya mradi huo unaosimamiwa na Idara ya Ujenzi na Nyumba imekamili kwa asilimia 85. Aliongeza kuwa, kwa kuungwa mkono na mataifa washirika wa EAC na washirika wa maendeleo, jengo hilo litarembesha mandhari ya Kisumu na pia litakuwa kitovu cha ushirikiano wa Afrika Mashariki.

Jengo hilo, linalojumuisha vifaa vya kisasa vya mikutano na vyumba vya mikutano, linatarajiwa kukuza uchumi wa Kisumu kwa kuandaa mikutano ya ha-

dhi ya juu ya EAC. “Mradi huu utachangia pakubwa katika uchumi wa Kisumu kupitia shughuli mbalimbali zitakazofanyika hapa,” akasema Katibu Mkuu. Aliongeza kuwa hii ni hatua muhimu kwa EAC, ambayo inaadhimisha miaka 25 tangu ilipoanzishwa. Aliongeza kuwa kuweka idara zote za LVBC katika jengo hilo kutaongeza zaidi juhudi zinazoendelea za uhifadhi wa Eneo la Ziwa. LVBC ni moja la mashirika 11 ya EAC na limepewa juukumu la kuratibu maendeleo na usimamizi endelevu wa Eneo la Ziwa Victoria. Kwa sasa, ofisi za LVBC ziko katika jengo la Makao Mapya Makuu ya Eneo la Nyanza jijini Kisumu. Huku EAC ikiadhimisha miaka 25, Katibu Mkuu alipongeza hatua iliyofikiwa katika kuongeza biashara na ushirikiano kati ya nchi washirika. Hii, alisema, inaonyesha na ukuaji wa nchi washirika kutoka tatu hadi nane. Na Chris Mahandara, KNA

#### Serikali kujenga matuta kuzuia mafuriko Nyando

**S**erikali imetangaza mipango ya kujenga nguzo kando ya Mto Nyando ili kupunguza mafuriko ambayo yamekuwa yakiathiri Kaunti Ndogo za Nyando, Muhoroni na Kadibo kila mara.

Waziri wa Jumuiya ya Afrika Mashariki (EAC), Ardhi Kame na Nusu Kame (ASALs), na Maendeleo ya Eneo, Beatrice Askul, alifichua kuwa wizara hiyo imepatia Mamlaka ya Ustawishaji Eneo la Ziwa (LBDA) kazi ya kutekeleza mradi huo.

Nguzo hizo zitajengwa hadi katika vijiji vinavyokumbwa na mafuriko vikiwemo Kanyamtenda, Sidho-Kore, Katundu, na Obiayo, ambavyo vimekuwa vikiathiriwa na mafuriko ya msimu kutoka mtoni. Askul alisema hayo katika Kituo cha Uokoaji cha Kogalo, Lokesheni ya Ombeyi, Kaunti Ndogo ya Muhoroni akisambaza chakula kwa waathiriwa wa mafuriko. Alitangaza hatua za ziada za kudhibiti mafuriko ikiwemo kutoa mchanga katika mito Miriu, Achuodho, na Ombeyi ili kuzuia maji kufurika na kuenea katika vijiji vilivyo karibu.

Kupitia mpango unaohusisha sekta nyingi, alisema, wizara zote zinazohusika zimeshiriki katika kukus-

anya rasilimali kwa ajili ya ufumbuzi endelevu wa kukabiliana na mafuriko.

“Mradi wa ujenzi wa Bwawa la Koru-Soin uko chini ya Wizara ya Maji. Wizara yangu itajikita zaidi katika kujenga nguzo na kuchimba visima vya dharura ili kusambaza maji kwa ajili ya matumizi ya nyumbani kwa familia zilizoathirika,” akasema.

Askul alisema kuwa serikali inajali masababu ya familia zilizotoka makwao katika Kaunti Ndogo za Nyando na Muhoroni na uhakikishia wakazi kuwa serikali imejitolea kuwaondolea mateso.

Waziri aliahidi kuwa fedha zitategwa katika bajeti ijayo ya ziada ili kuanza miradi hiyo ndani ya miezi miwili hadi mitatu.

Katika ziara hiyo ya mawaziri ambayo pia ilihusisha maeneo ya Nyamasao na Ombaka, Kaunti Ndogo ya Nyando, Askul aliandamana na Katibu Mkuu wa ASALs na Maendeleo ya Mkoa Harsama Kello, Mkurugenzi Mkuu wa LBDA Wycliffe Ochiaga na Mbunge wa Nyando Jared Okello.

Mbali na hatua za kudhibiti mafuriko, Askul alihakikishia wakulima wa mpunga wa eneo hilo kuwa serikali itawasaidia kuuza mazao yao.
