Wanafunzi 10,000 wapokea ufadhili wa masomo

Katibu wa Elimu ya Msingi, Amb. (Prof.) Julius Bitok
asema kila mnufaika atapata ufadhili kamili wa masomo,
unaojumuisha malipo ya karo kamili ya shule, utoaji wa vifaa
vya shule (ununuzi), usafiri wa kwenda na kurudi shuleni,
pesa za mfukoni, na huduma za ushauri zilizopangwa kwa
miaka mitatu watakayotumia katika shule ya upili.

Serikali yatoa ufadhili kwa watoto 10,000

NA AHMED ELMAWI (PCO)

Wizara ya Elimu imezin-
dua ufadhili wa mas-
omo 10,000 wa Elimu
Scholarships kwa wanafunzi
waliofanya tathmini ya kwanza
ya Kenya Junior School Education
Assessment (KJSEA) mwaka jana.
Hatua hii imeelezwa kuwa mafan-
ikio makubwa katika jitihada za
Serikali kuhakikisha kuwa umas-
kini hauzuu mwanafunzi yeyote
kukamilisha elimu ya sekondari.
Akizungumza wakati wa uzinduzi
wa kundi la sita la Mpango wa
Elimu Scholarship Programme
(ESP) uliofanyika katika Shule
ya Upiili ya Wasichana ya Moi,
Isinya, Kaunti ya Kajiado, Katibu
Mkuu wa Idara ya Serikali ya
Elimu ya Msingi, Balozi (Prof.)
Julius Bitok, alisema mpango
huo unaonesha dhamira thabiti
ya Serikali katika kuhakikisha
usawa na ujumuishi katika elimu.
Alisema ufadhili huo umeundwa
kwa ajili ya wanafunzi walio
katika mazingira magumu na
wanaotoka katika familia zisizo-
jiweza, ambao bila msaada huo
wasingeweza kujiunga na Gredi ya
10 au kuendelea na masomo yao.
“Kila mnufaika atapokea ufa-
dhili kamili unaojumuisha ada
zote za shule, vifaa vya shule,
usafiri wa kwenda na kutoka
shuleni, pesa ya matumizi,
pamoja na huduma za uangalizi
na uelekezi (mentorship) kwa
kipindi cha miaka mitatu wa-

takachokaa katika shule ya upi-
ili ya juu,” alisema Prof. Bitok.
Mpango wa Elimu Scholarship
Programme umetekelezwa na

Wizara ya Elimu tangu mwaka
2020 kwa ushirikiano na Benki ya
Dunia kupitia miradi ya Second-
ary Education Quality Improve-

Rais amekuwa
akisitiza kwamba
kila mtoto
anastahili nafasi
nzuri ya kujifunza

ment Project (SEQIP), Kenya
Primary Education Equity in
Learning (KPEEL) na Secondary
Education Equity and Quality Im-
provement Programme (SEEQIP).
Kundi la mwaka huu linajumuisha
wanufaika 10,000 kutoka kaunti
zote 47, pamoja na wanafunzi
kutoka kambi za wakimbizi za
Kakuma, Kalobeyei na Dadaab.
Mbali na wanufaika wapya,
mpango wa ESP unaendelea
kuwaunga mkono wanafunzi
waliokwishaandikishwa awali.
Hadi sasa, mpango huo umefa-
dhili jumla ya wanafunzi 62,000.
Kwa sasa, mpango huo una-
saidia wanafunzi 10,574 wa
Kidato cha Nne na wanafunzi
14,426 wa Kidato cha Tatu kwa
kuwapatia msaada endelevu
wa kifedha na uelekezi ili ku-
wawezesha kukamilisha elimu
ya sekondari bila kukatizwa.
Makundi matatu, yakijumuisha
wanafunzi 27,000, tayari yame-
hitimu kutoka katika mpango
huo kwa matokeo mazuri.
Katibu Mkuu pia alisisitiza agizo
la Rais William Ruto kwamba
hakuna mwanafunzi anaye-
hama kwenda Gredi ya 10
anayepaswa kunyimwa na-
fasi ya masomo kutokana na
kukosa ada au sare ya shule.
“Rais amekuwa wazi kuwa kila
mtoto anastahili fursa sawa ya
kupata elimu. Kupitia mipango

ENDELEA UK 3

FUNDED BY THE
EUROPEAN UNION

National Drought Management Authority (NDMA)

SERVICE CONTRACT TENDER NOTICE

TENDER FOR CONSULTANCY SERVICES FOR MAPPING OF TANA DELTA LANDSCAPES AND ADJACENT ECOSYSTEMS IN TANA RIVER, KILIFI AND LAMU COUNTIES IN KENYA

TENDER REF: NDMA/DCADR/ MAPS /2025-2026

The National Drought Management Authority (NDMA) is a State Corporation established by the NDMA Act, 2016. The Act mandates the Authority to exercise overall coordination over all matters relating to drought risk management and to establish mechanisms, either on its own or with stakeholders, to end drought emergencies in Kenya.

NDMA is implementing the Dryland Climate Action for Community Drought Resilience (DCADR) Project, a four-year drought risk management initiative project, co-funded by the European Union (EU) and the Government of Kenya.

The Authority seeks the services of an experienced legal entity or organization to support in the development of Land Use / Land Cover (LULC) maps for the Tana Delta Landscape Restoration and Green Growth Initiative, including the establishment of carbon-compliant baseline indicators, using high-resolution remote sensing and field surveys.

Interested eligible legal entities may download the service contract tender document free of charge from the NDMA website www.ndma.go.ke.

The deadline for submission of tenders is **Thursday, 26th February 2026 at 10.00 a.m.** Tender documents will be opened immediately thereafter.

Tenderers or their representatives, are not allowed to attend the opening session, as per the provisions of the EU External Actions Practical Guide 2025.

CHIEF EXECUTIVE OFFICER

KENYA LEATHER DEVELOPMENT COUNCIL

Quality Leather, Better Earnings, Ngozi Bora,
Mapato Bora

VACANCY- REPLACEMENT

Kenya Leather Development Council (KLDC) is a State Corporation established pursuant to the State Corporation Act (Cap.) 446 of the Laws of Kenya, through Legal Notice No. 114 of 2011. The Council is seeking to recruit a highly motivated, dynamic and result oriented professional of high integrity and ability to deliver results to fill the position of Deputy Director, Legal Services as follows:

S/ No	Post	No. of Posts	Job Grade	Department	Job Ref No
1	Deputy Director, Legal Services	1	KLDC 3	Legal Services	KLDC/013/2026

HOW TO APPLY:

For a detailed job description, required qualifications and application procedure, please visit our website <https://leathercouncil.go.ke/careers/>. All applications should be submitted not later than **Monday, 16th February, 2026 5.00 pm EAT**. Hard copies will not be accepted.

Shortlisted candidates will be required to demonstrate compliance with Chapter Six of the Constitution by submitting the following documents:

- Certificate of Good Conduct from the Directorate of Criminal Investigations (DCI)
- Clearance/Compliance Certificate from Higher Education Loans Board (HELB)
- Tax Compliance Certificate from Kenya Revenue Authority (KRA)
- Clearance from Ethics and Anti-Corruption Commission (EACC)
- Clearance from recognized Credit Reference Bureau (CRB)
- CUE/KNQA for those with academic qualifications obtained from learning institutions outside Kenya.

Please note that:

- Only shortlisted candidates will be contacted
- Canvassing will lead to automatic disqualification.
- The Council does not charge a fee at any stage of the recruitment process.
- Kenya Leather Development Council is an equal opportunity employer and respects inclusivity and diversity. Persons Living with Disabilities and individuals from marginalized and minority communities who meet the person specifications are strongly encouraged to apply.

KUTOKA UK 2

kama ESP, tunaondoa vikwazo vya kifedha na kulinda mustakabali wa wanafunzi wetu,” aliongeza. Usawa wa kijinsia na ujumui-shi vinaendelea kuwa nguzo muhimu za mpango huo. Wasichana wanawakilisha asilimia 53 ya wanufaika, huku wavulana wakiwa asilimia 47. Aidha, hatua mahsusiza upendeleo (affirmative action) zimewekwa kuhakikisha wanafunzi wenye mahitaji maalum na ulemavu wanapata angalau asilimia tano ya jumla ya ufadhili wa masomo. Ili kuhakikisha uwazi na uwajibikaji, mpango huo unatumia mchakato mkali wa uteuzi unaojumuisha uchuaji wa waombaji, mahojiano na ziara za uthibitisho wa makazi. Mchakato huo unasimamiwa na Kamati za Ushauri za Uteuzi wa Jamii (Community Selection Advisory Committees – CSACs), ambazo zinatoa kipaumbele kwa mayatima, watoto wanaoishi katika makazi duni, familia zilizoathiriwa na ulemavu au magonjwa sugu, pamoja na wale wanaokabiliwa na umaskini uliokithiri, kutelekezwa au unyanyasaji. Kwa kujengwa juu ya mafanikio ya mipango ya awali kama Kenya Primary Education Equity in Learning Programme na SEQIP, Mpango wa Elimu Scholarship Programme unatarajiwa kupunguza kwa kiasi kikubwa tofauti za kimaeneo na kupanua upatikanaji wa elimu bora ya sekondari kote nchini.

UNICEF yachunguza watoto 50,000 kwa kisukari aina ya kwanza Vihiga

NA ROSE WASIKE (KNA)

Takribani watoto 50,000 katika kaunti za Vihiga na Isiolo wanatarajiwa kunufaika na mpango mkubwa wa uchunguzi wa afya unaolenga ugonjwa wa kisukari cha Aina ya Kwanza (Type One Diabetes) na magonjwa mengine yasiyoambukiza (NCDs) yanayoanza utotoni, kupitia mpango wa dola za Marekani 600,000 unaofadhiliwa na UNICEF. Mpango huo wa miaka miwili na nusu utatekelezwa katika vituo 20 vya afya, vikiwemo vituo 13 katika Kaunti ya Isiolo na saba katika Kaunti ya Vihiga, hatua inayochukuliwa kuwa mafanikio makubwa katika kuimarisha kinga, utambuzi na huduma za magonjwa yasiyoambukiza katika ngazi ya jamii. Akizungumza katika mahojiano na Shirika la Habari la Kenya (KNA), Mratibu wa Kaunti wa Magonjwa Yasiyoambukiza, Mike Olonyo Endovo, alisema mpango huo utasaidia kuziba pengo la muda mrefu katika ukusanyaji wa takwimu za NCDs lililosababishwa na ukosefu wa vifaa vya uchunguzi. “Hapo awali, hakukuwa na takwimu wazi za kitaifa

Dkt Catherine Karekezi, Mkurugenzi Mtendaji wa NCD Alliance Kenya, akikabidhi mashine ya kuthibitisha ya Gazelle Sickle Cell kwa Gavana wa Vihiga Dkt Wilber Ottichillo. Picha: Rose Wasike

au za kaunti kuhusu magonjwa yasiyoambukiza kwa sababu hatukuwa na vifaa vya uchunguzi. Kwa sasa, UNICEF ikiwa imeshirikiana nasi, tunaweza kutambua wagonjwa ipasavyo na kupata takwimu za kuaminika,” alisema Endovo. Alibainisha kuwa timu ya wataalamu kutoka sekta mbalimbali, ikijumuisha maafisa wa Wizara ya Afya, UNICEF, NCD Alliance Kenya na idara za afya za Kaunti ya Vihiga, imekuwa

ikifanya kazi mashinani tangu Jumatatu, Januari 19, kubuni mikakati ya kuwafikia watoto na vijana wanaoishi na magonjwa yasiyoambukiza. Mpango huo utahusisha uhamasishaji mpana wa wadau, ukiwaleta pamoja wahamasishaji wa afya wa kaunti, Wizara za Afya na Elimu, taasisi za kidini, pamoja na Wizara ya Mambo ya Ndani, ili kuhakikisha watoto na vijana walio chini ya umri wa miaka 25 wanatambuliwa,

wanapatiwa msaada na kuunganishwa na huduma za matibabu. Kwa mujibu wa Endovo, zaidi ya watoto 700 kwa sasa wanafuatiliwa kwa magonjwa yasiyoambukiza katika Kaunti ya Vihiga. Aliongeza kuwa Hospitali ya Hamisi Sub-County ina Kituo cha Magonjwa Yasiyoambukiza kinachofanya kazi kikamilifu, ambapo wagonjwa wachanga hupata matibabu bila malipo, sambamba na huduma zinazotolewa katika Hospitali ya Rufaa ya Kaunti ya Vihiga. Aliwahimiza wazazi na walezi kujiandikisha katika mpango wa Mamlaka ya Afya ya Jamii (Social Health Authority – SHA) ili kupunguza mzigo wa kifedha wa dawa za muda mrefu kwa watoto wanaoishi na magonjwa yasiyoambukiza. “Hapo awali hatukuwa na vifaa vya uchunguzi, lakini ushirikiano huu na UNICEF utatusaidia kuwabaini watoto walioathirika mapema na kudhibiti hali hizi kwa ufanisi,” aliongeza. Gavana wa Vihiga, Dkt. Wilber Ottichillo, hivi karibuni aliitisha mkutano wa ushirikiano na timu kutoka Wizara ya Afya, UNICEF Kenya na NCD Alliance Kenya ili kuimarisha mifumo ya rufaa na huduma za kijamii kwa magonjwa yasiyoambukiza yanayoanza utotoni, ikiwemo kisukari cha Aina ya Kwanza.

CALL FOR PROPOSALS: POSTGRADUATE RESEARCH GRANTS -NRF001/2026

The National Research Fund (NRF) is a statutory body established under the Science, Technology and Innovation Act, 2013, with a mandate to mobilize resources and facilitate research for the advancement of science, technology, and innovation for national development.

NRF invites applications for **Postgraduate Research Grants for the 2025/2026 Financial Year**. This national research call is a strategic intervention aimed at strengthening Kenya's Science, Technology, and Innovation (ST&I) ecosystem by supporting high-quality postgraduate research that contributes to innovation, evidence-based policymaking, and inclusive national development in line with the Government's Bottom-Up Economic Transformation Agenda (BETA).

Bonafide Kenyan postgraduate students registered in public or private universities in Kenya are eligible to apply. The grant will support only the research component of Master's or doctoral degree training programmes, focusing on projects that address national development priorities.

A successful doctoral research project will be funded up to a maximum of **Kenya Shillings Two Million (Ksh 2,000,000)** for a period not exceeding **three (3) years**, while a successful Master's research project will be funded up to a maximum of **Kenya Shillings Five Hundred Thousand (Ksh 500,000) for a period of one (1) year**.

Interested postgraduate students wishing to apply for this national grant call should read the detailed guidelines on the NRF **website: www.nrf.go.ke** and submit their applications **STRICTLY** through the NRF Grants Management System at: **<https://grantsportal.nrf.go.ke>**.

The deadline for submission of research proposals is **6th March 2026 at 23:59 hrs EAT**.

Only successful applicants will be contacted.

Watoa maoni kuhusu mradi wa unyunyiziaji wa Turkwel

NA CHARLES MATACHO,
PCO.

Ushirikishwaji wa umma kuhusu Mradi wa Umwagiliaji wa Lower Turkwel umeanza katika kaunti za West Pokot na Turkana, kufuatia agizo la Rais wa Jamhuri ya Kenya, Mhe. William Ruto, chini ya Ajenda ya Serikali ya Mabadiliko ya Kiuchumi ya Chini kwenda Juu (Bottom-Up Economic Transformation Agenda – BETA). Mijadala hiyo inaongozwa na Waziri wa Baraza la Mawaziri, Bi. Beatrice Askul Moe, pamoja na Katibu Mkuu Kello Harsama, wakishirikiana na viongozi wa kisiasa kutoka kaunti zote mbili, Maafisa wa Utawala wa Serikali ya Kitaifa (NGAO), wawakilishi wa Mamlaka ya Maendeleo ya Bonde la Kerio (KVDA), pamoja na maafisa wa Idara ya Serikali ya ASALs na Maendeleo ya Kikanda. Vikao hivyo vinawakutanisha wanajamii na maafisa wa kitaalamu kujadili upeo, manufaa na utekelezaji

Kutoka Kushoto; Gavana wa Kaunti ya Turkana Jeremiah Lomorukai, Waziri wa Jumuiya ya Afrika Mashariki the ASALs na Maendeleo ya Kikanda Beatrice Askul Moe, gavana wa Pokot Magharibi Simon Kachapin na Idara ya Jimbo la ASALs na Maendeleo ya Mkoa Kello Harsama wakishikiliza wakazi wakiwashirikisha wananchi ikiwa Kainuk Kaunti ya Turkana kuhusu kuanzishwa kwa Mradi wa Umwagiliaji wa Turkwel ya Chini.

wa mradi wa umwagiliaji. Utafiti wa hivi karibuni wa upembuzi yakinifu unaonyesha kuwa zaidi ya hekta 30,000 za ardhi zimelengwa kwa umwagiliaji chini ya mradi huu. Bwawa la Lower Turkwel, lenye uwezo wa kuhifadhi mita za ujazo bilioni 1.6 za maji, pia linaunga mkono uzalishaji wa umeme unaofanywa na KENGEN, likizalisha megawati 106 za umeme, jambo linaloonesha athari pana za mradi huu katika sekta mbalimbali. Mradi huu unalenga kutumia maji ya Mto Turkwel kuwezesha uzalishaji wa mazao mwaka mzima, ikiwemo nafaka, mikunde, mazao ya bustani na malisho, hatua itakayoboresha usalama wa chakula katika kaya, kukuza kilimo cha kibiashara, na

kupunguza utegemezi wa kilimo kinachotegemea mvua katika maeneo ambayo kwa muda mrefu yamekumbwa na ukame. Inatarajiwa kuwa mpango huu utafungua maelfu ya fursa za ajira katika mnyororo mzima wa thamani ya kilimo, huku vijana na wanawake wakiwa wanufaika wakuu, na hivyo kuchechea uchumi wa maeneo ya ndani. Kupitia kuhamasisha shughuli za kiuchumi za pamoja, mradi huu pia unatarajiwa kumimarisha amani na mshikamano katika mpaka wa kaunti za Turkana na West Pokot. Ushirikishwaji wa umma, kama ulivyoainishwa katika Ibara za 10, 174 na 196 za Katiba ya Kenya, unahakikisha kuwa jamii zinapata fursa ya kutoa maoni yao kuhusu miradi inayowaathiri. Kuwashirikisha wananchi kunakuza uwazi, uwajibikaji, ujumuishi na umiliki wa miradi, hivyo kufanya mipango ya maendeleo kuwa yenye ufanisi na endelevu zaidi.

Mradi huo unalenga kutumia maji ya Mto Turkwel ili kuwezesha uzalishaji wa nafaka, na mazao ya bustani kwa mwaka mzima.

NATIONAL CONSTRUCTION
AUTHORITY
www.nca.go.ke

ISO 9001:2015 & ISO/IEC 27001:2022

PUBLIC NOTICE

DELETION FROM THE NCA REGISTER OF CONTRACTORS

27th January 2026

The National Construction Authority (NCA) is a state corporation established under Section 3 of the National Construction Authority Act, No. 41 of 2011, (herein referred to as the Act) with the mandate to oversee the construction industry and coordinate its development.

Pursuant to Section 25(1)(c) of the Act, the Board of the Authority is empowered to delete the name of any registered contractor who fails to pay annual subscription fees for two (2) consecutive years. Furthermore, Section 25(5) of the Act prescribes that a contractor whose name has been deleted from the register shall not be registered afresh under any other name.

Accordingly, the Authority hereby notifies all contractors who have not renewed their Annual Practicing Licences for two (2) consecutive years, as at 1st January 2026, that their names stand to be deleted from the NCA Register of Contractors.

To remain in good standing, all contractors are required to settle outstanding annual renewal fees on or before **10th February 2026**. The renewal of an Annual Practicing Licence requires the mandatory accrual of ten (10) Continuous Professional Development (CPD) points through attendance of NCA or NCA-accredited CPD seminars, in line with Regulation 14 of the NCA Regulations (2014).

All renewals shall be processed through the NCA online portal via <https://portal.nca.go.ke>.

ISO 9001:2015 & ISO/IEC 27001:2022

PUBLIC NOTICE

WAIVER OF ACCREDITATION FEES FOR SKILLED CONSTRUCTION WORKERS AND CONSTRUCTION SITE SUPERVISORS FOR FINANCIAL YEAR 2025/2026

The National Construction Authority [NCA] is a state corporation established under Section 3 of the National Construction Authority Act, No 41 of 2011 (herein referred to as the Act) to oversee the construction industry and coordinate its development. Pursuant to Section 5(2)(l) of the Act, as read together with Regulation 19 of the NCA Regulations (2014), the Authority shall accredit and certify all skilled construction workers and construction site supervisors.

Accordingly, the Authority hereby notifies all contractors, skilled construction workers, site supervisors, and members of the public that the Board of the Authority approved a waiver of all accreditation fees for skilled construction workers and construction site supervisors, with effect from **1st July 2025** up to **30th June 2026**.

Please further take note that the accreditation process is fully digitized and can be accessed through the Authority's online portal via <https://accreditation.nca.go.ke:10446>. In addition, assisted accreditation services are available at all NCA offices and Huduma Centres countrywide.

To further enhance accessibility, particularly for workers engaged in active construction projects, the Authority has introduced on-site accreditation services through the establishment of accreditation desks at project sites.

Mradi wa Nyota watoa Sh258m kwa biashara ya vijana

NA NAIF RASHID (KNA)

Serikali imetoa Sh258.4 milioni chini ya Mpango wa Mtaji wa Kuanzisha Biashara wa Mradi wa Nyota kwa lengo la kuwawezesha vijana wajasiriamali katika kaunti za Nairobi, Kiambu na Kajiado, katika juhudi mpya za kuimarisha maendeleo ya biashara

ngazi ya mashinani na kuunda nafasi za ajira. Rais William Ruto aliongoza hafla ya uzinduzi wa utoaji wa fedha hizo katika Kituo cha Michezo cha Moi, Kasarani, ambapo jumla ya vijana wajasiriamali 10,337 walitangazwa kama wanufaika wa awamu ya kwanza ya mpango huo. Chini ya utekelezaji wa

Walengwa wa Mtaji wa Kuanzisha Biashara ya Mradi wa Nyota wakionyesha jumbe za uthibitisho baada ya kupokea pesa za kuanzisha mradi huo wakati wa uzinduzi wa programu katika Kituo cha Michezo cha Moi Kasarani, Nairobi.

awali, kila mnufaika atapokea Sh25,000 ili kusaidia kuanzisha au kupanua biashara zao. Kati ya kiasi hicho, Sh22,000 zitawekwa moja kwa moja katika akaunti ya Pochi la Biashara ya kila mnufaika kwa ajili ya kuendesha shughuli za kibiashara, huku Sh3,000 zikiwekwa katika akaunti ya akiba ya Haba na Haba inayosimamiwa na Mfuko wa Kitaifa wa Hifadhi ya Jamii (NSSF). Awamu ya pili ya Mpango wa Mtaji wa Kuanzisha Biashara wa Nyota itawaweze-

sha wanufaika kupokea Sh25,000 nyingine, hivyo kufikisha jumla ya msaada wa kifedha kwa kila kijana mjasiriamali kuwa Sh50,000. Akizungumza wakati wa hafla hiyo, Rais Ruto alisisitiza dhamira ya Serikali katika kuwawezesha wananchi kiuchumi kwa njia shirikishi, akisema Mradi wa Nyota umebuniwa kuhakikisha vijana wanapata fursa sawa bila kujali misimamo yao ya kisiasa, kidini au kijamii. "Mradi wa Nyota ni mpango jumuishi," alisema Rais Ruto.

RURAL ELECTRIFICATION AND RENEWABLE ENERGY CORPORATION

INVITATION TO TENDER

INVITATION TO SENSITIZATION FORUMS FOR SUPPLIERS ON e-GP SYSTEM AWARENESS SESSION

Kenya Electricity Generating Company PLC (KenGen) is a State Corporation whose main mandate is to develop, manage and operate power generation plants to supply electric energy to the Kenyan market and the Eastern Africa region. KenGen is the leading power generation company, producing 70 percent of electricity consumed in the country.

As a leader of electricity generation in Kenya, and in alignment with the Government of Kenya's policy aimed at enabling the Youth, Women and Persons with disabilities to access a minimum of 30% of government procurement opportunities, KenGen is taking proactive steps to organize sensitization workshops. In line with the National Treasury's efforts to enhance the use of the e-GP system and to equip suppliers with the necessary knowledge, we are pleased to invite you to a sensitization and awareness session focused on the e-GP system's Supplier Registration Module and its related components.

The workshop aims to provide suppliers with a thorough understanding of the e-Government Procurement (e-GP) system. It is designed to equip participants with the skills and knowledge needed to navigate the e-GP platform efficiently, ensuring compliance with procurement procedures, improving access to government tenders, and promoting inclusivity in the public procurement process. This will help enhance their engagement and understanding of the new procurement platform.

Additionally, participants will learn how to manage supplier registration, submit bids, and interact with the system to increase their participation in public procurement opportunities.

The awareness session will be conducted on two separate dates: **4th February 2026 and 25th February 2026**, the sessions will run from 9.30 a.m. to 12.00 noon and then afternoon session 2.00 p.m. to 4.30 p.m. on both days. Those who will have missed the first training can still attend the second training.

The session will be held via Zoom using below link:

https://kengen-co-ke.zoom.us/joining/register/ZCegH2bVQ32PljUcbKAl1g
or by scanning the QR Code:

Note: Bidders to visit KenGen PLC website www.kengen.co.ke for further training plan announcement from time to time.

The Training Session will provide comprehensive training on supplier registration process, utilizing the e-GP system for tender submissions, bid management, and ensuring compliance with procurement regulations.

Interested participants on the Training Session are requested to register zoom links above by giving the following details: -

- Name of the Company,
- Name of the company's representative,
- Cell phone number.
- Company's email address

Bidders are required to register once and will receive Meeting ID and passcode to attend the meeting.

We look forward to your participation and are confident that these sessions will provide you with the tools and knowledge needed to successfully navigate the e-GP system.

For any enquiries call Tel: 0711036000 or email **tenders@kengen.co.ke**; for more details keep checking our website: **www.kengen.co.ke**

GENERAL MANAGER, SUPPLY CHAIN

Uchunguzi wa CT Scan Longisa kupunguza rufaa ghali za wagonjwa

NA ERICK ONGERI NA NICK-SON TERER (KNA)

Waziri wa Afya, Aden Duale, aliongoza uchunguzi wa mashine ya CT scan katika Hospitali ya Rufaa ya Kaunti ya Longisa, hatua inayotarajiwa kuongeza kwa kiasi kikubwa huduma za uchunguzi na kupunguza gharama za rufaa kwa wagonjwa katika Kaunti ya Bomet na eneo pana la South Rift. Akizungumza katika hafla hiyo, Duale alisema mageuzi ya sekta ya afya chini ya Mamlaka ya Afya ya Jamii (SHA) yanaendelea kubadilisha upatikanaji wa huduma za afya, ufadhili, na uwajibikaji kitaifa, yakiungwa mkono na usajili thabiti na malipo makubwa kupitia Mfuko wa Bima ya Afya ya Jamii (SHIF).

Waziri wa Afya Aden Duale azindua kituo cha CT Scan katika Hospitali ya Longisa, Kaunti ya Bomet ambapo alielezea mafanikio ya bima mpya ya afya ya serikali SHA.

“Mamlaka ya Afya ya Jamii sio tena pendekezo; inafanya kazi. Leo, Wakenya zaidi ya milioni 28.8 wamejisajili chini ya SHA na wanapata bima ya afya kamili na ya kuuminika,” alisema Duale. Mkurugenzi Mtendaji wa SHA, Dkt. Esther Mwangangi, aliripoti takwimu za utendaji zinazovutia, akibainisha kuwa Wakenya zaidi ya

milioni 8 tayari wamepata huduma katika vituo vya afya vya karibu chini ya mfumo huu mpya. “Hadi sasa, Sh130 bilioni zimekusanywa. Kati ya hizo, Sh12 bilioni zimekwishatolewa kwa vituo vya huduma ya afya ya msingi, huku malipo ya SHIF yakizidi Sh74 bilioni,” alisema Dkt. Mwangangi.

Afueni kwa wakuzaji pamba kiwanda cha Mpeketoni kikikaribia kuzinduliwa

NA MUOKI CHARLES (KNA)

Wakulima wa pamba katika Kaunti ya Lamu wanatarajiwa kufuata na bei bora na soko la uhakika kufuatia ujenzi wa kiwanda kipya cha kuchakata pamba (ginnery) mjini Mpeketoni, jambo linalotoa matumaini mapya ya kuanzisha upya kilimo hiki. Kiwanda hicho, ambacho kwa sasa kimekamili kwa asilimia 95, kinajengwa kwa ushirikiano kati ya serikali ya kitaifa, mwekezaji binafsi Thika Cloth Mills (TCM), na serikali ya Kaunti ya Lamu. Ni sehemu ya juhudi kubwa za kuhisha mnyororo wa thamani wa pamba nchini Kenya. Kulingana na mkandariasi wa mradi, Duncan

Wakulima wa pamba kutoka eneo la Mpeketoni, Kaunti ya Lamu katika mashamba yao wakati wa ziara ya maafisa wa kilimo.

Mungai, ujenzi uko katika hatua za mwisho, huku usakinishaji wa mashine za kisasa za kuchakata pamba ukitarajiwa kuanza mwezi ujao. Baada ya kuanza kufanya kazi, kiwanda hicho ki-

natarajiwa kuunda mamia ya ajira, wengi wakiwa vijana wa eneo hilo, huku wakulima wakipata soko la uhakika karibu na makazi yao na kupunguza gharama za usafirishaji na baada ya mavuno.

Familia za Kirinyaga zapokea Sh9 milioni za uhamisho wa pesa za maslahi ya watoto

NA DAVID WANDETO
(KNA)

Angalau familia 4,400 katika Kaunti ya Kirinyaga zimepokea takribani

Sh9 milioni kutoka kwa serikali kupitia Mpango wa Uhamisho wa Fedha kwa Ustawi wa Watoto (Child Welfare Cash Transfer Programme). Katibu wa Idara ya

Katibu Carren Agengo, akizungumza wakati wa kongamano la kutangamana na raia katika Shule ya Msingi ya Kianwe, Kaunti Ndogo ya Kirinyaga Magharibi, Kaunti ya Kirinyaga.

Huduma za Watoto, Carren Agengo, alisema kaya zinazohifadhi yatima na watoto walio katika mazingira magumu ndizo zilizofuata na mpango huo wa utoaji wa fedha. Agengo alisema kuwa hadi sasa serikali imetoa jumla ya Sh8.8 milioni katika mwaka wa fedha wa sasa ili kusaidia familia lengwa katika eneo hilo kukidhi mahitaji yao ya msingi, huku ikihakikisha watoto walio katika mazingira magumu

wanaendelea kupata malezi ya nyumbani. Akizungumza wakati wa mkutano wa ushirikishwaji wa wananchi uliofanyika katika Shule ya Msingi ya Kianwe, Kaunti Ndogo ya Kirinyaga Magharibi, Katibu Mkuu huyo pia alieleza mafanikio muhimu na changamoto ambazo serikali inakabiliana nazo katika kuhakikisha makundi yaliyo hatarini yanapata msaada unaostahili.

Vitambulisho vya Kitaifa kupatikana kwa urahisi chini ya mpango wa Usajili Mashinani

Katibu wa Uhamiaji na Huduma kwa Raia Dkt. Belio Kipsang asema mpango mpya wa usajili unalenga kufanya hati muhimu kupatikana kwa Wakenya wote, hasa wale wanaoishi katika maeneo ambayo ni magumu kufikiwa.

NA HUSSEIN ABDULLAHI
(KNA)

Idara ya Uhamiaji na Huduma za Uraia imezindua zoezi urahisi la usajili wa kutembea kwa ajili ya utoaji wa vitambulisho vya taifa (ID), linalojulikana kama Usajili Mashinani. Usajili Mashinani ni mpango unaomenga mwananchi, uliobuniwa kupunguza vikwazo vya usajili na kuhakikisha raia wananufaika kikamilifu na miradi ya serikali ya kitaifa na huduma za kijamii kote nchini. Viongozi wa maoni katika jamii wamehimizwa kuunga mkono mpango huo kwa kuwahamasisha wananchi wote wanaostahili kushiriki katika zoezi la usajili. Katibu wa Uhamiaji na Huduma za Uraia, Dkt. Belio Kipsang, alisema zoezi hilo jipya la usajili linalenga kufanya hati hiyo muhimu kupatikana kwa Wakenya wote, hasa wale wanaoishi katika maeneo yaliyo mbali na huduma. Dkt. Kipsang aliwahimiza wananchi wote wanaostahili kuchangamkia kampeni hii mpya ya vitambulisho vya taifa, ambayo itatekelezwa kupitia juhudi za usajili wa kutembea (mobile registration). Katibu huyo pia aliwahimiza wasimamizi wa serikali kusaidia na kuharakisha maombi halali, kutoa takwimu sahihi za usajili, na kuimarisha uhamasishaji wa umma, akisisitiza kuwa upati-

kanaji wa kitambulisho ni haki ya kikatiba na msingi muhimu wa ujumuishi wa kijamii na kiuchumi. “Maafisa wote wa usajili wanatajiwa kuzingatia viwango vya juu vya taaluma na nidhamu, kwani vitendo vya ufiisadi vitakabiliwa na hatua kali za kinidhamu,” alisema. Katibu aliwahimiza wananchi kupata vitambulisho vya taifa ili waweze kufikia huduma za serikali, akibainisha kuwa zaidi ya watumiaji 400,000 hutumia jukwaa la eCitizen kila siku, wote wakihitaji kitambulisho halali. Dkt. Kipsang alisema ili kuimarisha usajili wa kutembea, serikali imesambaza mashine 100 za live capture, huku mashine zaidi zikipangwa kusambazwa kote nchini ili kuongeza kasi ya usajili. Mpango huo unatumia vitengo vya kutembea kulenga maeneo ya mbali na jamii za wafugaji, kwa lengo la kupunguza muda wa kupata kitambulisho cha taifa hadi wiki moja. “Teknolojia hii ya live capture itawezesha usajili wa papo kwa papo wa wananchi katika maeneo ya mbali, huku taarifa zikipolekwa kwa wakati halisi kwa ajili ya kuchakatwa kwa haraka iwezekanavyo,” alisema Dkt. Kipsang. Katibu aliwapongeza machifu na manaibu wao kwa juhudi zao zinazoendelea katika usajili wa wananchi, akisema serikali itatumia mpango wa vitambulisho vya taifa kama hifadhidata ya kuanika na ya kina kwa mipango ya sasa na ya vizazi vijavyo.

TEACHERS SERVICE COMMISSION

All inquiries and clarifications should be sent via email to: ddprocurement@tsc.go.ke

COMMISSION SECRETARY/ CHIEF EXECUTIVE

Kliniki za kuhamishwa za afya zalenga maeneo ya ndani Kiambu

NA GRACE NAISHOO (KNA)

Kaunti ya Kiambu inaleta huduma za afya karibu zaidi na wakazi wa maeneo ya mbali na yali-yotengwa kupitia mpango mpya wa kliniki zinazotembea (mobile clinics). Kwa Wakenya wengi wanaoishi mbali na vituo vya afya, kupata huduma

za matibabu kwa wakati na kwa ubora unaofaa imekuwa changamoto kubwa na ya gharama. Ili kukabiliana na hali hii, Idara ya Huduma za Afya ya Kaunti ya Kiambu imesambaza kliniki zinazotembea ili kutoa huduma za matibabu bila malipo moja kwa moja ndani ya jamii. Mpango huu unalenga maeneo yaliyo magumu

Kliniki ya kuhamishwa katika steji Kuu ya Ndumberi, ikitoa huduma za afya bila malipo kwa kuzingatia uchunguzi wa saratani ya shingo ya kizazi.

kufikika, ukitoa huduma za kubaini magonjwa

mapema, matibabu ya haraka, na rufaa kwa hos-

pitali zilizo na vifaa kamili inapobidi. Maafisa wa kaunti wanasema mpango huo unaendana na mkakati mpana wa Kiambu wa kui-marisha huduma za afya za kinga na uhamasishaji katika ngazi ya mashinani. Huduma zinazotolewa ni pamoja na matibabu ya wagonjwa wa nje, huduma za afya ya mama na mtoto, uchunguzi wa magonjwa, elimu ya afya, pamoja na ufuatiliaji wa msingi wa wagonjwa. Kwa kutoa huduma hizi bila malipo, mpango huu unapunguza mzigo wa kifiedha kwa familia zilizo

katika mazingira magumu. Mkurugenzi wa Huduma za Matibabu, Dkt. Kamau Boro, alielezea kliniki hizi zinazotembea kama suluhisho linalolenga jamii katika kukabiliana na ukosefu wa usawa katika huduma za afya. “Lengo letu ni kukuza usawa na upatikanaji wa huduma. Kupeleka huduma za afya karibu na wananchi kunaruhusu matibabu ya mapema na matokeo bora ya kiafya, hasa kwa wale wanaokumbwa na vikwazo vya kufikia vituo vya afya,” alisema.

KR yafungua tena njia ya Uplands–Longonot baada ya ukarabati

NA HILDA CHESHARI (MYGOV)

Shirika la Reli la Kenya (Kenya Railways) limeadhimisha kurejea kwa mafanikio katika kipande cha reli ya Meter Gauge Railway (MGR) kati ya Uplands–Kijabe–Longonot, kufuatia miezi kadhaa ya ukarabati baada ya kukumbwa na changamoto za hali mbaya ya hewa. Majaribio ya mafanikio ya treni kwenye reli iliyo-karabatiwa yamehuisha matumaini kwa wafanyabiashara, wasafirishaji na jamii za eneo hilo, yakidhihirisha ahueni na kurejesha imani katika mifumo ya ugavi nchini. Njia hii, inayotajwa mara nyingikamauti wamgongo wa usafirishaji wa mizigo, inaunganisha Uplands, Kijabe na Longonot, na ni kiungo muhimu kati ya Bandari ya Mombasa, maeneo ya ndani ya Kenya na nchi jirani. Kusitishwa kwa huduma

katika miezi ya Aprili na Mei 2024, baada ya mvua kubwa kusomba sehemu ya reli, kulisababisha kusimama kabisa kwa usafirishaji. Pembejeo za kilimo, mazao, chuma, mizigo iliyofungwa kwenye makontena na bidhaa nyingine zilibaki njiani bila kusafirishwa, hali iliyolazimisha biashara kugeukia usafiri wa barabarani ambao ni wa gharama kubwa na wenye msongamano. Kwa karibu miaka miwili, wafanyabiashara – hasa wanaohudumia magharibi mwa Kenya na eneo pana la Maziwa Makuu – wameathirika pakubwa na hitilafu hiyo. Kufunguliwa tena kwa reli hiyo sasa kunatarajiwa kuleta afueni, kurejesha ufanisi na kupunguza gharama kwa wakulima, wazalishaji na wauzaji wa nje wanaotegemea reli kwa usafirishaji wa mizigo mikubwa. Akizungumza wakati wa

safari ya majaribio, Mku-rugenzi Mtendaji wa Kenya Railways, Philip Mainga, alisifu hatua hiyo kama ya kihistoria, akisema: “Tunafurahi kufikia hatua hii muhimu leo. Inatupa nafasi ya kurejea katika shughuli za kawaida na kuendelea kutoa huduma salama, za kuaminika na zenye ufanisi kwa wateja wetu.” Mainga alisisitiza kuwa shirika hilo halilengi tu kurejesha huduma, bali pia kulinda reli hiyo dhidi ya changamoto za baadaye zinazotokana na mabadiliko ya tabianchi. Kazi za ulinzi na udhibiti wa mito zinaendelea kufanywa ili kuhakikisha reli inabaki imara na kustahimili hali mbaya ya hewa. Kurejea kwa treni katika njia ya Uplands–Kijabe–Longonot kunatarajiwa kupunguza msongamano kwenye barabara kuu, kupunguza gharama za usafirishaji na kuboresha mtiririko wa bidhaa katika eneo lote.

INVITATION TO TENDER

A. Kenya Power invites tenders from interested bidders for provision of the following:-

NO.	TENDER NO.	ITEM DESCRIPTION	TENDER COMMENCE- MENT DATE	PRE-BID MTG/ SITE VISIT DATE	TENDER CLOSING DATE
1.	KP1/9A.2/OT/ 041/ICT/25-26	Supply of IP Phones (Special Group)	Thursday 29.01.2026	N/A	Friday 13.02.2026 at 10.00 a.m.
2.	KP1/9A.3/OT/ 28/25-26	Procurement of Survey Tools and CORS Sub- scription	Thursday 29.01.2026	N/A	Tuesday 24.02.2026 at 10.00 a.m.

CEMASTEa/PQ/SW/047/2026-2028	Provision of small works e.g plumbing works, electrical works, building works, renovations and general minor repairs, partitioning e.t.c (Firms registered and licensed by NCA)	Open Category

Interested firms **MUST** meet all the requirements as stated in the pre-qualification document.

Interested candidates may obtain the registration documents by downloading free of charge from the Center's website: www.cemastea.ac.ke under pre-qualification documents 2026.

Completed application shall be sealed in a plain envelope, clearly marked as stated in the particular document showing the reference and title of the preferred category and addressed to: -

Chief Executive Officer,
Centre for Mathematics Science and Technology Education in Africa (CEMASTEa),
Karen-Bogani road Junction,
P.O. Box 24214-00502,
NAIROBI, KENYA.

Completed prequalification documents are to be enclosed in plain sealed envelopes marked with reference number and deposited in the Prequalification Box at the Administration block at **CEMASTEa**, located at the junction of **Karen-Bogani Road, P.O BOX 24214- 00502**.

- Eligible candidates may obtain the prequalification documents by downloading free of charge from the Center's website: www.cemastea.ac.ke
- Candidates will only qualify by meeting the set criteria to perform the contract of supply of goods and services to the Center. Suppliers who fail to meet the prequalification criteria will not be allowed to participate in the **RFQs/RFPs** of the same category.
- Completed prequalification application shall be sealed in a plain envelope, clearly marked as stated in the document showing the reference and title of the preferred category and addressed to the Chief Executive Officer.
- All candidates whose applications will have been received by the closing date and time will be advised in due course by communicating to them officially.
- Submission of Applications will be not later than **9th February, 2026 at 11:00 am.**
- Late tenders will be rejected.

THE NATIONAL TREASURY

PUBLIC STATEMENT ON THE STATUS OF PAYMENTS TO COUNTY GOVERNMENTS

1. This Statement is issued in public interest, pursuant to Article 35(3) of the Constitution which obligates the State to publish and publicize important information affecting the nation. The Statement is intended to inform citizens about the quantum of financial resources disbursed to county governments in financial year (FY) 2024/25 and in preceding years.

2. Since the onset of devolution in FY 2013/14, to FY 2024/25, county governments have cumulatively received **KSh. 4.04 trillion** in form of equitable share of revenue and other additional (conditional and unconditional) allocations. In the FY 2024/25 a total of **KSh. 444.56 billion** was transferred to county governments.

3. During FY 2024/25, county governments were allocated **KSh. 387.43 billion** as equitable share of revenue raised nationally as contained in the County Allocation of Revenue Act (CARA), 2024. As at end of the FY 2024/25, a total of **KSh. 418.26 billion** was disbursed to county governments. This comprised of an allocation of **KSh. 387.43 billion** for FY 2024/25 and **KSh. 30.83 billion** accrued balances from equitable share allocated in FY 2023/24 in fulfilment of Article 219 of the Constitution.

4. Further, in FY 2024/25, county governments were allocated **KSh. 50.54 billion** as additional allocations as contained in County Governments Additional Allocations Act (CGAAA), 2025 (No. 3 of 2025). As at the end of FY 2024/25 county governments received **KSh. 26.19 billion**, equivalent to 51.8 percent of the total allocation. These transfers include conditional allocations totalling **KSh. 7.65 billion** from the National Government's share of revenue as well as **KSh 18.55 billion** from proceeds of loans and grants by Development Partners.
5. Shortfall in disbursement of the additional allocations during FY 2024/25 was attributed to the following: -

a. Delay in enactment of the County Governments Additional Allocation Act, 2025 (No. 3 of 2025);

b. Budget rationalization during Supplementary Budget adjustments, occasioned by constrained fiscal space;

c. Inadequate compliance with some of the conditions for donor funded projects; and

d. Exchange rate fluctuations affecting externally funded projects.

6. A summary of the payments for FY 2024/25 and the cumulative and per capita payment to county governments is provided in Table 1 and Table 2 respectively.

7. Finally, it is imperative for members of the public to note that:

a. as at 30th June, 2025, all county governments had received 100 percent of their allocations for equitable share for FY 2024/25.

b. in all years, allocations and disbursement to county governments' equitable share of revenue have exceeded the minimum threshold of 15 percent stipulated in Article 203(2) of the Constitution.

c. for the period FY 2013/14 to FY 2024/25, a total of KSh. 4.04 trillion has been disbursed to county governments;

d. in the period FY 2013/14 to FY 2024/25 the aggregate annual disbursements to county governments increased by KSh. 248.8 billion representing 127 percent growth over the review period.
- TABLE 1: SUMMARY OF TRANSFERS TO COUNTY GOVERNMENTS (KSH. MILLIONS)
- | Transfer Type | 2013/14 | 2014/15 | 2015/16 | 2016/17 | 2017/18 | 2018/19 | 2019/20 | 2020/21 | 2021/22 | 2022/23 | 2023/24 | 2024/25 | Grand Total |
|--|---------|---------|---------|---------|---------|---------|---------|---------|---------|---------|---------|---------|-------------|

Kampuni ya Afrika Kusini zashirikiana na GDC kutumia mvuke wa jotoardhi Nakuru

NA ESTHER MWANGI (KNA)

Kampuni moja kutoka Afrika Kusini imeonyesha nia ya kushirikiana na Shirika la Maendeleo ya Nishati ya Jotoardhi (GDC) ili kuendeleza matumizi ya mvuke wa jotoardhi kwa madhumuni ya kiviwanda. Iroko Africa na GDC zinatarajiwa kufanya kwa pamoja tafiti za kiufundi na kifedha kuhusu uwezekano wa matumizi ya moja kwa moja ya mvuke ghafi na joto kutoka visima vya jotoardhi vya GDC vya Menengai, Kaunti ya Nakuru. Iroko Africa, yenye makao yake Afrika Kusini, ni kampuni ya uhandisi na ushauri inayoboea katika kupunguza hewa ukaa viwandani, ufanisi wa nishati na kukabiliana na mabadiliko ya tabianchi. Kampuni hiyo ni tawi la Afrika la Manergy Group yenye makao yake Ufaransa. Kampuni hiyo, ambayo pia ina ofisi nchini Ivory Coast, inalinga kujenga viwanda vina-vyostahimili mazingira barani Afrika na kusaidia mpito wa viwanda kupitia ujumuishaji wa ufanisi wa nishati, mifumo yenye hewa ukaa ndogo na ustahimilivu wa tabianchi katika shughuli halisi za uzalishaji. Naibu Gavana wa Nakuru, Dkt. David Kones, alitangaza kuwa timu kutoka serikali ya kaunti itashirikiana na GDC na Iroko kufanya tafiti hizo katika Eneo la Viwanda linalotumia Nishati ya Jotoardhi la Menengai, akibainisha kuwa mbali na umeme, nishati ya jotoardhi pia hutoa joto la moja kwa moja kwa wawekezaji wa viwandani.

Naibu Gavana wa Nakuru Dkt David Kones akiwa na wawakilishi kutoka Iroko Africa, kampuni ya Afrika Kusini ambayo imeonyesha nia ya kushirikiana na Kampuni ya Ustawi wa Jotoardhi (GDC) Picha: Esther Mwangi

Akizungumza wakati wa mkutano na wawakilishi wa Iroko Africa, Dkt. Kones alisema matumizi ya mvuke wa jotoardhi katika michakato ya viwanda yata-punguza utoaji wa gesi chafuzi na kwamba ni chanzo cha nishati kinachopatikana kwa uhakika katika misimu yote. Aliongeza kuwa ubunifu huu utaifanya Kenya kuwa kitovu shindani cha uwekezaji, kwani wawekezaji wa viwandani wataokoa pakubwa gharama za nishati watakapowekeza katika mitambo inayotumia mvuke wa jotoardhi. Huu ni mkataba wa pili wa aina hii na GDC ambapo mwekezaji wa viwandani anatafuta kuzali-

sha nishati yake ya jotoardhi kwa ajili ya mchakato wa uzalishaji. Hadi sasa, GDC imesaini mkataba wa miaka 25 wa kusambaza mvuke na majimaji ya jotoardhi (brine) kwa kampuni ya saruji ya Karsan Ramji and Sons Limited, huku shirika hilo likilenga kuongeza mapato kupitia uuzaji wa mvuke kwa viwanda vinavyotegemea nishati ya joto katika michakato yao ya uzalishaji katika eneo la Sakafu ya Bonde la Menengai. Katika makubaliano hayo, GDC itaisambazia Karsan Ramji tani 40 za mvuke wa jotoardhi kwa saa, zitakazotumika kuzalisha umeme na kutoa joto la kukaushia wakati wa utengenezaji wa saruji. Dkt. Kones alisema mi-

pango kama hiyo kati ya shirika na viwanda inaweza kupunguza kwa kiasi kikubwa gharama za uzalishaji. Naibu Gavana alieleza kuwa Eneo la Viwanda linalotumia Nishati ya Jotoardhi la Menengai, litakapotekelezwa kikamilifu, linatarajiwa kuunda maelfu ya ajira na kuiweka Kaunti ya Nakuru kama kinara wa mapinduzi ya viwanda vya kijani. Aliongeza kuwa nishati ya jotoardhi ni ya matumizi mengi na yenye uzalishaji mkubwa, kwani mbali na kuzalisha umeme, ina matumizi mengine mengi ikiwemo kupasha joto nyumba za mimea (greenhouses), kusindika maziwa, kufulia, burudani na mapumziko, miongoni

mwa matumizi mengine.

Akibainisha kuwa nishati ya jotoardhi ni urithi wa asili wa Kenya kwa kuwa haia-gizwi kama mafuta, Dkt. Kones alisema Kenya ina uwezo wa takribani megawati 10,000 za nishati ya jotoardhi, ambayo ni safi, ya kua-minika na ya gharama nafuu.

Alisema pia nchi ina utaalumu wa ndani uliokua wa jotoardhi, hivyo kuwa na viambato vyote muhimu vya kuendesha mapinduzi ya nishati ya jotoardhi.

“Huu ndio mtindo wa badaye wa nishati ya jotoardhi. Tuna matumaini kuwa wawekezaji zaidi wataona thamani ya kuiga mbinu hii,” aliongeza Dkt. Kones.

Alisema mpango huo utaongeze ushindani wa Kenya kama kituo cha uwekezaji, akiongeza kuwa watunga sera, wawekezaji, taasisi za kitaaluma na wafadhili wa kifedha wanapaswa kuipa kipaumbele zaidi nishati ya jotoardhi. Zaidi ya hayo, alisema Eneo la Viwanda la Menengai litavutia wawekezaji wa sekta ya uzalishaji wanaotafuta joto la uhakika na la gharama nafuu, huku akisisitiza kuwa utoaji wa nishati ya kijani na GDC unasaidia kupunguza hewa ukaa katika uchumi na kufungua fursa mpya za ajira. Mvuke wa jotoardhi kwa kawaida hutumika kuzalisha umeme, lakini pia unaweza kutumika katika sekta nyingine za viwanda. Mbali na matumizi ya ustawi wa afya na utalii, kama ilivyo kwa mabafu ya maji ya jotoardhi, mvuke huo unaweza pia kutumika katika usindikaji wa maziwa na kilimo cha nyumba za mimea, mipango ambayo GDC inalinga kuitekeleza huku sekta binafsi ikiendelea na ujenzi wa mitambo ya kuzalisha umeme. Afisa Mkuu Mtendaji wa Karsan Ramji and Sons Limited, Bw. Kishor Varsani, alisema mpito wa nishati safi na mbadala utaharakisha juhudi za kimataifa za kufikia utoaji sifuri wa hewa ukaa, akibainisha kuwa uwekezaji katika nishati ya jotoardhi unasababisha shughuli endelevu na rafiki kwa tabianchi. Kwa upande wake, Waziri wa Kaunti (CECM) anayeshughulikia Mazingira, Nishati, Mabadiliko ya Tabianchi na Rasilimali Asilia, Dkt. Nelson Maara, alisema mpito wa nishati safi na mbadala utawezesha mazingira kuhimili mabadiliko ya tabianchi na kukuza maisha endelevu kwa jamii.

Alieleza kuwa shughuli za Clean Smart na mabadiliko kuelekea matumizi ya nishati jadidifu ni miongoni mwa suluhu zinazoweza kukabiliana na hali kali za tabianchi, akisisitiza kuwa kukabiliana na mabadiliko ya tabianchi kunahitaji mabadiliko ya kimsingi. Aliongeza kuwa nishati ya jotoardhi ni chanzo cha nishati cha kuaminika kinachotumia mvuke kuendesha shughuli.

Serikali ichukue hatua kupunguza mzigo wa maradhi ya 'Sickle Cell' kwa familia

NA JOSEPH NG'ANG'A (KNA)

Wizara ya Afya, kupitia Mamlaka ya Afya ya Jamii (SHA), itaunganisha ugonjwa wa seli mundu (Sickle Cell Disease - SCD) katika mfumo wa kitaifa wa ufadhili wa afya ili kuhakikisha upatikanaji wa huduma za uchunguzi, dawa muhimu na huduma za kuongezewa damu, huku ikilinda familia zilizoathirika dhidi ya gharama kubwa za matibabu. Waziri wa Afya, Aden Duale, alisema kuwa ugonjwa wa seli mundu bado ni miongoni mwa changamoto kubwa zaidi za afya ya umma nchini, lakini haujatambuliwa ipasavyo, huku ikikadiriwa kuwa watoto wapatao 14,000 huzaliwa na ugonjwa huo kila mwaka. Aliongeza kuwa Serikali imeamua kwa makusudi kuuinua ugonjwa wa seli mundu kuwa kipaumbele cha kitaifa cha afya, jambo linalohitaji hatua za haraka, zilizoratibiwa na zenye rasilimali za kutosha.

Waziri alikuwa akizungumza alipoandaa Mwenyekiti wa Muungano wa Kimataifa wa Mashirika ya Ugonjwa wa Seli Mundu (GASCD), Bw. Issa Abraham Ali, pamoja na washirika kutoka Shirikisho la Seli Mundu Kenya, kwa ziara ya heshima na mazungumzo ya pande mbili, hatua iliyo-bainishwa kuwa muhimu katika azma ya pamoja ya Kenya kuboresha ubora wa maisha ya watu na familia zinazoishi

na ugonjwa wa seli mundu. Mazungumzo hayo pia yalipitia juhudi za kuimarisha ugonduzi wa mapema wa ugonjwa huo kupitia mafunzo ya Wahamasishaji wa Afya ya Jamii 107,000 kwa kutumia moduli sanifu za SCD, yakilenga maeneo yenye mzigo mkubwa wa ugonjwa huo yakiwemo Nyanza, Magharibi na Pwani. Wakati huohuo, Wizara inaendelea kuimarisha ubora wa huduma za kitabibu kupitia

marekebisho ya miongozo ya kitaifa ya SCD, kupanua uchunguzi wa watoto wachanga kwa wote, na kuanzisha Daftari la Kitaifa la Ugonjwa wa Seli Mundu ili kusaidia sera, mipango na utafiti unaozingatia ushahidi. Ingawa zaidi ya wahudumu wa afya 800 tayari wamepatiwa mafunzo, Waziri Duale alitoa wito wa kuimarishwa kwa ushirikiano na GAS-CDO katika kuendeleza rasilimali watu walioboea, ushauri elekezi na ubadilishanaji wa maarifa. Serikali pia ilikaribisha ushirikiano wa kuimarisha minyororo endelevu ya usambazaji wa dawa na kukabiliana na uhaba wa mara kwa mara wa dawa muhimu, zikiwemo Hydroxyurea na Penicillin. Duale alithibitisha tena nia ya dhati ya Kenya kuandaa Mkutano wa Tatu wa Kimataifa wa Ugonjwa wa Seli Mundu utakaofanyika Mei 2026, akibainisha kuwa mkutano huo utatoa jukwaa muhimu la kuinua mitazamo ya Afrika na kuonyesha nguvu ya ushirikiano wa Kusini-Kusini katika kuendeleza huduma za kimataifa za SCD.

Mpango wa Unyunyiziaji wa Lower Turkwel kubadilisha hekta 3,000 Turkana

NA CHARLES MATACHO, PCO

Serikali imethibitisha Stena dhamira yake ya kuhakikisha usalama wa chakula, amani na maendeleo jumuishi kupitia Mradi uliopendekezwa wa Umwagiliaji wa Lower Turkwel, unaotarajiwa kuweka zaidi ya hekta

3,000 za ardhi chini ya umwagiliaji katika kaunti za Turkana na West Pokot. Mradi huo unatekelezwa kufuatia agizo la Rais William Ruto, aliyesema kuwa kuendeleza Mpango wa Umwagiliaji wa Lower Turkwel kama hatua ya kinkakati kutasaidia kukabiliana na

Waziri wa ASALS na Maendeleo ya Kikanda Beatrice Askul Moe, Katibu wa ASALS na Maendeleo ya Kikanda Kello Harsama na maafisa wakuu wa serikali kutoka kaunti za Turkana na Pokot Magharibi na maafisa wa KVDA wakiwa kwenye picha baada ya mkutano.

uhaba wa chakula huku ukikuza amani na utulivu katika eneo hilo. Kupitia matumizi ya maji ya Mto Turkwel, mradi unatarajiwa kuongeza uzalishaji wa chakula, kuunda fursa za ajira, kuimarisha ustahimilivu dhidi ya mabadiliko ya tabianchi, na kusaidia maisha endelevu katika maeneo kame na nusu kame (ASALs). Akizungumza wakati wa mkutano wa mashauriano wa ngazi ya juu uliofanyika katika Hazina Trade Centre, Nairobi, Waziri wa Maeneo Kame na Nusu Kame pamoja na Maendeleo ya Kikanda, Beatrice

Askul Moe, alisema kuwa umwagiliaji bado ni mhimili mkuu wa mkakati wa Serikali wa kugeuza maeneo ya ASALs na kutimiza nguzo ya usalama wa chakula katika Ajenda ya Mabadiliko ya Kiuchumi ya Chini kwenda Juu. "Usalama wa chakula ni kipaumbele kikuu katika Ajenda ya Mabadiliko ya Kiuchumi ya Chini kwenda Juu. Kupitia uwekezaji mahsusi wa umwagiliaji kama Mradi wa Umwagiliaji wa Lower Turkwel, Serikali inafungua uwezo wa uzalishaji wa maeneo ya ASALs, kuunda ajira," alisema Askul.

MAONI

SEPU yasaidia uhamisho wa wanafunzi hadi Darasa la 10 kwa nyenzo muhimu

NA RONNY W. KATAMO

Kwa mujibu wa takwimu kutoka Wizara ya Elimu, zaidi ya wanafunzi 930,000 wamerekodiwa kujiunga na shule za upili za kiwango cha juu. Hii inawakilisha asilimia 90 ya wanafunzi milioni 1.13 waliofanya Mthani wa Kitaifa wa Shule za Msingi wa Kenya (KJSEA) mwaka 2025. Kipindi cha usajili na kuwasilisha wanafunzi shuleni kilimalizika Januari 21. Hata hivyo, viongozi wa shule wameashiria kuwa hawajawa tayari kuanza masomo, wakitaja uhaba mkubwa wa vitabu, uchaguzi wa mitihani ya mitindo ya masomo bado haujatatuliwa na miundombinu ya shule iliyoharibika, miongoni mwa sababu nyingine. Wakati wanafunzi wanapokabiliana na mabadiliko muhimu ya kuingia darasa la 10, rasilimali za kielimu zinakuwa muhimu sana. Katika shule nyingi, Kitengo cha Uzalishaji wa Vifaa vya Shule (SEPU) kimeibuka kama chimbuko la msaada, kikitoa vifaa muhimu vinavyoongeza ubora wa mazingira ya kujifunzia na pia kurahisisha mchakato wa kuhamia kutoka ngazi ya chini ya elimu ya sekondari hadi ngazi ya juu. Kuanzia darasa la 10

kunawakilisha mabadiliko makubwa katika matarajio na uzoefu wa kielimu. Wanafunzi wanatoka katika mazingira ya shule ya msingi yenye msaada kwenda kwenye mazingira magumu zaidi ambapo viwango vya kitaaluma vinaongezeka, fursa za ziada za masomo na michezo huongezeka, na wajibu binafsi huongezeka. Mwaka huu ni muhimu katika kuunda njia zao za kielimu za baadaye, kwani maamuzi yanayofanywa wakati huu yanaweza kuathiri chaguo la elimu ya juu na nafasi za kazi. Kutambua changamoto zinazohusiana na mabadiliko haya, shule mara nyingi huimarisha mifumo yao ya msaada, mojawapo ikiwa ni Kitengo cha Uzalishaji wa Vifaa vya Shule. SEPU ina jukumu muhimu kwa kutoa vifaa muhimu vya kufundishia na kujifunzia STEM, pamoja na vifaa na rasilimali nyingine, hivyo kuunda mazingira yenye usawa yanayoweza wanafunzi wote kustawi katika kipindi hiki muhimu. Kitengo cha Uzalishaji wa Vifaa vya Shule ni shirika la serikali lililoundwa kuhakikisha kuwa wanafunzi wote, bila kujali hali zao za kifedha, wanafikiwa na rasilimali muhimu za kielimu. Mpango huu ni muhimu hasa katika maeneo yenye kipato cha chini, ambapo shule zinaweza kupata ugumu wa kupata vifaa vya kutosha. SEPU inazingatia

kubuni, kutengeneza na kusambaza vifaa vya sayansi vya ubora na vifaa vya kujifunzia vinavyohitajika kwa elimu yenye msingi mpana. Kitengo hiki kinatumia mbinu bora za uzalishaji zinazolenga kupunguza gharama huku kikiongeza tija. Jukumu la SEPU katika Mabadiliko ya Darasa la 10, wanakutana na changamoto nyingi za kielimu na mabadiliko ya kibinafsi. Hapa kuna jinsi SEPU inavyosaidia kurahisisha mchakato huu: Kutoa Vifaa Muhimu vya Kujifunzia Kuenea kwa mchakato wa kuingia darasa la 10 kunahitaji upatikanaji wa vifaa sahihi vya kujifunzia. SEPU hutengeneza vifaa vya kufundishia na kujifunzia vinavyolingana na mtaala na vinavyopitishwa na Taasisi ya Kuendeleza Mtaala ya Kenya (KICD). Kuratibu Madarasa na Maabara Katika darasa la 10, wanafunzi hushughulika na masomo maalum zaidi, yakiwemo kemia, fizikia, na hisabati ya juu. SEPU inasambaza madarasa na viti na meza zilizotengenezwa ipasavyo. Pia hubadilisha madarasa yasiyo na shughuli kuwa maabara. Kitengo pia kinatoa kemikali na kuandaa maabara na vifaa muhimu vinavyorahisisha ufundishaji na ujifunzaji wa STEM.

MINISTRY OF LABOUR AND SOCIAL PROTECTION

STATE DEPARTMENT FOR LABOUR AND SKILLS DEVELOPMENT

ALL YOU NEED TO KNOW ABOUT THE NYOTA RECOGNITION OF PRIOR LEARNING (RPL) PROGRAM

Introduction

The Government of Kenya, through the State Department for Labour and Skills Development, is committed to empowering youth by recognizing and certifying skills acquired outside formal education through Recognition of Prior Learning Program (RPL). Many young Kenyans have developed valuable competencies through informal training, work experience, apprenticeships, or self-employment, yet these skills often go unrecognized.

The National Industrial Training Authority (NITA) under the Ministry of Labour is implementing the RPL component of the NYOTA program.

What is Recognition of Prior Learning (RPL)?

Recognition of Prior Learning (RPL) is a structured process of identifying, assessing and formally certifying skills people already possess, opening doors to employment, entrepreneurship, and further study. It formalizes learning gained outside traditional classrooms and provides official credentials such as certificates and transcripts that validate these competencies.

Recognition of these skills helps youth to access decent jobs, launch ventures, or pursue higher education. It employs inclusive outreach to all counties, including underserved communities, women, and youth with disabilities. NOTE: RPL is not classroom learning.

RPL Target and Implementation Status

The initiative seeks to assess and certify 20,000 skilled youth across the country, boosting employability and opening pathways to entrepreneurship and further learning. It targets youth outside the formal education system and informal sector workers (Jua kali), out-of-school youth, women, and Persons with Disabilities (PWDs).

Between the months of September and October 2025, a total of 69,459 youths registered for RPL awareness for phase one and two, across all the 47 counties. The next stage for these is screening and submission of portfolio of evidence to quantify their skills.

In an effort to ensure that no youth is left behind, the State Department for Labour and Skills Development in partnership with NITA, is set to conduct awareness and screening exercise for phase 3 next week, starting on 27th January 2026. It is targeting over 60,000 youth who applied via *254#. All beneficiaries are requested to report to their respective venues as previously communicated via NITA-NYOTA SMS alerts

Key activities and timelines

ACTION PLAN			
S/No	Activity	Date	Status
1	Confirming with RPL centres on preparedness.	16 th to 20 th January 2026	Done
2	Sending Bulky SMSs to successful applicants through *254#	a) Phase 1: 20 th January 2026 b) Reminder 1: 22 nd January, 2026. c) Reminder 2: 24 th January 2026	Phase 1 and reminder 1 Done Reminder 2- upcoming
3	Awareness and Screening in all 47 counties	26 th to 31 st January, 2026	Upcoming
4	Submission of (POE) in all 47 counties.	2 nd to 6 th February, 2026	Upcoming
5	Summative Evaluation (Exams)	9 th to 13 th February, 2026	Upcoming
6	Release of summative assessment results	18 th February, 2026	Upcoming
7	Distribution of transcripts.	23 rd February, 2026	Upcoming
8	Distribution of certificates to youth evaluated and were successful (they met the minimum required standards)	One month after assessment (from 13 th March 2026)	Upcoming

NOTE: The RPL process under NYOTA is FREE and there are NO GRANTS to beneficiaries

Uwezo Fund yatoa Sh8.13 bilioni kwa vikundi 83,000 nchini kote

Mwenyekiti wa Bodi ya Usimamizi Uwezo Fund Ann Njuguna (katikati) akiwa na Mkurugenzi Mtendaji Peter Lengapiani (kushoto) wakati wa mafungo ya kimkakati katika Chuo Kikuu cha Machakos kukagua na kuimarisha mifumo muhimu ya sera.

NA ANNE KANGERO (KNA)

Serikali, kupitia Mfuko wa Uwezo, imegawanya Sh8.13 bilioni kwa vikundi 83,000 katika mikoa yote 290 tangu kuanzishwa kwake mwaka 2014, ikilenga wanawake, vijana, na watu wenye ulemavu (PWDs). Hii ilifichuliwa na Mwenyekiti wa Bodi ya Usimamizi ya Mfuko wa Uwezo, Ann Njuguna, wakati wa makutano ya kimkakati katika Chuo Kikuu cha Machakos, ambayo yalihudhuriwa na wanabodi na timu ya usimamizi wa juu ya mfuko. Makutano hayo yalilenga kupitia na kuimarisha mifumo muhimu ya sera inayoiongoza mfuko katika jukumu lake la kuwawezesha makundi dhaifu. Akipata fursa ya kuzungumza na vyombo vya habari, Njuguna alisema makutano hayo yalikuwa nafasi ya kujirekebisha, kutafakari, na kupanga upya mikakati ya kubadilisha huduma za mfuko. “Sababu tunavyokuwepo hapa na wanabodi pamoja na idara ya sekretarieti ni kujirekebisha, kutafakari, na kupanga upya mikakati ya mfuko wetu, pamoja na kubadilisha

sifai aina za huduma tunazotoa,” alisema. Aliongeza kuwa mfuko umefikia hadi sasa vikundi 53,787 vya wanawake, vikundi 27,098 vya vijana, na vikundi 2,122 vya PWDs, akithibitisha athari za mfuko kama chombo cha kitaifa cha kuwawezesha wananchi, kinachoinua na kubadilisha maisha huku kikikua sera ya ujumuishi chini ya Ajenda ya Kimkakati ya Kubadilisha kutoka Chini-juu (BETA). Makutano hayo yalijikita katika kutathmini utendaji, kufuatilia mafanikio, kubaini changamoto zinazoibuka, na kupendekeza njia za kuzitatua, huku pia yakijenga tena mifumo ya utawala, uwajibikaji, sera za mikopo na deni, sera ya mawasiliano, na mifumo ya usimamizi wa hatari. Njuguna pia alisisitiza mkopo mpya wa WEZESHA MAJUU, ulioundwa kusaidia vikundi vya

vijana, wanawake, na PWDs ambavyo vimepata ajira nje ya nchi lakini vinakabiliwa na changamoto za kifedha. Alithibitisha kuwa Sh31 milioni zimegawanywa kwa wanufaika 221, ikijumuisha gharama za visa, tiketi za ndege, ada za wakala, na gharama zingine kabla ya kuondoka ili kuhimiza uhamaji wa kazi. Akipongeza mafanikio haya, Njuguna alikiri umuhimu wa urejeshaji wa mikopo, akibainisha kuwa Sh2.3 bilioni tu kati ya Sh8.13 bilioni zilizogawanywa tangu 2014 imeewekwa tena, akionyesha haja ya kuongeza juhudi za ukusanyaji. Mkurugenzi Mtendaji wa Mfuko wa Uwezo, Peter Lengapiani, alithibitisha kuwa Sh4.8 bilioni bado zinakosekana. Alieleza kuwa maafisa wa kiutawala wanatumwa kurejesha mikopo na kwamba wale wasiolipa wanafuatiliwa ili kulewa changamoto zao na kutoa msaada wa ziada pale biashara imeanguka. “Hii pesa ni kwa kila jimbo. Kushindwa kurejesha kunathiri ukuaji wa uchumi wa eneo, lakini kuzungusha mfuko kunaboresha maendeleo ya jimbo,” alisema Lengapiani.

Pesa hizi ni za eneo bunge. Kushindwa kulipa kunaathiri ukuaji uchumi wa ndani

JOB ADVERTISEMENTS AT HIGHER EDUCATION LOANS BOARD

The Higher Education Loans Board (HELB) was established by an Act of Parliament – CAP 213A in 1995 with the mandate to provide loans, bursaries and scholarships to Kenyans pursuing higher education in recognized Kenyan universities and colleges and to recover the same after completion of studies to facilitate establishment of a revolving fund.

HELB is seeking to recruit transformative, competent and self-driven individuals with an innate dynamism for the positions listed below. The successful candidates to fill the positions will join a highly performing team and should not only be passionate, innovative, and qualified but also be dependable, emotionally intelligent and have effective interpersonal, communication and leadership skills.

S. No.	Position	Ref. No.	HELB Grade	No. of Positions
1	Director Operations, Operations Directorate	HELB/001	2	1
2	Deputy Director, Debt Management	HELB/002	3	1
3	Deputy Director, ICT Infrastructure and Support	HELB/003	3	1
4	Deputy Director, Business Application and Innovations	HELB/004	3	1
5	Deputy Director, Corporate Communication	HELB/005	3	1
6	Deputy Director, Supply Chain Management	HELB/006	3	1
7	Deputy Director, Research and Planning	HELB/007	3	1
8	Assistant Director, ICT Business Application and Innovations	HELB/008	4	1
9	Assistant Director, Information Systems Security & Data Protection	HELB/009	4	1
10	Assistant Director, Customer Experience	HELB/010	4	1
11	Assistant Director, Legal Services	HELB/011	4	1
12	Assistant Director, Research and Planning	HELB/012	4	1
13	Assistant Director, Internal Audit	HELB/013	4	1
14	Assistant Director, Management Accounting	HELB/014	4	1
15	Assistant Director, External Resource Mobilization and Products Development	HELB/015	4	1
16	Principal Officer, Legal Services	HELB/016	5	1
17	Principal Customer Experience Officer, Digital and Creative Services	HELB/017	5	1
18	Senior Customer Experience Officer, Digital and Creative Services	HELB/018	6	1
19	Internal Audit Officer 1	HELB/019	7	1
20	Driver II	HELB/020	11	2
21	Assistant Customer Experience Officer	HELB/021	9	11

Qualified and interested applicants who meet the above requirements are required to submit their job application letters, curriculum vitae, certified copies of academic and professional certificates and relevant testimonials quoting the **Title and Reference Number of the position** on the cover letter and envelope on or before **16th February 2026** addressed to:

**The Chief Executive Officer
Higher Education Loans Board
Anniversary Towers, 19th Floor
P.O. Box 69489 - 00400
NAIROBI, KENYA**

Soft copies to be sent to the specific email addresses provided for each position. Visit the HELB website <https://www.helb.co.ke/career/> for the comprehensive details on all the open positions

Shortlisted candidates will be required to present their Valid Chapter Six Requirements.

HELB is an equal opportunity employer. We encourage applications from all qualified individuals including Women, Youth, Marginalized Communities and Persons With Disabilities.

Mamlaka yatoa mafunzo kwa KALRO kuimarisha usimamizi wa utafiti wa GMO

NA JOSEPH NG'ANG'A

Mamlaka ya Kitaifa ya Usalama wa Bioteknolojia (NBA) imefanya mafunzo ya kujenga uwezo kwa Kamati ya Usalama wa Bioteknolojia ya Taasisi (IBC) ya Shirika la Utafiti wa Kilimo na Mifugo Kenya (KALRO) ili kuimarisha usimamizi wa utafiti wa bioteknolojia unao- husisha viumbe vilivyobadilishwa kijenetiki (GMOs). Wakati wa mafunzo hayo, Mwenyekiti wa KALRO IBC, Dkt. Martin Mwirigi, alithibitisha tena dhamira ya shirika hiyo katika kufanya utafiti wa bioteknolojia kwa uwajibikaji, ulinganifu na wa kisayansi. Ali- bainisha kuwa mafunzo hayo yanaimarisha mifumo ya ndani ya usalama wa bioteknolojia ya KALRO na kuhakikisha kuwa utafiti wake unalingana na mahitaji ya kisheria ya kitaifa na mbinu bora za kimataifa. Dkt. Mwirigi alisema kuwa mafunzo yalilenga kuimarisha uwezo wa IBC katika kutathmini, kuidhinisha, na kufuatilia shughuli za usalama wa bioteknolojia kwa kuzingatia Sheria ya Usalama wa Bioteknolojia (Sura 320), kanuni zake zinazohusiana na makubaliano ya kimataifa yanayofaa ikiwemo Itifaki ya Cartagena kuhusu Usalama wa Bioteknolojia. Aliongeza kuwa washiriki

walipatiwa maarifa ya msingi kuhusu usalama wa bioteknolojia, bioteknolojia ya kisasa na GMOs, pamoja na ujuzi wa vitendo katika tathmini ya hatari, ufuatiliaji, kuripoti, na mawasiliano ya usalama wa bioteknolojia. Mpango huo pia ulifafanua majukumu ya taasisi, mstari wa kuripoti, na taratibu za kiutendaji zinazohitajika kwa ufanisi wa kazi za IBC. Mkurugenzi Mtendaji wa NBA, Nehemiah Ngetich, alisisitiza jukumu kuu la Kamati za Usalama wa Bioteknolojia za Taasisi ndani ya mfumo wa kitaifa wa usalama wa bioteknolojia nchini Kenya. Alibainisha kuwa IBC zinazofanya kazi vizuri zinaongeza ulinganifu wa kisheria, kubore- sha ubora wa maombi yanayowasilishwa kwa Mamlaka, na kulinda afya ya binadamu pamoja na mazingira. Mkurugenzi Mtendaji wa KALRO anayeshikilia nafasi hiyo, Dkt. Alice Murage, alisisitiza umuhimu wa mawasiliano kwa umma katika utawala wa usalama wa bioteknolojia. Mpango huu unatarajiwa kuzaa matokeo ya IBC yenye nguvu, iliyo na vifaa vyote vinavyohitajika, na inayoweza kutathmini maombi ya usalama wa bioteknolojia kwa ufanisi.

Maafisa kutoka Mamlaka ya Kitaifa ya Usalama wa Mimea (NBA) na Kamati ya Kitaasisi ya Shirika la Utafiti wa Kilimo na Mifugo (KALRO) (IBC) wakati wa mafunzo ya kujenga uwezo ili kuimarisha usimamizi wa utafiti wa kibayoteknolojia unaohusisha viumbe vilivyobadilishwa vinasaba (GMOs).

THE JUDICIARY

TENDER NOTICE

The Judiciary invites sealed bids from eligible bidders for the following tenders;

S.N	Tender Number	Tender Description	Tender Security Amount (Kshs)	Eligibility	Tender closing/ Opening Date
1.	JUD/OT/023/2025-2026	Supply and Delivery of ICT Equipment (Laptops, Desktops, All-In-One Pc and Tiny Pc) under framework contract for a period of two (2) years	100,000.00	ALL	10th February, 2026 at 1400 hrs
2.	JUD/OT/024/2025-2026	Supply, Installation, Training, Testing and Commissioning of The Integrated Monitoring Solution for a Period of Three (3) Years	100,000.00	ALL	10th February, 2026 at 1000 hrs
3.	JUD/OT/025/2025-2026	Supply and Delivery of Antivirus Endpoint Software Licenses Under a Framework Contract for a Period of Three (3) Years	100,000.00	ALL	10th February, 2026 at 1400 hrs
4.	JUD/OT/026/2025-2026	Supply, Delivery, Testing, Installation and Commissioning of Passive Network Equipment and Structured Cabling under framework contract for a period of two (2) years	100,000.00	ALL	10th February, 2026 at 1200 hrs
5.	JUD/OT/027/2025-2026	Supply, Delivery, Installation, and Commissioning of Cloud Based Anti-Ddos Mitigation Solution and Support	100,000.00	ALL	10th February, 2026 at 1000 hrs
6.	JUD/OT/028/2025-2026	Supply, Delivery, Testing and Commissioning of Active Network Devices (Switches and Access Points) under framework contract for a period of two (2) years	100,000.00	ALL	10th February, 2026 at 1200 hrs
7.	JUD/OT/029/2025-2026	Supply, Installation, Testing, Training, and Commissioning of Security Surveillance System & Scanners at various Stations through a Framework Contract for a period of three (3) years	500,000.00	ALL	11th February, 2026 at 1000 hrs
8.	JUD/OT/030/2025-2026	Provision of Security Services to the Judiciary	1,000,000.00	ALL	11th February 2026 at 1000 hrs

Tendering is open to all qualified and interested tenderers who may view and obtain tender documents from the Judiciary's website www.judiciary.go.ke and from the Public Procurement Information Portal (PPIP) website www.tenders.go.ke. Any request for clarifications must be made in writing at **least five (5) days** prior to the tender closing dates. All clarifications and addenda will be posted on the Judiciary and on the Public Procurement Information Portal websites.

Bids submitted should be in Kenya Shillings and shall include all taxes that should remain valid for One Hundred and Twenty (120) days from the tender closing date. Tenders must be accompanied with a tender security valid for **150 days** from tender closing date in the form of a guarantee issued by Financial Institutions approved and licensed by the Central Bank of Kenya (CBK) or by Insurance Companies registered and licensed by the Insurance Regulatory Authority (IRA) **addressed and payable to the Chief Registrar of the Judiciary.**

Completed tender documents are to be enclosed in plain sealed envelopes, clearly marked with the tender number and name and deposited in the Tender Box provided at the Main gate, Supreme Court entrance, City Hall Way, Nairobi and addressed to:

THE CHIEF REGISTRAR OF THE JUDICIARY
ATT: DIRECTORATE OF SUPPLY CHAIN MANAGEMENT SERVICES
P.O BOX 30041-00100, NAIROBI, KENYA

To be received on or before tender closing dates.

Tenders will be opened immediately thereafter in the presence of the tenderers representatives who choose to attend at **Supreme Court Building 2nd Floor, Room No.74** or as will be advised.

Late tenders shall be rejected.

HON. WINFRIDAH B. MOKAYA, CBS
CHIEF REGISTRAR OF THE JUDICIARY

PUBLIC NOTICE

THE PHYSICAL AND LAND USE PLANNING ACT (No. 13 of 2019)

RENEWAL OF LEASE

The registered owner(s) of **L.R. No. 3784/1** located within Juja Farm Area in Juja Sub-County, Kiambu County proposes to **Renew its Lease** subject to approval by the County Government of Kiambu. Institution(s), individual(s), or organization(s) with comments or objections to the proposal are requested to forward the same in writing within fourteen (14) days of publication of this notice dated **27th January 2026** to:

**The CECM – Lands, Housing, Physical Planning,
Municipal Administration & Urban Development,
County Government of Kiambu,
P.O. Box 2344 - 00900,
Kiambu**

Registered Physical Planner: G. Samuel Mburu | Reg. No. PP0247

Kazi yashika kasi kwenye mradi wa umeme wa High Grand Falls Tana River

Waziri wa Nishati na Petroli Opiyo Wandayi (wa tatu kutoka kulia) wakati wa ziara ya zamani ya vifaa vya Kenya Electricity Generating Company PLC (KenGen).

NA JOSEPH NG'ANG'A (KNA)

Mradi wa Serikali unapendekesha wa Umeme wa Maji wa High Grand Falls umepata kasi baada ya ziara ya ukaguzi wa eneo la mradi wa megawati 700 iliyofanywa na Waziri wa Nguvu na Madini, Opiyo Wandayi, pamoja na uongozi wa Kenya Electricity Generating Company PLC (KenGen). Ziara hiyo ilihusisha eneo lililopendekesha la High Grand

Falls na mfumo mpana wa Seven Forks Cascade, ambao ni sehemu muhimu ya mfumo wa kizalishaji umeme wa maji nchini Kenya. KenGen ilisema kuwa mradi huo unatarajiwa kuimarisha kwa kiasi kikubwa usambazaji wa umeme wa muda mrefu nchini huku uki-toa faida nyingine kwa umma, ikiwa ni pamoja na kuboresha udhibiti wa mafuriko chini ya mabwawa ya Seven Forks. Kwa mujibu wa KenGen, maeendeleo haya yanaendana na

mkakati wa Kenya wa kupanua uzalishaji wa nishati nafuu na safi ili kusaidia ukuaji wa viwanda, mabadiliko ya kiuchumi, na ongezeko la mahitaji ya umeme. Mkurugenzi Mkuu na Mkurugenzi Mtendaji wa KenGen, Eng. Peter Njenga, alieleza mradi wa High Grand Falls kama uwekezaji wa kitaifa wa kimkakati na kutoa shukrani kwa Serikali kwa kumpa kampuni hiyo jukumu la utekelezaji wake. “Leo ni mwanzo wa safari muhimu na ya kubadilisha mai-

Mradi huo unatarajiwa kuimarisha usambazaji wa umeme wa muda mrefu nchini

sha,” alisema Eng. Njenga. “Ningependa kutoa shukrani kwa Serikali ya Kenya, kupitia Wizara yetu mama, kwa kuamini KenGen na kwa msaada wa kuendelea unaoolewa katika jukumu letu.” Wakati wa ziara ya ukaguzi, Wandayi alimpongeza KenGen kwa usimamizi wake wa kitaalamu wa rasilimali za maji, hasa wakati nchi inakabiliwa na upungufu wa maji kutokana na mvua isiyofikia wastani katika maeneo muhimu ya mabonde. “Nimevutiwa na mbinu ya kitaalamu ya KenGen katika usimamizi wa rasilimali za maji na dhamira yao ya kuhakikisha usambazaji wa umeme haukatishwi nchini,” alisema Wandayi. KenGen ilitoa taarifa ya hali ya mabwawa ya Seven Forks, iki-bainisha kuwa kufikia Jumatano, Januari 21, 2026, Bwawa la Masinga lilikuwa katika urefu wa mita 1,053.04 juu ya kiwango cha bahari (masl). Kiwango hiki ni mita 3.04 chini ya kiwango cha juu cha maji (1,056.5 masl) na kipo juu ya kiwango cha chini cha operesheni cha 1,037 masl. Kampuni hiyo ilihakikisha umma kuwa mitambo yote ya umeme wa maji ndani ya mfumo wa Seven Forks ipo imara kimuundo na afya yake ya kiutendaji ni nzuri, ikendelea kuchangia kikamilifu katika gridi ya taifa ya umeme. Eng. Njenga alisisitiza kuwa umeme wa maji unabaki kuwa chanzo cha bei nafuu zaidi cha umeme nchini Kenya, akibainisha kuwa matumizi makini yake yamesaidia kudumisha uthabiti wa bei za umeme hata wakati wa upungufu wa mvua. Aliongeza kuwa portfolio ya uzalishaji ya KenGen—ikijumuisha geothermal, upepo, joto na mitambo mingine ya umeme wa maji—inaendelea kufanya kazi kwa ufanisi na kuaminika.

Maabara za Chuo Kikuu cha Embu kutambuliwa kimataifa baada ya ushirikiano na KENAS

NA ONGANYI MANYUANDA (MYGOV)

Chuo Kikuu cha Embu kimepanga kuimarisha uaminifu wa utafiti wake na upimaji wa maabara kufuatia mazungumzo ya ngazi ya juu na Huduma ya Ukaguzi wa Viwango ya Kenya (KENAS) na Wizara ya Uwekezaji, Biashara na Viwanda. Katibu wa Viwanda, Prof. Erastus Gatebe, alioambatana na Mkurugenzi Mtendaji wa KENAS, Dkt. Walter Ongeti, walifanya ziara ya hesima katika Ofisi ya Kansela ya Chuo Kikuu cha Embu. Kikundi hicho kilipokelewa na Makamu wa Rais wa Chuo (Masuala ya Akademia, Utafiti na Uenezi) Prof. Paul Nthakanio na Prof. Eucharia Kenya (Mipango, Utawala, na Fedha), pamoja na wanachama wengine wa juu wa timu ya usimamizi wa chuo.

Mazungumzo hayo yalilenga kuendeleza ukaguzi wa maabara za chuo, hatua inayotarajiwa kuongeza usalama, uhakikisho wa ubora, na kutambulika kimataifa kwa matokeo ya vipimo. Ukaguzi pia unatarajiwa kusaidia kupunguza hatari zinazohusiana na bidhaa zisizo na viwango vinavyokubalika, kama vile mbolea bandia na vifaa vya ujenzi, ambavyo vimehusishwa na kushindwa kwa miundombinu. Prof. Jackson Wachira, Msimamizi wa Masuala ya Akademia, Utafiti na Uenezi na mwanzilishi wa Cracksfox—teknolojia ya saruji inayojitengeneza yenyewe iliyoundwa chuoni—alikaribisha mpango huo. Alibainisha kuwa ukaguzi utaongeza uaminifu na uwezo wa kibiashara wa ubunifu uliotengenezwa hapa nchini.

Kutoka kushoto kwenda kulia waliokaa: Prof. Eucharia Kenya, Naibu Makamu wa Chansela (Mipango, Utawala na Fedha), Katibu wa Viwanda, Prof. Erastus Gatebe, Prof. Paul Nthakanio, Naibu Makamu Mkuu (Taaluma, Utafiti na Ugani), Afisa Mkuu Mtendaji wa KENAS, Dkt. Walter Ongeti, Meneja Mkuu wa KENAS, Maabara Chanzo cha Njuera Lucy Namu kutoka ofisini.

KENAS iliahidi kuunda timu ya kiufundi ili kuharakisha mchakato wa ukaguzi na kusaidia mipango pana inayohusiana na ubora ndani ya chuo. Mipango pia ipo katika hatua za kuformalisha ushirikiano kupitia Makubaliano ya Kuelewana (MoU) kati ya Chuo Kikuu

cha Embu, KENAS, na Wizara. MoU hiyo italenga kuimarisha miundombinu ya ubora, kuendeleza ubora wa utafiti, na kukuza maendeleo ya viwanda. Prof. Gatebe alisisitiza kuwa ushirikiano huu unaashiria dhamira ya pamoja ya kukuza ubora, usalama, ubu-

nifu, na ushindani wa kimataifa katika sekta ya elimu ya juu na utafiti nchini Kenya. Chuo Kikuu cha Embu tayari kimefaidika na mafunzo ya awali yaliyoandaliwa na KENAS kuhusu mchakato wa ukaguzi, hatua ambayo ni muhimu kuelekea kutambulika kimataifa kwa matokeo ya maabara zake.

INVITATION
TO TENDER

REPUBLIC OF KENYA

INVITATION TO TENDER

NO	TENDER NO.	DESCRIPTION	ELIGIBILITY	TENDER CLOSING DATE
1	KGK-OLK-013-2026	Tender for Supply of Multifunction Instrument Documenting Calibrator.	Citizen Contractors	11th February 2026 at 10.00 a.m.
2	KGK-OLK-016-2026	Tender for Supply of Operator Workstations.	Youth Enterprise	11th February 2026 at 10.00 a.m.
3	KGK-GDD-010-2026	Tender for Supply of Well Discharge Test Parameter Monitoring System.	Women Enterprises	11th February 2026 at 10.00 a.m.
4	KGK-GDD-011-2026	Tender for Supply, Delivery, Installation, Testing, and Commissioning of a 20 M ³ /HR Modular Water Treatment Plant.	Youth Enterprises	11th February 2026 at 2.00 p.m.
5	KGK-OLK-021-2026	Tender for Supply, Installation, Testing and Commissioning of 17.6KVA, 110VDC Battery Charger.	Citizen Contractors	11th February 2026 at 2.00 p.m.
6	KGK-OLK-022-2026	Tender for Supply, Installation, Testing and Commissioning of Online Battery Monitoring System.	Youth Enterprise	11th February 2026 at 2.00 p.m.
7	KGK-OLK-023-2026	Tender for Supply, Installation, Testing and Commissioning of UPS Batteries.	PWD Enterprise	11th February 2026 at 2.00 p.m.
8	KGK-OLK-024-2026	Tender for Supply, Installation, Testing and Commissioning of 11KV Outdoor Circuit Breaker.	Open International	12th February 2026 at 10.00 a.m.
9	KGK-OLK-025-2026	Tender for Supply of Instrumentation Workshop Equipment.	Citizen Contractors	12th February 2026 at 10.00 a.m.
10	KGK-GDD-012-2026	Tender for Geothermal Well Workover Operations. <i>There shall be a Mandatory site visit on 3rd February 2026 starting at 10.00 a.m. at KenGen Geothermal Plaza, Olkaria, Naivasha, before proceeding to the project site</i>	Citizen Contractors	12th February 2026 at 10.00 a.m.
11	KGK-OLK-026-2026	Tender for Cooling Tower Drive Train Component.	Open National	12th February 2026 at 2.00 p.m.
12	KGK-OLK-027-2026	Tender for Design Supply Installation Testing & Commissioning of 11MVA, 11/3.3KV Transformer for Olkaria V Power station	Women Enterprises	16th February 2026 at 2.00 p.m.
13	KGK-GDD-013-2026	Tender for Supply of Drill String Components.	Open National	16th February 2026 at 2.00 p.m.
14	KGK-GDD-014-2026	Tender for Supply of Drilling Chemicals.	Open National	17th February 2026 at 10.00 a.m.
15	KGK-GDD-015-2026	Tender for Supply and Migration Installation of Rig Control Systems.	Citizen Contractors	17th February 2026 at 10.00 a.m.
16	KGK-GDD-016-2026	Tender for Supply of Foldable Well-head Platform.	Women Enterprises	17th February 2026 at 10.00 a.m.
17	KGK-GDD-017-2026	Tender for Supply of Logging Cable and Associated Accessories.	Citizen Contractors	17th February 2026 at 2.00 p.m.
18	KGK-GDD-018-2026	Tender for Supply of High-Temperature TPS Logging Tools.	Citizen Contractors	17th February 2026 at 2.00 p.m.
19	KGK-GDD-019-2026	Tender for Supply of Lubricants for Drilling Rig and Mobile Equipment	Open National	17th February 2026 at 2.00 p.m.
20	KGK-GDD-020-2026	Tender for Supply of Trailer Mounted Double Pump Cementing Unit	Open National	18th February 2026 at 10.00 a.m.
21	KGK-GDD-021-2026	Tender for Supply, Installation and Commissioning of 2MVA Step Up Power Transformer.	Women Enterprises	18th February 2026 at 10.00 a.m.
22	KGK-GDD-022-2026	Tender for Supply of Steel Casing and Casing Accessories and Stripper Rubbers.	Open National	18th February 2026 at 2.00 p.m.
23	KGK-GDD-023-2026	Tender for Fishing Tools	Citizen Contractors	18th February 2026 at 2.00 p.m.
24	KGK-GDD-024-2026	Tender for Overhaul of 800KW DC Motors	Citizen Contractors	18th February 2026 at 2.00 p.m.
25	KGK-GDD-025-2026	Tender for supply of Geothermal Wellhead Equipment (Expanding Gate Valves and Adaptor Flanges)	Open International	19th February 2026 at 10.00 a.m.
26	KGK-GDD-026-2026	Tender for Supply of Data Acquisition and Reservoir Monitoring Equipment	Women Enterprises	19th February 2026 at 10.00 a.m.
27	KGK-GDD-027-2026	Tender for Supply of Spares Parts for N370 Drilling Rig	Women Enterprises	19th February 2026 at 10.00 a.m.
28	KGK-KIP-001-2026	Tender for Epoxy Floor Repairs & Painting of Kipevu III Power Station Engine Room & Workshop Floor(S). <i>There shall be a mandatory site visit on 4th February, 2026 starting at 10.00 a.m. at Kipevu Power Station</i>	Women Enterprises	19th February 2026 at 2.00 p.m.

NO	TENDER NO.	DESCRIPTION	ELIGIBILITY	TENDER CLOSING DATE
29	KGK-OPS-003-2026	Tender for Supply, Installation and Delivery of Strategic Spare Parts.	Citizen Contractors	19th February 2026 at 2.00 p.m.
30	KGK-HYD-006-2026	Tender for Design, Supply, Installation, Testing and Commissioning of Low Voltage Switchgear Incabinet Fire Detection and Suppression System <i>There shall be a Mandatory Site Visit on , 4th February 2026 at Masinga, Kamburu and Kindaruma at 10.00 a.m. the Site visit will start at Masinga at 10:00 am and later proceed to Kamburu and Kindaruma</i>	Citizen Contractors	19th February 2026 at 2.00 p.m.
31	KGK-HYD-009-2026	Tender for Supply, Installation and Commissioning of 5TON Single Girder EOT Crane. <i>There shall be a Mandatory Site Visit on 11th February, 2026 at Gitaru power station starting at 10.00 a.m.</i>	Youth Enterprises	23rd February 2026 at 2.00 p.m.
Tender Advertised on e-GP system, Bidders to log on to www.egpkenya.go.ke to participate and also refer to any Addendum and Clarification issued from time to time				
32	KGK-BDD-001-2026 Tender ID: 6534	Request for Proposal for Feasibility Study for Topping Units at Olkaria 1V (UNITS 1&2) And Olkaria 1AU (UNITS 4&5) Geothermal Power Plants <i>There shall be a mandatory site visit and pre-bid conference on 9th February 2026 starting at 10.00 a.m at Olkaria and thereafter visit of the sites located in Olkaria Geothermal field.</i>	Open International	26th February 2026 at 10.00 a.m.

Interested firms may obtain further information from the office of the General Manager-Supply Chain, Tel: (254) (020) 3666230, Email: tenders@kengen.co.ke on normal working days beginning on the date of advert. Bidders who are unable to download the tender documents from the website may collect them from any KenGen Supply Chain Office upon payment of a non-refundable fee of **KShs.1, 000.00** paid via **Mpesa, pay bill no. 400200 and account no. 01120069076000**, then share the MPesa message to KenGen Finance office staff for receipt and issuance of official receipt.

The document can also be viewed and downloaded from the website www.kengen.co.ke, on E-procurement <https://eprocurement.kengen.co.ke:50001/irj/portal> and on PPI portal <https://tenders.go.ke>

Bidders are advised to refer to the website and on e-procurement regularly for any additional information / clarifications/addenda. Downloaded copies are **FREE**.

SUBMISSION OF TENDERS:

- Tender documents must be submitted online through KenGen E-Procurement web portal found on the KenGen website (www.kengen.co.ke)
- Bidders who are interested in this tender **MUST** ensure that they are registered in the E-Procurement Portal. Please ensure compliance to the following;
 - For suppliers registering for the first time ensure the **"Public Procurement"** checkbox is ticked so that the login details are sent to suppliers automatically.
 - All documents **Must** be uploaded to the SRM System through the <https://eprocurement.kengen.co.ke:50001/irj/portal> found at www.kengen.co.ke
 - Prices to be entered under item of the RFx shall be similar to be prices in the price schedule.

Note: Those Bidder who have submitted their bids and wish to amend them further should not click on **WITHDRAW** but click on **EDIT** to enable them amend their bid response and make appropriate changes.

Bidders who require any form of assistance on how to bid via the system are advised to download a manual from the website or may contact eprocurement@kengen.co.ke

Tender Security:**Electronic Tender Securities are acceptable subject to:**

- Attachment of a scanned copy to the bid document.
- Submission of the e-security to the address indicated below in plain sealed envelope clearly labelled.
- Such E-Security can be verified by use of a Quick Response (QR) code
- Such E-Security can be verified via the issuing institution's online portal.

Where a non-electronic security is submitted, the hard copy of the Original Tender Security in the form and amount specified **must** be delivered in plain sealed envelope clearly labelled with the tender number and tender description before the closing date and Time to the following address:

**General Manager - Supply Chain,
Kenya Electricity Generating Company PLC,
9th Floor, KenGen Pension Plaza II,
Kolobot Road, Parklands,
P.O. Box 47936, 00100 NAIROBI**

Tenders will be opened **online** soon after the closing time in the presence of the candidates' representatives who choose to attend at KenGen Pension Plaza II, Tender opening room, 6th floor.

N/B: KenGen adheres to high standards of integrity in its business operations. Report any unethical behavior immediately to the provided anonymous hotline service.

- Call Toll Free: 0800722626
- Free Fax: 00800 007788
- Email: kengen@tip-offs.com
- Website: www.tip-offs.com

GENERAL MANAGER, SUPPLY CHAIN

MAKALA: KUTOKA MAJANI CHAI HADI KAWI SAFI

Majani ya kijani yaleta nishati ya kijani kwa mkulima

NA PURITY MUGO (KNA)

Mary Wambui, mkulima wa chai mwenye umri wa miaka 63 kutoka Mbugiti, Kata Ndogo ya Gatanga, ni mfano hai wa jinsi ongezeko la mapato ya chai lina-vyobadilisha maisha ya wakulima wadogo. Hivi karibuni, Wambui alisakinisha mfumo wa biogas unaokidhi mahitaji yake yote ya kupika kila siku—uwekezaji ambao alisema usingekuwa uwezekano bila mapato kutoka kilimo cha chai.

Kwa miaka mingi, alikosa mkondo wa kuni za jikoni, mara nyingi akipanda miti shambani au kutumia pesa kununua gesi ya kupikia. Mfumo wa biogas haujara-hisisha tu kazi zake bali pia umeboresha hali yake ya maisha kwa kufanya jikoni yake kuwa safi, bila soot na uchafu.

“Mradi huu usingekuwa uwezekano bila bonasi ya chai niliyopata,” alisema Wambui.

Ana takriban miti 400 ya chai, inayotoa takriban kilo 1,000 za majani mabichi kila mwaka wakati wa misimu ya mvua wastani. Mwaka huu, alipokea Sh57,000 kama bonasi ya mwaka, ambayo imemwezesha kununua na kusakinisha mfumo wa biogas.

“Hakuna shughuli nyingine shambani mwangu ingenipa pesa kama hizi mara moja. Nilikuwa nimepanga kuwekeza kwenye mfumo huu tangu mwanzoni mwa mwaka jana,” alisema. Mbali na bonasi ya mwaka, Wambui hupata takriban Sh2,000 kwa mwezi kutoka kwa mauzo ya chai. Baada ya kumlipa mchoraji wake wa chai takriban Sh1,000, anatumia mapato yaliyobaki kujisaidia.

Wambui anabainisha kuwa

kilimo cha chai kimempa kipato cha kudumu ambacho kinaendana na shughuli nyingine za kujitegemea shambani mwake.

Aidha, anamulika ng’ombe wa maziwa unaotoa maziwa kwa matumizi ya nyumbani na mauzo kwa majirani, huku shamba lake likitoa sehemu kubwa ya mahitaji yake ya chakula. Anapanda mboga za

asili, mihogo, viazi vitamu, viazi vitungu na cassava. Wambui anaweka chai yake kupitia Kiwanda cha Chai cha Ngere, kikiwa kimoja cha kubwa katika Kaunti ya Murang’a na kimoja cha vyema zaidi kitaifa chini ya Kenya Tea Development Agency (KTDA). Kiwanda hicho kinahudumia wakulima zaidi ya 9,000 na kililipa takriban Sh2 bilioni

Picha ya shamba la chai. Wakulima wakichuma chai shambani. Picha ya Maktaba

kama bonasi za mwaka Oktoba 2025, kuongeza kwa kiasi kikubwa mapato ya kaya na uchumi wa eneo.

Mwenyekiti wa Kiwanda cha Chai cha Ngere, James Githinji, alisema kiwanda kimepata malipo ya bonasi ya chai ya juu zaidi kati ya viwanda 10 vya kaunti hiyo na kipo nafasi ya tano kitaifa.

“Ufanisi huu ni matokeo ya utawala bora na ubora wa chai inayozalishwa na wakulima wetu, ambayo huvutia bei za juu kwenye mnada,” alisema Githinji.

Alibainisha kuwa wakulima walipokea Sh25 kwa kilo kwa malipo ya kila mwezi na Sh57 kwa kilo kama bonasi ya mwaka, akiongeza kuwa kiwanda kimeboresha kiwango chake cha kitaifa kutoka nafasi ya tisa mwaka jana. Githinji, ambaye pia ni mwanabodi wa KTDA Kanda

ya Mbili, alibainisha kuwa Kaunti ya Murang’a ili-tambulika kama kaunti yenye utendaji bora kitaifa, ikifuatiwa na Kaunti ya Meru yenye Sh9 bilioni.

Alisema kiwanda kimekuwa kikifanyia mauzo ya moja kwa moja na kuwanua bidhaa ili kuongeza mapato ya wakulima. Sehemu ya mazao yake inauzwa moja kwa moja kwa wanunuzi badala ya kupitia mnada wa Mombasa, hatua inayo-hakikisha bei kubwa zaidi kwa wakulima.

“Hii pia inahakikisha kuwa kiasi kinachouzwa kupitia mnada ni kidogo na kinachoweza kuchukuliwa na soko kwa urahisi,” alieleza, akifichua kuwa kiwanda kimesakinisha kiwanda cha kisasa cha kuchakata chai ya Orthodox, ambacho kilianza kufanya kazi Desemba 2025. Alibainisha kuwa maoni kutoka kwa wanunuzi yamekuwa chanya na “mara uzalishaji mkubwa unaanza, utaboresha zaidi mapato ya wakulima kwa kupunguza utegemezi kwenye chai ya Black Crush-Tear-Curl (CTC) inayouzwa mnadani.”

Githinji alibainisha kuwa maendeleo haya yanalin-gana na jitihada za serikali ya kitaifa za kuboresha mnada wa chai ya Orthodox Mombasa, uliyoanzishwa Septemba ili kukuza mauzo ya chai maalumu.

Makamu mwenyekiti wa Kiwanda cha Chai cha Ngere, John Kamau, alisema utambuzi huo utahamishi-sha wakulima kudumisha uzalishaji wa ubora, akibainisha kuwa mapato yaliyoongezeka yameonyesha thamani ya chai ya ubora. Meneja wa kiwanda, Patrick Karanja, alisema upanuzi wa bidhaa umepanua masoko na kuongeza matumizi ya bidhaa za chai zenye thamani ya juu.

Mfumo wa vitengo wa TVET wasisitiza ujuzi kuliko mafunzo nadharia

FLORENCE KINYUA (KNA)

Mtaala wa Elimu na Mafunzo ya Ustadi (CBET) uliogawanyika kwa moduli umepongezwa kama mabadiliko makubwa zaidi katika sekta ya Elimu ya Ufundi na Mafunzo ya Kitaaluma (TVET) nchini Kenya, ukibadilisha kwa kiasi kikubwa jinsi elimu ya ufundi inavyotolewa.

Wadau wa elimu, wakiwa katika jukwaa la uhamasishaji wa TVET katika Kaunti ya

Murang’a, walisema kuwa mtaala wa CBET umebadilisha mafunzo kutoka kwa mfano wa nadharia kwenda kwenye mfumo unaolenga ustadi na kuzingatia mwanafunzi, ukipata walimu wa mafunzo ujuzi wa vitendo unaolingana na mahitaji ya soko la ajira.

Mkurugenzi wa Kandara Technical and Vocational College (TVC), Mary Kamau, alisema mfumo wa moduli umeunda fursa kwa vijana wengi ambao awali waliondoka shule kutokana na changamoto za kifedha

Wanafunzi wa Kandara TVET wakati wa somo mnamo Januari 21, 2026.

au miundo ngumu ya masomo. “CBET imebadilisha sura ya elimu ya ufundi. Wanafunzi sasa wanaweza kufanya mafunzo kwa moduli, kupata vyeti katika kila kiwango, na

kuingia sokoni mwa ajira hata kabla ya kumaliza kozi zao zote. Urahisi huu umeongeza idadi ya wanafunzi waliosajiliwa na kuboresha viwango vya ukamilishaji,” alisema Kamau.

Aliongeza kuwa serikali imeunga mkono mchakato huu kwa kuwapandisha taasisi vifaa vya kisasa vya mafunzo, kuhakikisha kuwa wahitimu wanapata ujuzi wa vitendo unaohitajika na mahitaji ya viwanda. “Sekta ya TVET imepokea mageuzi mengi kwani serikali inaunga sekta ya TVET na imehakikisha kuwa mbali na kuzipatia vifaa TVETs, tunayo taasisi katika kila jimbo ili kuboresha upatikanaji.”

“Kwa mtaala uliogawanyika kwa moduli kuanzia kiwango cha mafundi hadi diploma, mwanafunzi anapata ujuzi wa vitendo unaomfanya aweze kupata ajira katika kila kiwango. Pia katika kila kiwango wanaweza kuingia kwenye ajira ya kujitegemea,” alisema.

MINISTRY OF WATER, SANITATION & IRRIGATION

CENTRAL RIFT VALLEY WATER WORKS DEVELOPMENT AGENCY

INVITATION TO TENDER

The Central Rift Valley Water Works Development Agency (CRVWWDA) invites sealed tenders for the following projects:

Tender No	Project Name	Project Scope	County	Eligibility	Bid Security amount (Kes)	Date of Closing and opening
CRVWWDA/LAI/KAP-EC-DE/BH/01/2025-2026	Kapnyongi ECDE Borehole Water Project	Borehole Drilling Equipping & Civil Works	Laikipia	Women	N/A	17TH February, 2026
CRVWWDA/LAI/MUW / BH/02/2025-2026	Muwarak Primary School Borehole Water Project		Laikipia	Youth	N/A	17TH February, 2026
CRVWWDA/LAI/KAP / BH/03/2025-2026	Kapkures Primary School Borehole Water Project		Laikipia	Women	N/A	17TH February, 2026
CRVWWDA/LAI/NAIG/ BH/04/2025-2026	Naigera Secondary School Borehole Water Project		Laikipia	Youth	N/A	17TH February, 2026
CRVWWDA/NYA/OL-ROK/BH/05/2025-2026	Olojoro-Rok Josline Borehole Water Project		Nyan-darua	Women	N/A	17TH February, 2026
CRVWWDA/NAK/NGES/ BH/06/2025-2026	Ngesumin Borehole Water Project		Nakuru	Open	150,000	17TH February, 2026
CRVWWDA/LAI/EQT/ BH/07/2025-2026	Equator Borehole Water Project		Nyan-darua	Women	N/A	17TH February, 2026
CRVWWDA/NAK/TUY/ BH/08/2025-2026	Tuyobei Borehole Water Project		Nakuru	Open	150,000	17TH February, 2026
CRVWWDA/BAR/LAK-KAM/BH/09/2025-2026	Lake Kamnarok Borehole Water Project		Baringo	Women	N/A	18TH February, 2026
CRVWWDA/LAI/MAH / BH/10/2025-2026	Mahua Primary School Borehole Water Project		Laikipia	Open	150,000	18TH February, 2026
CRVWWDA/BAR/NGEM/ BH/11/2025-2026	Ngembomoi Borehole Water Project		Baringo	Open	150,000	18TH February, 2026
CRVWWDA/BAR/KAB / BH/12/2025-2026	Kabulyot Water Supply Project	Solarization Pipeline Fencing Pumping Station	Baringo	Women	N/A	18TH February, 2026
CRVWWDA/BAR/SUK/ WSP/13/2025-2026	Sukta Springs Water Supply Project	Intake Weir Pumping System Solar Equipment Sump Masonry Tank Pipeline Extension Water Kiosk Cattle Trough Fence and Gate	Baringo	Open	300,000	18TH February, 2026
CRVWWDA/BAR/OROK/ LMC/14/2025-2026	Orokwo Community Bh Last Mile Connectivity	Repair of Tank and Borehole Pipeline Extension Fence and Gate	Baringo	Youth	N/A	18TH February, 2026
CRVWWDA/BAR/KAM/ WSP/15/2025-2026	Kamoka Water Supply Project	100m3 Masonry Tank 50m3 Masonry Tank Pipeline	Baringo	Open	250,000	18TH February, 2026
CRVWWDA/BAR/LAM/ LMC/16/2025-2026	Lamalok Community Bh Last Mile Connectivity	Pipeline Extension Masonry Tank Water Tank Fencing	Baringo	Open	150,000	18TH February, 2026
CRVWWDA/BAR/KAM/ WAP/17/2025-2026	Kamurian Water Pan	Excavation and Embankment Spillway Silt Trap	Baringo	Open	150,000	19TH February, 2026
CRVWWDA/BAR/KOL/ WAP/18/2025-2026	Kolosonje Water Pan	Excavation and Embankment Spillway Cattle Access Ramp Fencing	Baringo	PWD	N/A	19TH February, 2026

Tender No	Project Name	Project Scope	County	Eligibility	Bid Security amount (Kes)	Date of Closing and opening
CRVWWDA/BAR/KIP/ WSP/19/2025-2026	Kipchar Water Supply Project	25m3 Masonry Tank 100m3 Masonry Tank Pipeline	Baringo	Open	200,000	19TH February, 2026
CRVWWDA/LAIK/LOR-COL/DAM/20/2025-2026	Lorien Colonial Dam Water Project	Excavation and Embankment Spillway Community Water Point Fencing	Laikipia	Open	300,000	19TH February, 2026
CRVWWDA/LAI/RUAI/ LMC/21/2025-2026	Ruai Water Project Last Mile Connectivity	108m3 Tank and Tower Laying of Pipeline	Laikipia	Open	300,000	19TH February, 2026
CRVWWDA/LAI/MUN/ DAM/22/2025-2026	Desilting and Expansion of Munanda Dam Water Project	Excavation and Embankment Spillway Ancillary Structures Fencing	Laikipia	Open	200,000	19TH February, 2026
CRVWWDA/LAI/KAH-OL/WAP/23/2025-2026	Kaharati-Ol-moran Water Pan	Excavation and Embankment Spillway Ancillary Structures Fencing	Laikipia	Open	300,000	19TH February, 2026

N/B: Verification for AGPO Certification shall be undertaken for Youth, Women and PWD reserved Category

Pre-Bid Conference.

A pre-bid site meeting shall be held on the following dates:

Project	Date of Site Meeting	Assembling point	Time
Kamurian Water Pan	3rd February 2026	Kamar Chiefs Office	10:00 a.m
Sukta Springs Water Supply Project	4th February 2026	Molok Primary School Gate(Koisbos Soi)	10:00 a.m
Kolosonje Water Pan		Koisbos Soi Chiefs Office (Radat Centre)	2:00 p.m
Orokwo Community Bh Last Mile Connectivity	5th February 2026	Orokwo Primary School Gate	10.00 a.m
Kamoka Water Supply Project		Kapkiamo Primary School Gate (Kapkiamo Centre)	2.00 p.m
Kipchar Water Supply Project	6th February 2026	Maregut Centre ("Barwe-sa-Kinyach Road)	10:00 a.m
Munanda Dam Water Project	3rd February 2026	Melwa Primary School Gate (Gatundia Centre)	10:00 a.m
Lorien Colonial Dam Water Project		Lorien Chiefs Office	2:00p.m
Kaharati-Olmoran Water Pan	4th February 2026	Olmoran Primary School (Past Sipili Centre)	10:00a.m
Ruai Water Project Last Mile Connectivity	5th February 2026	NAWASCO Office (Nanyuki)	9.00 a.m

Obtaining bidding documents

Tender documents may be viewed and downloaded for free from the www.crvwwda.go.ke or at PPIP portal www.tenders.go.ke. Tenderers who download the tender document must forward their particulars immediately to procurement@crvwwda.go.ke to facilitate any further clarification or addendum.

Submission

Complete tender document marked the tender No. must be delivered to the tender box situated at the address below by the dates indicated above at **12:00 Noon**. Tenders must be accompanied by a tender security as stated above in form of a bank guarantee. The Tenderer shall chronologically serialize all pages of the tender documents submitted. Late tenders will be rejected.

The bids will be opened at **12:05 hours** local time on stated dates in the presence of the bidders who choose to attend, bidders' representatives who chose to attend must submit written authorization from the firms they are representing.

The address referred to above is:

Chief Executive Officer
Central Rift Valley Water Works Development Agency
Maji Plaza, Prisons Road
P.O. Box 2451-20100 Nakuru, Kenya
Mobile No. 0725-999000

Wataka hatua za dharura dhidi ya upinzani wa dawa za bakteria

NA CHARI SUCHE NA SITATI REAGAN (KNA)

Upinzani wa Madawa ya Bakteria (AMR) unaibuka kama tishio kubwa la afya ya umma barani Afrika, liki-sababisha vifo zaidi kuliko kifua kikuu, malaria, na HIV kwa pamoja, wamesema wataalamu wa afya. Akizungumza katika Mkutano wa Kitaifa wa AMR 2026 uliofanyika Mombasa, ukizingatia kaulimbiu ya “Kushirikiana Kushughulikia AMR Kenya,” wataalamu walitoa wito wa kuchukua hatua za dharura na za pamoja kukabiliana na kile walisichosema ni epidemia tulivu iliyosababisha karibu milioni tano za vifo duniani wakati wa janga la COVID-19. Profesa Sam Kariuki, kiongozi wa Kiafrika wa Drugs for Neglected Diseases Initiative na Mtafiti Mwamandizi katika Kenya Medical Research Institute (KEMRI), alibainisha kuwa takriban vifo 27.5 kati ya kila 1,000 barani Afrika husababishwa na maambukizi ambayo hayafikii tena na antibiotics zinazopatikana. “AMR si ugonjwa unaoonekana kwa macho, lakini unasababisha vifo kwa sababu maambukizi kama malaria, kifua kikuu, au typhoid hayawezi kutibiwa na antibiotics

Mkurugenzi Mwamandizi wa Kenya National Public Health Institute, Dkt. Irungu Kamau (katikati), akiwa katikati ya maafisa wa Kenya Medical Research Institute (KEMRI), akitoa taarifa kwa vyombo vya habari kando ya mkutano wa ushauri kuhusu upinzani wa madawa ya bakteria nchini uliofanyika Mombasa. Picha: Andrew Hinga

zinazopatikana. Ni tatizo lisilo na uso, lakini kubwa sana,” alisema Prof. Kariuki. Aliongeza kuwa wakati COVID-19 iliosababisha takriban milioni 3.6 ya vifo duniani, maambukizi yanayohusiana na upinzani wa madawa yalisababisha karibu milioni tano katika kipindi kile kile, ikionyesha janga ambalo limepokelewa kwa umma kwa kiasi kidogo. Magonjwa ya kawaida kama typhoid, homa, kipindupindu, na maambukizi ya bakteria kwenye damu yanazidi kuwa magumu kutibiwa kuto-

kana na upinzani mkubwa, jambo linalohatarisha ufanisi wa huduma za kawaida za afya kote Kenya. Profesa Jay Berkley, mtaalamu wa magonjwa ya kuambukiza kwa watoto mwenye uzoefu wa zaidi ya miaka 30 katika utafiti wa afya ya watoto kanda ya Pwani, alisisitiza umuhimu wa mfumo imara wa ufuatiliaji ili kufuatilia mifumo ya upinzani katika hospitali, jamii na mazingira ya kilimo. “Tunahitaji kujua kinachoelekea katika mazingira yetu ili kupata suluhisho. Ufuatiliaji unahitaji mpan-

gilio, vifaa, na msaada kutoka kwa wizara, hospitali, na washirika wa kifedha,” alisema Berkley. Alieleza kuwa viwango vya upinzani vinatofautiana sana kati ya vituo vya afya vijijini na vitengo vya matibabu makali, hivyo kufanya maamuzi ya matibabu kutegemea data za kienyeji kuwa muhimu. Utafiti unaoendelea katika KEMRI na taasisi nyingine unachunguza antibiotics mpya na kubaini dawa zilizopo ambazo bado zinafanya kazi.

KUCCPS kuandaa kongamano la kitaifa la mwongozo wa taaluma kabla kutuma maombi

NA PAUL JUMA (PCO)

Zaidi ya vyuo vikuu na vyuo vya kati 500 vinatarajiwa kuhudhuria Mkutano wa Maonyesho ya Kwanza ya Kitaifa ya Kujua Kazi ya KUCCPS, utakao-fanyika kuanzia Januari 27 hadi 29, 2026 jijini Nairobi. Huduma ya Kuweka Wanafunzi Vyuo na Vyuo Vikuu ya Kenya (KUCCPS), taasisi ya serikali inayohusika na kuweka wanafunzi

kwa ajili ya kujiunga na vyuo vikuu na vyuo vya kati na kuandaa programu za ushauri wa kazi, imeandaa jukwaa hili wakati ikiandaa kuzindua maombi ya uwekaji wa vyuo vya mwaka 2026. Tukio hilo, litakalofanyika katika Kituo cha Kimataifa cha Mikutano cha Kenyatta (KICC), linatarajiwa kuvutia waombaji wa kidato cha nne, wanafunzi wa shule za sekondari, walimu, wazazi, wataalamu wa ushauri wa

kazi, na wadau wengine wa elimu kwa mijadala na vikao vya mafunzo chini ya kaulimbiu: “Uchaguzi wa Kazi Unaofahamika; Ajira yenye Ujuzi na Ushindani.” Jukwaa la siku tatu litatumia uzoefu wa KUCCPS katika ushauri wa kazi na uwekaji wa wanafunzi kunda maamuzi ya kazi kwa wanafunzi wanapo-

jitayarisha kuchagua programu za masomo kwa mzunguko wa uwekaji wa mwaka 2026/2027. KUCCPS ni mamlaka pekee katika ushauri wa kazi na uwekaji wa wanafunzi katika vyuo na vyuo vikuu, kama inavyoonyeshwa na mchakato wake wa uwekaji unaoendana na chaguo na sifa za wanafunzi.

KWA UFUPI

Wizara yaanzisha utambuzi wa vyeti vya ustadi wa kujifunza

NA ARNOLD LINGA (KNA)

Serikali imezindua kampeni ya kitaifa ya kuthibitisha ujuzi uliopatikana nje ya elimu rasmi kupitia mpango wa Recognition of Prior Learning (RPL), hatua inayolenga kuwezesha maelfu ya vijana kushindana kupata ajira hapa nchini na nje ya nchi. Akizungumza katika mkutano wa waandishi wa habari Voi, Kaunti ya Taita Taveta, Katibu Mkuu wa Kazi na Maendeleo ya Ujuzi, Shadrack Mwandime, alisema kuwa RPL ni jwe la msingi katika mpango wa National Youth Opportunities Towards Advancement (NYOTA), ulioundwa kufunga fursa za kiuchumi kwa vijana kwa kutambua rasmi ujuzi uliojazwa kupitia kazi zisizo rasmi, mafunzo ya vitendo na vipaji. Kupitia RPL, vijana wenye ujuzi uliothibitishwa watapimwa na kupewa vyeti vinavyotambulika kitaifa, jambo linalowawezesha kupata fursa za ajira kwa usawa na wale waliofuata njia rasmi za mafunzo. “Akipewe kijana cheti,

anaweza kupata ajira hapa katika uchumi wetu wa ndani au hata kupata ajira nje ya nchi,” alisema Mwandime, akibainisha kuwa vyeti vya RPL vinatambulika rasmi na vinaweza kutumika katika masoko ya ajira. Aliongeza kuwa Wizara inaendelea kushirikiana na wadau wa maendeleo kuongeza fursa nje ya Kenya. “Tuko katika mawasiliano na Benki ya Dunia na pia serikali ya Canada. Tunajitahidi kuhakikisha kuwa takriban vijana 100 watakoipata cheti cha RPL wanaweza kufikia soko la ajira la kimataifa nchini Canada na nchi nyingine za Ulaya,” alisema. Katibu Mkuu alitangaza kuwa vijana 68,000 waliyoomba RPL kupitia jukwaa la *254# wanasubiri kuanza mazoezi ya uhamasishaji na uchunguzi katika kaunti zote 47 kuanzia Januari 26 hadi Januari 31, 2026. Alisema kundi lote litapitia mchakato wa uthibitishaji uliopangwa hadi wagombea waliokidhi vigezo wapate vyeti vya ujuzi na vipaji vyao.

Wajir yazindua mlo shuleni kwa chekechea

NA HAMDİ BUTHUL (KNA)

Kaunti ya Wajir imezindua mpango wa chakula shuleni unao-lenga wanafunzi wa Elimu ya Maendeleo ya Awali (ECDE) katika hatua inayolenga kudumisha masomo licha ya hali ya ukame wa muda mrefu inayokumba eneo hilo. Mpango huu, ambao unao-tekelezwa katika kaunti zote ndogo, utawafaidisha wanafunzi 27,802 wa ECDE katika vituo 376. Chini ya mpango huu, wanafunzi watapokea jumla ya tani 356 za uji wa Con-Soy ulioimarishwa ili kusaidia lishe, kuboresha umakini darasani, na kuongeza matokeo ya kujifunza. Akizungumza wakati wa uzinduzi rasmi, Gavana wa Wajir Ahmed Abdullahi alisema mpango huu umebuniwa ili kuongeza ushiriki wa shule na kuhifadhi wanafunzi wadogo ambao familia zao zimekumbwa vikali na ukame unaoendelea. “Kwa kutoa milo ya

kawaida katika vituo vyetu vya ECDE, tunahakikisha kwamba watoto wanaendelea kushiriki masomo na wanaweza kuzingatia darasani licha ya changamoto zinazotokana na ukame,” alisema Gavana Abdullahi. Mbali na mpango wa chakula shuleni, serikali ya kaunti pia imezindua Mpango wa Vifaa vya Usafi unao-lenga wasichana wanaosoma shule ili kushughulikia ukosefu wa kuhudhuria shule unaohusiana na hedhi, changamoto inayowaathiri zaidi wanafunzi kutoka kaya zilizo hatarini. Gavana Abdullahi alisisitiza kuwa upatikanaji wa bidhaa za usafi ni kipengele muhimu katika kukuza elimu ya wasichana na kulinda heshima yao. “Hakuna msichana anayepaswa kulazimishwa kukosa shule kwa sababu ya ukosefu wa vifaa vya msingi vya usafi. Hii ni suala la heshima na fursa sawa katika elimu,” alibainisha.
