# Serikali yaanza awamu 2 ya ruzuku ya biashara ya Nyota

Katibu, Idara ya Maendeleo ya MSMEs, Susan Mang’eni akitangamana na wanufaika wa Mradi wa NYOTA wakati wa mafunzo ya Ujuzi wa Biashara katika Eneo Bunge la Makadara, Kaunti ya Nairobi.

**NA NAIF RASHID (KNA)**  
Serikali imeanza awamu ya pili ya utoaji wa mtaji wa kuanzisha biashara chini ya Mradi wa NYOTA, ikilenga takribani vijana 50,000 walionufaika

katika kaunti 27 kati ya tarehe 8 Januari na 16 Januari 2026. Utekelezaji huu unafuatia kumilika kwa mafunzo ya darasani ya kitaifa chini ya Kitengo cha Uwezeshaji Biashara cha mradi huo, ambacho kinalenga kuwawezesha zaidi ya vijana

100,000 walio katika mazingira hatarishi katika kata zote 1,450 nchini, kwa angalau wanufaika 70 kwa kila kata. Katibu wa Maendeleo ya MSE, Susan Mang’eni, alisema kuwa mpango huo unaendelea kama ulivyopangwa na tayari unaonye-

sha matokeo halisi. “Kitengo cha Uwezeshaji Biashara cha Mradi wa NYOTA kiko katika mkondo wa kuwawezesha vijana walio hatarini kupitia mafunzo ya stadi za biashara, upatikanaji wa mtaji na ushauri, ili kuwawezesha kuanzisha na kukuza biashara endelevu,” alisema Mang’eni. Alibainisha kuwa utoaji wa kwanza wa fedha ulifanyika tarehe 7 Novemba 2025, katika Kaunti za Kanda ya Magharibi za Kakamega, Vihiga, Busia na Bungoma, ambako wanufaika 12,155 kila mmoja alipokea Sh25,000. Kati ya kiasi hicho, Sh3,000 ziliwekwa kama akiba, na kufanya jumla ya fedha zilizotolewa kufikia Sh303.9 milioni. Chini ya awamu ya pili, kila mnufaika atapokea Sh22,000 zitakazowekwa kwenye pochi yao ya biashara ya NYOTA, huku Sh3,000 za ziada zikielekezwa kwenye akaunti yao ya Haba na Haba chini ya Mfuko wa Taifa wa Hifadhi ya Jamii (NSSF). Mang’eni alieleza kuwa utoaji unaoendelea unawalenga wanufaika ambao walikamilisha kwa mafanikio mafunzo ya lazima ya siku tatu ya ujuzi wa biashara. Kaunti zinazohusika ni Uasin Gishu, Elgeyo Marak-

wet, Nandi, Trans-Nzoia, Turkana, Pokot Magharibi, Nakuru, Narok, Bomet, Kericho, Baringo, Laikipia, Isiolo, Samburu, Nyeri, Murang’a, Kirinyaga, Nyandarua, Meru, Tharaka Nithi, Embu, Machakos, Kitui, Makueni, Nairobi, Kiambu na Kajiado. Shughuli za utoaji wa fedha na ushauri zitaongozwa na William Ruto katika Eldoret, Nakuru, Nanyuki, Nyeri, Meru, Machakos na Nairobi katika tarehe zilizopangwa ndani ya kipindi cha utekelezaji. Zaidi ya ufadhili, Katibu Mkuu alisema wanufaika wote watapitia programu ya ushauri wa miezi miwili itakayotolewa na wataalamu wa maendeleo ya biashara na wajasiriamali wa eneo husika ili kuwawezesha kuingia kwenye masoko ya ndani. “Wanufaika pia watahiriki awamu ya pili ya mafunzo ya uendelezaji biashara ili kujiandaa kwa mkupuo wa pili wa ruzuku ya biashara,” Mang’eni alisema, na kuongeza kuwa washiriki wataitajiwa kutumia fedha hizo kwa kufuata kikamilifu mipango yao ya biashara iliyoidhinishwa. Aidha, alitangaza kuwa ratiba ya utoaji wa fedha wa Awamu ya Tatu, itakayohusisha kaunti 16 zikiwemo Kilifi, Mombasa, Kisumu, Garissa na Mandera, itatangazwa baadaye. Mradi wa NYOTA ni mpango wa mfano wa serikali unaolenga kukabiliana na ukosefu wa ajira kwa vijana kupitia ukuzaji wa ujuzi, ufadhili wa ujasiriamali na ushauri elekezi wa kitaalamu.

Chini ya awamu ya pili, kila mnufaika atapokea Sh22,000 zilizowekwa kwenye pochi yake ya NYOTA Pochi la Biashara.

**BRS** BUSINESS REGISTRATION SERVICE  
Doing Business Made Easier

**PUBLIC NOTICE**

**CALL FOR VIEWS ON THE PROCESS OF VALIDATION OF CHANGE OF OFFICIALS SERVICE**

Business Registration Service (BRS) is a state corporation established under the Business Registration Service Act, CAP. 499B, with a mandate to administer the Companies Act (CA), Cap 486, among other laws.

In line with our commitment to promote the ease of doing business in Kenya, BRS has reengineered and developed an enhanced automated service to make filing of changes of company officials easier, faster and more secure.

The enhanced process will automate the end-to-end confirmation of new director appointments, as well as the resignation of directors and transfer of shares, through multi-factor authentication using a One-Time Password (OTP). Particularly, this new component is critical in safeguarding the investments by the public in the form of shares and curbing incidents of identity theft and fraudulent lodgments.

Additionally, prior confirmation by directors being appointed in a company is expected to aid in safeguarding personal data, in line with the Data Protection Act 2019, by ensuring that personal information is not used to appoint persons in companies without their consent.

Pursuant to Section 839 of the Companies Act, the Registrar has powers to provide for the manner and form of lodgment of documents as well as the mode of authentication. In addition, Section 843 requires documents to be properly lodged with the Registrar of Companies, which includes ensuring that they meet the requirements in relation to content as well as the form and manner of authentication.

In view of the above, BRS has organized a public webinar to validate the enhanced service on **20<sup>th</sup> January 2026, at 3:00 PM**. Persons interested in joining the webinar can register by scanning the QR Code below.

# Mombasa yapata ongezeko la watalii wanaofika kwa meli za kifahari

NA SADIK HASSAN (KNA)

Sekta ya utalii wa meli za kitalii nchini Kenya inae-ndelea kupata kasi huku nchi ikiongeza juhudi za kuvutia watalii milioni tano wa kimataifa ifikapo mwaka 2027, na Bandari ya Mombasa ikishuhudia ongezeko la meli za kitalii zinazolingia wakati msimu unapoendelea kushika kasi. Zaidi ya watalii 600 na wahudumu wa meli 400 waliwasili katika Bandari ya Mombasa wakiwa ndani ya meli ya kifahari ya kitalii iitwayo Crystal Symphony. Licha ya mvua nyepesi za asubuhi, wageni hao wenye shauku waliteremka kutoka katika chombo hicho chenye urefu wa mita 238, wakiwa na hamu ya kutembelea vivutio mbalimbali vya nchi. Meli hiyo yenye bendera ya Bahamas na yenye umri wa miaka 31 ilisafiri kwa siku saba kutoka Afrika Kusini na imepangiwa kusalia nchini kwa saa 48 kabla ya kuendelea na safari yake kuelekea India. Akizungumza bandarini, Mkuru-

genzi Mtendaji wa Bodi ya Utalii ya Kenya (KTB), June Chepkemei, alisema mwaka umeanza vyema, huku kukiwa na ongezeko kubwa katika utalii wa meli za kitalii.

“Meli hii imeleta zaidi ya wasafiri 600 na wahudumu. Takribani 200 kati yao wanateremka. Hilo linaonyesha wazi kuwa uwepo wao hapa unaathiri Pwani ya Kenya kwa kiwango kikubwa. Baadhi tayari wameelekea katika matembezi sehemu mbalimbali za Pwani ya Kenya,” alisema Chepkemei. Akaongeza, “Na kwetu sisi, hili linaonyesha kuwa sekta hii inakua kweli. Mwaka uliopita tuliona ukuaji wa asilimia 140 katika utalii wa meli za kitalii. Mwanzo wa mwaka huu umeonyesha kuwa tutazidi kiwango hicho.” Mkurugenzi huyo pia alieleza kuwa idadi ya watalii iko katika mwelekeo wa kuongezeka kutokana na hatua mbalimbali za serikali kama Uidhinishaji wa Kusafiri Kielektroniki (ETA) na sera ya anga wazi. “Tunafikia malengo yetu, na tuko tayari kuendelea kukuza sekta hii.

1. Watalii wakishuka kutoka kwa meli ya kifahari ya Crystal Symphony katika Bandari ya Mombasa Cruise Terminal.
2. Mkurugenzi Mkuu Mtendaji wa Bodi ya Utalii ya Kenya June Chepkemei (kushoto) akiwasilisha zawdi kwa Mkurugenzi wa Cruise wa Crystal Symphony Vicki Van Tassel (Kulia) katika Bandari ya Mombasa.
3. Meli ya kifahari iliyokuwa na bendera ya Bahamas yenye urefu wa mita 238 ilitia nanga katika Bandari ya Mombasa

Tunawaalika watalii wote Tembea Kenya, Tembea Magical Kenya,” alisema, akibainisha kuwa meli nyingine sita zinatarajiwa kuwasili nchini kufikia Februari. Mkurugenzi wa Huduma za Meli za Watalii wa meli hiyo, Vicki Van Tassel, alisema safari kuelekea Mombasa ilikuwa ya kupendeza, ikitoa mwonekano mzuri wa bahari iliposafiri kando ya Pwani ya Afrika Mashariki, na akaahidi kuwa meli hiyo itarejea nchini. Aliishukuru KPA na KTB kwa ukaribisho wa moyo mkunjufu. “Ilikuwa safari nzuri sana leo, na mawingu kidogo hufanya picha kuwa nzuri zaidi. Tunafurahi kuwa nchini. Tuna matembezi mazuri tumeyapanga kwa wageni

wetu kutembelea na kufanya mambo mengi hapa Mombasa. Hatuwezi kuheshimiwa zaidi kuliko kuwa hapa na kusherehekea na nchi yenu,” alisema. Katibu wa Shirika la Bandari la Kenya (KPA), John Turasha Kinyanjui, alithibitisha tena dhamira ya Mamlaka kuunga mkono utalii wa meli za kitalii na shughuli za kibiashara kwa ajili ya kukuza uchumi wa nchi. “Kama KPA, tunafurahi sana, na tunatumaini wageni wetu watafurahia Mombasa, Kenya. Tunatumaini mtakuwa na wakati mzuri na hivyo mkarudi mara nyingi zaidi. Tutawaunga mkono daima,” alisema Kinyanjui. Waziri wa Biashara na Utalii wa

Kaunti ya Mombasa, Mohamed Osman, alitaja sera ya anga wazi kuwa ndio kichocheo kikuu cha kuimarika kwa utalii wa meli za kitalii, akieleza kuwa watalii wanaomaliza ziara zao wanaweza kupanda ndege za moja kwa moja kuelekea maeneo mengine. “Kama tunasema tunalenga watalii milioni tano wa kimataifa kufikia mwaka 2027, hiyo ina maana lazima tuwe na ndege zaidi. Ndege zaidi zinamaanisha safari zaidi za moja kwa moja, na kama mnavyoona, hilo lina-warahisishia watalii wanaokuja hapa. Wanaweza kuja kwa meli ya kitalii halafu wakaondoka moja kwa moja kutoka uwanjani,” alisema Osman.

## KENYA PIPELINE RETIREMENTS BENEFITS SCHEME

### RE - ADVERTISEMENT FOR THE POSITION OF TRUST SECRETARY

The KPC RBS Schemes seek to recruit a highly motivated, visionary, dynamic and results oriented candidate to fill the position of Trust Secretary.

Job Purpose

Reporting directly to the two Boards of Trustees, the Trust Secretary is responsible for overseeing the implementation of the Schemes' strategic vision as per the investment policy statement and the RBA guidelines.

The Job is on a five (5) year contract, renewable subject to performance and mandatory retirement age.

# Hospitali ya Kiambu Level 5 yakosa vifo vya uzazi kwa miezi kumi na moja

**NA GRACE NAISHOO KNA**

Hospitali ya Rufaa ya Kiambu Level 5 imefikia mafanikio mawili muhimu katika huduma za afya ya uzazi, yakionyesha maendeleo katika mapambano dhidi ya vifo vya akina mama vinavyoweza kuzuilika nchini Kenya. Hospitali hiyo imeripoti miezi 11 mfululizo bila kifo chochote cha mama kilichotokana na kutokwa damu kusikodhibitika wakati wa ujauzito au kujifungua, iki-jumuisha kutokwa damu kabla ya kujifungua (APH) na baada ya kujifungua (PPH), kati ya wazazi 5,841 waliopata huduma kuanzia Januari hadi Novemba 2025. Kutokwa damu wakati wa ujauzito na kujifungua bado ndiko kunakoongoza kusababisha vifo vya akina mama nchini

Kenya, na kuchangia zaidi ya nusu ya vifo vyote vya akina mama nchini, jambo linalofanya mafanikio haya kuwa ya kipekee. Katika mafanikio mengine tofauti, hospitali hiyo pia ilirekodi miezi saba mfululizo bila kifo chochote cha akina mama kwa ujumla kuanzia Januari hadi Julai 2025, ikionesha maboresho mapana katika huduma za afya ya uzazi zaidi ya matatizo yanayohusiana na kutokwa damu. Mafanikio hayo yalibainishwa wakati wa kikao cha MPDSR (Ufuatiliaji na Tathmini ya Vifo vya Mama na Watoto Wachanga) pamoja na mkutano wa idara, ambapo wahudumu wa afya walikusanyika kupitia matokeo na kutambua juhudi za pamoja zilizochangia mafanikio hayo. Viongozi wa hospitali walihusisha mafanikio hayo na kazi ya

pamoja, maamuzi ya haraka, upatikanaji wa vifaa muhimu, pamoja na ufuatiliaji mkali wa miongozo ya kitabibu kama sababu kuu za mafanikio. “Matokeo haya yanaonyesha kile kinachowezezekana endapo miongozo ya kitabibu inayotegemea ushahidi itafuatwa kwa umakini na timu za fani mbalimbali zikafanya kazi kwa pamoja,” alisema Waziri wa Afya wa Kaunti ya Kiambu, Dkt. Elias Maina, akibainisha kwamba mifumo ya mwitikio wa dharura za uzazi na mafunzo endelevu ya watumishi yalichangia pakubwa. Kwa kuendeleza kasi hiyo, hospitali ilitihitisha upya dhamira yake ya kukomesha vifo vya watoto wachanga vinavyoweza kuzuilika, huku ikiboresha mikakati ya kuendeleza na kuongeza matokeo chanya ya afya ya mama

**Wahudumu wa afya katika Hospitali ya Kiambu Level 5 wakati wa mkutano wa MPDSR/Idara, ambapo waliangazia hatua kuu za afya ya uzazi na kutambua kujitolea, kazi ya pamoja, na ufuasi mkali wa itifaki za kimatibabu ambazo zili-changia katika kuboreshwa kwa matokeo.** PICHA NA GRACE NAISHOO

mstari wa mbele, kufanya tathmini za mara kwa mara kupitia MPDSR, na kuendelea kuwekeza katika huduma za dharura za uzazi na afya ya mtoto mchanga.

## ADDENDUM 01

Rural Electrification and Renewable Energy Corporation wishes to inform all firms interested in participating on the Tender below that were advertised in the local dailies on 23<sup>rd</sup> December, 2025 that the Corporation wishes to make the following amendments to the tender documents:

**1. Contract Name and Description and Opening Dates;**

| Contract Number | Contract Name and Description                                                                                                            | Bid Security            | Site visit | Opening & Closing date |
|-----------------|------------------------------------------------------------------------------------------------------------------------------------------|-------------------------|------------|------------------------|
| 1000001471      | Provision of Cleaning Services Energy Center & Mweiga Regional Offices and Pole Yard Framework contract (3 years)                        | Required Amounts in TDS | Mandatory  | 05.02.2026 @10:00am.   |

Tendering is open to all qualified and interested tenderers who may view and obtain tender documents from the Judiciary's website [www.judiciary.go.ke](http://www.judiciary.go.ke) and from the Public Procurement Information Portal (PIIP) website [www.tenders.go.ke](http://www.tenders.go.ke). Any request for clarifications **must** be made in writing at least five (5) days prior to the tender closing dates. All clarifications and addenda will be posted on the Judiciary and on the Public Procurement Information Portal websites.

Bids except for Expression of Interest shall be quoted in Kenya Shillings and shall include all taxes that will remain valid for One Hundred and Twenty (120) days from the tender closing date. Tenders must be accompanied with a tender security valid for 150 days from tender closing date in the form of a guarantee issued by Financial Institutions approved and licensed by the Central Bank of Kenya (CBK) or by Insurance Companies registered and licensed by the Insurance Regulatory Authority (IRA) addressed and payable to the Chief Registrar of the Judiciary.

Completed tender documents are to be enclosed in plain sealed envelopes, clearly marked with the tender number and name and deposited in the Tender Box provided at the Main gate, Supreme Court entrance, City Hall Way, Nairobi and addressed to:

**THE CHIEF REGISTRAR OF THE JUDICIARY**  
**ATT: DIRECTORATE OF SUPPLY CHAIN MANAGEMENT SERVICES**  
**P.O BOX 30041-00100,**  
**NAIROBI, KENYA**

To be received on or before tender closing dates.

Tenders will be opened immediately thereafter in the presence of the tenderers representatives who choose to attend at Supreme Court Building 2<sup>nd</sup> Floor, Room No.74 or as will be advised.

Late tenders shall be rejected.

**HON. WINFRIDAH B. MOKAYA, CBS**  
**CHIEF REGISTRAR OF THE JUDICIARY**

# Nakuru sasa yatumia teknolojia kudhibiti TB

NA JANE NGUGI KNA

Serikali ya Kaunti ya Nakuru, kwa usaidizi wa Serikali ya Kitaifa na washirika na maendeleo, imeanzisha matumizi ya vifaa vya kisasa vya uchunguzi wa magonjwa ya mapafu, hatua inayowapa madaktari uwezo mkubwa katika kupambana na aina ya kifua kikuu ambayo ni ngumu kuitibu. Mratibu wa Kifua Kikuu na Ukoma wa Kaunti,

Dkt. Neimah Barasa, alisema kuwa vifaa hivi vya kisasa vya uchunguzi vimewezesha upimaji wa haraka na rahisi zaidi, na vimeleta hatua ya kukaribia kubaini takribani asilimia 40 ya wagonjwa waliokuwa hawajapatikana, hivyo kupunguza maambukizi zaidi ya kifua kikuu katika jamii. Dkt. Barasa alieleza kuwa matumizi ya mashine ndogo zinazohamishika za kupiga X-ray ya ki-

Afisa wa afya mjini Nakuru atumia mashine ya X-ray ya kifua inayotumia Akili Unde (AI) kuchunguza TB.

fua zilizounganishwa na Akili Bandia (AI) yameongeza ufanisi na usahihi katika uchunguzi wa kifua kikuu, sambamba

na kuwezesha idadi kubwa ya watu kupimwa. “Matumizi ya X-ray yenye mfumo wa Computer Aided Detection (CAD)

ni mabadiliko makubwa katika vita dhidi ya kifua kikuu na yana msaada mkubwa katika kubaini wagonjwa waliokuwa hawajapatikani,” alisema mratibu huyo. Dkt. Barasa alifichua kuwa serikali ya kaunti imenunua mashine mpya ya X-ray inayotumia AI ambayo itahudumu katika Hospitali ya Molo ya Kaunti Ndogo na itawahudumia wakazi wa Kaunti Ndogo za Njoro, Kuresoi Kusini na Kuresoi Kaskazini. “Tunayatarajia mashine haya mapya kusaidia mikakati ya utambuzi wa

wagonjwa kwa njia ya utafutaji wa kimatendo, na kuimarisha juhudi za ufuatiliaji kulingana na vipaumbele vya kitaifa vya kudhibiti kifua kikuu katika maeneo haya. Vifaa hivi vipya vinajengwa juu ya uwekezaji wa awali wa kaunti katika teknolojia ya dijitali ya X-ray inayohamishika ambayo imeboresha pakubwa utambuzi wa wagonjwa wa kifua kikuu, kupunguza ucheleweshaji wa uchunguzi, na kupunguza msongamano katika hospitali za rufaa,” alieleza mratibu huyo.

## PUBLIC NOTICE

### CALL FOR PUBLIC PARTICIPATION AND SUBMISSION OF COMMENTS ON THE TRUST ADMINISTRATION BILL, 2025

The Business Registration Service (BRS) is established under the Business Registration Service Act (CAP 499B) to administer policies, laws, and other matters relating to the registration of Companies, partnerships and firms, and corporations carrying on business under a business name, bankruptcy, hire-purchase, security rights and incorporation of trusts, keeping of records, among other functions.

BRS has developed the Trust Administration Bill, 2025, to streamline the incorporation of trusts, registration requirements, as well as the administration and management of trusts in Kenya by making the processes predictable. The Bill seeks to consolidate and modernize the Trustee (Perpetual Succession) Act as well as the Trust Act.

Pursuant to the requirements in Article 10(2) of the Constitution, BRS is undertaking public participation on the Trust Administration Bill and hereby invites members of the public to participate in the forums as follows:

## COUNCIL OF LEGAL EDUCATION

### 1. REGISTRATION OF SUPPLIERS, CONTRACTORS & SERVICE PROVIDERS NOTICE

The Council of Legal Education is established under the Legal Education Act, CAP 16B. The core functions of the Council of Legal Education are to regulate Legal Education and training, license and supervise Legal Education providers, conduct the Advocates Training Program (ATP) Examination, recognize and approve qualifications in Law obtained outside Kenya and advise the Government on matters relating to legal education and training.

Pursuant to Section 57 and 71 of the Public Procurement and Asset Disposal Act 2015 and Regulation 69 of the Public Procurement and Asset Disposal Regulations 2020, the Council invites prospective Suppliers, Contractors and Services providers who would wish to provide goods, works and services for a period of two years from March 2026 to electronically register through the portal

<https://procurement.cle.or.ke/>.

| Tender No.            | Description                                                                                                                                         | Eligibility                                 | Tender Closing Date                    |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------|----------------------------------------|
| CLE/REG/001/2025-2026 | Registration of Suppliers, Contractors, Consultants for Supply of Goods and Provision of Services and Works for a Period of Two (2) Years 2026-2027 | Open to all interested and eligible bidders | 29 <sup>th</sup> January 2026, 1700hrs |

**How to Apply:** All interested eligible bidders may download complete set of bidding from Council's website [www.cle.or.ke](http://www.cle.or.ke) or [www.tenders.go.ke](http://www.tenders.go.ke) **free of charge**. Prospective bidders should register on <https://procurement.cle.or.ke/>.

Qualified and interested tenderers may obtain further information and inspect the Tender Documents during office hours 8:00am-5:00pm.

**Important:** Evidence of registration or application for registration with **e-GP (electronic Government Procurement System)** must be submitted.

### 2. TENDER NOTICES FOR FRAMEWORK AGREEMENTS

Council of Legal Education invites tenders from eligible firms to enter into Framework Agreements with for provision of the following services for a period of three years commencing March 2026.

| Tender No.           | Description                                                                                                                                       | Eligibility                                 | Tender Closing Date                    |
|----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------|----------------------------------------|
| CLE/FC/001/2025-2026 | Tender Document for Provision of Catering Services on Framework Agreement for Council of Legal Education Headquarters for a Period of Three Years | Open to all interested and eligible bidders | 29 <sup>th</sup> January 2026, 1100hrs |
| CLE/FC/002/2025-2026 | Provision of Conference Facilities Package and Accommodation Under Framework Agreement for a Period of Three Years                                | Open to all interested and eligible bidders | 29 <sup>th</sup> January 2026, 1100hrs |

#### NOTE:

- Interested eligible candidates may obtain further information from and inspect the tender documents from the council's website: [www.cle.or.ke](http://www.cle.or.ke) OR from the Public Procurement Information Portal (<http://www.tender.go.ke>) free of charge.
- All qualified and interested Suppliers, Service Providers and Contractors **MUST** ensure they have registered in the **Electronic Government Procurement System (e-GPS)**. Evidence of registration **MUST** be submitted together with the application for listing.

Completed Registration and Framework Agreement documents in plain sealed envelopes, clearly marked with the Registration or Framework Agreement Number and Description of the tender indicated on the envelope should be addressed and delivered to:

**Secretary/ Chief Executive Officer**  
**Council of Legal Education**  
**P. O. BOX 829 – 00502 NAIROBI.**

and placed in the tender box located at the **Council of Legal Education Offices Karen Office Park, 2<sup>nd</sup> Floor**, or sent by post to reach the above address not later than **29<sup>th</sup> January, 2025 at 11:00 A.M.** Tender documents will be opened immediately thereafter in presence of the bidders or their representatives who choose to attend.

# Nakuru kunoa vijana 200 kuhusu ramani ya kidijitali

Baadhi ya wakazi wa Nakuru waliojitokeza kwa mkutano wa kuwahamasisha kuhusu mpango wa mafunzo ya kidijitali kwa vijana. PICHA: ESTHER MWANGI

NA ESTHER MWANGI  
(KNA)

Takribani vijana 200 wanatarajiwa kufunzwa kuhusu ramani na upimaji wa kidijitali kabla ya zoezi kamili la uchoraji ramani wa mitaa isiyo rasmi katika Kaunti ya Nakuru, likilenga kuboresha upangaji unaotegemea takwimu na utoaji huduma jumuishi katika kaunti hiyo. Mpango huo wa mafunzo wa miezi mitatu, ambao pia utawawezesha wanufaika kupata ujuzi wa tathmini ya miundombinu na ukusanyaji wa takwimu za kijamii na kiuchumi, utatekelezwa kupitia mpango wa Digital Public Works (DPW) chini ya awamu ya pili ya Kenya Informal Settlements Improve-

ment Programme II (KISIP).

Mratibu wa Mradi wa KISIP Kaunti ya Nakuru, Mhandisi Kamau Kuria, alisema kuwa zoezi hilo la uchoraji ramani linatarajiwa kutoa takwimu za kina kuhusu eneo, idadi ya watu, miundombinu iliyopo na mapungufu ya huduma katika mtaa wa mabanda wa Kwa Rhoda katika Tarafa ya Nakuru West na Karagita katika Tarafa ya Naivasha. Mhandisi Kuria alisema kuwa taarifa hizo zitakuwa muhimu katika kuunda mipango ya baadaye ya kuboresha mitaa hiyo isiyo rasmi, kusaidia katika kuanzisha afua mahsusi na kuhakikisha kuwa upangaji wa maendeleo unazingatia mahitaji ya wakazi wote wa kipato cha chini. Akizungumza katika mkutano

wa kuwaelimisha wakazi kuhusu mafunzo yaliyopangwa, mratibu huyo ambaye pia ni Afisa Mkuu wa Kaunti wa Makazi na Maendeleo ya Miji, alisema kuwa mpango huo utawezesha vijana kiuchumi huku ukiziweka jamii katikati ya maendeleo. Kwa mujibu wa afisa huyo, zoezi hilo pia litawezesha vijana kujifunza kuhusu uhamasishaji wa picha za anga kwa njia ya kidijitali kwa kutumia kamera za ardhini kukusanya picha katika mitaa isiyo rasmi, sambamba na kupata ujuzi wa kazi ndogondogo za kidijitali. Mhandisi Kuria alibainisha kuwa wanufaika wa mpango huo watapata fursa za ajira za muda mfupi na uhamishaji ujuzi kupitia ukusanyaji wa takwimu, hivyo kuwaandaa kwa nafasi za ajira. “

Shughuli hii bunifu itashughulikia hitaji la kuwa na takwimu za kisasa za miji na kuwapa vijana walio katika mazingira hatarishi fursa ya kuendeleza ujuzi wa kidijitali kupitia mbinu ya kazi za umma inayowapatia kipato cha muda mfupi kama mtandao wa usalama,” aliongeza. Mhandisi Kuria aliendelea kusema kuwa ukusanyaji wa takwimu utaunga mkono upangaji unaotegemea ushahidi ili kuwazesha mpango wa kuboresha mitaa ya mabanda kuendana na Mpango wa Uhuishaji wa Miji wa Kaunti na Lengo la Maendeleo Endelevu la 11. Idara ya Serikali ya Makazi na Maendeleo ya Miji kupitia KISIP 2 inayoendeshwa na Benki ya Dunia imeelekeza shilingi bilioni 1.5 katika kuboresha mitaa isiyo rasmi ya Nakuru, hatua ambayo imepiga hatua kubwa katika kuboresha upatikanaji wa huduma za msingi, kulinda umilikaji wa ardhi na kuimarisha mifumo ya taasisi za kuboresha mitaa ya mabanda katika serikali za ugatuzi. KISIP ilianzishwa na serikali mwaka 2011 kwa usaidizi wa Benki ya Dunia, Wakala wa Ushirikiano wa Maendeleo wa Kimataifa wa Uswidi (SIDA), na Agence Française de Développement (AFD). Mradi huo kwa sasa uko chini ya Idara ya Serikali ya Makazi na Maendeleo ya Miji katika Wizara ya Ardhi, Kazi za Umma, Makazi na Maendeleo ya Miji, na unatekelezwa kupitia serikali 33 za kaunti wahiriki kwa ushirikiano wa karibu na taasisi nyingine za serikali na wadau. Mhandisi Kuria alieleza kuwa baada ya uchoraji ramani kumilika, wanatarajia hatua madhubuti zichukuliwe, akiongeza kuwa wakazi wanahitaji makazi bora, huduma za usafi na upatikanaji wa huduma za msingi. Aliwahakikishia wakazi kwamba zoezi la uchoraji ramani litatekelezwa kwa uwazi na

litajumuisha jamii ili kuhakikisha usahihi na ujumuishaji. Vijana wataoteuliwa watafunzwa kufanya majukumu mbalimbali ya kuunda takwimu za miji, ikijumuisha kidijitali kuezeka mipaka ya majengo, kupiga picha za ardhini za digrii 360, kuainisha maeneo muhimu, uthibitishaji data kwa kutumia AI, na kufanya utafiti wa kaya. Watawekewa pia ujuzi wa kiu-fundi wa kukusanya taarifa za kijiografia ili kusaidia mageuzi ya mijini katika usimamizi wa taka ngumu, ujumuishaji wa kijamii na kiuchumi, usimamizi wa hatari za majanga, kuzuia uhalifu na ukatili, na kuchagua maeneo ya uwekezaji. Afisa huyo Mkuu alieleza kuwa vijana watapatiwa vifaa vya kukusanya takwimu, akiongeza kuwa mpango huo unawalenga hasa vijana kwa sababu ndio sehemu kubwa ya idadi ya watu na wako miongoni mwa makundi yaliyo hatarini zaidi kutokana na kukosa fursa, hasa katika maeneo ya mijini. Mhandisi Kuria aliwahakikishia wakazi kuwa KISIP National Project Coordination Team (NPCT) na County Project Coordination Team (CPCT) zinahakikisha upeo sahihi wa mradi unakamatwa na washauri wa mradi ili kuhakikisha wanufaika wanapata thamani kamili ya fedha. Alisema pia kuwa timu ya wataalamu kutoka Manispaa ya Nakuru, Idara za Mazingira, Huduma za Kijamii, Barabara na Miundombinu, Mipangilio ya Matumizi ya Ardhi, Maendeleo ya Miji, pamoja na ununuzi na Uhasibu, inahakikisha mradi unafanikiwa. Serikali imeipatia Serikali ya Kaunti ya Nakuru shilingi milioni 500 kwa ajili ya miradi inayoendelea kuboresha upatikanaji wa huduma za msingi katika mitaa ya kipato cha chini ya Kwa-Murogi, London na Lake View ndani ya Jiji la Nakuru na mitaa ya mabanda ya Karagita huko Naivasha.

**MINISTRY OF EDUCATION**  
State Department for Technical & Vocational Education & Training  
**SIKRI TECHNICAL & VOCATIONAL COLLEGE FOR THE BLIND AND DEAF**

# Kiambu yaanza ufuatiliaji wa ubora wa hewa moja kwa moja

1. Wahandisi waweka kifaa cha kuchunguza ubora wa hewa kando ya barabara kuu Kaunti ya Kiambu kama sehemu ya mpango wa kaunti hiyo wa kuchunguza ubora wa hewa na nishati.
2. Maafisa wa serikali ya kaunti wanasimamia uwekaji wa kifaa cha kuangalia ubora wa hewa katika Manispaa ya Kiambu wakati wa kuanzishwa kwa ufuatiliaji wa ubora wa hewa.

NA KEVIN KARANJA  
(KNA)

Kaunti ya Kiambu imeanza kuzali-sha data ya moja kwamoja kuhusu utoaji wa hewa chafu unaohusiana na usafiri kufuatia ufungaji wa vifaa sita vya kufuatilia ubora wa hewa, hatua inayolenga kusaidia sera zinazotegemea ushahidi kuhusu usafiri safi na endelevu. Vifaa hivyo vimewekwa kwa usaidizi wa Taasisi ya World Resources Institute (WRI) kando ya njia kuu za barabara zenye msongamano mkubwa wa pikipiki na vyombo vya usafiri vya magurudumu matatu—vinavyojulikana kama boda boda na tuk-tuk—katika manispaa za Thika, Juja, Ruiru, Githurui, Kiambu na Karuri. Zoezi la ufuatiliaji wa ubora wa hewa ni miongoni mwa shughuli za awali chini ya Mradi wa Safiri Electric, mpango wa mashirika mengi unaotekelezwa na Idara za Serikali za Mazingira, Misitu na Mabadiliko ya Tabianchi; Biashara; Hazina ya Taifa; na Barabara na Usafiri, kwa ushirikiano na Baraza la Magavana na WRI. Mradi huo, unaotekelezwa katika kaunti za Kiambu, Kajiado na

Kilifi, unalenga kupunguza kaboni katika sekta ya usafiri nchini Kenya kwa kuharakisha umeme wa vyombo vya magurudumu mawili na matatu pamoja na kupanua miundombinu ya vituo vya kuchaji katika maeneo ya pembezoni mwa miji na vijijini. Kulingana na Idara ya Maji, Mazingira, Nishati na Rasilimali Asili ya Kaunti ya Kiambu, vifaa vilivyowekwa vitapeerusha data ya wakati halisi kuhusu utoaji wa hewa ya kaboni na viwango vya ubora wa hewa, na kutoa vipimo vya msingi kabla na wakati wa utekelezaji wa hatua za kupunguza kaboni. Data hiyo itatumika kufuatilia maendeleo na kutathmini ufanisi wa mikakati inayolenga kupunguza uchafuzi unaotokana na magari katika vituo vya mijini. Mradi wa Safiri Electric unalingana na Michango ya Kitaifa Iliyokusudiwa (NDCs), Mpango wa Kitaifa wa Hatua za Kuk-

Vifaa hivyo vilivewekwa, kwa usaidizi wa Taasisi ya Rasilimali Duniani (WRI)

abiliana na Mabadiliko ya Tabianchi (NCCAP 3) na vipaumbele vya tabianchi vya kaunti, na unatarajiwa kuendeshwa kuanzia mwaka 2025 hadi 2029. Mnamo Oktoba 2025, Mpango wa Maendeleo wa Umoja wa Mataifa (UNDP), Mfuko wa Maendeleo wa Miji wa Umoja wa Mataifa (UNCDF) na WRI waliuzindua kwa pamoja mpango wa kitaifa wa kuharakisha matumizi ya vyombo vya magurudumu mawili na matatu vya umeme, huku Kiambu ikiwa miongoni mwa kaunti zinazofaidika. Akizungumzia mpango huo, George Mwaniki, Mwakilishi wa WRI nchini Kenya, alisema Kenya ina fursa ya kipekee ya kupunguza hewa chafu kupitia usafiri safi. “Kwa kuwa vyombo vya magurudumu mawili vinachangia zaidi ya asilimia 70 ya usajili wa magari kwa mwaka na zaidi ya asilimia 90 ya umeme wa Kenya kuzalishwa kutoka vyanzo vinavyoweza kufanywa upya, kuhamia umeme katika sekta hii kunatoa suluhisho lenye athari kubwa na linaloweza kupanuliwa ili kupunguza hewa chafu na kuunga mkono ukuaji wa uchumi,” alisema.

MINISTRY OF WATER, SANITATION  
AND IRRIGATION  
STATE DEPARTMENT FOR WATER  
AND SANITATION

NORTH RIFT VALLEY WATER WORKS DEVELOPMENT AGENCY

## TENDER NOTICE

The Government of the Republic of Kenya through the Ministry of Water, Sanitation and Irrigation has allocated funds to North Rift Valley Water Works Development Agency (NRVWDA) for procurement of construction works of drought mitigation water projects within its area of jurisdiction.

The Agency brings to the attention of interested and eligible bidders that Invitation Notices for the tenders shall be uploaded on the Agency's website.

Interested bidders are required to download full details of the advertisement from the Agency's website [www.nrvwwda.go.ke](http://www.nrvwwda.go.ke) as from 16<sup>th</sup> January 2026.

Bidders who download the bidding documents from the website are requested to forward their particulars and queries if any through [procurement@nrvwwda.go.ke](mailto:procurement@nrvwwda.go.ke), [info@nrvwwda.go.ke](mailto:info@nrvwwda.go.ke), for records and any further clarifications and addenda.

CHIEF EXECUTIVE OFFICER,  
NORTH RIFT VALLEY WATER WORKS DEVELOPMENT AGENCY.

KENYA URBAN ROADS AUTHORITY  
Transforming Urban Mobility

# Bondi ya Samurai kusaidia Kenya kutengeneza magari badala ya kuunganisha vipuri

NA. JUMA MUKHWANA

Kwa miaka mingi, sekta ya magari ya Kenya imekuwa ikitegemea uagizaji na upangaji wa magari yaliyotumika—mfumo ambao umechochea upotevu wa fedha za kigeni, kuongeza hewa chafu na kuzuia uundaji wa ajira za ndani. Sera mpya ya magari ya Kenya inalenga kubadilisha hali hii kwa kuzingatia upangaji wa ndani, utengenezaji na mpito kuelekea magari ya umeme (EVs). Deni la Samurai la Shilingi bilioni 13.1 ni kichocheo muhimu, likitoa rasilimali zinazohitajika kuvuka mapengo ya kiteknolojia na kujenga sekta shindani na endelevu kuanzia msingi wake. Japani, ambayo ni kinara wa kimataifa katika ubunifu wa magari, si mkopesaji tu bali pia ni mshirika wa kimkakati, ikishughulikia vikwazo mahususi katika mnyororo wa thamani wa magari nchini Kenya. Kipaumbele muhimu ni kuanzisha Baraza na Taasisi ya Kitaifa ya Magari ili kutatua utata wa sera na kuongeza imani ya wawekezaji. Taasisi hiyo pia itawafundisha mafundi mbinu za kisasa za uchunguzi wa magari, matengenezo ya magari ya umeme na roboti, hivyo kushughulikia uhaba wa muda mrefu wa wafanyakazi wenye ujuzi. Mapendekezo haya yameai-

Wafanyakazi wakikusanya lori katika kiwanda cha Isuzu East Africa Assembly kwenye barabara ya Enterprise jijini Nairobi.

nishwa katika Mswada wa Kitaifa wa Magari wa mwaka 2025, ambao kwa sasa unajadiliwa na umma kabla ya kupelekwa Bungeni kwa ajili ya kuidhinishwa na hatimaye kutiwa saina na Rais. Sekta ya upangaji wa magari inahitaji uwekezaji mkubwa wa mtaji ili kusonga kutoka upangaji rahisi (SKD/CKD) hadi utengenezaji kamili. Kwa hiyo, Deni la Samurai limebuniwa kuharakisha mpito wa Kenya kuelekea utengenezaji kamili (Ngazi ya 3 na kuendelea) na kuvutia watengenezaji wakubwa wa kimataifa (OEMs) kuanzisha viwanda vya kikanda.

**KENYA INDUSTRIAL ESTATES**

## INVITATION TO TENDER

Kenya Industrial Estates (KIE) is a State Corporation established with a major role of promoting indigenous entrepreneurship by Financing and Developing Small Scale and Micro Enterprises. The Institutions is seeking qualified bidders to provide the following services: -

| TENDER NO            | TENDER DESCRIPTION                                                                                                                                                    | CATEGORY      | DEADLINE           |

# CS apinga madai ya upendeleo katika upangaji wa Gredi 10

NA EKUWAM SYLVESTER KNA

Waziri wa Elimu Julius Migos Ogamba ameonya wanasiasa dhidi ya kutoa matamshi ambayo yanaweza kugawanya nchi kwa misingi ya kikabila. Alirejelea kauli ya hivi karibuni inayodaiwa kutolewa na kiongozi mwandamizi, ambayo ilidai kwamba ugawaji wa wanafunzi wa Darasa la 10 ulipangwa kwa upendeleo wa baadhi ya makundi ya kikabila na kuwaweka wengine katika hali ya kudhulumiwa. Ogamba aliwatuhamu viongozi kwa kuingiza “siasa ndogo” katika sekta ya elimu, akionya kwamba serikali haitaruhusu shule za kitaifa kubadilishwa kuwa za kikabila au mustakabali wa wanafunzi kuhatarishwa kwa masilahi ya kisiasa. Akizungumza katika Shule ya Sekondari ya Wavulana ya AIC Chebisaas mjini Eldoret, Kaunti ya Uasin Gishu, Waziri alisema ni kosa kwa viongozi kupendelea kwamba shule za kitaifa ziwe zinawachukua wanafunzi kutoka jamii zinazozizunguka pekee, akisisitiza kwamba taasisi hizo zipo kuhudumia wanafunzi kutoka maeneo yote ya nchi. “Chebisaas ni shule ya kitaifa. Tunao wanafunzi kutoka

Pwani, Magharibi, Kaskazini Mashariki, Nyanza na Bonde la Ufa,” alisema. “Kwa wale wanasiasa, nawahimiza kwa heshima waende kwenye kamusi wasome maana ya neno ‘kitaifa.’” Waziri alisema serikali imelazimika kujibu baada ya mashambulizi ya mara kwa mara ya kisiasa dhidi ya sekta ya elimu, inayohudumia zaidi ya wanafunzi milioni 12 kote nchini. Alikanusha madai kwamba mgao wa fedha wa shule umepunguzwa, akibainisha kwamba hivi karibuni serikali ilitoa Shilingi bilioni 44 kwa shule — mara ya kwanza katika kipindi cha zaidi ya miaka 10 kufanya hivyo kabla ya shule kufunguliwa. “Hii ni mara ya kwanza katika zaidi ya miaka kumi ambapo fedha za capitation zimetolewa kabla ya shule kufunguliwa. Wakuu wa Taasisi wanatarajiwa kuhakikisha matumizi bora ya rasilimali hizi za umma kwa manufaa ya wanafunzi na kuacha kutoza ada au michango ya ziada,” alisema Waziri Ogamba. “Tumeweka rasilimali, miundombinu na walimu,” aliongeza, akisema kuwa serikali ya sasa imeajiri walimu 100,000 — takriban asilimia 30 ya walimu wote walioajiriwa tangu uhuru mwaka 1963. Alionya kwamba wadau wa elimu watapinga jaribio lolote la kudhoofisha sekta hiyo, akisema

Waziri wa Elimu Julius Migos Ogamba (katikati) akiandamana na Katibu wa Elimu ya Msingi. Prof. Julius Bitok (kushoto) na Mbunge wa Moiben na Mjumbe wa Kamati ya Elimu ya Bunge la Kitaifa Prof. Phyllis Bartoo (kulia) na maafisa wengine wakuu wa serikali katika A.I.C. Shule ya Sekondari ya Wavulana ya Chebisaas, Eldoret, Kaunti ya Uasin Gishu. Picha: EKWAM SYLVESTER

maafisa wako tayari kuhamasisha mamilioni walioko ndani ya mfumo wa elimu kutetea maslahi ya wanafunzi. “Hatutakaa kimya na kuruhusu upuuzi kuingizwa katika sekta ya elimu,” alikazia, akiongeza: “Mustakabali wa watoto wetu haupaswi kuchezwa kwa misingi ya siasa.” Waziri pia aliwapa onyo kali wakuu wa shule, akiwataka kutoomba fedha kutoka kwa

wazazi wanaotafuta nafasi za masomo kwa watoto wao. Alisema kitendo hicho nikinyume cha sheria na kwamba mfumo wa utoaji taarifa umewekwa. “Ikiwa tutamkuta mkuu wa shule akidai hongo, tutashughulika naye kiutawala na hatakuwa mkuu wa shule nchini tena,” alisema Waziri wa Elimu. Kuhusu uandikishaji wa wanafunzi, Waziri alisisitiza

kwamba wanafunzi wako huru kusoma katika shule za uchaguzi wao bila kujali eneo, akitoa mfano wa safari yake ya elimu katika maeneo tofauti ya nchi. Alisema serikali imefungua mfumo wa mtandaoni unaoweza wazazi na wanafunzi kuomba uhamisho kwenda shule wanazohisi wako huru zaidi. Waziri aliwahakikishia wanafunzi kwamba serikali imejizatiti kulinda maslahi yao.

Nairobi Centre  
for International  
Arbitration

CAREER OPPORTUNITY

ISO:9001:2015 CERTIFIED

## EXTERNAL ADVERTISEMENT FOR ACADEMIC AND ADMINISTRATIVE STAFF POSITIONS

The Open University of Kenya (OUK) is a Public Specialised University chartered in **3<sup>rd</sup> August 2023** pursuant to Section 24(1)(b) of the Universities Act (No. 42 of 2012). The University is located approximately 70 Kms from Nairobi at Konza Technopolis, within Makueni County along the Nairobi-Mombasa Highway.

The establishment of the Open University of Kenya reflects the Government's commitment to fostering a knowledge-based society where education is a tool for personal advancement and national progress. The University is established on the philosophy of quality education, technology and accessibility that advocates for inclusivity, flexibility, openness, and innovation. The philosophy makes the institution unique in addressing the Government's national strategic needs for skills development that will drive socio-economic growth.

To give a dynamic and strategic leadership, OUK invites qualified and interested applicants to serve in the positions listed below.

The specific descriptions and specifications are indicated on the website at <https://ouk.ac.ke/careers>.

# Wizara yazindua ripoti ya ushauri wa matumizi ya ardhi baada ya uchimbaji

NA CHARI SUCHE, KNA

Serikali imezindua Ripoti ya Ushauri wa Matumizi ya Ardhi Baada ya Uchimbaji Madini na Kufungwa kwa Migodi ya kwanza kabisa nchini Kenya, ikiongoza hatua muhimu katika juhudi za nchi hiyo za kukuza uchimbaji madini unaojali, urejeshaji wa mazingira, na maendeleo endelevu ya jamii zinazozunguka migodi. Ripoti hiyo ilizinduliwa katika Kaunti ya Kwale na Waziri wa Madini, Uchumi wa Bluu, na Masuala ya Baharini, Hassan Joho, wakati wa sherehe iliyohudhuriwa na Katibu Mkuu wa Madini, Harry Kimtai, pamoja na viongozi wa serikali, viongozi wa kaunti, wawakilishi wa jamii, mashirika ya kiraia, na maafisa kutoka Base Resources Limited. Akizungumza kwenye tukio hilo katika Shule ya Serikali ya Kenya Matuga, Joho alielezea ripoti hiyo kama matokeo ya mchakato jumuishi, wazi na makini, akibai-

**Waziri wa Masuala ya Madini, Uchumi Baharini Hassan Joho akiwahutubia wanahabari baada ya kuzinduliwa kwa Ripoti ya kwanza ya Ushauri wa Matumizi ya Ardhi baada ya Uchimbaji na Kufungwa katika Kaunti ya Kwale**

nisha kuwa inaweka kiwango cha kitaifa kwa kufungwa kwa migodi na matumizi ya ardhi baada ya uchimbaji madini. “Uchimbaji madini ni shughuli muhimu kiu-chumi kwa nchi yetu, lakini una kikomo. Kila mgodi una maisha yake, na pale maisha hayo yanapokoma, kuna wajibu wazi unaopaswa kutimiza. Ripoti hii inatoa viwango na mwongozo unaohitajika kuhakikisha uchimbaji madini unaacha urithi chanya kwa jamii na mazingira,” alisema Joho. Waziri alisisitiza kuwa uzoefu wa Kwale utatu-

mika kama mfano kwa maeneo mengine ya madini kote nchini, akithibitisha dhamira ya serikali ya kuchimbua rasilimali za madini kwa njia endelevu. “Kile tunachozindua leo hapa Kwale si kwa kaunti hii tu. Ni ramani ya kitaifa itakayowaongoza kwa matumizi ya ardhi baada ya uchimbaji madini na kufungwa kwa migodi kote Kenya,” aliongeza. Kwa upande wake, Katibu Mkuu Mhandisi Kimtai alitaja ripoti hiyo kama mafanikio makubwa yaliyopatikana kupitia ushirikiano mpana wa wadau na michango ya kisayansi.

## JOB ADVERTISEMENT

The Intergovernmental Relations Technical Committee (IGRTC) was established pursuant to the provisions of Section 11 of the Intergovernmental Relations Act, 2012 and its mandate includes implementing the decisions of the National and County Coordinating Summit (The Summit) and the Council of Governors.

IGRTC has advertised for the below position;

### 1. Chairperson - Audit Committee

The details are in the IGRTC website: [www.igrtc.go.ke](http://www.igrtc.go.ke)

Interested and qualified candidates meeting the qualifications should forward their applications enclosing detailed and updated curriculum vitae, all relevant copies of academic certificates, and National ID before or on **3<sup>rd</sup> February, 2026, 1700hrs.**

## PUBLIC NOTICE

### PUBLIC CONSULTATION ON THE REVIEW OF THE FRAMEWORK FOR QUALITY OF SERVICE (QoS) MEASUREMENT FOR MOBILE TELECOMMUNICATION SERVICES IN KENYA

The Communications Authority of Kenya (CA) is the regulatory agency for the ICT industry in Kenya with responsibilities in telecommunications, cyber security, e-commerce, broadcasting, multimedia and postal/courier services. The CA is also responsible for managing the country's numbering and frequency spectrum resources, administering the Universal Service Fund (USF) as well as safeguarding the interests of users of ICT services.

The Kenya Information and Communications Act, 1998, mandates the Authority to license and regulate telecommunication services in Kenya.

In furtherance of its consumer protection responsibility provided for under Section 46A (a) of Act, the Authority in 2018 developed a Framework for Quality of Service (QoS) measurement for mobile telecommunication services in Kenya.

Over the years, there have been significant developments in the telecommunications sub sector, necessitating a review of the QoS framework, to include measurement of new technologies such as 4G, 5G among other new technologies.

In line with constitutional requirement of public participation, the Authority invites stakeholders, including members of the public, mobile telecommunication service operators, and licensees, among others, to review and submit their specific input and views on the proposed Framework for Quality of Service (QoS) measurement for telecommunication services.

The proposed Framework for Quality of Service (QoS) measurement for mobile telecommunication services can be found here: <https://www.ca.go.ke/open-consultations>

Written comments on specific proposed should requirements submitted in the prescribed format to the address indicated below or via email address [TelecomQoS@ca.go.ke](mailto:TelecomQoS@ca.go.ke) on or before the close of day on **13<sup>th</sup> February 2026.**

# Miradi ya nyumba za bei nafuu yasisimua uchumi katika Kaunti ya Tharaka Nithi

NA DICKSON MWITI NA  
CHRISTINE NGITORI KNA

Mpango wa serikali wa makazi ya bei nafuu unaunda fursa za ajira na kuhamasisha ukuaji wa uchumi katika Kaunti ya Tharaka Nithi, huku miradi kadhaa ya makazi na miundombinu ikiendelea chini ya Idara ya Serikali ya Makazi. Akizungumza na Kenya News Agency wakati wa ziara ya mradi mjini Chuka, Mkurugenzi wa Makazi wa Kaunti ya Tharaka Nithi, Nelly Kawira, alisema kaunti hiyo inatekeleza miradi muhimu ya serikali ya kitaifa, ikiwemo makazi ya bei nafuu, mikakati ya kuchochea uchumi, na maendeleo ya masoko ya kisasa. Kawira alibainisha kuwa kaunti kwa sasa ina miradi mitatu mikubwa ya makazi ya bei nafuu: Chuka Public Works Affordable Housing, Majira Affordable Housing, na Marimanti Affordable Housing, yote yakiendelea kutekelezwa kupitia Idara ya Serikali ya Makazi. Aliongeza kuwa Mradi wa Makazi ya Bei Nafuu Chuka, ambao utajumuishia nyumba 385 katika makundi mbalimbali, ulianza mnamo Desemba 2024 na unatarajiwa kukamilika kufikia Julai mwaka huu, baada ya miezi 18 ya ujenzi. “Mradi unakua kwa kasi nzuri na hadi sasa umefikia asilimia 30 ya ukamilisho. Hata hivyo, huenda hatutafika kwenye muda uliopangwa kutokana na changamoto za awali, ikiwemo miti mikubwa mingi katika eneo la mradi iliyochukua muda kuondolewa. Hii inahitaji kuondolewa miezi michache ili kulipia muda uliopotea,” alisema Kawira. Aliongeza kuwa mradi wa Marimanti katika Kata ya Tharaka umekamilika kwa asilimia 4 baada ya eneo kupewa mnamo Novemba mwaka jana, wakati mchakato wa kuweka wamiliki wa mradi wa Majira umekamilika hivi karibuni. Zaidi ya utoaji wa makazi, Kawira alisema miradi hiyo imeleta faida kubwa kiuchumi na kijamii kwa jamii za hapa,

**Sehemu za mradi wa Nyumba za bei nafuu katika mji wa Chuka eneo bunge la Chuka/Igambang'ombe. Picha: Christine Ngitori**

hasa wanawake na vijana. “Watu wengi wamefaidika kiuchumi. Wanawake wamejitokeza kwa wingi kufanya kazi kwenye eneo la ujenzi, wakati wafanyabiashara wadogo kama wauzaji wa mama githeri na matunda wanapata kipato kutokana na shughuli zilizozongezeka karibu na miradi hii,” alisema. Alieleza kuwa mafundi wa Jua Kali, wakiwemo mafundi wa simiti, carpenters na wavelder, pia wamepata ajira kupitia miradi hii, jambo linaloboreshwa kipato cha kaya na maisha ya familia. “Makazi ya bei nafuu yameleta manufaa mengi. Familia zinaweza kuisaidia elimu ya watoto wao na kukidhi mahitaji ya kila siku kwa kutumia mapato yanayopatikana kutoka miradi hii,” alisema Kawira. Alifichua zaidi kuwa wengi wa mafundi walioishirikishwa katika miradi hii wamejiandikisha na Mamlaka ya Micro na Small Enterprises (MSEA), hatua ambayo imeongeza weledi, uwajibikaji, na upatikanaji wa misaada ya serikali katika sekta ya ujenzi. Zaidi, aliongeza kuwa miradi hiyo imeunda fursa kwa wanafunzi wa mafunzo ya kiufundi na wasio wa kiufundi. Mkurugenzi pia alibaini

kuwa serikali imeajiri vijana 5,000 wa kike na wa kiume kote nchini kama wanafunzi wa mafunzo ya vitendo (interns), chini ya mpango wa makazi ya bei nafuu, huku nafasi 63 za mafunzo zikigawanywa kwa Kaunti ya Tharaka Nithi. Alisema wanafunzi hao wa mafunzo wamepelekwa kwenye miradi mbalimbali inayotekelezwa ili kupata uzoefu wa vitendo na kuendeleza ujuzi wa kazi katika sekta ya ujenzi. Kawira alisema mpango wa makazi ya bei nafuu ni sehemu ya mkakati mpana wa serikali wa kushughulikia uhaba wa makazi, huku ukihamasisha uundaji wa ajira, ukuzaji wa ujuzi, na uwezeshaji wa kiuchumi. “Baada ya kukamilika, miradi hii inatarajiwa kupunguza shinikizo la makazi katika Kaunti ya Tharaka Nithi na kutoa faida za kijamii na kiuchumi kwa muda mrefu kwa wakazi, jambo ambalo ni sehemu ya ajenda ya maendeleo ya Kenya Kwanza,” alisema mkurugenzi. Mkaazi aliyeajiriwa kwenye eneo la ujenzi Chuka, Purity Mutegi, alisema mradi huo umempa kipato thabiti na kuboresha ustawi wa familia yake.

# Mwea wanufaika na kuboreshwa kwa miundombinu ya barabara

Sehemu ya barabara ya Kandongu -Kiangichiri Mwea Magharibi.

NA DAVID WANDETO (KNA)

Wakazi wa eneo bunge la Mwea wana sababu ya tabasamu kufuatia kukamilika kwa upakaji wa lami kwenye mitandao muhimu ya barabara, hatua inayolenga kuboresha usafiri, kilimo, na shughuli za kiuchumi katika eneo hilo. Kwa miongo kadhaa, Mwea, mojawapo ya kata zilizo na wakazi wengi na eneo pana katika Kaunti ya Kirinyaga, imekuwa ikikabiliwa na miundombinu duni ya barabara licha ya kuwa kitovu kikuu cha kilimo. Wakazi wamekuwa wakilalamika kwa muda mrefu kwamba barabara zisizoweza kupitishwa zilizuia usafiri, kuchelewesha kufikia masoko, na kuongeza gharama za biashara. Changamoto hiyo ya muda mrefu sasa inatatuliwa kupitia uwekezaji mkubwa wa serikali ya kitaifa katika miundombinu ya barabara. Wakulima wa kilimo cha bustani kutoka Mwea Mashariki na Mwea Magharibi, pamoja na kaunti jirani ya Mbeere Kusini, tayari wanafaidika na uboreshaji wa usafirishaji kufuatia upakaji lami wa barabara za kimkakati. Katika Mwea Mashariki, barabara kama South Ngariama-Ngurubani Road na PI-Murin-

duko-Kiumbu-Kiandegwa Road zimewezesha shughuli za usafirishaji kwa watu na mazao ya kilimo, huku katika Mwea Magharibi, Kiangichiri-Nguka-Mwea Boys Road ikifungua maeneo ambayo awali hayakuweza kufikiwa. Mitandao hii ya barabara inayoboreshwa inaunganisha maeneo yenye uzalishaji mkubwa, yanayojulikana kwa uzalishaji wa nyanya, mchele, maharagwe ya Kifaransa, maua na mazao mengine ya bustani yanayokwenda kwa masoko ya ndani na nje ya nchi. Miradi ya barabara ilitekelezwa chini ya mkataba wa barabara wa Shilingi bilioni 3 wa serikali ya kitaifa unaohusisha kilomita 65 katika kata za Mwea, Ndia, na Kirinyaga Kati. Mkataba huo ulijumuishwa barabara kuu za kiunganishi kama vile Mutithi-Kagio/Baricho-Getuya-Kagumo, Kagumo-Kimaina-Gathuthuma-Gatwe, Kimicha-Canal-Ndaba-Kangai, Kandongu-Kiangichiri, Kagio-Kathaka-Ki-

Barabara mpya zimepunguza kwa kiasi kikubwa gharama za uendeshaji.

angwaci, na Kandongu-Kiangichiri-Karira Mission Hospital-Ngurubani. Wakati wa ziara yake ya maendeleo katika Kaunti ya Kirinyaga, Rais William Ruto alibainisha kuwa barabara ya Murinduko-Kiumbu-Kiandegwa ni mradi wa kilomita 55, na kuongeza kuwa serikali tayari imetenga fedha kuhakikisha kukamilika kwake. Rais aliwahakikishia wakazi kuwa miradi yote ya barabara inayotekelezwa Mwea na sehemu nyingine za nchi itakamilika ili kuboresha usafirishaji na kufungua fursa za kiuchumi. Zaidi ya kilimo, wakazi wanasema barabara zilizoboreshwa zimebadilisha usafiri na biashara za hapa. John Katta, dereva wa boda boda kutoka Ndorome, Mwea Mashariki, alisema barabara mpya zimepunguza kwa kiasi kikubwa gharama za uendeshaji. “Kwa miaka mingi tulisali kwa barabara nzuri. Kudumisha kipiki kuligharimu sana kutokana na hali ya barabara yenye mwanya mkali. Sasa gharama zetu zimepungua, usafiri ni haraka, na baadhi ya madereva wameshikilia tuk-tuk, ambayo yanapata kipato zaidi na ni nafuu kwa wakazi,” alisema Katta.

Katta aliongeza kuwa urahisi wa usafirishaji umewavutia wawekezaji, kuongezeka kwa thamani ya ardhi na kuhamasisha shughuli za kiuchumi. Alimwomba mbunge wa eneo hilo, Mary Maingi, kushirikiana na serikali ya kitaifa kusaidia vijana kwa mtaji wa kuanzisha biashara kando ya barabara zilizoboreshwa. Wakulima wanasema hali mbaya ya barabara kwa miaka mingi ilikuwa kikwazo kikuu kwa ukuaji wa kilimo, mara nyingi ikisababisha hasara baada ya mavuno kutokana na kuchelewa kufikia masoko. “Kuna wakati lori zikitoka Tanzania zingeishia Kiumbu kwa wiki kadhaa zikitafuta nyanya,” alisema Priscilla Kinyua, mkulima wa nyanya na mfanbiashara kutoka Nguka. “Kwa kukamilika kwa barabara hizi, kufikia masoko sasa kumehakikishwa na wakulima wanaweza kupata thamani ya mazao yao,” aliongeza.

# Mamlaka ya yatia saina mkataba wa Sh40b kujenga Bwawa la Athi

Bi. Du Shan, Naibu Meneja Mkuu China Communications Construction Company Limited Kenya ashiriki mkataba uliotiwa saini na Mha. Charles Muasya, Mkurugenzi Mtendaji wa Mamlaka ya Kitaifa ya Umwagiliaji wakati wa hafla ya kutia saini katika Ofisi Kuu ya NIA katika Irrigation House, Nairobi.

**NA DANIEL NZONZO (PCO)**

Mamlaka ya Kitaifa ya Umwagiliaji (NIA) imesaini mkataba wa karibu Shilingi bilioni 40 na China Communications Construction Company Limited, kwa ajili ya uhandisi, ununuzi, ujenzi na ufadhili wa Bwawa la Athi (Galana). Mkataba huo, uliosainiwa na Eng. Charles Muasya, Mkurugenzi Mtendaji wa NIA, na Ms. Du Shan, Mkurugenzi Msaidizi wa China Communications Construction Company Limited Kenya, unaanza mchakato wa ujenzi wa Bwawa la Athi (Galana). Kwa ujazo uliopangwa wa milioni 305 za mita za ujazo, bwawa hilo linatarajiwa kuwa kiini cha mradi wa Galana Kulalu Food Security katika Kaunti za Tana River na Kilifi. Bwawa la Athi si mradi wa kawaida. Liriloundwa kunufaisha maji makubwa ya mfumo wa mito ya Athi/Galana, litatoa wastani wa mita za ujazo bilioni moja za maji kila mwaka. Hii itumwagilie hadi hekta 300,000 za shamba, kuhakikisha angalau msimu wa kilimo mara mbili kila mwaka. Kwa taifa lililokuwa linategemea kilimo cha mvua kwa muda mrefu, hili ni mabadiliko

makubwa kuelekea kilimo cha umwagiliaji — hatua inayotarajiwa kupunguza gharama za maisha na kuhakikisha chakula mezani mwa Wakenya. Lakini ahadi ya bwawa hilo inaenea zaidi ya mashamba. Litatoa maji safi ya kunywa kwa watu 70,000, likiunga moja kwa moja malengo ya serikali ya BETA ya nishati nafuu na huduma bora za afya kupitia usafi wa mazingira. Mradi huo pia utafanya msingi wa Hifadhi ya Viwanda vya Kilimo, ikiwa na barabara, umeme, usafirishaji, na mitambo ya kisasa ya usindikaji. Kwa kupunguza hasara baada ya mavuno na kuongeza thamani ya mazao, mpango huu utachoea sekta ya utengenezaji nchini Kenya huku ukitengeneza maelfu ya ajira kwa vijana. Shule, makazi, na vituo vya afya vitajengwa kando na bwawa, kuhakikisha jamii zinafika kikamilifu na mradi huu mkubwa. Wakati timu za kiufundi zikijiandaa kuanza kazi katika mashamba ya Galana na Kulalu yenye eneo la hekta milioni 1.75, Bwawa la Athi linachukua nafasi zaidi ya jiwe na chuma tu. Ni ishara ya uvumilivu, nguzo ya mabadiliko ya kilimo Kenya, na ahadi ya ustawi kwa vizazi vijavyo. Mara litakapokamilika, Bwawa la Athi halitachoma maji tu kwenye mashamba — litachoma matumaini, likiimarisha safari ya Kenya kuelekea usalama wa chakula.

**Ikakamilika, itatoa maji salama ya kunywa kwa watu 70,000**

- The Government of Kenya (GoK) through the National Treasury has received financing from the International Fund for Agricultural Development (IFAD) and intends to apply a part of the proceeds of the financing to the procurements activities above. The use of any IFAD financing shall be subject to IFAD's approval, pursuant to the terms and conditions of the financing agreement, as well as IFAD's rules, policies and procedures. IFAD and its officials, agents and employees shall be held harmless from and against all suits, proceedings, claims, demands, losses and liability of any kind or nature brought by any party in connection with Kenya Livestock Commercialization Project (KeLCoP) under the State Department for Livestock Development.
- The Kenya Livestock Commercialization Project (KeLCoP) is a six-year project jointly funded by: Government of Kenya (GoK), International Fund for Agricultural Development (IFAD), Heifer International, and Participating Financial Institutions (PFI) and Beneficiary communities. The Project came into force on 05 March 2021 with a Completion date of 31 March 2027 and Loan Closing date of 30 September 2027. The Project Goal is to contribute to the Government's agriculture transformation Agenda of increasing rural small-scale farmers' incomes, food and nutrition security. The development objective is to increase incomes of 110,000 poor livestock and pastoralist households, especially youth and women, in an environmentally friendly manner, in selected project areas of the 10 participating counties. The Project areas are Semi-Arid counties (Elgeyo Marakwet and Baringo), Arid counties (Marsabit and Samburu) and other areas are Busia, Bungoma, Kakamega, Siaya, Nakuru and Trans Nzoia.
- This IFB follows the General Procurement Notice that appeared on the IFAD website, KeLCoP website, Ministry of Agriculture and Livestock Development website and The Star Newspaper (MyGov publication) on 16<sup>th</sup> September 2025.
- The purchaser now invites sealed bids from eligible entities (bidders) for the above mentioned procurement activities. More details on these works, goods and related services and consultancy services are provided in the bidding documents.
- This IFB is open to all eligible bidders who wish to respond. Subject to restrictions noted in the bidding document, eligible entities may associate with other bidders to enhance their capacity to successfully carry out the procurement.
- Bidding will be conducted using the methods, the evaluation procedure for which are described in the bidding documents, in accordance with the IFAD Procurement Handbook which is provided at [www.ifad.org/project-procurement](http://www.ifad.org/project-procurement) and Public Procurement and Asset Disposal Act 2015. The bidding process, as described, will include a review and verification of qualifications and past performance, including a reference check, prior to the contract award.
- Bidding documents may be viewed and obtained electronically for free from the [www.kilimo@go.ke](mailto:www.kilimo@go.ke), [www.ppip@go.ke](mailto:www.ppip@go.ke), [www.kelcop.or.ke](mailto:www.kelcop.or.ke) websites. Tenderers who download the tender document must forward their particulars immediately to [pmcu.kelcop@gmail.com](mailto:pmcu.kelcop@gmail.com) to facilitate any further clarification or addendum.
- All interested bidders are required to continually check every Tuesday the mentioned websites for any bid addendums or clarifications that may arise before the submission date.
- Bidding documents obtained electronically will be free of charge.
- Bids must be delivered to the address below and in the manner specified in the bid data sheet –no later than time and date specified to:

# Serikali yafanya mageuzi muhimu ya kazi ili kuwalinda wafanyikazi

NA CHRIS MAHANDARA (KNA)

Serikali imezidisha mashauriano kuhusu uthibitisho wa mkataba miwili muhimu ya Shirika la Kazi Duniani (ILO) inayolenga kuhakikisha ajira shufwa kwa wafanyakazi wa nyumbani na kufutwa kwa ukatili na unyanyasaji kazini. Katibu wa Idara ya Kazi na Uwezeshaji wa Ujuzi, Shadrack Mwandime, alisema kuwa kuthibitisha Mkataba wa ILO Nambari 189 kuhusu Ajira Shufwa kwa Wafanyakazi wa Nyumbani na Mkataba Nambari 190 kuhusu Ukatili na Unyan-

yasaji Kazini kungeashiria mabadiliko makubwa katika mfumo wa utawala wa kazi nchini Kenya, hasa kwa wafanyakazi katika sekta isiyo rasmi. Akizungumza Kisumu wakati wa mkutano wa mashauriano ya umma kuhusu mkataba huo miwili, Mwandime alisema mashauriano ya kitaifa, yaliyoanza mapema wiki hii katika Kaunti ya Kakamega, yamewaleta pamoja wafanyakazi, waajiri, vyama vya wafanyakazi, mashirika ya kiraia, wawakilishi wa jamii na taasisi za serikali ili kuchambua wigo, wajibu na athari

za mikataba hiyo miwili. Alisema kwamba vikao hivyo vimekusudiwa kuhakikisha mazozo yoyote yatakayofanywa na serikali yanafuatwa na uzoefu halisi wa maisha, hali halisi za kila sekta na changamoto za kiutendaji zinazokabili wafanyakazi na waajiri. “Ushiriki wa umma unaiwezesha serikali kubaini mapengo ya kiserikali, kisheria na kiinstitusheni ambayo yanapaswa kushughulikiwa ili kuhakikisha utekelezaji na utendaji wa mikataba hii mara itakapothibitishwa,” alisema PS, akiongeza kuwa mchakato huo unaonyesha

Katibu wa Wizara ya Kazi na Ukuzaji Ujuzi (PS) Shadrack Mwandime akizungumza mjini Kisumu. Picha: Chris Mahandara

dhahiri ya serikali katika mashauriano jumuishi, kuimarisha mazungumzo ya kijamii na uamuzi unaotegemea ushahidi. Kuhusu Mkataba wa 189, PS alisema kuwa wafanyakazi wa nyumbani bado wako miongoni mwa makundi hatarishi zaidi ya wafanyakazi

duniani na hapa nchini, licha ya kutoa huduma muhimu zinazounga mkono kaya na uchumi. Alibainisha kuwa kazi za nyumbani nchini Kenya ni za kiasili isiyo rasmi, zikiwa na malipo madogo, ukosefu wa mikataba ya maandishi, upatikanaji mdogo wa bima ya kijamii,

na ukaguzi dhaifu wa kazi, jambo linalowacha wafanyakazi wengi wakikabiliwa na unyonyaji. Kuthibitisha mkataba huo, alisema, kutahitaji Kenya kutambua kazi za nyumbani kama ajira halali, kupanua haki msingi za kazi kwa wafanyakazi wa nyumbani na kuhakikisha matibabu sawa na wafanyakazi wengine. Hii ni pamoja na: uhuru wa kuunda vyama, haki ya majadiliano ya pamoja, kinga ya mshahara wa chini, ratiba iliyopangwa ya kazi, vipindi vya mapumziko, ulinzi wa usalama na afya kazini, na upatikanaji wa bima ya kijamii, bila kujali kama wafanyakazi wapo kuishi ndani, kuishi nje, muda wote au muda wa sehemu. Kuhusu Mkataba wa 190, PS alisema kuwa ukatili na unyanyasaji bado ni tatizo kubwa kazini, likivuka sekta, taaluma na mpan-gilio wa ajira.

## COUNCIL OF LEGAL EDUCATION

### INSTITUTIONAL LICENSING STATUS AS AT 31<sup>ST</sup> DECEMBER 2025

# Vijana Migori wahimizwa kujisajili kwenye e-GPS kupata zabuni za serikali

Katibu (PS) wa Uwekezaji wa Umma na Usimamizi wa Rasilimali, Cyrill Odede, akizungumza wakati wa uzinduzi rasmi wa kikundi cha Vijana Wataalam wa Kaunti ya Migori (MCYP) katika Chuo cha Mafunzo ya Ualimu cha Migori (TTC). Picha: Makokha Khaoya.

## NA MAKOKHA KHAOYA (KNA)

Katibu (PS) wa Uwekezaji wa Umma na Usimamizi wa Mali, Cyrill Odede, amehimiza vijana wa Kaunti ya Migori kujisajili kwenye mfumo wa Umeme wa Ununuzi wa Serikali (E-GPS) kupitia Shirika la Akiba na Mikopo (SACCOS) zao ili kupata zabuni za serikali za kaunti na za kitaifa. Jukwaa la E-GPS limeundwa ili kurahisisha ununuzi wa serikali, kupunguza urasimu na ufasadi, na kuboresha utoaji wa huduma, huku likihakikisha fursa sawa, hasa kwa vijana na watu wenye ulemavu (PWDs). Akizungumza wakati wa uzinduzi rasmi wa kikundi cha Migori County Young Professionals (MCYP) katika Migori Teachers Training College (TTC) – tukio lililowakutanisha wahitimu kutoka TTC zote za kaunti – Odede alibainisha kuwa asilimia 30 ya zabuni za serikali zimehifadhiwa mahsusi kwa vijana na PWDs. Alihimiza wanachama wa MCYP kuchukua jukumu la kueneza uelewaji kuhusu E-GPS, ili kuruhusu vijana wengi zaidi kushiriki katika ununuzi wa serikali na kufaidika na asil-

imia 30 iliyohifadhiwa. “Kila idara ya serikali na taasisi ya umma, asilimia 30 ya ununuzi imehifadhiwa kwa vijana, wanawake, na watu wenye ulemavu. Hata hivyo, ili kufaidika, lazima uisajili kampuni yako kwenye mfumo wa E-GPS,” alisema. Katibu alilalamika kuhusu ulewa mdogo miongoni mwa vijana jinsi ya kupata zabuni, akisema wengi huenda kwa viongozi kuomba zabuni bila kuelewa jinsi mfumo unavyofanya kazi. “Kila ninapofika hapa, nasikia vijana wakiongea kuomba zabuni, lakini wengi hawajaiandikisha hata kwenye mfumo wa E-GPS. Tafadhali msifuate yeyote anayekuhidi zabuni hadi mjisajili rasmi kwenye jukwaa hili,” aliwaonya. Katibu alibainisha kuwa serikali imekuwa ikitengeneza fursa za ajira kwa vijana waliofunzwa, akirejelea Mradi wa Ajira ya Wa-

fanyakazi wa Mradi wa Makazi Nafuu, ambao utachukua zaidi ya vijana 4,000. Serikali inajaribu kutengeneza fursa nyingi za ajira ndani na nje ya nchi ili kuhakikisha vijana wanapata ajira. Kwa mfano, miradi ya hivi karibuni ya NYOTA tayari imeanza kutoa ruzuku kwa vijana kote nchini, ambapo vijana 2,800 Migori wanaatarajiwa kufaidika. Katibu alikuwa pamoja na Mbunge wa Suna Magharibi, Peter Masara, ambaye alisema kuwa vijana wengi wamekosa kupata zabuni za serikali kwa sababu ya ukosefu wa uelewaji. Masara alibainisha kuwa kuundwa kwa makundi kama haya ni muhimu, na kila kijana aliyehitimu anapaswa kuatafuta, kwani utaunda mtandao wa kushirikiana katika fursa. Felix Odhiambo, Mwenyekiti wa MCYP, alibainisha changamoto kuu zinazowakabili vijana, kama vile ukosefu wa uelewaji kuhusu kuwepo kwa makundi kama haya. Aliwahimiza vijana wa Migori kubaki imara katika kutafuta fursa za ajira na zabuni ili kujijengea uwezo kiuchumi.

**Tafadhali usifuate mtu yeyote anayekuhidi zabuni hadi uwe umejiandikisha rasmi kwenye jukwaa**

## COMMISSION FOR UNIVERSITY EDUCATION Quality-Our Agenda

P.O. Box 54999-00200 Nairobi Redhill Rd. off Limuru Rd. Gigiri  
Tel: + 254 (02) 7205000; 0726-445566; 0717-445566; 0780656575;

### 5<sup>th</sup> Biennial Conference on University Education

#### Call for Papers, Exhibitions and Innovations

Dates: 8<sup>th</sup> - 10<sup>th</sup> April 2026

Location: Nairobi

The Commission for University Education (CUE) invites **researchers, scholars, exhibitors, industry, innovators, and stakeholders** to participate in the **5<sup>th</sup> Biennial Conference** guided by the theme: **Nurturing Resilient Universities for a Sustainable Future: Fostering Innovation, Inclusion and Impact.**

#### The Conference Sub-themes are:

- Rethinking University Education in the age of Artificial Intelligence
- Transition to Competency-Based Education and Training (CBET) in Universities
- Reimagining University Education Financing, for Sustainable and Inclusive Development
- Enhancing Graduate Employability and Entrepreneurship
- Internationalization and Global Engagement in University Education

#### Abstract Guidelines

- Word count: Not more than 500 words
- Font: Times New Roman, size 12, single spaced.
- Submit your abstract as a Microsoft Word document.

#### Submission Important Deadlines

| Activity                                           | Deadline                       | Early Bird                      |
|----------------------------------------------------|--------------------------------|---------------------------------|
| Abstract submission                                | 31 <sup>st</sup> January 2026, | 22 <sup>nd</sup> January, 2026  |
| Notification of acceptance of Papers & Exhibitions | 6 <sup>th</sup> February 2026  | -                               |
| Full paper/exhibition/innovation submissions       | 20 <sup>th</sup> February 2026 | 27 <sup>th</sup> February, 2026 |

Follow the provided instructions to submit your abstract and biography electronically through the email address: **conference@cue.or.ke**

#### Conference Participation fee

| Category                                                   | Early Bird - payment before 22 <sup>nd</sup> January 2026 (KES.) | Payment after 20 <sup>th</sup> January 2026 (KES.) |
|------------------------------------------------------------|------------------------------------------------------------------|----------------------------------------------------|
| Participants from the EAC Region                           | 4,500                                                            | 5,000                                              |
| Participants from outside the East Africa Community region | 5,500                                                            | 7,000                                              |
| Student Presenters                                         | 2,000                                                            | 3,000                                              |

#### Exhibition fee:

**Exhibitors: KES. 100,000** per booth and **KES. 50,000** for each additional booth.

#### PAYMENT DETAILS:

- Dial \*222#
- Select Make Payment
- Select Enter Service Code. Enter CUECR to pay for Biennial Conference 2026.
- Input Reference - Enter the name of the entity registering for the Biennial Conference
- Enter amount to be paid.
- If paying by MPESA, you will get a message to complete the transaction

#### Exhibitions Submission Guidelines

The Commission invites Universities, research organizations, corporate businesses, development partners, renowned personalities in industry and other sectors to participate as exhibitors at the 5<sup>th</sup> Biennial Conference on Nurturing Resilient Universities for a Sustainable Future, taking place from **8<sup>th</sup> to 10<sup>th</sup> April 2026**, in Nairobi.

#### Showcase your novel innovations and connect with a diverse audience:

- Reach key decision-makers and influencers in the research and innovation landscape, including academics, researchers, policymakers, industry leaders, and government representatives.
- Demonstrate your commitment to supporting research and innovation in Kenyan universities.
- Generate valuable leads, forge partnerships, and expand your market reach.
- Gain valuable insights into current research trends and future directions.

#### Contact:

For further inquiries, please contact the **Exhibition Coordinator** at **conference@cue.or.ke** or **info@cue.or.ke** or visit the CUE website: **www.cue.or.ke** for more information or write to:

**Conference and Exhibition Convener,  
Commission for University Education,  
Gigiri Offices, Red Hill Road, Off Limuru Road,  
P.O. BOX 54999 – 00200 Nairobi.**

## Samaki Victoria waongezeka baada uvuvi kudhibitiwa

NA GEORGE AGIMBA (KNA)

Hali ya sekta ya samaki ya Ziwa Victoria, yenye thamani ya mabilioni ya shilingi, imeimarika kufuatia uhakikisho wa serikali wa kurahisisha upatikanaji wa leseni kwa wavuvi. Kuongezeka kwa wavuvi wanaosogeza mashua zao kila kona ya ziwa kulikuwa kumeashiria upungufu wa

samaki, huku kuna wasi-wasi kwamba baadhi ya wavuvi walitumia mbinu haramu—kama vile mitende midogo sana na kemikali—kukuza mavuno yao kutokana na ushindani mkali. Wataalamu wa ikolojia walionya kuwa ukuongezeka kwa wavuvi kuliharibu maeneo kadhaa ya kuzalisha samaki, jambo lililosababisha kuathirika kwa

Wavuvi waanda zana zao Ziwa Victoria kunasa samaki.

ukuaji wa wingi wa samaki. Hata hivyo, hali ilibadilika baada ya serikali kuanzisha njia ya kutoa leseni kupitia vitengo vya usimamizi wa fukwe (BMUs) vilivyoundwa kando ya Ziwa Victoria. “Hadi sasa tumepiga hatua kubwa kumi katika kuboresha wingi wa samaki kwenye ziwa, baada ya kudhibiti idadi ya wavuvi kupitia BMUs zilizoundwa, ambazo zina taarifa zaidi kuhusu wana-chama wake, ikiwemo niani anayetumia mbinu haramu za uvuvi,” alisema Lucas Mosenda, Mjumbe

wa Kamati ya Utekelezaji wa Kaunti (CECM) anayesimamia Mifugo, Uvuvi na Uchumi wa Samahani. Akizungumza kwa niaba ya wavuvi huku akiwatakia Mwaka Mpya wenye mafanikio, Bw. Mosenda alisema kuwa udhibiti mkali wa uvuvi tayari umeanza kuzaa matunda, ambapo idadi ya wavuvi katika ziwa hilo, ambalo ndilo la pili kwa ukubwa duniani kwa maji safi, imepungua hadi takriban 44,200 kufikia Juni 2025, kutoka 57,137 mnamo 2023/2024.

## Kirinyaga yaimarisha mafunzo ya wakulima kukuza uchumi wa ndani

NA MUTAI KIPNG'ETICH (KNA)

Serikali ya Kaunti ya Kirinyaga imezidi-sha mafunzo kwa wakulima na huduma za upanuzi wa kilimo (extension services) kwa lengo la kugeuza kilimo cha wakulima wadogo kuwa biashara yenye faida na endelevu. Kupitia programu za mafunzo zinazoratibiwa na kaunti, wakulima wanafundishwa uwezo wa vitendo katika uzalishaji wa mifugo, lishe, usimamizi wa hatari, na upatikanaji wa masoko. Mpango huu unawawezesha wakulima kuongeza uzalishaji, kupunguza hasara baada ya mavuno, na kupata mapato makubwa zaidi kutoka kwa shughuli zao za kilimo. Mafunzo yanayolenga kila kiungo cha thamani (value chain), yanayoratibiwa na Idara ya Kilimo, Mifugo, Huduma za Veterinari na Uvuvi ya Kaunti, yanahusiana na kufunga mapengo muhimu yaliyoziua uzalishaji wa kilimo wenye faida. Katika kilimo cha mifugo, idara hiyo—kwa kushirikiana na Biosciences Kenya na CIC Insurance—imebaini kuwa lishe sahihi ya mifugo, virutubisho vya madini, mabreedi bora, na bima ya kilimo ni mambo muhimu yanayochangia uzalishaji na usalama wa mapato yanayohitaji kuungwa mkono kwa muda mrefu. Akizungumza na wakulima katika mkutano wa mafunzo ya mifugo mjini Mbiri, Kata ya Njukiini, Gavana Anne Waiguru alisema kuwa faida zinazoonekana katika sekta ya kilimo

Afisa nyanjani kutoka Idara ya Kilimo ya Kaunti akiwafunza wafugaji wa ng'ombe wa maziwa.

ni matokeo ya uwekezaji makini wa kaunti katika ujenzi wa uwezo na huduma za upanuzi wa kilimo. Alibainisha kuwa kilimo cha maziwa bado ni nguzo kuu ya uchumi wa Kirinyaga na kinaendelea kufaidika na uendelezaji maalumu unaongozwa na kaunti. “Kilimo cha maziwa ni mchango mkubwa katika uchumi wetu, na tumekuwa tukiwasaidia wakulima kwa mabreedi bora ya ng'ombe kupitia artificial insemination, uzalishaji bora wa chakula cha mifugo, udhibiti wa magonjwa, na huduma thabiti za upanuzi wa kilimo,” alisema Waiguru. Gavana aliongeza kuwa kaunti imewekeza katika ujenzi wa uwezo kwa vyama vinne vya ushirika wa maziwa ili kuimarisha utawala bora, ufanisi na upatikanaji wa masoko. Kutokana na hatua hizi, alisema, wakulima wanaona ongezeko la uzalishaji na faida bora kutoka kilimo cha maziwa. “Uzalishaji wa maziwa umeongezeka kutoka wastani wa litita 2.5 kwa ng'ombe hadi takriban litita 7 kwa ng'ombe kwa siku, jambo linalolin-

ganishwa na uzalishaji wa litita milioni 86 kwa mwaka, wenye thamani ya Sh3.1 bilioni,” alisema Waiguru. Alisisitiza kuwa huduma za upanuzi wa kilimo zinabaki kuwa kiini cha ajenda ya mabadiliko ya kilimo kaunti, kuhakikisha wakulima wanapata msaada wa kiufundi kwa wakati unaofaa na suluhisho za vitendo zinazokabiliana na changamoto za eneo. Akizungumza katika hafla hiyo hiyo, mwakilishi wa Biosciences Kenya, Joel Muchia, alisema kuwa vipindi vya mafunzo vinashughulikia mapengo ya muda mrefu yaliyoziua uzalishaji wa wakulima wa maziwa. “Wakulima wako tayari kuzalisha maziwa zaidi, lakini wengi hawana ujuzi wa kutosha na rasilimali kuhusu lishe sahihi na mabreedi bora,” alisema Muchia. Alieleza kuwa mafunzo hayo yamelenga virutubisho vya madini bora, mifumo sahihi ya kulisha, mifugo iliyoborehwa, na upatikanaji wa maji ya kutosha, ambavyo alibainisha ni muhimu kwa kuongeza uzalishaji wa maziwa.

### INVITATION TO TENDER

# Chumba kidogo kinachookoa maisha ya wanawake JOOTRH

NA CHRIS MAHANDARA  
KNA

Katika majengo yenye shughuli nyingi ya Hospitali ya Rufaa na Mafunzo ya Jaramogi Oginga Odinga (JOOTRH), chumba kimoja kinajitokeza—si kwa sababu ya ukubwa wake, bali kwa sababu ya maisha kinayolinda. Kikijulikana kama Chumba 16, kliniki hii imekuwa kituo muhimu katika mapambano dhidi ya saratani ya shingo ya kizazi magharibi mwa Kenya. Kila wiki, takribani wanawake 50 hupitia katika mlango wake kwa ajili ya uchunguzi, utambuzi au matibabu. Kama hospitali kuu ya rufaa katika eneo hilo, JOOTRH hutumia kitengo hiki kuzingatia kuzuia kwa hatua ya pili, kwa kugundua maambukizi ya Virusi vya Human Papillomavirus (HPV) mapema—kabla

Timu ya madaktari katika JOOTRH'S Room 16 wakimhudumia mgonjwa katika mojawapo ya vikao. Picha: Chris Mahandara

hayajageuka kuwa saratani. “Saratani yashingo ya kizazi ni miongoni mwa saratani chache ambazo kinga yake hufanya kazi kwa ufanisi. Wakati mabadiliko yasiyo ya kawaida yanapogunduliwa mapema, tunaweza

kuingilia kati na kuizua ugonjwa kabla haujawa hatari kwa maisha,” anasema Dkt. Jackton Omoto, daktari bingwa wa magonjwa ya wanawake katika kituo hicho. Saratani ya shingo ya

kizazi bado ni miongoni mwa visababishi vikuu vya vifo vitokanavyo na saratani miongoni mwa wanawake wa Kenya, hasa kwa sababu wagonjwa wengi hufika hospitalini ugonjwa ukiwa umefika

hatua ya juu. Uchunguzi wa mapema unasalia kuwa njia bora zaidi ya kubadili mwenendo huu. Ili kuhibiti idadi ya wagonjwa bila kuathiri ubora wa huduma, Chumba 16 hufanya kazi kwa ratiba maalumu. Kliniki za uchunguzi hufanyika Jumanne na Alhamisi, ilhali siku nyingine za wiki hutumika kwa uhifadhi wa miadi na ufuatiliaji wa wagonjwa. Mpangilio huu unawawezesha wahudumu kuwahudumia wagonjwa bila msongamano. Kwa mujibu wa Dkt. Karen Otado, daktari anayesomea utaalam huo katika kitengo hicho, kliniki imeundwa kutoa huduma kamili chini ya paa moja. “Tunafanya uchunguzi kwa kutumia Visual Inspection with Acetic Acid (VIA), vipimo vya Pap smear, na biopsy kwa uchunguzi zaidi wa maabara. Kinachoitofautisha kliniki hii ni kwamba wanawake wanaostahili

matibabu wanaweza kuyapata mara moja,” alisema. Kwa wagonjwa wanaogundulika kuwa na mabadiliko ya awali kabla ya saratani, kliniki hutoa taratibu zisizo na uchokozi mkubwa, ikiwemo thermal ablation, ambayo hutumia joto kudhibiti na kuharibu tishu zisizo za kawaida, na Loop Electrosurgical Excision Procedure (LEEP), ambapo seli zilizoathiriwa huondolewa kwa kutumia waya mwembamba wenye umeme hafifu. Huduma hizi hutolewa kulingana na miongozo ya Wizara ya Afya, inayopendekeza uchunguzi kila baada ya miaka mitano kwa wanawake wasio na maambukizi ya HIV, na kila baada ya miaka mitatu kwa wanawake wanaoishi na HIV, ambao wako kwenye hatari kubwa zaidi ya kuwa na maambukizi sugu ya HPV.

## Hazina yazindua magari yaliyokodishwa kwa huduma ya polisi

NA JOSEPH NG'ANG'A(PCO)

Ahadi isiyotetereka ya kuboresha ufanisi, thamani ya matumizi ya fedha na utoaji huduma katika sekta ya umma inaendelezwa kupitia mifumo bunifu na endelevu ya ufadhili. Katibu Mkuu wa Hazina ya Taifa, Dkt. Chris Kiptoo, alisema kwamba Mpango wa Kukodisha Magari ya Serikali umeendelea kuwa mageuzi makubwa ambayo yamebadilisha kwa kiwango kikubwa uhamaji wa maafisa wa serikali walioko mstari wa mbele. Katika hotuba iliyosomwa kwa niaba yake na Katibu Msimamizi Mkuu katika Hazina ya Taifa, Samson Wangusi, wakati wa uzinduzi wa magari mapya ya serikali yaliyokodishwa kwa Tume ya Huduma ya Polisi, Dkt. Kiptoo alisema mpango huo umeimarisha pakubwa shughuli za Idara ya Polisi, taasisi nyingine za usalama na huduma muhimu za uokoaji wagonjwa. Alibainisha kwamba tangu uzinduzi wake mwaka 2013, mpango wa ukodishaji umewezesha upatikanaji wa suluhisho la usafiri lenye gharama nafuu na la kuaminika kwa maafisa wa serikali wanaofanya kazi za mashinani, huku ukivutia ufadhili wa sekta binafsi katika miundombinu muhimu ya utoaji huduma za umma kupitia vyombo vya kifedha vya serikali vilivyopimwa kwa sarafu ya hapa nchini. “Zaidi ya kuboresha utoaji huduma, mpango huu umezalisha manufaa makubwa ya kiuchumi. Umeunda ajira 1,813 za kudumu, kufufua sekta ya magari nchini kupitia muunganisho wa zaidi ya magari 10,000, na kuzalisha biashara yenye thamani ya takribani Sh400 milioni kwa wazalishaji wa vipuri na vifaa vya magari,” alisema Dkt. Kiptoo.

Alisisitiza kwamba kiwango cha maudhui ya ndani katika uunganishaji wa magari kimeongezeka maradufu kutoka asilimia tisa hadi asilimia 38, huku mpango huo ukikusanya zaidi ya Sh2.69 bilioni kama mapato ya serikali. Aidha, aliongeza kuwa mpango huo umechochea sekta shirikishi za uchumi, ukiipa sekta ya bima malipo ya mwaka yenye thamani ya takribani Sh700 milioni, kuiingizia Mamlaka ya Mapato Sh1.6 bilioni kama kodi, na kudumisha mahitaji ya bidhaa za mafuta ya thamani ya takribani Sh2.2 bilioni kila mwaka. Kuhusu usalama wa umma, alisema upatikanaji zaidi wa magari ya polisi umeongeza doria kwa asilimia 25.4, kupunguza kwa nusu muda wa polisi kuitikia simu za dharura kati ya 2012 na 2022, na kupunguza matukio ambayo polisi walishindwa kuitikia kutoka asilimia 49.0 mwaka 2012 hadi asilimia 22.1 mwaka 2024, hivyo kuchangia pakubwa katika kupungua kwa uhalifu kitaifa. Alisema hadi sasa, jumla ya magari 3,548 yamekodishwa kwa taasisi muhimu za serikali, ikiwemo Huduma ya Polisi, Maafisa wa Utawala wa Serikali ya Kitaifa, Idara ya Magereza, Mamlaka ya Kitaifa ya Usafiri na Usalama Barabarani, Ofisi ya Mkurugenzi wa Mashtaka ya Umma, Tume ya Mishahara na Marupurupu, Wizara ya Afya, Idara ya Uhamiaji na Ofisi ya Mkuu wa Utumishi wa Umma. Dkt. Kiptoo aliisifu kampuni ya Isuzu Mashariki ya Afrika kwa ushirikiano wake wa kudumu na Serikali, akibainisha kuwa kampuni hiyo imekuwa muhimu katika kusambaza magari katika hatua mbalimbali za mpango huo. Tukio la leo lilishuhudia uzinduzi wa magari 96, ambayo ni sehemu ya magari 591 yatakayokabidhiwa chini ya Awamu ya Saba.

### Lake Victoria North Water Works Development Agency

KEFINCO Offices, Off Kakamega-Kisumu Road  
P.O. BOX 673 – 50100 KAKAMEGA

TEL: 0562031552, Fax 0562031506, E-mail: info@lvnwwda.go.ke / procurement@lvnwwda.go.ke

Lake Victoria North Water Works Development Agency (LVNWWDA) is one of the 9 Water Works Development Agencies established under the Water Act 2016, as part of the reforms in the water sector through a gazette notice no. 28 dated 26th April, 2019 in compliance with the Constitution of Kenya 2010. The Agency is mandated by the Act to carry out water and sanitation works in the following counties: Vihiga, Kakamega, Nandi, Bungoma, Trans-Nzoia and Busia. In line with the need to realize our mandate, the Agency seeks to recruit suitable candidates to be deployed in the following project sites to ensure effective and successful implementation of Water and Sanitation projects; Mosongo / Kibuga / Suwerwa Water Projects in Trans-Nzoia County, Bungoma Cluster Projects (Luuya-Bwake, KOICA-Chwele & Namninge Dam Water Projects in Bungoma County, Kabiet – Kaiboi Water Project in Nandi County and Alupe Dam Water Project in Busia County. The projects shall be implemented within a period of 1-2 years. However, subject to satisfactory performance, successful candidates may be converted to the existing Agency's terms and conditions of service.

| S/No. | Vacancy                     | LVNWWDA Grade | Terms of Service | Number of Posts |
|-------|-----------------------------|---------------|------------------|-----------------|
| 1.    | Resident Engineer           | 4             | Contract         | 1               |
| 2.    | Assistant Resident Engineer | 5             | Contract         | 9               |
| 3.    | Inspector of Works          | 6             | Contract         | 10              |
| 4.    | Surveyor                    | 6             | Contract         | 5               |
| 5.    | Social Safeguards Officer   | 6             | Contract         | 4               |
| 6.    | Administrative Assistant    | 7             | Contract         | 4               |
| 7.    | Driver                      | 8             | Contract         | 8               |
| 8.    | Chainman/Lady               | 9             | Contract         | 5               |
| 9.    | Office Assistant            | 9             | Contract         | 4               |

Interested candidates can obtain specific job requirements from the LVNWWDA Website ([www.lvnwwda.go.ke](http://www.lvnwwda.go.ke)). If you possess the requirements for above positions, please submit your application with detailed CV indicating both day and evening telephone numbers, certified copies of academic and professional certificates.

Successful candidates will be required to bring the following documents: Tax compliance, HELB clearance, CRB and Good conduct certificate, EACC clearance.

The applications to reach the undersigned on or before **2<sup>nd</sup> February 2026** by close of business. Application to be addressed to;

**Chief Executive Officer**  
**Lake Victoria North Water Works Development Agency**  
**Kenfinco Hse, off Kakamega/Kisumu Road**  
**P.O. Box 673-50100 KAKAMEGA**

*Lake Victoria North Water Works Development Agency is an equal opportunity employer and respects diversity without sacrificing merit. Persons with disability, Minority groups and Women are encouraged to apply.*

# Wakulima wa kike wafufua mazao ya jadi kupitia hifadhi ya mbegu

NA WANGARI NDIRANGU (KNA)

Wanawake nchini Kenya wanaunda takribani asilimia 80 ya nguvu kazi ya kilimo na wanachukua nafasi muhimu katika uzalishaji wa chakula, usalama wa chakula na uchumi. Wao ndiyo nguzo kuu ya kuhakikisha usalama wa chakula katika ngazi ya kaya na taifa, mara nyingi wakiwa ndio wanaojibika sehemu kubwa ya chakula kinacholimwa kwa matumizi ya nyumbani na, katika ngazi ya jamii, kusimamia benki za mbegu. Benki ya Mbegu ya Kabudi-Agoro, inayosimamiwa na wanawake katika eneo la Nyakach, Kaunti ya Kisumu, ni mojawapo ya mipango ya kijamii inayosaidia wakulima wadogo kuhifadhi na kupata mbegu asilia zilizozoea mabadiliko ya tabianchi. Mwenyekiti wa kikundi hicho chenye wanachama 25, Evelyn Adhiambo Okoth, anasema lengo kuu la kuanzisha benki ya mbegu lilikuwa kuhifadhi mazao ya kiasili, kuongeza wingi wa aina za mimea na kurejesha mazao ya chakula ya asili. “Tulitambua kwamba aina za mbegu za kiasili zilikuwa zinapotea kadri muda unavyosonga, na njia pekee kwa wakulima wadogo kupata mbegu nafuu ilikuwa kupi-

tia benki ya mbegu,” alisema. Okoth alieleza kuwa Benki ya Mbegu ya Jamii ya Kabudi-Agoro ilianzishwa mwaka 2020 na kuzinduliwa rasmi mwaka 2021 kwa usaidizi wa Alliance of Bioversity International-CIAT, ikiwa na lengo la kuhifadhi mbegu asilia. “Mbali na uhifadhi wa mbegu, pia tunaongeza thamani kwa mazao yetu mbalimbali. Tunazo zaidi ya aina nane za mahindi, aina 18 za mtama, aina saba za wimbi, aina 69 za maharagwe, karanga, na zaidi ya aina 15 za mboga za majani za kienyeji,” alisema Okoth. Kikundi cha Kabudi-Agoro pia kinajihusisha na utengenezaji wa viuatilifu hai na mbolea hai kwa ajili ya kilimo hai, na wakulima hushirikishwa katika mafunzo mara kwa mara. Hata hivyo, Okoth alibainisha kuwa jambo la kipekee kwao, mbali na benki za mbegu ambazo huhudumia mitandao mpana ya wakulima kuboresha maisha yao, ni uwezo wao wa kukopesha mbegu za asili. “Kukopesha mbegu kunahakikisha jamii ina mbegu za kutosha na upatikanaji rahisi. Wakati mkulima hawezi kununua mbegu, au soko liko mbali, tunatoa mbegu kama mkopo. Tunatoa kilo 1, na mkulima anarudisha kilo 2 baada ya mavuno. Utaratibu huu unatusaidia kuzalisha mbegu nyingi,

Everlyn Adhiambo Okoth katika benki ya mbegu ya Kabudi-Agoro, huko Nyakach. Picha: Wangari Ndirangu Picha: Wangari Ndirangu

hasa kwa sababu tunahifadhi aina nyingi tofauti ambazo hatuwezi kuzalisha peke yetu,” alifafanua mwenyekiti huyo. Uamuzi wa kihistoria mwezi uliopita, Desemba 2025, wa Mahakama Kuu ya Kenya kutangaza kuwa baadhi ya vipengele vya Sheria ya Mbegu na Aina za Mimea ambavyo vilifanya kuwa kosa kuhifadhi, kutumia, kubadilishana na kuuza mbegu za asili na mbegu zilizohifadhiwa mashambani ni kinyume cha katiba, umefika wakati mwafaka kwa benki za mbegu za kijamii. Okoth aliambia KNA kwamba sasa kutokana na uamuzi huo unaotambua kuwa kushirikiana mbegu si kosa bali ni sehemu muhimu ya utambulisho wa wakulima wadogo, uthabiti wao na mchango wao katika mifumo ya kitaifa ya chakula, makundi kama Kabudi-Agoro sasa ya-

takuwa huru kuuza mbegu zao. “Tulikuwa tunaogopa adhabu ya kifungo cha hadi miaka miwili au faini ya hadi Sh1 milioni chini ya sheria hiyo. Mkusanyiko wetu wa mbegu nyingi za asili tulizookoa na kuhifadhi, zenye aina mbalimbali katika benki ya mbegu, hautapotea bure, na sasa tutawekeza zaidi katika biashara za mbegu za asili, kushirikiana na kampuni, na kuzalisha mbegu kwa kiwango kikubwa kwa ajili ya kibiashara,” alisema. Okoth alithibitisha kwamba sasa kama

Uamuzi wa korti ni hatua kubwa kwa sababu, kimsingi, inaruhusu wakulima sasa kutumia mbegu zao kihalali.

kikundi wameanza mchakato wa kupata cheti cha Shirika la Viwango Kenya (KEBS) ambao utahusisha KEPHIS ili kuhakikisha mbegu zao zina-kidhi masharti yanayotakiwa. Dkt. Carlo Fadda, kiongozi wa utafiti wa Bioanuai kwa Chakula na Kilimo katika Alliance of Bioversity International na CIAT, anasema kwamba sheria ya Umoja wa Kimataifa wa Ulinzi wa Aina Mpya za Mimea (UPOV) ya mwaka 1991 kuhusu mbegu, ilikuwa inawazuia wakulima kuhifadhi, kuuza au kubadilishana mbegu zilizo na ulinzi wa hakimiliki. “Uamuzi wa mahakama ni hatua kubwa mbele kwa sababu kimsingi unawaruhusu wakulima sasa kutumia mbegu zao halali. Hata hivyo haitoshi; bado kunahitajika hatua ya ziada, ambayo ni sheria mpya ya mbegu itakayowaruhusu wakulima kweli kuuza mbegu hizo,” aliongeza. Dkt. Fadda alisema Wizara ya Kilimo inafanya kazi ya kurekebisha sera ya mbegu kwa sera mpya itakayozitambua haki za wakulima na benki za mbegu za kijamii kuendesha shughuli zao kama biashara, na kwamba kwa benki za mbegu za kijamii zilizopo kama Kabudi-Agoro, ambazo zina mtandao mpana wa wakulima wanaotumia mbegu hizo na kusaidia jamii kuzalisha mbegu bora, itakuwa fursa kubwa ya kuboresha maisha yao. Beatrice Okelo, Afisa Mwandamizi wa Mabadiliko ya Tabianchi katika Idara ya Maji, Mazingira, Mabadiliko ya Tabianchi na Rasilimali Asili, Kaunti ya Kisumu, alisema wanawake ndio nguzo ya jamii na serikali ya kaunti inatilia mkazo miradi inayolenga vikundi vya wanawake na kukuza mazao yanayostahimili hali mbaya ya hewa.

MAKALA: MBIO ZA MARATHONI MLIMANI NANDI

## Hadithi nyuma ya Mlima wa Tindiret Barng'etuny

NA SAMMY MWIBANDA KNA

Kadiri mwanga wa kwanza wa asubuhi unavyopamba miteremko ya Mlima Barng'etuny, mto wa wakimbaji hujipenyeza kupitia mashamba ya chai, njia za msituni na miinuko yenye miamba, wakiwa na hamu ya kukabiliana na mojawapo ya changamoto za uvumilivu zinazovutia zaidi nchini Kenya. Mbio za Mlima Tindiret Barng'etuny si jaribio tu la nguvu na ustahimilivu; ni sherehe yenye rangi ya urithi, fahari ya jamii na fursa za kiuchumi. Katika nyanda za juu za Kaunti ya Nandi, tukio hilo limekuwa sehemu muhimu ya kalenda ya michezo

ya kitaifa, ambako michezo na utamaduni vinatembea kwa mkono mmoja. Mbio za mlima zinatokana na maono ya shabiki wa riadha wa eneo hilo, Eric Barng'etuny, ambaye katika vilima vyenye miinuko ya Tindiret aliona jukwaa asilia la mashindano ambayo yangesisitiza mandhari ya kuvutia ya eneo hilo huku yakiunda fursa kwa jamii za wenyeji. Kwa msaada wa Bodi ya Utalii Kenya, Riadha Kenya na viongozi wa eneo hilo, wazo lake limekuwa na kuwa sehemu ya Magical Kenya Mountain & Trail Series—kalenda ya matukio iliyobuniwa kuitangaza Kenya kama kituo kinachoongoza cha utalii wa mapumziko ya kusisimua na michezo ya uvumilivu. Leo, tukio hilo linawavutia wanariadha nyota, wakimbaji

1. Mbunge wa Tindiret Julius Melly. Yeye ndiye mlezi wa mbio za kila mwaka za Tindiret Barng'etuny.
2. Wanachama wa kamati ya maandalizi ya eneo la mlima wa Tindiret Barng'etuny wakikagua njia hiyo.

wa kawaida na vijana wanaoibukia kutoka kote nchini, wote wakiwa na hamu ya kupata uzoefu wa changamoto ya kimwili pamoja na mazingira tajiri ya kitamaduni yanayoizunguka mbio hiyo.

Mbio hizo zinaandaliwa kwa

umakini mkubwa na Kamati ya Maandalizi ya Kienyeji inayoongozwa na Peter Sang, anayesimamia masuala ya vifaa, muundo wa njia na usalama, kuhakikisha tukio linakidhi viwango vya kitaifa na kimataifa. “Tumepanua mbio za wanaume na wanawake wakubwa hadi kilomita 21 ili

kuendana na viwango vya kimataifa vya mbio za mlima, na tumeanzisha pia makundi ya vijana na watoto ili kulea vipaji vijavyo,” anaeleza Sang, akisisitiza lengo la LOC la kuendeleza mashindano ya juu na maendeleo ya michezo ngazi ya jamii. Riadha Kenya na Bodi ya Utalii Kenya hushirikiana kwa karibu na waandaji ili kuingiza mbio hizi katika mkakati mpana wa kukuza utalii na michezo ya kusisimua. Tukio hilo pia linapata uungwaji mkono wa kisiasa chini ya mlezi wake, Mbunge wa Tindiret Julius Melly, ambaye anasisitiza kwamba mbio hizo zinachangia mshikamano wa kijamii na ukuaji wa uchumi. “Tukio hili si tu sherehe ya urithi tajiri wa Kenya na mandhari ya kuvutia, bali pia ni fursa ya kuwaweza wananchi wetu kupitia michezo na utalii,” anasema.

MAKAO: KUTOKA MWIKO HADI UWEZESHAJI

# Mtetezi wa vijana wa Kenya apigania afya ya ngono na uzuiaji wa HIV kwa vijana walio katika hatari

NA VIOLET OTINDO (KNA)

Somo la kwanza ambalo Josephine Achieng alijifunza kuhusu mwili wake halikuhusu jinsi ulivyofanya kazi, bali kuhusu jinsi ulivyoaminika kuwa hatari. Alipoanza kupata hedhi, mlezi wa shule alimvuta pembeni na kumwonya “aache kucheza na wavulana” kwa sababu sasa angeweza kupata ujauzito. Hakukuwa na maelezo yoyote yaliyofuata—ni hofu tu, iliyofunika kwa ukimya. Wakati huo uliubadili maiisha yake kwa njia ambazo hangeweza kuzitazamia. Leo, Josephine ni mwana-harakati kijana anayepigania upatikanaji wa taarifa za afya ya uzazi na kujamiana na huduma za kuzuia maambukizi ya HIV kwa vijana—hasa wale walio katika hatari zaidi na mara nyingi waliotengwa. Safari yake kutoka kwa msichana aliyenamazishwa na onyo hadi kuwa mwanamke anayezungumza kwa uthubutu kuhusu uchaguzi, udhibiti na heshima inaakisi mabadiliko ya Kenya katika mwikotio wa kuzuia maambukizi ya HIV. Changamoto bado zipo, lakini chaguo vinazidi kuongezeka. Kama wasichana wengi wa Kakamega, Josephine alikuwa katika jamii ambako suala la ngono halikujadiliwa waziwazi. Kilichokubalika kielezwa kupitia kimya, miangalia ya onyo na vitisho badala ya mazungumzo ya wazi na ya kweli. Wasichana walifundishwa jinsi ya kujiendesha, si jinsi miili yao inavyofanya kazi. Ukutili wa kijinsia wa wanawake ulionekana kama aibu na hatari. “HIV ilitajwa kwa

kunong’ona tu, mara nyingi baada ya mtu kuugua au kufariki. Haikuwahi kuzungumziwa kama kitu unachoweza kukipanga au kukizuia,” anakumbuka Josephine. Ujumbe ulikuwa wazi: “mwanamke mwema” huepuka hatari. Lakini hakuna aliyefafanua hatari hiyo ilikuwa nini—au jinsi msichana angeweza kujilinda kwa maarifa na kuji-aminika. Ukimiya huo uliwaacha wasichana wengi bila maandalizi, wakitegemea imani potofu badala ya ukweli. Kwa Josephine, ulimaanisha kukua akiishi bila kujiambulia kuhusu afya yake. Aliogopa kuuliza maswali, alichelewesha kutafuta matibabu, na akajenga dhana kwamba maamuzi kuhusu ngono na ulinzi hayakuwa yake kufanya. Kuingia kwa Josephine katika kuzuia maambukizi ya HIV kulitokea kupitia utafiti. Alichochewa na udadisi na wajibu kwa jamii yake, akajiunga na jaribio lake la kwanza la PrEP ya kinywa (kinga kabla ya kuambukizwa) lililofanywa na washirika wa ndani. “Nilikuwa na wasiwasi, lakini pia nilijivunia. Kwa mara ya kwanza, kuzuia HIV kulihisi kuwa jambo binafsi—kitu nilichoweza kukidhibiti badala ya kukiogopa tu,” anasema. Jaribio hilo lilibadilisha mtazamo wake. Kuzuia hakukuwa tena onyo au hukumu ya kimaadili; kulikuwa chombo cha vitendo. PrEP ya kinywa ikawa utangulizi wake wa ulinzi wa makusudi. Baadaye, pete ya uke ya dapivirine ilimpa chaguo la muda mrefu, la faragha, lililolingana kimyakimya na maisha yake ya kila siku. Kupitia utafiti wa MOSAIC, unaosaidia wasichana kuchunguza mbinu mbalimbali za kuzuia maambukizi ya

HIV, Josephine alipata zaidi ya chombo kipya. Alijifunza jinsi mwili wake unavyofanya kazi, akajiamini na akaanza kuhisi kuwa anadhibiti afya yake. Lakini ulinzi ulikuja kwa gharama. Wanafamilia na wapenzi wake walihoji nia yake. Vidonge vilichanganyikana na dawa za matibabu ya HIV. Wengine walidhani ni mwasherati; wengine wakafikiri tayari ameambukizwa. Hata kliniki—ambazo zina-paswa kuwa maeneo salama—wakati mwingine zilihisi kuwa za uhasama. Josephine anakumbuka kuingia kwa ajili ya kupata dawa ya kujaza PrEP na kuhisi kuhukumiwa—mionong’ono, macho ya pembeni, na sauti za lawama. “Nilihisi kama nimefanya jambo baya, kwa kujihudumia tu,” anasema. Akaondoka bila dawa yake. Wakati fulani, shinikizo karibu lilimsukuma aachane kabisa na kinga. Kilichomweka kwenye njia ilikuwa wahudumu wa afya waliomtendea kwa heshima, waliomjibu bila hukumu, na waliomkumbusha kwa nini ushiriki wake ulikuwa muhimu. “Walinishika mkono wakati wengine walinisukuma mbali,” anasema. Hadithi ya Josephine inajitokeza wakati nyeti kwa mwikotio wa HIV nchini Kenya. Unyanyapaa na ukimya bado vinaathiri sana uzoefu wa wasichana wengi, lakini mazungumzo yanabadi-likia. “Mkoba wa zana za kuzuia HIV nchini Kenya umeongezeka kutoka njia ya jadi ya ABC—kutofanya ngono, kuwa mwaminifu, na kutumia

kondomu—hadi wigo mpana wa chaguo, ikiwemo PrEP ya kinywa ya kila siku, pete ya uke ya dapivirine, sindano ya cabotegravir na uzinduzi un-aotarajiwa wa Lenacapavir ya muda mrefu,” anasema. Dkt. Jonah Onentiah, Meneja wa Kuzuia HIV katika Mpango wa Kitaifa wa Kudhibiti UKIMWI na Magonjwa ya Zinaa, anakubaliana naye: “Zana hizi zinafafanua upya jinsi ulinzi unavyoweza kuonekana. Sayansi inaendelea mbele; kukubalika kijamii bado kuna jikokota kufikia kasi hiyo.” Kwa Josephine, pete ya dapivirine ilikuwa ya mageuzi. “Ilikuwa ya siri. Hakuna aliyekuwa anaiona. Hakuna aliyekuwa akihoji. Ilinipa faragha, utulivu wa

akili na heshima,” anasema. Josephine hivi karibuni aligundua kwamba hadithi yake inaweza kuwalinda wengine. Wakati wa mafunzo ya jamii na midahalo ya vijana, alianza kushiriki safari yake hadharani. Anakumbuka msichana mmoja aliyemfikia baada ya kikao: “Hadithi yako imenipa ujasiri wa kujisimamia.” “Hapo ndipo nilipojua kuwa kuzungumza kuna umuhimu,” anasema Josephine. Leo, anafanya kazi na vijana na jamii za wafanyakazi wa ngono—ambazo mara nyingi hushutumiwa badala ya kuungwa mkono. Unyanyapaa, taarifa potofu na hata vitisho ni hali za kila siku,” alisema.

**Josephine Achieng aonyesha pete ya dapivirine ukeni, chaguo makini la kuzuia HIV linalotumiwa na wanawake kujikinga.**

## Wasanii wa filamu za Bongo Residency watoa Sh7.5m kwa waandishi watano wa Kenya

NA NELLY MANGA (MYGOV)

Waandishi watano wa filamu kutoka Kenya wamepata jumla ya Sh milioni 7.5 kama ruzuku kupitia Mpango wa Kukaa kwa Waandishi wa Filamu (Screenwriters Residency Programme), hatua ya Tume ya Filamu Kenya (KFC) kwa ushirikiano na Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ). Walionufaika—Edwin Kairu (Mental), Lydia Matata (Off-side), Hannington Juma (The

Most Outlandish Heist), Gift Kyansimire (My Girlfriend Wanjiru Is a Vampire), na Wacuka Mungai (Timeline Bloodline)—kila mmoja alipokea hadi Sh milioni 1.5 ili kuendeleza miswada yao na kuiandaa kwa ajili ya hatua za uzalishaji. Mpango huu ni sehemu ya awamu ya nne ya Film Empowerment Programme ya KFC, uliobuniwa kuimarisha maudhui ya asili ya televisheni ya Kenya. Pia ni mchango katika mradi wa ushirikiano kati ya Kenya na Ujerumani

unaolenga kuendeleza zaidi sekta ya filamu nchini Kenya. Uliozinduliwa Oktoba, mpango huo ulipokea maombi 158, am-

bapo waandishi kumi wali-teuliwa kuhudhuria makazi ya mafunzo ya wiki nne katika Tafari Castle and Center for the Arts. Warsha hiyo iliongozwa

na mwandishi maarufu Mona Ombogo, ambaye ameandika Kona, Volume na Kash Money. “Sekta madhubuti hujengwa juu ya hadithi madhubuti, na hadithi huanza na waandishi,” alisema Mwenyekiti wa Bodi ya KFC, Sudi Wandabusi. “Waandishi wa Kenya wana shauku, ubunifu na dhamira ya dhati ya kusimulia hadithi zinazoakisi jamii yetu, changamoto zetu na matarajio yetu.” Kwa mara ya kwanza katika historia yake, KFC pia imetoa ufadhili wa ubia wa uzalishaji kupitia Film Empowerment Programme. Miradi miwili—Wash Wash (tamthilia, D&R Studios) na Heirs of No Regret (filamu, Baruu Collective)—ilipokea kila moja hadi Sh milioni 1.7.

## VACANCIES

# KENYA LEATHER DEVELOPMENT COUNCIL

Quality leather, Better earnings

EXPRESSION OF INTEREST(EoI) TO INVEST IN THE KENYA LEATHER INDUSTRIAL PARK (KLIP)

**Background:**

The Kenya Leather Development Council (KLDC) is a State Corporation established pursuant to the State Corporations Act (Cap.) 446 of the Laws of Kenya, through Legal Notice No. 114 of 2011. KLDC, is the specialized agency under the State Department for Industry in the Ministry of Investments, Trade and Industry, mandated to drive the development of the leather sector and promote the leather value chain. As part of its mandate and in alignment with the Bottom-Up Economic Transformation Agenda (BETA), KLDC has undertaken the development of the Kenya Leather Industrial Park (KLIP), as a flagship initiative to position Kenya as a regional hub for leather and leather products manufacturing. The Park comprises approximately one hundred (100) acres of land situated on L.R. No. 23961, Kinanie, Machakos County.

KLIP shall provide an incentivized and favourable business environment for investors within a clearly delineated special industrial park, with access to shared and integrated infrastructure facilities, including a Common Effluent Treatment Plant (CETP). The Park will operate as a specialized, integrated, and sector-specific leather and leather products manufacturing zone, offering a competitive one-stop-shop solution for industry players. It is envisioned as a sustainable and eco-friendly, world-class leather and leather products production facility, incorporating global best practices in industrial clustering, economic and social infrastructure design, export promotion, effluent treatment, and pollution control.

**Scope of Work:**

The Kenya Leather Development Council (KLDC), is seeking Investors who will develop, equip and operationalize the Kenya Leather Industrial Park as tabulated below:

| S/N | Reference              | Details                                                                                     | Quantity |
|-----|------------------------|---------------------------------------------------------------------------------------------|----------|
| 1.  | KLDC/KLIP/ 1/INV/OLT   | Leather Industrial Warehouse <b>5,000 M<sup>2</sup></b> for Large-Scale Tannery Operations  | 2        |
| 2.  | KLDC/KLIP/1/INV/DLT    | 2-acre lots for the development of large sized tanneries                                    | 2        |
| 3.  | KLDC/KLIP/1/INV/DMT    | 1.5-acre lots for the development of medium sized tanneries                                 | 2        |
| 4.  | KLDC/KLIP/1/INV/OLPM   | Leather Industrial Warehouses <b>2,500 M<sup>2</sup></b> for Leather Products Manufacturing | 2        |
| 5.  | KLDC/KLIP/1/INV/DLLPM  | 2-acre lots for the Development of Large Leather Products Manufacturing Enterprises         | 3        |
| 6.  | KLDC/KLIP/1/INV/DM-LPM | 1-acre lots for the Development of Medium Leather Products Manufacturing Enterprises        | 7        |
| 7.  | KLDC/KLIP/1/INV/DAI    | 1-acre lots for the Development of Auxiliary Industries Enterprises                         | 3        |
| 8.  | KLDC/KLIP/1/INV/DSP    | 0.5-acre lots for the Development of Service Provider Enterprises                           | 10       |

**Eligibility and qualification of bidders:**

The Kenya Leather Development Council (KLDC), invites eligible and interested investors, both local and international, with proven capacity and experience in the leather industry and related value chains, to submit Expressions of Interest (EOI) for investment in the Park. Interested parties shall provide detailed information on their commercial, financial, and technical capacity in accordance with the prescribed Occupation Criteria. This information will be evaluated based on the Occupation Criteria, which can be accessed on the Council's website at [www.leathercouncil.go.ke](http://www.leathercouncil.go.ke).

Evaluation and shortlisting of bidders for subsequent stages shall be conducted strictly on the basis of the information submitted in response to the Occupation Criteria.

**Clarification:**

Requests for clarification may be submitted up to **seven (7) days** prior to the EoI submission deadline. Any request for clarification must be submitted in writing via email : [klip@leathercouncil.go.ke](mailto:klip@leathercouncil.go.ke)

Any clarifications and/or addenda shall be communicated through the Council website: [www.leathercouncil.go.ke](http://www.leathercouncil.go.ke)

The EoI should be submitted in sealed envelopes clearly labelled **"EXPRESSION OF INTEREST (EOI) TO INVEST IN THE KENYA LEATHER INDUSTRIAL PARK"** and deposited in the tender box located at the Council's headquarters, CPA Centre, 5<sup>th</sup> Floor, Thika Road, Nairobi, next to KCA University, and addressed to:

**CHIEF EXECUTIVE OFFICER**  
**KENYA LEATHER DEVELOPMENT COUNCIL**  
**P.O BOX 14480 – 00800**  
**NAIROBI – KENYA**

OR

Submitted electronically via email : [klip@leathercouncil.go.ke](mailto:klip@leathercouncil.go.ke) with the subject line clearly indicated as: **"EXPRESSION OF INTEREST (EOI) TO INVEST IN THE KENYA LEATHER INDUSTRIAL PARK"** to be received on or before **13<sup>th</sup> February, 2026 not later than 1700 hours (local time)** after which no submissions shall be considered.

**NB: Only applicants shortlisted at the EoI stage will be contacted.**

| DATE OF ISSUE     | 13 <sup>th</sup> January 2026                                                                                                                                    |

1. The Government of Kenya has received financing from the World Bank towards the cost of the Horn of Africa Gateway Development Project (HoAGDP) and intends to apply part of the proceeds for consulting services.

2. The consulting services ("the Services") include **Consultancy Services to Develop the KRA Digital Transformation Strategy 2025/26-2028/29, Enterprise Architecture Blue Print and Implementation Plan**, consistent with the Terms of Reference (TOR).

3. The detailed Terms of Reference for the assignment can be found on Kenya Revenue Authority (KRA) website at <http://www.kra.go.ke/tenders>.

4. The expected duration of the assignment is **six (6) calendar months**.

5. The Kenya Revenue Authority (KRA) now invites eligible consulting firms ("Consultants") to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are:

i. **Firm registration** - The firm must be either incorporated entity or a JV of incorporated entities with core business in the field of ICT Consultancy, Solutions Development and Delivery for a minimum period of 5 years.

ii. **Firm experience** - The firm shall have successfully completed at least two (2) contracts of a similar nature, complexity and in a similar operating environment (i.e. assignment for Digital Transformation Strategy formulation for two (2) large Public/Private Enterprises in the Telco or Financial services sector) within the last five years. Details of these assignments, including client names and addresses, scope, contract value, contract duration, and year/period of assignment, must be provided

iii. **Technical & managerial capability of the firm** - the firm must demonstrate as having the requisite technical and managerial capacity to undertake the assignment as specified in the ToRs

**Key Experts will not be evaluated at the shortlisting stage.**

6. The attention of interested consultants is drawn to Section III, paragraphs, 3.14, 3.16, and 3.17 of the World Bank Procurement Regulations for IPF Borrowers First Published July 2016 and Revised Seventh Edition September 2025 hereafter referred to as 'Procurement Regulations', setting forth the World Bank's policy on conflict of interest.

7. Consultants may associate with other firms to enhance their qualifications but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected.

8. A Consultant will be selected following the Quality Cost Based Selection (QCBS) method set out in the Procurement Regulations.

9. Further information can be obtained at the address below during office hours; Monday to Friday (Public Holidays closed) from 0900hrs to 1600hrs East African Time (EAT).

10. Expressions of interest Submission shall strictly be done through the KRA E-Procurement Portal. Consultant should register on KRA's website; [www.kra.go.ke](http://www.kra.go.ke) by clicking on "New Supplier Registration" found under the E - Procurement Tab. For assistance on the supplier portal or registration, visit KRA Procurement Office or email: [srmsupport@kra.go.ke](mailto:srmsupport@kra.go.ke). Completed EOIs are to be saved as PDF files named **"Consultancy Services to Develop the KRA Digital Transformation Strategy 2025/26-2028/29, Enterprise Architecture Blue Print and Implementation Plan,"** and submitted in the KRA E-procurement Web Portal to be received on or before **12<sup>th</sup> February 2026, 1100Hrs EAT**.

The address referred to above is:

## TENDER NOTICE

The Capital Markets Authority invites sealed tenders from eligible candidates for provision of the services indicated below;

| S/No. | TENDER NO.           | ITEM DESCRIPTION                                                                                                                     | TENDER COMMENCEMENT DATE | CLOSING DATE      |
|-------|----------------------|--------------------------------------------------------------------------------------------------------------------------------------|--------------------------|-------------------|
| 1.    | CMA/RFP001/2025-2026 | PROVISION OF EXTERNAL AUDIT SERVICES FOR CMA FOR THE FINANCIAL YEARS ENDING 30 JUNE 2026, 30 JUNE 2027 AND 30 JUNE 2028 RESPECTIVELY | 13th January 2026        | 27th January 2026 |

A complete set of tender documents may be obtained by interested candidates free of charge from the Authority's websites; [www.cma.or.ke/tenders](http://www.cma.or.ke/tenders) or <https://www.tenders.go.ke>.

Interested bidders who download the documents from any of the websites **MUST** forward their particulars immediately to: [supplychain@cma.or.ke](mailto:supplychain@cma.or.ke) for registration and for tender clarification purposes.

Further information can be obtained at **CMA Supply Chain Management Office; 5<sup>th</sup> Floor, Embankment Plaza, Longonot Road, Upperhill, Nairobi** during office hours, Monday to Friday from 0900 hours to 1600 hours local time excluding public holidays.

Completed Tender documents are to be enclosed in plain sealed envelopes clearly marked with the tender description and number, and be deposited in the Tender Box provided at The Capital Markets Authority Offices, 3<sup>rd</sup> Floor, Embankment Plaza, Longonot Road, Upperhill, Nairobi and addressed to:  
**The Chief Executive Officer,  
Capital Markets Authority,  
P.O. Box 74800 – 00200,  
NAIROBI, KENYA**

So as to be received on or before **27<sup>th</sup> January 2026 at 11:00hrs local time**.

Opening of the bids will take place immediately thereafter at the CMA Offices, 4<sup>th</sup> Floor, Conference Room, Embankment Plaza along Longonot Road, Nairobi in the presence of the tenderers representatives who choose to attend.

Late bids shall be rejected.

Principal Supply Chain Management Officer  
FOR: CHIEF EXECUTIVE OFFICER

## MINISTRY OF ROADS AND TRANSPORT

### STATE DEPARTMENT FOR ROADS

### JOB ADVERTISEMENT

Applications are invited from qualified persons for the following positions shown below:

| VACANCY NO | JOB TITLE                                     | CSG | POSTS |
|------------|-----------------------------------------------|-----|-------|
| 23/2025    | Artisan Materials (Laboratory Technician) III | 13  | 13    |

Interested and qualified persons are requested to make their applications by completing one PSC2 (**Revised 2016**) application form. The form may be downloaded from the Public Service Commission's websites: [www.publicservice.go.ke](http://www.publicservice.go.ke)

For more details on salary scale, requirements for appointment, duties and responsibilities, visit the following website [www.roads.go.ke](http://www.roads.go.ke).

Completed PSC 2 (2016) application form can be sent to: -

**The Principal Secretary  
State Department for Roads  
Ministry of Roads and Transport  
P.O. Box 30260-00100  
Nairobi**

**OR**

Hand delivered to the State Department for Roads Human Resource Management registry, Transcom House, 5<sup>th</sup> Floor on or before **3<sup>rd</sup> February, 2026**.

**Please Note:**

- Persons with disability are encouraged to apply
- Only shortlisted and successful candidates will be contacted
- Canvassing in any form will lead to automatic disqualification
- Shortlisted candidates shall be required to produce originals of their National Identity Card, academic and professional certificates and transcripts during interviews. It is a criminal offence to present fake certificates.

## PUBLIC NOTICE

### 13<sup>TH</sup> JANUARY 2025

### REMOVAL OF ALL ROADSIDE DEVELOPMENTS (BILLBOARDS, DIRECTION AND ADVERTISEMENT SIGNS, TREE NURSERY BEDS AND TEMPORARY STRUCTURES) FROM JAMES GICHURU JUNCTION TO JOMO KENYATTA INTERNATIONAL AIRPORT (A8/B10) HIGHWAYS

This is to notify all roadside developments owners/operators (billboards, direction and advertisement signs, nursery beds and temporary structures) within James Gichuru Road Junction to Jomo Kenyatta International Airport (A8/B10) Highway of the commencement of capacity enhancement landscaping and beautification works between this section.

Consequently, all roadside developments (billboards, direction and advertisement signs, tree nursery beds and temporary structures) within the said road reserve should be removed within 14 days from the date of this Notice to pave way for implementation of the project works, otherwise they shall be removed without further reference the owner/operators.

**Eng. Luka Kimeli  
Ag. DIRECTOR GENERAL**

Vision: A quality National Trunk Road Network to all for prosperity  
Mission: To develop and manage resilient, safe, and adequate National Trunk Roads for sustainable development through innovation and optimal utilization of resources  
Core Values: Accountability Sustainability Innovation Teamwork

## Serikali yachukua hatua kufufua ukuzaji wa korosho katika pwani

NA MOHAMED HASSAN (KNA)

Serikali imechukua hatua kufufua sekta ya korosho nchini Kenya, ikilinganisha kuunda ajira 350,000 na kuwezesha sekta hiyo kuchangia Sh bilioni 30 kwa Pato la Taifa (GDP). Waziri wa Kilimo, Mutahi Kagwe, alisema kushuka kwa uzalishaji kumeigharimu nchi ajira, kipato na mapato ya mauzo ya nje, ilhali mahitaji ya zao hilo duniani yanaendelea kuongezeka. Kagwe alilalamika kwamba Kenya kwa sasa huzalisha takribani tani 13,000 za korosho kwa mwaka, kiasi kilicho chini sana ukilinganisha na uwezo wa kusindika wa tani 45,000—pengio ambalo limesababishia uchumi kukosa mamia ya melfu ya ajira zinazowezekeka na kuwalizimu wakulima kuachana na zao ambalo hapo awali lilimarisha maisha ya watu katika maeneo ya Pwani. Mamlaka ya Kilimo na Chakula (AFA) inakadiria kuwa sekta ya korosho iki-fufuliwa kikamilifu inaweza kuunda hadi ajira 350,000 katika uzalishaji, usindikaji, usafirishaji na mlolongo mzima wa thamani ya mauzo ya nje, huku ikichangia zaidi ya Sh bilioni 30 kwa GDP na kurejesha korosho kama chanzo muhimu cha kipato kwa jamii za Pwani. Akizungumza wakati wa ziara kwa wakulima na

Waziri wa Kilimo Mutahi Kagwe (Kulia) akikagua korosho zilizochakatwa katika Kampuni ya Kenya Cashew Nuts Limited (KCNL) katika Kaunti ya Kilifi. Picha: Haniel Kabara/KNA

wasindikaji wa korosho katika Kaunti ya Kilifi, Kagwe alisema miaka ya kushuka kwa uzalishaji imezorotesha maisha ya watu wa Pwani, licha ya Kenya kuwa na ardhi inayofaa, mahitaji makubwa ya kimataifa na uwezo wa usindikaji ambao haujatumiwa kikamilifu. Waziri huyo aliandamana na Dkt. Bruno Linyiru, Mkurugenzi Mkuu wa AFA, na Ann Gikonyo, Mkurugenzi wa Mazao ya Karanga na Mafuta katika AFA. Kagwe anasisitiza kuwa mkakati wa serikali wa kufufua sekta umejengwa juu ya sayansi na uungwaji mkono wa wakulima,

ukiongozwa na Shirika la Utafiti wa Kilimo na Mifugo Kenya (KALRO), hasa Kituo cha Mtwapa ambacho kinajikita kikamilifu katika utafiti wa korosho. Alisema KALRO Mtwapa kimezalisha aina mpya ya korosho inayostahimili magonjwa na yenye uwezo wa kuongeza mavuno mara dufu, huku miche 20,000 ya aina hiyo iliyoboreshwa ikiwa tayari kusambazwa wakati wa msimu wa mvua ndefu ujao. Waziri aliongeza kuwa aina nne nyingine zilizoboreshwa ziko katika hatua za juu za uendelezaji, akibainisha kuwa aina hizo zitakuwa

tayari ndani ya miezi sita, kujibu moja kwa moja malalamiko ya wakulima kuhusu kupungua kwa mavuno na magonjwa. “Wakulima wamelalamikia kupungua kwa mavuno na shinikizo la magonjwa. Utafiti umejibu, na suluhu ziko tayari,” alisema Kagwe. Uzalishaji na usambazaji wa miche unasimamiwa na Mamlaka ya Kilimo na Chakula kwa ushirikiano na serikali za kaunti, kwa msaada wa Mamlaka ya Ukaguzi wa Afya ya Mimea Kenya (KEPHIS) na maafisa ugani, ili kuhakikisha uhibiti wa ubora na usambazaji wa mwisho kwa wakulima.

## TVET zatoa matumaini kwa vijana Kenya

NA KIMANI TIRUS KNA

Katika miaka ya hivi karibuni, nchi imeona melfu ya vijana wakihitimu kutoka vyuo vya umma na binafsi kila mwaka huku matarajio ya ajira yakiwa madogo kutokana na kupungua kwa fursa za ajira. Hali hii imewafanya wengi kujaribu bahati yao nje ya nchi, huku wengine wakihangaiika ndani ya nchi wakifanya kazi duni ambazo hazihusiani na fani walizosomea, wakiwa na matumaini kwamba siku moja fursa zitatokea na watakata ajira nzuri zinazohusiana na taaluma zao.

Waziri wa Elimu, Julius Migos akiwahutubia wajukuu wakati wa mahafali ya 2 ya Kitaifa ya Chuo Kikuu cha Nyandarua. Picha: Kimani Tirus

Kutokana na ukosefu wa ajira, vijana hujikuta wakiwutwa na kampuni za kitapeli zinazowaahidi ajira za ng'ambo, ambapo baadhi yao huishia mikononi mwa wauzaji wa

dawa za kulevya na wakora wa biashara ya usafirishaji haramu wa binadamu. Hata hivyo, si hali ya giza na maangamizi pekee, kwani vyuo vya ufundi na mafunzo ya kiufundi

(TVET) vinaahidi mustakabali mwema kwa wanaohitimu kutoka taasisi hizo. Ukweli huu usio wa kufurahisha umefanya idadi kubwa ya vijana ambao walipaswa kujiunga na vyuo vikuu kuchagua taasisi za elimu ya ufundi ili kupata kozi za vitendo, wakiwa na matumaini ya kupata nafasi katika soko la ajira linalozidi kupungua. Kwa kuzingatia hali ilivyo mbaya, serikali imechukua hatua za haraka kufufua vyuo vya ufundi na taasisi za kiufundi ili kuweza kuwahudumia idadi kubwa ya vijana wanaomaliza shule za sekondari ambao wameshindwa kupata nafasi katika vyuo vikuu.

## KWA UFUPI

### Wajir kupata mtambo mkubwa wa nishati ya jua

NA HAMD BUTHUL KNA

Kaunti ya Wajir imepangiwa kupokea kituo cha nguvu za jua cha megawati 6 kufuatia kuanza kwa ziara za awali za eneo hilo na washauri wa Kampuni ya Kenya Power (KPC) pamoja na wakandarasi wanaotarajiwa. Ziara ya eneo hilo ilifanyika katika kiwanda cha nguvu cha Wajir kama sehemu ya maandalizi ya kuboresha kituo kilichotumia dizeli kwa teknolojia ya jua (solar photovoltaic – PV). Mradi huu unafadhiliwa na serikali ya Kenya kupitia Wizara ya Nishati na Petrol, kwa msaada wa Benki ya Maendeleo ya Ufaransa (AFD), na utekelezaji wake utafanywa na KPC kupitia wakandarasi wa EPC. Akizungumza wakati wa zoezi hilo, Mtendaji wa Kaunti wa Ardhi, Ujenzi wa Umma, Makazi na Maendeleo ya Miji, Bw. Ahmad Wardere, alisema mradi huu ni kipaumbele cha juu kwa uongozi wa eneo hilo. “Mradi huu ni muhimu sana na uongozi wa Kaunti ya Wajir, unaoongozwa

na Gavana Ahmed Abdulahi na Mbunge wa Wajir Mashariki Adan Daud, umekuwa ukifuatilia kwa karibu,” alisema Wardere. Aliongeza kwamba mradi unatarajiwa kuanza ndani ya miezi mitatu ijayo na umepangwa kukamilika kufikia Desemba 2026. Wardere pia alibainisha kuwa kiwanda cha jua kitatoa takriban megawati 6 (6MW) kwenye usambazaji wa umeme wa kaunti, kikionga mkono megawati 3 (3MW) zinazotolewa kwa sasa na Kampuni ya Kenya Power. “Mradi huu utaweza kusaidia ufanisi wa umeme katika eneo hili, na hivyo kuleta faida kwa uchumi wa eneo hilo,” aliongeza. Meneja wa Kaunti, Kampuni ya Kenya Power, Hassan Isack, alisema ziara ya eneo hili ni hatua muhimu katika mchakato wa zabuni na ununuzi wa shirika. “Ziara hii ni ya awali kabla ya zabuni ya kuboresha kiwanda cha nguvu cha Wajir kwa PV ya jua ya takriban megawati 6, ambayo itatupa umeme wa kuanzishwa,” alisema. “Sasa tuko katika hatua ya ununuzi,” aliongeza.

### KVDA yatoa afueni kwa wafugaji wa Turkana

NA PETER GITONGA (KNA)

Enomat Kaikenya anatazama kwa fahari wanyama wake wa ng'ombe na kondoo wakinywa maji kwa zamu katika kisima cha kunywesha maji katika maeneo ya ndani ya Kaunti Ndogo ya Turkana Kaskazini. Mwaka mmoja uliopita, hili lilikuwa ndoto tu katika kijiji kilichopo kilomita 120 kaskazini mwa Lodwar, makao makuu ya kaunti. Kaikenya anakumbuka jinsi alivyokuwa akitembea zaidi ya kilomita 30 kutafuta maji kwa wanyama wake. Hali hii haikumpelekea tu uchovu mkubwa wa mwili, bali pia iliathiri afya ya wanyama wake. Mara nyingi aliangalia kwa masikitiko wanyama wake wakikufa kando ya njia kutokana na ukame mkali. Hii asubuhi yenye jua, hayuko peke yake. Yuko miongoni mwa wafugaji wengi wa kijiji cha Nalekan wanaoleta wanyama wao kwa furaha kwenye kisima cha kunywesha.

Kisima cha Nayanee Epul, kilichochimbwa na Mamlaka ya Maendeleo ya Bonde la Kerio (KVDA), kinatoa msaada mkubwa kwa mamia ya wafugaji na kaya katika eneo hili. Kilichochimbwa mwaka 2024, kisima hiki kinasaidia wanyama takriban 50,000 wakiwemo kondoo, mbuzi na punda. Pia ni chanzo cha maji kwa kaya 2,500. Mifereji ya maji imeweze-sha wakazi wa kijiji cha Nalekan, kilicho kilomita 6 mbali, kupata maji safi. Kisima hutoa lita 24,000 za maji kwa saa. Kaikenya anashirikiana na Nangole Ewoi Tuko na Angeline Nangolol ambao pia wako kwenye kisima kuwanywesha wanyama wao. Mkurugenzi Mkuu wa Mamlaka ya Maendeleo ya Bonde la Kerio, Sammy Naporos, alisema kuwa Mamlaka imewekeza angalau Sh milioni 200 katika miradi 17 ya maji inayowan-ufaisha watu 204,000 na wanyama 300,000 katika kaunti nzima.
