

National Environment Management Authority

PUBLIC NOTICE

TO ALL SAND TRANSPORTERS

The National Environment Management Authority (NEMA) is the principal government agency that is tasked with ensuring that environmental protection in Kenya is achieved through, among other ways, promotion of sustainable utilization of available natural resources.

The Government of Kenya (through the Cabinet Secretary - Ministry of Environment, Climate Change and Forestry) vide Kenya Gazette Supplement No. 197 (Legislative Supplement No. 86) and Legal Notice No. 179 dated 4th November, 2024; promulgated the Environmental Management and Coordination (Sand Harvesting) Regulations, 2024

The main objective of the Regulations is to ensure sustainable utilization of sand as a resource, while at the same time protecting the environment.

This is to bring to the attention of sand transporters that the Sand Harvesting Regulations, 2024 require that you obtain a sand transportation permit from NEMA. **All Sand Transporters** are therefore required to immediately apply for **Permit to Transport sand** by logging into the NEMA website: www.nema.go.ke, licensing portal – Sand Harvesting.

For more information, contact the Director General through: info@nema.go.ke or visit the nearest NEMA County Director of Environment's office.

Be advised accordingly.
